A BRIEF HISTORY OF THE UNIVERSITY OF NORTHERN IOWA

The University of Northern Iowa, one of the state's three leading institutions of higher learning, is the outgrowth of the Iowa State Normal School established by the General Assembly in 1876. On September 6 of that year 27 students under four instructors began classes in a renovated home for Civil War orphans. This building, later named Central Hall, was destroyed by fire in July, 1965.

From a single building on a 40-acre campus, the University has grown to include 36 major buildings, a 580-acre campus, 506 full-time faculty members and 9,076 students.

During the first 27 years, the school issued teaching certificates requiring 12 weeks to two years of training. In 1903 a four-year curriculum based on high school graduation and leading to the degree of Bachelor of Arts in Education was authorized.

In 1909 the institution was renamed the Iowa State Teachers College and the government of the College, along with that of the University of Iowa and Iowa State University, was vested in the State Board of Regents, a nine-member body appointed by the Governor. Under the new name, the College attained a reputation as one of the nation's top ten institutions for preparation of teachers.

On July 5, 1961, the Iowa General Assembly on recommendation of the State Board of Regents changed the name of the school to State College of Iowa and redefined its function to include the offering of liberal arts degrees.

On July 1, 1967, the General Assembly on recommendation of the Board of Regents approved university status. The name was changed to University of Northern Iowa and its function was again redefined.

Although teacher education remains its chief aim, the University is also permitted to offer degrees to students who do not plan to teach. Thus UNI has two programs leading to the Bachelor of Arts degree, one with certification to teach and one without certification. In addition, in June of 1968, the Board of Regents approved a new undergraduate degree — the Bachelor of Technology which can be earned with or without certification to teach. In June of 1969, the Regents approved a second new undergraduate degree, the Bachelor of Music.

On the graduate level, courses leading to the degree of Master of Arts in Education were offered for the first time in the summer of 1952 and a sixth-year program leading to the Specialist in Education degree began in 1960. Specialist degrees are now granted in education and business education.

In 1964, the Master of Arts degree was approved by the State Board of Regents. The first Master of Arts degrees were granted in 1966.

Looking toward an enrollment of over 11,000 by 1975, the University is now occupying a new University Union, enlarging its academic programs, expanding residence hall facilities, and building new education and physical education centers.

The University of Northern Iowa is a fully accredited university offering both preparation for teaching at all levels and liberal and vocational arts programs. Degrees offered include the Bachelor of Arts and Bachelor of Technology for teaching, liberal and vocational arts and the degree of Bachelor of Music. The University offers both a Master of Arts and a Master of Arts in Education in a wide range of majors. It offers a sixth-year program leading to the Specialist in Education degree for school administrators, industrial arts teachers and supervisors, curriculum consultants and other school service personnel and a Specialist in Business Education degree preparing school business managers and teachers and supervisors of business education at the high school, post-high school and higher education levels.

ACCREDITATION

Accredited and approved by the North Central Association of Colleges and Secondary Schools, by the National Council for the Accreditation of Teacher Education, the National Association of Schools of Music, and the National University Extension Association. UNI is a member of the Council of Graduate Schools of the United States.

LOCATION AND SIZE OF CAMPUS

The campus is located off highways 57 and 58, near the southwestern limits of Cedar Falls, Iowa. To reach the University from the Cedar Falls business district, go about 1½ miles south on Main Street, turn west on Seerley Boulevard or on 27th Street and keep driving west until you reach the University. The 580-acre campus includes campus gardens and a recreational park. Buildings are set off by wide areas of lawn, numerous arching elm trees, shrubs and hedges.
ATHLETIC PLANT OF 166 ACRES (New fields under development on west campus)

Men's Athletics: Gymnasium, four football fields, four baseball diamonds, eight tennis courts, quarter-mile track, stadium (seating capacity 7,200, including that of the new stadium).

Women's Sports: Gymnasium, swimming pool building, area for field sports, golf-driving range (two greens), ten Laykold tennis courts, and campus pond for skating (co-recreational).

Golf course of 40 acres. Land has been acquired for development of an 18-hole course when funds become available.

