bring items to the LGBT* Center!

[Friends of the Family](#) is a local organization that provides safe shelter, confidential services, and housing assistance to individuals in crisis due to homelessness, domestic violence, sexual assault, and human trafficking. LGBTQ+ individuals are disproportionately affected by all of these issues. Friends of the Family is currently seeking items that are often essential to those who identify as LGBTQ+, and particularly those who are transgender.

Please consider bringing gently used or new items in need to the LGBT* Center. We will have a donation box available throughout the month for collections.

For more information or to seek their support services, call [\(319\) 352-0037](tel:3193520037).

Susan Faludi Lecture

Pulitzer-prize winning journalist Susan Faludi is coming to campus on February 6th to discuss her award-winning book *In the Darkroom*. The book details her relationship with one of her parents who narrowly escaped fascist Hungary in the 1920s, became an artist in New York, came out as a transgender woman at age 76, and moved back to Hungary--a country that isn't known for being LGBTQ+ friendly. For more information, visit the Facebook page [here](#).
