This Newsletter is brought to you for free and open access by the LGBT* Center at UNI ScholarWorks. It has been accepted for inclusion in LGBT*
Center Newsletter by an authorized administrator of UNI ScholarWorks. For more information, please contact scholarworks@uni.edu.
Friends of the LGBT* Center,

As this semester comes to a close, we want to wish everyone success during finals, congratulate those who are graduating next weekend, and send our best wishes for your winter break. Please take some time to review the announcements below, which include opportunities to celebrate our 4th birthday, get involved next semester, offer input for Safe Zone Ally training, and learn about an exciting new health service in the Cedar Valley.
For complete information about these opportunities, please use the links below:

Assistance with Housing

We're hearing great feedback from students about the expansion of on-campus All-Gender Housing options! As a reminder, if you know any LGBTQ+ or ally student who would like assistance with housing, please encourage them to use the LGBTQ+ Student Housing Guide, contact Emily, or stop by their residence hall office.

Students who are seeking roommates can also advertise their listings in the LGBT* Center. To connect with other students for housing, please stop by the LGBT* Center or e-mail Emily. We will assist to the best of our ability in connecting prospective roommates.