PRESIDENT

James William Haucker, Ph.D., graduate of Augustana College, Master of Arts and Doctor of Philosophy from State University of Iowa, L.L.D., Augustana College. Formerly assistant professor of education, University of Missouri; extension specialist, U.S. Office of Education in Washington, D.C.; assistant to the superintendent of Pittsburgh (Pa.) public schools; personnel research officer, U.S. Navy; dean of Montana State University's school of education. Past president of the American Association of Colleges for Teacher Education (1962-63); former president, Iowa Division, American Association for the United Nations; co-chairman, Governor's Committee on the United Nations; former member of the National Commission for Teacher Education and Professional Standards (chairman in 1956-57); president, Association of Iowa College Presidents (1963-64); National Council for the Accreditation of Teacher Education (1963-- ); (chairman, 1965-67); director, American Council on Education (1964-68); recipient of the American Association of University Professor's 10th Alexander Meiklejohn Award for the outstanding contribution to academic freedom by a university administrator (1968); recipient of Danforth Foundation Travel Grant, October, 1968.

The University has had only five presidents in the 93 years of its existence:

James C. Gilchrist ..................... 1876-1886
Homer H. Seerley ..................... 1886-1928
Orval R. Latham ..................... 1928-1940
Malcolm Price ..................... 1940-1950
James W. Haucker ..................... 1950--

ENROLLMENT

9,500 students in the fall semester, 1969.

TYPES OF EDUCATION OFFERED

Undergraduate Curricula - two programs leading to the Bachelor of Arts degree are available:

Bachelor of Arts with certification to teach -- 130 semester hours -- students prepared as:

1. Nursery school and kindergarten teachers.
2. Elementary teachers, kindergarten through sixth grade.
3. Junior high school teachers in art, business education, English, foreign language, home economics, industrial arts, library science, mathematics, music, physical education, science, social science and speech.
4. Secondary school teachers in art, biology, business education, chemistry, earth science, economics, English, French, geography, German, history, home economics, industrial arts, Latin, library science, mathematics, music, physical education, physics, political science, Russian, safety education, science, social science, sociology, Spanish, technical institute teaching, and teaching English as a foreign language.
5. Special teachers in art, industrial arts, music, physical education, school librarian, and speech pathology.

Bachelor of Arts -- 124 semester hours -- students prepared in following areas:

1. Liberal arts -- art, biology, chemistry, economics, English, French, geography, geology, German, history, mathematics, music, philosophy and religion, physics, political science, psychology, science, sociology, Spanish and speech.
2. Applied arts -- business, home economics, industrial arts, and physical education.
3. Joint Programs.
   a. Acceptance of credit from professional schools of medicine, dentistry, and law toward meeting part of degree requirements.
   b. Acceptance of credit from a professional school of medical technology toward meeting part of degree requirements.

Bachelor of Technology -- 127-133 semester hours -- allows the student a choice of majoring in three areas: technical institute, trade and industrial education, or industrial technology. The first two areas lead to a degree with certification to teach:

1. Technical Institute Education major -- 133 semester hours -- designed to prepare teachers for post-high school technical programs, and also requires one year of recent and significant technical work experience in industry in the major area.
2. Trade and Industrial Education major -- 133 semester hours -- prepares teachers for vocational-technical schools to teach such skill trades as machine shop, carpentry, electrical, and other trade programs. Two years of recent and significant trade experience in desired trade is required in addition to course work.
3. Industrial Technology major -- 127 semester hours -- prepares persons for supervisory and leadership positions that are auxiliary to the field of engineering; more specifically, graduates from these programs may be employed in one of the following divisions of industry: engineering, design and development, production and manufacturing, field service and produce utilization, and sales and distribution. The degree program requires one year of recent and significant technical experience in industry in the major area in addition to the required course.
TYPES OF EDUCATION (Cont'd)

Bachelor of Music -- 130 semester hours -- Majors on this degree program have a choice of five areas: voice, piano, organ, orchestral instruments, and theory-composition. Students are prepared as: performers, college teachers, and all areas where a high degree of musical knowledge or performing skill is required.

Graduate Curricula -- Programs leading to the Master of Arts degree provide advanced preparation for elementary, secondary, or college teaching or for students planning to pursue careers in fields other than teaching. Graduate level courses are offered in all departments of the University, with the following majors available: art, biology, business, business education, chemistry, counseling, English, earth science, French, geography, history, home economics education, industrial arts, library science, mathematics, mathematics for elementary schools, music, physical education, physics, political science, school business management, science, social science, sociology, Spanish, speech, speech pathology, and teaching English as a foreign language.

