Is It Computer Mouses or Computer Mice? Either Way--We Have Them!

We now have computer mouses available for check-out along with the library's laptops. They are available for a 3 hour checkout and are at the Multiservice Center desk on the first floor of the library.

Need a warm drink on a cold afternoon while studying but you're not a coffee drinker? Then a nice cup of hot chocolate could be the answer! We now have cups of hot chocolate available for purchase on the first floor of the library at the Multiservice Center service desk. The cost is \$1.00 (cash only, please) and our staff will assist you in brewing that warm drink.

Current Periodicals Relocated!

The Current Periodicals have been integrated into the Periodical Sections, on the 1st floor. Now all periodicals from 1985-Present can be found in the Bounds Section, with all pre-1985 periodicals are located in the Compact Area.

3 Hour Lockers Now Available

Need a locker to store your belongings while you work on a group project or run over Maucker Union to eat a meal? Well, Rod Library now has them. Located on the first floor in the northeast corner is our newest seating unit (and yes it looks like a spaceship) that includes lockers that you can have for 3 hours at a time. It can also be renewed for an additional hour if there are other lockers available. Stop by the Multiservice Center desk to check out the key.
