Dear Panther Graduates:

Congratulations! We would like to take this opportunity to commend you as you graduate from the University of Northern Iowa. All of your hard work and dedication which has brought you to this wonderful day will serve you well as you remember all of the challenges and successes of your college career and look forward to a bright and promising future. We are so proud of all of your accomplishments while studying here at UNI.

Throughout your years of study at the University of Northern Iowa in a variety of subject matters ranging from education to business, communications to technology, health fields to the arts you have not only bettered yourselves but also your community and our great State. Your contributions will help to make Iowa a better state to live and work. You will be the leaders and innovators of tomorrow as you graduate today and begin your careers with a first-rate education from this excellent institution.

We are hopeful that you will achieve and exceed all of your goals as you begin your career or continue your education, and proceed to establish yourselves in your communities and in the world. The lessons and skills that you have developed while at UNI will be a great benefit to you and contribute to your success.

It is our pleasure to personally congratulate you along with your friends and family as you celebrate your graduation from the University of Northern Iowa. We wish you the very best in your future endeavors.

Sincerely,

Terry E. Branstad

### Graduate College

All graduate degree candidates are listed under the college of their academic major.
The Academic Procession

The procession begins with the entrance of the candidates for degrees. Led by faculty marshals, the candidates for the degree of Bachelor of Arts, both the Teaching Program and the Liberal Arts Program, Bachelor of Fine Arts, Bachelor of Liberal Studies, Bachelor of Music and Bachelor of Science enter in groups, representing each of the undergraduate colleges. They are followed by the candidates for the highest degrees.

Students wearing a bronze medallion are those graduating summa cum laude (with highest honors), which represent the top three percent of each college by grade point average; or those graduating students receiving a Purple and Old Gold Award, given to those students who have excelled in scholarship or who have shown conspicuous achievement in particular areas.

The procession continues with representatives of the faculty.

The President’s Party forms the final section of the academic procession. Headed by the commencement marshal, it includes the president; members of the Board of Regents, state of Iowa; administrative officers; the academic deans; and honored guests.

The commencement marshal carries the University Mace, designed and fashioned for the Centennial Commencement in 1976 by Randall Swanson, at that time a freshman majoring in Industrial Arts. A traditional symbol of authority, the mace is a carved wood rod capped with ends of cast bronze, with the top carrying the seal of the university. The president wears a jeweled “Chain of Office” symbolizing the wearer is the leader of the institution. The silver chain includes links with the names of previous presidents of the institution, as well as previous names of the university.

The academic costumes worn trace their origin to the Middle Ages when long-sleeved hooded gowns were necessary for warmth in the unheated stone colleges. Over the centuries, much diversity occurred, and to bring some order, in the United States in 1894 an intercollegiate system of academic costume was agreed on, now adhered to by American institutions. According to this code, both the styling and colors of the regalia have significance.

The design of the gown indicates the degree. The bachelor's is a simple gown with a full sleeve. The master's gown is much like it except for the long sleeve which hangs loose. The doctoral gown is fuller and more elaborate. It has velvet edging and three velvet stripes on the full sleeve. The color of this velvet may be black or in the color appropriate to the degree.

Hoods, which are worn over the gowns, are similar for all degrees, although differing slightly in length. The candidates for the bachelor's degrees usually do not wear the hood. The hood has a velvet edging which indicates the area of the degree, and the inside or lining of the hood is satin in the colors of the college or university granting the degree.

A partial list of the degree colors to be found on the edge of the hood or the trimming on the doctoral gown is as follows:

| Apricot | Nursing |
| Drab   | Business |
| Blue, dark | Philosophy |
| Blue, light | Education |
| Brown, Fine Arts |
| Citron | Social Science |
| Copper | Economics |
| Orange | Engineering |
| Pink   | Music |
| Purple | Law |
| Scarlet | Theology |
| White | Arts and Letters |
| Yellow, Golden | Science |
Service Organizations

Omicron Delta Kappa
Graduates wearing a white stole are members of Omicron Delta Kappa which is a junior-senior honorary organization which recognizes students who have demonstrated high levels of academic achievements, leadership in campus affairs, and community service.

Student Admissions Ambassadors
Graduates wearing purple and gold intertwined cords are members of the Student Alumni Ambassadors (SAA). Since 1989, SAA has served the University in a variety of ways. From giving campus tours to prospective students, alumni and University guests, to serving as representatives of the student body at special events, SAA is recognized as one of the premier service organizations on campus.

National Residence Hall Honorary
Graduates wearing royal blue and white cords are members of the National Residence Hall Honorary, an honorary organization recognizing the top one percent of leaders who live on campus. Members are inducted for showing continual service to the community, leadership within the residence halls, recognition of others in their endeavors, and outstanding scholarship during their tenure living on campus.

Phi Eta Sigma
Graduates wearing black and gold cords are members of Phi Eta Sigma which recognizes first-year students who have a cumulative grade point average of at least 3.5 on a 4.0 scale at the close of any full-time curricular period during their first year.

Northern Iowa Student Government
Graduates wearing gold stoles are members of the Northern Iowa Student Government (NISG). Since 1916, various governing bodies comprised of students have represented the student body as a whole. NISG, as the student governing body has been called since 1989, is committed to improving the administration of student affairs, encouraging the greatest level of communication and cooperation, ensuring the protection of student rights, and providing excellence in education.

CATS
Graduates wearing purple and black cords are members of Connecting Alumni To Students (CATS), the official student chapter of the UNI Alumni Association. These dedicated students represent the UNI student body to alumni and friends. CATS create and promote the lasting connections between past, present and future Panthers.

University Honors Program

Graduates wearing gold University Honors medallions are recipients of designations from the University Honors Program. The designation of University Honors with Distinction indicates the completion of at least thirty credit hours of honors-level course work throughout a student’s undergraduate study. The designation of University Honors indicates the completion of at least eighteen credit hours of honors-level coursework. Both designations require the completion of an undergraduate honors theses. Students earning honors designations are noted throughout the commencement program along with their theses titles.

Legacy Graduates

The University of Northern Iowa has a long and proud tradition of multi-generational family graduates. The Legacy designation in the commencement program signifies that a parent and/or grandparent are also UNI graduates. The UNI Alumni Association celebrates this special connection with alma mater and welcomes all alumni to submit their legacy information to info@unialum.org. Legacy information included in this program was submitted by the graduate.

UNI, O Alma Mater, hear our voices now in song,
From the hallowed halls of learning, rising from the fertile land,

S. A.

T. B.

Hail to thee, O state of plenty,
Thou hast raised thy sons and daughters

Hail to thee, O Alma Mater, our to-morrows shall be thine!
