# Christian Responses to Hitler:

## A Film Screening and Discussion

**Sunday, March 8 and Sunday, March 22 at 7:00 pm**  
St. Luke's Episcopal Church, 2410 Melrose Drive, Cedar Falls

Christian responses to the Nazi regime reveal much about that era and raise important issues for our own times. To explore the variety and significance of these responses, the March 8 program will feature the film "Theologians under Hitler," which tells of three noted German theologians who, to various degrees, supported Nazism. The session will also include a panel discussion, followed by general discussion.

The March 22 program will offer, for those who are interested, additional opportunities for discussion of issues raised by this history and their relevance to today's world.

**These events are free and open to the public.**
