NOVEMBER NEWSLETTER

To our community members and supporters,

During the week of November 11-17, we will be celebrating Trans Week, a week of events geared towards learning more about the trans community, supporting our trans neighbors, and honoring those who have come before us in the name of transgender justice. We have a full week of events planned as opportunities for engagement, culminating in the visit of our Common Read author Brice D. Smith. Attached to this e-mail are posters that you can print to help advertise.

We also wanted to announce that we have funding available for students to attend both the [Iowa Queer College Conference](#) and the [Midwest Bisexual Lesbian Gay Transgender Ally College Conference](#). Please spread the word to student leaders and see details below.
