Summer

By Lariah

I love summer because i love to go swimming! because it is hot.

I love ice cream, my favorite flavor is chocolate!

I love to watch the fireworks on the 4th of July with my family.

I love to play with my friends!

Why do you like fireworks?

Because it's my favorite thing to watch

What games do you play with your friends?

Hide and go seek

You like chocolate ice cream our favorite is Vanilla.

What other things do you like to do during the summer?

I like to go to the park

Who inspires you?

Alyssa from the writing center

What is your favorite kind of writing?

I like to write anything. I like to read lots of stuff. I know how to write about lots of stuff.

What things inspire your writing?

I just like to write and draw about lots of stuff.

How do these things inspire your writing?

How old are you?

I am six. I go to Becker Elementary. I'm in first grade.

You don't have to answer all of it so don't feel overwhelmed.

We are just throwing out ideas just like you do.

Hi! My name is Julia and I love watching the fireworks! They scared me a lot when I was little but now I love watching the colors explode in the sky. I usually would sit watching them eating some yummy and delicious ice cream. I prefer to eat Scooper Hero ice cream because it turns my mouth blue!

I like your story. I like that we both like fireworks.

Hi, my name is Carly! I actually used to work at an ice cream shop! I got to eat some everyday which is awesome because I love all icecream! I definitely prefer chocolate ice cream over vanilla too. I love adding cookie dough to mine too. It is quite yummy.

I don't want to work in an icecream shop, but I do like cookie dough.

Hey my name is Austin. I love seeing the fireworks on the 4th of July too! I really like the loud ones. I always going camping with my family during the 4th of July. We love making s'mores around the campfire.

I camp outside and have s'mores

We really like the pictures. The cookie one is especially cute. We can tell that you are a very creative person and we are very excited to work with you.
