## ANNUAL REPORT DATA

### Page 3 Summary of Attendance

Students are counted only once. If they attended in the academic year and the summer session, they are counted only in the academic year.

Checks: Full year = academic year + summer only  
Grand total = full year + correspondence only

Undergraduate students = seniors + juniors + sophomores + freshmen + unclassified

Total graduate students = graduate students (above) = declared candidates + non-candidates

Declared candidate is one who has been accepted at admission by departments [major is prospective (P) or declared (D)]

Non-candidates are major code 090. They have not been accepted by a department.

Total graduate students = graduate students (above) = grads of UNI + grads of Iowa colleges + grads of out of state

Grads of refers to Bachelor's degree college

### Page 4

Correspondence 1. All students enrolling for a correspondence course during any semester or session of the full year (summer, fall and spring).

2. Each student is counted only once regardless of the number of correspondence courses enrolled in or completed during the full year.

Extension 1. All students enrolling in a course identified as one offered by Continuing Education and Special Programs.

2. Each student is counted only once regardless of the number of extension courses enrolled in during the full year.

Checks Totals = correspondence + extension. Duplicates are omitted.  
Totals < correspondence + extension.

Correspondence totals = not in residence (page 1). Students also enrolled in residence work during the full year are omitted.

Correspondence totals > not in residence (page 1).

**FULL-TIME EQUIVALENCY ENROLLMENT**

Computation is based upon an agreement between the three state universities and the Board of Regents. The total hours for which all students are enrolled at the end of the second week (effective Fall 2004) of Fall/Spring semesters, and the final enrollment of the summer session are determined. These are added together to determine the total hours for the year. Undergraduate hours are divided by 30 and graduate hours by 18 to determine a full-time equivalent.
