OLIVER M. NORDLY, Head basketball coach, is starting his fifth season at Iowa State Teachers College. Nordly-coached teams have won 21 conference games while losing only 11, since he took the reins in 1937. Furthermore, Nordly's teams have won more conference games than any other quintet and have never finished lower than third in the final conference standings. He graduated from Carleton college where he won all-conference honors in football and basketball. His high school career as an athlete at Red Wing, Minn., was just as sensational. Before coming here Nordly coached at Rochester, Minn., high school where he turned out championship teams. Nordly also coaches golf and is football backfield coach. He is married and has four children.

Prospects for the 1941 - 1942 basketball teams

ST. THOMAS COLLEGE - Although his squad has been riddled by graduation and the draft, Coach Frank Deig has several lettermen returning for this year's squad. In addition there are several outstanding reserves on the squad and some fine freshmen. Deig is beginning his second season as head basketball coach. Last year his team won 12 and lost 9.

WESTERN ILLINOIS STATE TEACHERS - Coach Ray Hanson will have to rebuild his team entirely over from that of last year. Bill Bishop, who led the Little Nineteen last year in scoring, will be the only regular of last year available this year. In addition to Bishop, Coach Hanson has four other lettermen returning and several capable reserves from last year's squad which won 12 and lost 7.

MILWAUKEE STATE TEACHERS COLLEGE - Last year Coach G. O. Penwell's team went through a 16 game schedule undefeated to win the conference title for the second consecutive year. Both years they established conference scoring records for the individual high scorer, for team scoring and for most points in one game. The Green Gulls have their front line, which averages 6'3", back again this year. They also have several promising newcomers.

CHICAGO TEACHERS COLLEGE - Coach George Boyle has several veteran performers from last year's fine squad returning again this season .. King, regular guard last season and the teams leading scorer is available for competition again, as well as Kernan another regular back-court man. Mazur, regular pivot man, and Stenzel and Syewezyk are also experienced cage-men.

MORNINGSIDE COLLEGE - With six lettermen and nearly all of last year's fine freshman squad returning, Coach Glenn Rogers has his eye set on a high position in the final conference standings. Graduation took two players, and three others failed to return to school. Last year the Maroons won 10 and lost 5.

GRINNELL COLLEGE - Coach Ben Douglas' team which won 11 and lost 6 last year and tied for the Mid-west conference title will be equally as strong again this year. Douglas has several returning lettermen from last season and a fine group of sophomores available for competition.

UNIVERSITY OF SOUTH DAKOTA - Coach Carl B. Hoy has six letterwinners returning from last year's squad which won only 5 games while losing 10 last season. Hoy has several sophomores whom he is counting on to lift the Coyotes into the first division in the conference standings.

SOUTH DAKOTA STATE - Coach Thurlow McCrady's team should be tougher than last year's team which finished sixth in the conference standings. The Jackrabbits had an inexperienced team last season and should be much improved over last year. McCrady may have the dark horse of the conference this year. John Billington, all-conference guard of last year, is back again, and in addition McCrady has several promising sophomores and transfers.

UNIVERSITY OF OMAHA - Only one regular, Bob Matthews, will be back from last year's team which surprised the conference by gaining a tie for second place. Jimmy Taylor and Jerry Dutcher, two all-state men, are expected to lead the Indians' offense. Coach "Stu" Baller's men will play all of their home games this year in the city auditorium. The Indians have a 22-game schedule which will take them into Mexico and Canada.

UNIVERSITY OF NORTH DAKOTA - Only one regular, Bruce Stevenson, veteran forward and center, will be available for competition at North Dakota University this season. Coach Clem Letich has only eleven men on this year's squad, which has been riddled by graduation. Peterson, regular guard, reported for practice, but was forced out because of a knee injury which kept him out of more than half of last year's games. Only five men from last year's freshman squad are available.

NORTH DAKOTA STATE - The Bison, North Central Champions for the last two years, have another fine squad again this year. Coach Bob Lowe has Arnold "Swede" Johnson 6'5" center, and the leagues leading scorer for the all important pivot position. In addition to Johnson, Coach Lowe has such stars available as Johnny Abbott, Clif Nygard, Jim Fletcher, Paul Odonovick and Roy Olson, all members of last year's championship team. He will also have several promising sophomores eligible for competition for the first time. Larry Tanberg, all conference guard, was the only member of last year's team lost through graduation.

In addition the Panthers gained a draw with the University of Minnesota, champions of the Big Ten. McCuskey is starting his eleventh wrestling season here. He graduated in 1930 and began his coaching career at his alma mater in the fall. PROSPECTS FOR THE 1942 SEASON

Leon Martin, undefeated last year. Powerful, fast and clever. Has everything to be a champion. Was state high school champion.

Burton Moritz, very clever and fast. Wrestled in the 121 pound class last year. May be shifted to 128 pound class this year. Moritz has developed physically since last year and should make it tough for the best of them at 128.

Fred Weltz, wrestled in the 128 pound class last year but will probably wrestle in the 136 pound class this year. Fred is improving rapidly and will be hard to beat.

Keith Bowen. Injured during the 1941 season and wrestled in only three meets. He met three of the best 165 pounders in the country and made a very good showing.

Cecil Mott. Junior college transfer from Mason City

In addition to these, Coach Dave McCuskey will have several men who have had no experience, but who show considerable promise. Most of the newcomers have been improving rapidly. The 1942 schedule is not completed, but will probably include the best in the Big Ten, Big Six and Midwest conferences.