The Master of Arts in Education degree program is designed to prepare professionally competent teachers, administrators, supervisors, school psychologists, and guidance counselors. Majors are available in the areas of developmental and remedial reading, educational media, educational psychology, elementary education, school administration and supervision, school business management, special education, and student personnel service.

The Specialist in Education degree (a sixth-year degree requiring 30 semester hours past the master's degree) prepares students for positions as industrial arts teachers and supervisors, school administrators, curriculum consultants, and other school service personnel.

The Specialist in Business Education degree (a sixth-year degree requiring 30 semester hours past the master's degree) prepares students for positions in school business management and as teachers and supervisors of business education at the high school, post-high school, and higher education levels.

Degrees Awarded -- The Bachelor of Arts, Bachelor of Technology and Bachelor of Music degrees are awarded for the completion of four years of standard university work. The eight semesters of work for these degrees may be completed in three calendar years by attending summer sessions as well as the regular September to June sessions.

The Master of Arts or the Master of Arts in Education degree may be awarded at the completion of at least one year of graduate work beyond the bachelor's degree. The Master of Arts in Education degree program began in 1952, with the first degree awarded in 1953; the Master of Arts degree program began in 1965.

The Specialist in Education and Specialist in Business Education degrees are based on at least six years of university work. The Specialist in Education was offered for the first time at UNI in 1960-61 with the first students enrolled in this curriculum in June, 1960, and the first degree awarded in August, 1961. The Specialist in Business Education degree program was added in 1967.
Teachers' Certificates -- Graduates may receive teachers' certificates upon application to the State Department of Public Instruction as follows:

1. For completion of the five-year curriculum with appropriate majors, either the Professional Certificate or the Permanent Professional Certificate. These certificates may be endorsed at the elementary or secondary level, and may also have special endorsements under certain circumstances for administrative or supervisory authorization or special work in art, music, physical education, or industrial arts.

2. For the completion of the four-year curriculum with appropriate majors, the Professional Certificate with endorsement for either the elementary or the secondary level.

3. Graduates are eligible for certificates to teach in the state of their choice.

SPECIAL SERVICES

EXTENSION SERVICE

Consultant Service - The University maintains a staff for full-time extension service to the public schools of Iowa. The staff members are chosen from the various departments and devote their time to assisting teachers, administrators, and school boards in improving instruction. Consultant visits were made in a total of 100 towns and cities and in 61 counties in the school year 1968-69. A total of 423 days of services was rendered.

Extension Classes - These classes fall into four categories -- those taught during the academic year by staff members, those taught by instructors not on the extension staff, those taught by coordinators of student teaching in their respective towns, and community classes. During the year 1968-69, 37 classes were taught by on-campus staff, 4 classes were taught by the extension staff, and 7 classes were taught by coordinators of student teaching. Sixteen short courses were taught in the summer months. In these courses 1,327 students were enrolled. Eleven community classes were offered with an enrollment of 203.

Correspondence Study - The University offers an opportunity to earn credit by correspondence study to teachers in service and to other persons not in residence. During the 1968-69 school year, there were 640 new enrollees in correspondence study.

Educational Service Publications - As of June 30, 1969, 38 different publications prepared by members of the University staff were available to supplement educational concepts and methods of teachers in the schools.

Educational Conferences - The Extension Service assists with almost every educational conference held on the campus. Forty-eight conferences were scheduled through this office during 1968-69 with attendance totaling over 14,000.

Speakers Bureau Service - A directory of staff members available as speakers is printed and distributed to schools, educational organizations, and service clubs,
EXTENSION SERVICE (Cont'd)

Career Days - Consultants for five career days were arranged during 1968-69, involving the scheduling of 16 staff members.

Institutes - Personnel for 25 institutes and workshops were scheduled, totaling 68 staff members during 1968-69.

Adult Distributive Education - Twenty-one classes were held throughout Iowa with 1,127 persons enrolled in a variety of instructional areas as services to communities. Two members of the business education department served as instructors.

PLACEMENT OF GRADUATES

The University Placement Bureau aids prospective graduates and alumni in securing teaching positions in accordance with their professional qualifications and special interests. The bureau also helps the school administrators of Iowa meet their staffing needs by suggesting candidates who have the particular qualifications required. Credentials are supplied to employing officials and interviews are arranged if desired. All placement service is provided without charge and the record of placement year after year has been very close to 100 per cent.

