Important Information about NEW/RENEWED Iowa Driver's Licenses

UNI international students are sometimes denied new/renewed Iowa driver’s licenses by the Iowa Dept. of Transportation (DOT) and told their paperwork is not in order and they should check with Ross Schupbach at the ISSO office. Ross has consulted with the Waterloo DOT office and learned there could be delays in the verification system for students who have recently entered the U.S., or for students whose records have not been "registered" in SEVIS for the upcoming semester. This SEVIS registration is usually done between the second and fourth week of classes. If you have been denied a driver's license recently, please send an e-mail message to Ross.Schupbach@uni.edu and include your name, UNI ID number, and indicate whether or not you have recently entered the U.S. Ross will then "register" your SEVIS record earlier than normal (if you have registered for Fall 2014 classes) so you can return to the DOT office and make another request for a license.
