We’ve Got You Covered!

Need some crayons, colored pencils, or color markers to help finish a project? Well, we’ve got them! We also have cell phone chargers, calculators, and a charger for Mac, Dell, and Hewlett Packard laptops. All these items can be checked out at the Multi-service Center Desk on the first floor (basement) of the library for a three hour check-out period.

Quiet Study Area

Having trouble concentrating because your neighbors are debating which Girl Scout Cookie flavor is the best? The fourth floor is a designated quiet area. The fourth floor also has the luxurious green chairs and cookie flavors do not need to be debated. The answer is always Thin Mints.

My Reading History

“I checked out this book one time and it was really awesome and I can’t remember the title but it’s red and now I need it for this paper that’s due on Friday. Can you help?” Unfortunately we don’t keep track of items you had checked out after you have returned them, however, you can! “My Reading History” keeps track of materials you have checked out and returned. Participation in the feature is entirely voluntary. You may start or stop using it, as well as delete any or all entries in “My Reading History,” at any time. To enable “My Reading History” go to My Library Account, choose “My Reading History,” and then choose “Start Saving My Reading History.”