Placement service is also provided in areas other than teaching to serve non-teaching or liberal arts graduates. Career opportunities in government service and in many areas of business and industry are made available to prospective liberal arts graduates.

COUNSELING AND ADVISORY PROGRAM

The present counseling and advisory program was established in 1949, and its members include faculty advisers, student guides and head residents, residence hall personnel, counseling psychologists, personnel assistants, assistants in advising and counseling, and the coordinator of student counseling. A comprehensive cumulative folder for each student is maintained in the Student Personnel Office. Educational and vocational counseling are available for those needing assistance in the selection of a major field of study and for those desiring vocational guidance. Personal counseling is available for all students. Working relationships are maintained with County Mental Health Centers and private psychiatrists for students desiring additional personal counseling.

BUREAU OF RELIGIOUS ACTIVITIES

Office of Director, Dr. Harold E. Bernhard

Room 121, Baker Hall
Telephone -- 273-2821

The Bureau of Religious Activities is designed to provide a service to UNI students in relation to religious matters through planned religious activities and counseling.

Courses in religion are part of the University curriculum and are offered for credit through the Department of Philosophy and Religion.
Campus Religious Foundations and Organizations -- Foundations and organizations supported by various religious bodies minister within the academic community in areas of worship, counseling, study, and programming.

Student Aid Scholarships -- The University of Northern Iowa offers partial fee exemptions each year to approximately 500 young men and women of Iowa with outstanding ability who are in need of financial aid and who plan to teach. Five per cent of these awards can go for non-teaching majors.

Alumnus Awards -- Approximately 100 scholarships of $100 are awarded through the UNI Foundation each year.

Special Scholarships -- Also available are scholarships granted for the most part to advanced students, ranging from one to eight semesters and varying in amount. They include the following: Alice O. Gordon Bequest; Furniss and Mary W. Lambert Scholarship; Bertha L. Martin Memorial Scholarship; Phi Mu Alpha Sinfonia Scholastic Award; Sigma Alpha Iota Scholarship Awards; Theta Alpha Phi Alumni Award; Fisher Foundation Scholarships; Louis Begeman Memorial Science Scholarship; Mrs. Cora Nelson Art Scholarship; Bartlett-Freeland Debate Award; Faculty Men's Scholarship; Faculty Memorial Scholarship; May Smith-Arey Kindergarten-Primary Award; James Scott Memorial Award; Hazel Strayer Memorial Scholarship; Student ISEA Scholarship; Wild & White Award; Ida May Wilson Scholarship; Elbridge A. Stuart Scholarship; Brindley Debate Scholarship; Anna M. Nielsen Music Scholarship; Ann Moline Organ Scholarship; Pi Gamma Mu Award; Tau Sigma Delta Award; and the Arthur D. Dickinson Memorial Scholarship.

A limited number of graduate assistantships are available for graduate students who are in residence through the academic year. The C. B. McDonald Scholarship (Undergraduate) was added in 1961. Waterloo-Cedar Falls area scholarships were initiated in 1962 when 27 scholarships were granted by industrial, business, religious and social organizations to students from the local area. The Mary Jensen Shackelford Award of $500, established in 1968, is available to UNI graduate students with preference given to applicants seeking a Master of Arts in Education degree.

Purple and Old Gold Awards are presented to certain seniors who have shown meritorious scholarship in their particular areas of study and to others who have shown achievement in various fields of activity. Each of these carries a cash award.

Student Loans -- Loan funds are available for both graduate and undergraduate students in need of assistance. Entering students may qualify for a National Defense Student Loan or a Guaranteed Loan. The Seerley Loan is available to students after they have been enrolled at this University for two years or more.

Educational Opportunity Grants -- High school graduates with exceptional financial need may qualify for an outright grant of funds. The amount of financial assistance a student may receive depends upon his need, with grants ranging from $200 to $1,000. Grants cannot exceed one-half of the student's total need.
Volumes .................................................. 315,000
Campus Laboratory School Library ................... 19,600 (department of teaching)

Current Periodicals ...................................... 2,100
Current Newspapers ...................................... 50
Microfilms ................................................. 9,700 reels
Recordings ................................................. 3,800

EDUCATIONAL MEDIA CENTER

Consists of three closely related divisions -- the Curriculum Laboratory, the Audio-Visual Services Area, and Production Services.

