Friends of the LGBT* Center,

Happy Bisexual Awareness Week! We love [this video](#) from GLSEN that talks about supporting bisexual students. If you're celebrating this week, let us know so we can share on social media.

We're also very excited to announce that students now have the option to provide their gender in addition to their legal sex on [MyUNiverse](#)

We recognize the importance of the multiple identities our students hold and are taking steps to make our campus experience more inclusive for gender diverse students. Part of our work of inclusion is providing options for accurate and visible self-identification of names and gender

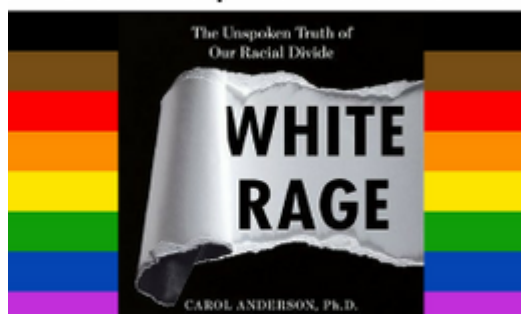

identities. We are excited that this new option, accessible via MyUNiverse, allows us the opportunity to better understand our student population and support gender diversity on campus. Please view our [Student Records website](#) for more information or contact lgbt@uni.edu for questions or support.
