## New USB Combo Hub and Card Reader Now Available for Checkout at the MSC Desk!

This USB 2.0 Combo Hub & Card Reader bridges the gap between our computers and devices such as cell phones, digital cameras, and portable MP3 players, as well as peripherals such as external hard drives and more. Combining three high-speed USB 2.0 ports with a 45-in-1 card reader, this compact and elegant device delivers lightning-fast connectivity and file transfer capabilities. Just insert your memory cards and transfer data at 480 mbps. Available for a 3 hour checkout from the Multiservice Center.