Curriculum Laboratory includes the following types of educational materials:
- Elementary and Secondary school curriculum guides .......... 7,500
- Current elementary and secondary textbooks and workbooks . 4,000

Audio-Visual Services Area includes the following:
- Educational Films ...................................... 1,000
- Filmstrips ............................................... 2,800
- Recordings ............................................. 1,350
- Audio-visual machines, globes, models and transparency sets 450

Production Services Division provides a diverse system for the design and preparation of media materials; overhead transparencies, posters, signs, reproduction copy for offset, photographs and slides.

The Educational Media Center also operates a portable closed-circuit television recording system. The video recorders, cameras and monitors, which can be set up at most any location, are used primarily to enrich instructional programs of the University.

RADIO-TELEVISION STUDIOS

Radio Studios are located on the third floor of the Auditorium Building. Regular programs of instruction and information are recorded in the university studios and are broadcast daily, Monday through Friday, over Radio Station WOI in Ames. Programs of general interest are prepared for nightly broadcast, Monday through Friday, over Radio Station KXEL in Waterloo.

FM Radio Station KTCF, which is owned and operated by the University, broadcasts programs of educational and institutional interest nightly.

Closed-circuit TV studios are also located on the third floor of the Auditorium Building. They are used for multiple-class instruction and are connected by coaxial cable with five classrooms, each of which is equipped with receiving sets. Instructional material may be preserved on video tape or kinescope recordings.

Open-circuit TV programs are broadcast over WOI-TV, Ames; KTVO in Ottumwa; and KYNE-TV in Omaha. Weekly program on Iowa history for in-school viewing have been recorded on film for distribution to TV stations throughout the state.

Campus-carrier Station KYTC, a student-operated radio station, serves only the students in the University dormitories. The KYTC studios occupy a suite in the new Union.
STUDENT LEADERSHIP ORGANIZATIONS

Student Senate -- A legislative and an administrative group composed of a president, academic and administrative vice-presidents, secretary-treasurer, ten senators elected by the student body at large, senators who represent student living units on and off the campus, and three non-voting, ex officio members who serve by virtue of their election to the presidency or chairmanship of the Associated Women Students, Men's Union, and Union Policy Board. The Student Senate endeavors to promote cooperation between students and faculty, to seek solutions to student and university problems, and to represent the entire student body in matters affecting student interests.

Associated Women Students -- All women of the student body are members; executive committee composed of officers and standing committee chairmen. Provides opportunities for social and intellectual development and means of self-government of women students.

Men's Residence Association -- All men of the campus are members. The executive council consists of the president, vice president, and secretary-treasurer, elected by the men of the University and the president and vice-president of each of the halls.

Panhellenic and Inter-Fraternity Councils -- These groups are the coordinating bodies for the eight social sororities and six social fraternities on campus. The councils are comprised of elected representatives from each group.

Glen F. Henry - Head swimming coach and assistant football coach.
Godfrey (Garf) Stych - Head gymnastic coach.
Peter Mazula - Head tennis coach.
Ken Green - Director of intramural program and assistant basketball and baseball coach.
Don Erusha - Assistant football coach.
Dennis Remmert - Assistant football coach.
Dr. Elton Green - Associate professor of physical education.
PRINCIPAL BUILDINGS

INSTRUCTION

GILCHRIST HALL

Erected in 1882, 78 ft. by 114 ft., $40,000, 46 rooms. Named for James C. Gilchrist, first president of the institution. This building contains two general use rooms, the Faculty Room on the second floor and Gilchrist Chapel which is used as a classroom for 350 students on the third floor. The building houses many of the offices of the Departments of Education and Psychology.

OLD ADMINISTRATION BUILDING

Erected in 1895, 75 ft. by 105 ft., $35,000, 28 rooms -- addition in 1949 brought total cost to $43,193. This building temporarily is housing a variety of offices until new facilities are available. They include the Placement Bureau, Audio-Visual Center, Mimeograph Office, the Department offices of Education and Psychology in addition to instructor offices and research space for this department.

AUDITORIUM BUILDING

Erected in 1900, addition in 1953, total cost $164,000, original measurements 71 ft. by 239 ft. with rear extension 70 ft. by 90 ft. In 1953, a drama shop and additional dressing rooms were added. The auditorium, in the center of the building, seats 1,238. The Department of English Language and Literature, Department of Speech and Department of Education have the bulk of their classrooms in this building. The departmental offices for Speech and Foreign Languages are in this building. The Educational Clinic, and the Speech and Hearing Clinic are in the basement of this building. Radio and television studios are located on the third floor.

