OLIVER M. NORDLY, head basketball coach, is starting his sixth season at Iowa State Teachers College. Nordly-coached teams have won 26 conference games while losing only 15, since he took the reins in 1937. Furthermore, Nordly's teams have won more conference games than any other quintet and have never finished lower than third in the final conference standings. He graduated from Carleton college where he won all-conference honors in football and basketball. His high school career as an athlete at Red Wing, Minn., was just as sensational. Before coming here Nordly coached at Rochester, Minn., high school where he turned out championship teams. Nordly also coaches golf and is football backfield coach. He is married and has four children.

Prospects for the 1942-1943 Basketball Teams

UNIVERSITY OF NORTH DAKOTA - The Sioux have seven regulars back, one reserve from two years ago, four sophomores, and 15 promising freshmen. Coach Clem Letich makes no predictions, but various sports dopesters prophesy that the Sioux must be considered in the title race. Losses to the defense work and the armed forces have cut the squad's personnel, but the current basketballers are determined to make it better than fourth in the loop this year.

NORTH DAKOTA STATE - The Bison, titleholders in basketball for the last three seasons, are expected to have more competition from other quintets this season. Gone from this year's squad are big "Swede" Johnson, high scorer in the conference last year, Cliff Nygard and Johnny Johnson, all gone via the graduation route. Coach Bob Lowe also misses three outstanding juniors, Jim Fletcher, Edsil Boe and Bud Johnson. Lettermen Yeasley and Burfening and reserve Soulis are back to bolster a fine looking crop of freshmen.

UNIVERSITY OF SOUTH DAKOTA - Coach Rube Hoy has seven lettermen reporting and a group of bright looking freshmen and sophomores. He is hoping for smoother sailing this year, since the Coyotes won one and lost seven in the loop last year. With the lettermen as a nucleus, he expects considerable support from the numeral winners of last year.

SOUTH DAKOTA STATE - Coach T. E. McCrady, with two of his regulars from last year back, is depending on his talented sophomore troupe to win cage games this year. Plenty of offensive power seems to be in store for the team, with a weakness in defense. The Jackrabbits at any rate hope to improve their sixth place position of last year, when they won three and lost six in the conference.

AUGUSTANA COLLEGE - Coach "Lefty" Olson is depending largely on freshman talent to form a winning conference quintet, his first in the North Central. Dopesters do not look for the Vikings to repeat their title-winning performance in track and football during their first year of conference athletics. Five lettermen, two of them regulars, are back, and nine freshmen are competing for berths on the varsity five.

MORNINGSIDE COLLEGE - A wealth of frosh material and several promising sophomores face the Maroon coach, Staff Cassell. Only one regular is returning, along with two other letterwinners and two or three reserves of last year, so Coach Cassell is faced with the problem of finding the best combination involving new players. Last year's high Maroon scorer, Bob Held, is back, along with the outstanding frosh player, Johnny Helm, center.

UNIVERSITY OF OMAHA - Coach Sed Hartman is starting from scratch on the basketball floor, with three lettermen, all seniors, back, and only one man from last year's strong freshman team. All sophomores have been lost to the service, so the basketball future looks uncertain in the Omaha camp. Lack of floor space and an incomplete schedule also hamper the Indians.

LORAS COLLEGE - The Duhawks face the 1942-43 season with rosy prospects for Coach Vince Dowd, now in his second year. Seven lettermen are back from last year's fine team, which won 16 games out of 21. Three lettermen from a former year and a host of hot-shot freshmen are also out to bolster the quintet. Seasoned players are available for all positions except center, but Coach Dowd is expected to do a little shuffling of players and fill the gap easily.

GRINNELL COLLEGE - Coach G. Lester Duke has three letter winners back to form the nucleus of the team, and four other members of last year's varsity squad. Promising freshmen and sophomores are also on hand. The squad will have speed, fair height, but will lack experienced forwards. Seasoning of the newcomers and availability of strong reserve material is hoped to bring about a winning combination for the 13-game schedule faced by the Pioneers.

IOWA STATE COLLEGE - The Cyclones must depend heavily on sophomores. Center Rollin Kuebler and Guard Reuben Mickelson are the only 1942 "regulars" back, both juniors. Usually Coach Louis Menze will start four sophomores with Kuebler. Coach Menze calls the club "interesting" which is his way of saying there's a tough row to hoe.

PROSPECTS FOR 1942-1943 PANTHER BASKETBALL - Coach Oliver M. "Hon" Nordly has five lettermen back from last year, four of them last year's regulars. Gone only is his starting center, Bob Hunt, who graduated and is now in the Navy. But the picture is not quite as favorable as it looks, says Coach Nordly, who is worried principally by lack of height. High-scoring Dick Seidler, second in the North Central scoring race last year, is playing center this year (he played forward last year), although early season games failed to show his scoring punch of last year. Other veterans include Bob Titsworth, scrappy forward, Delbert Mully and Harry McFarlane, guards, and Warren Duncker, reserve forward, who is expected to have a starting berth this season. Wally Mulka, Chicago newcomer to the squad, is expected to give the "old" guards a lot of competition. He is a former teammate of Duncker's at Wilson Junior College. Don Dutcher, a Cedar Falls freshman center, has some of the height (6' 2 $\frac{1}{2}$ "") for which the Panther mentor is searching.
