Rod Library Newsletter

Volume 2, Number 5

March, 2010

Public Scanner ~AVAILABLE!

Have you seen the perfect image in a journal that you know will give your paper the “wow” factor, if you could only figure out a way to insert it? Well give it the “KIC” it needs with the Rod Library’s new Knowledge Imaging Center, located on the 1st floor next to the Photocopy Center.

This walk-up scanning unit will scan in black & white and also in color. It will handle any size books as well as flat material from postage stamp size to 17 x 24 inches. Images can then be emailed or saved to a flash drive.

Give it a try today!!

Deathscapes

Environmental Movie & Book Discussion Series

7:00 p.m. Rod Library Room 324
Free and Open to the Public

wed. 03/31
Everything's Cool
A film about America's finally 'getting' global warming in the wake of the most dangerous storm ever to emerge between scientific understanding and political action.

wed. 04/07
The Carbon Diaries 2015
In 2015, when England becomes the first nation to introduce carbon dioxide rationing in a drastic bid to combat climate change, sixteen-year-old Laura documents the first year of rationing as her family spirals out of control.

wed. 04/14
Black Diamonds
mountaintop removal & the fight for coalfield justice
Charts the escalating drama in Appalachia over the alarming increase in large mountaintop coal mines. Citizen testimony and visual documentation interwoven with the perspectives of government officials, activists, and scientists create a riveting portrait of an American region fighting for its life.

wed. 04/21
Our Choice
Our Choice gathers in one place all of the most effective solutions that are available now and that, together, will solve this crisis. It is meant to depoliticize the issue as much as possible and inspire readers to take action. A youth edition is also available in the Youth Collection

Rod Library, University of Northern Iowa