WOMEN'S GYMNASIUM

Erected in 1903, 68 ft. by 230 ft., $102,000, 50 rooms, remodeled and modernized in 1938, total cost $191,000. Contains four fully equipped activity rooms, dancing studio, classrooms, offices, locker and dressing rooms, swimmers' shower room, and archery range. Remodeling project in 1961 at a cost of $65,939 brings total cost to $358,939.

PHYSICS BUILDING

Erected in 1906, 65 ft. by 113 ft., $72,000, 29 rooms, housing classrooms, laboratories, and libraries of the Department of Physics and Earth Science.
SEERLEY HALL (OLD LIBRARY)

Erected in 1908, 75 ft. by 169 ft., extension of 103 ft. by 27 ft., $173,000. The Departments of Business and Business Education and Office Administration are housed here as are also some classrooms for other departments.

BIOLOGY ANNEX (OLD HOSPITAL)

Erected in 1912, enlarged in 1925, 33 ft. by 60 ft., $17,000. Temporarily being used by the Department of Biology for laboratories and biological research.

HENRY SABIN HALL

Erected in 1912, 115 ft. by 137 ft., cost $140,000. Building housed the Campus School from its erection in 1912 until the fall of 1953 when the elementary school was moved to the Price School. This building was remodeled in 1955-56 and a further remodeling project was completed this year. Housed in the building is the office of the Dean of the College of Business and Behavioral Sciences and departmental offices and classrooms for Economics, History, Geography, Political Science and Sociology and Anthropology. Other departments also use classrooms in the building.

WRIGHT HALL

Erected in 1915, 62 ft. by 144 ft., $109,566, 50 rooms. Includes classrooms and laboratories for mathematics and home economics and provides classrooms and office for other departments.

MEN'S GYMNASIUM

Erected in 1925, 170 ft. by 202 ft., $180,000. Main gymnasium with three court basketball floor, seating capacity of 3,500, 90 ft. by 124 ft.; small gymnasium 40 ft. by 88 ft.; wrestling room, first aid rooms, club room, swimming, pool, dressing rooms, lockers and showers.

GREENHOUSE UNITS

Erected in 1938, addition in 1961, total cost $50,873, center unit 31 ft. by 42 ft., two end units 25 ft. by 33 ft. First floor: work room, supply rooms, office and laboratory; basement: bulb room, service rooms, animal housing for biological studies, and biological laboratory. End units used for display purposes and for growing campus flowers. A wing, 58 ft. by 28 ft., was added to the west of the service house in 1961 and is now being used by the Industrial Arts and Technology Department as a shop and classroom.

WOMEN'S SWIMMING POOL

Erected in 1938, $125,000, pool 90 ft. by 36 ft., contains one-meter and three-meter diving boards, seating capacity of 700, dressing rooms, offices, and lounges.
STADIUM
First unit open concrete bleachers erected in 1936, second unit added in 1939, total structure 300 ft. by 76 ft., total investment $172,486. Bleacher capacity 7,200 (including new stadium) with enclosed press and broadcasting booths. Lighting for football field installed in 1948. Stadium's ground floor houses indoor running track, two large locker rooms, coaches' room, equipment and training rooms. A new east stadium is being built in sections, the first two completed in 1963 and 1965. It also houses two modern concession stands and a visitors' dressing room.

ARTS AND INDUSTRIES BUILDING
Erected in 1949, addition in 1961, total cost $635,000. Houses Industrial Arts and Technology Department on the ground floor, the Department of Art on the second level. Large display areas are located on both floors. A small auditorium-visual aids room on the second floor includes sound and production equipment. The ground floor includes an amateur short wave transmitter, industrial arts shops, drawing room, and offices. The two-level addition houses safety education training facilities, a drafting room, classrooms, art laboratory, art office and staff rooms, storage facilities and conference room.

MALCOLM PRICE LABORATORY SCHOOL
Named in honor of the fourth president of the University, the school was dedicated in 1959. Total cost of the structure was $2,330,000.

Section A of the school housing the elementary wing is on the north campus at 19th Street and Campus Street. L-shaped, the wing faces the east with 336-foot frontage on Campus Street and 154-foot frontage on 19th Street. The basement houses the kitchen, lunch and service rooms, and a classroom for the educable mentally handicapped. On the first and second floors are rooms for nursery school, kindergarten, and two rooms each for grades one through six; offices, auditorium, library, health office, and consultant rooms, language arts classrooms, and an electronic foreign language laboratory.

Section B housing the high school was occupied in 1955. Adjoining the west end of Section A (elementary school), the west wing extends 120 ft. to the west and houses classrooms for home economics, mathematics, social studies, and business education. The south wing extends 170 ft. to the south and houses classrooms for art, industrial arts, sciences, stagecraft, languages, and an audio-visual center.

Section C occupied in 1957, houses physical education facilities for elementary and secondary students, including regulation and training-sized swimming pools, basketball floor, indoor track and field area, bleachers, dressing and locker rooms, temperature-controlled wrestling rooms, and staff offices.
MUSIC HALL

Constructed at a cost of $1,071,360 and occupied in February, 1962, the combination one-and-two story structure includes 63,000 sq. ft. of floor space. Cost per square foot including equipment was $17.04. A small auditorium seating 606 includes a new Noehren pipe organ with 3,900 pipes and movable console. The building also houses 30 student practice rooms, 18 private studios, 7 offices, 4 general and 3 specialty classrooms, 2 ensemble rooms, chorus and rehearsal room, band rehearsal room, 3 storage rooms, lounge, music library, and an outdoor bandshell.

LIBRARY, UNIT I

The new building was occupied in September, 1964. It is on the central campus east of the Campanile. Total budget, including partial equipment, was $1,541,189, a cost of $14.68 per square foot. The structure encompasses 92,500 sq. ft., houses approximately 300,000 volumes, and seats 1,100 persons. It is one of the first collegiate libraries in the U.S. to have polarized fluorescent lighting which virtually eliminates glare. With temperature and humidity control throughout, the building includes a browsing room, faculty studies, individual and group study rooms, micro-materials room, and record listening facilities. One-half of one per cent of the project budget was allocated to art work, part of which was designed by UNI artist Ralph Haskell. Some 3,500 persons use the building each weekday. It is open for service 108\frac{1}{2} hours per week. The Department of Library Science is also housed in this building.

NEW SCIENCE BUILDING, UNIT I

Work which began in the spring of 1967 on a $3,581,067 Science Building was completed in the summer of 1968. Located south of Seerley Hall, the building is 102,040 square feet. Designed to be air-conditioned and fire resistant, the three-story building contains five elevated lecture rooms with seating capacity for 500 students, 26 laboratories, and office space for more than 30 staff members. The new building houses the Departments of Biology and Chemistry.

BAKER HALL (EAST WING)

Beginning in the fall of 1969, this wing will house the instructional offices for the Departments of English Language and Literature and Philosophy and Religion. It also houses overflow offices for the Department of Education.

ADMINISTRATIVE & PLANT FACILITIES

HEATING AND POWER PLANT

Erected in 1932, four additions, total investment $1,477,364. Supplies entire University with power, heat and lights. Boiler room contains two stoker-fired boilers capable of producing 30,000 lbs. of steam per hour with mechanical conveyor equipment for unloading coal and disposing of cinders, with storage bins. Turbine room contains one 600 kilowatt steam turbo generating unit installed in 1940. Plant also includes a circular concrete smoke stack 195 ft. high. Plant facilities were enlarged in 1951 with the addition of one 50,000
HEATING AND POWER PLANT (Cont'd)

lb. boiler with accessories and a 1,500 KVA condensing turbine with accessories. Natural gas was installed in 1954 as a fuel for the new boiler only, which can be fired with gas or coal. Major improvements in 1961 included another 60,000 lb. steam generator and coal handling equipment, stoker and gas firing equipment and structural alterations to accommodate new equipment, new combustion controls, piping and additions to ash handling equipment.

An auxiliary power plant is under construction on the western edge of the campus which will operate on gas with oil as a standby. This will serve for the present as a supplement to the main plant but the long range plans call for the auxiliary extended and the other phased out over a 20-year period.

PHYSICAL PLANT OFFICE BUILDING

Erected in 1932, additions in 1948 and 1951 bring cost to $46,105. Contains office of director of physical plant, campus architects, security and staff personnel. Office space for the Physical Plant Department was enlarged by building an additional floor above the garage portion. (During the current year, the offices and shops are being moved out and the building will be used primarily to enlarge the operations of the Art Department.)

PHYSICAL PLANT SHOPS BUILDING

Located west of Highway 57. Completed in 1966 at a cost of about $264,300, the building includes the physical plant facilities and temporarily houses the University Museum.

LAUNDRY

Erected in 1936, 58 ft. by 42 ft., $15,000, equipment valued at $10,280. (The campus laundry operation is being phased out during this year and the building will be put to instructional uses.)

STUDENT HEALTH SERVICE CENTER

Completed in September, 1961, at a cost of $386,000. Includes consultation rooms, eight double hospital rooms for 16 patients, x-ray room, drug and laboratory on the first floor; quarters for nursing staff on the second floor.

ADMINISTRATION BUILDING

The first unit of this building was completed in 1965 at a cost of $860,000. Besides classrooms, the first floor houses the offices of the Dean of Students, Coordinator of Counseling, University Relations, Public School Relations, Alumni, Extension, and the Bureau of Research. The offices of the President, Vice-President for Academic Affairs, Business Office, Registrar's Office and Data Processing Center are located on the second floor. Construction of the $693,000 addition to the building, which began in May, 1967, was completed in August, 1968.
STUDENT HOUSING AND FOOD SERVICES

BARTLETT HALL FOR WOMEN

Erected in 1914, second unit in 1924, total cost $485,000 (non-tax funds), 41 ft. by 525 ft., with four wings each 41 ft. by 125 ft., 300 rooms. Normal capacity houses 535 women in single and double rooms. Occupancy, fall of 1969, is 671.

COMMONS

Erected in 1933, 134 ft. by 178 ft., $189,000. Ground floor: three large student dining rooms, one small faculty dining room, guest dining room, office of director and assistant food service director; first floor: student lounge, multiple-purpose ballroom used for dances and large dinners, lobby lounge, office of director, small lounge, and game room; second floor: mezzanine lounge and club rooms. Two new food serving lines were added in ground floor dining area in 1963. Four food lines now serve about 2,400 students. This building underwent a major remodeling and enlargement in 1966 at a cost of $900,000. The Commons serves as the dining lounge for students in Baker, Bartlett and Lawther Hall and in addition serves all-university social functions.

BAKER HALL

Baker Hall, originally three separate units, was created in 1955 with the construction of a connective wing between George T. Baker Hall and Homer H. Seerley Hall, total cost $688,851. Occupancy, fall of 1969, 217 women students in single and double rooms. The east wing was taken over for instructional purposes in the fall of 1969.

ANNA B. LAWThER HALL FOR WOMEN

Erected in 1939, total cost $832,728, including 1948 addition. Includes three lounges off the main lobby, second floor informal living rooms, library, recreation room, kitchenette, three guest suites, and three resident director suites. A fourth floor apartment houses 12 women. Normal capacity is 467 in double and single rooms; occupancy, fall of 1969, 591.

SUNSET VILLAGE

One hundred forty-four (144) units were brought to the campus in 1946 to house veterans enrolled for study. Units now house married students in order of application, with 100 families in residence in the fall of 1969.

SADIE B. CAMPBELL HALL FOR WOMEN

Erected in 1951 at a cost of $1,000,000 (non-tax funds). Includes a dining hall for residents on the ground floor, service rooms, director's suite, office, living and recreational rooms. The hall was dedicated in December, 1954, in honor of former Dean of Women Sadie B. Campbell. Additions to the dining service in 1963 and the residence hall in 1964 were completed at a cost of $950,000 (non-tax funds). Occupancy, fall of 1969, is 633 women.
UNIVERSITY COURTS

Twenty-four two-family units for married students, the first section of 12 first occupied in December, 1956, the second section completed in 1958 at a total cost of $383,000. Each cement-block apartment has four rooms and a bathroom, with refrigerator and kitchen stove furnished. Occupancy is in order of application.

SOUTH COURTS

Mobile housing units for married students were installed in 1963 south of the present driver education range at a cost of $175,950 (non-tax funds). The court includes 50 mobile homes with concrete block foundations, permanent steps and skirting, utilities, side-walks, and a laundry house. Occupancy is limited to families with no more than two children. During the summer of 1967, another unit of 50 mobile homes was added east of the original at a cost of $240,000.

REGENTS COMPLEX

This is composed of five buildings, four residence halls and a dining and lounge area, connected by overhead corridors, and having its own parking areas. This unit was financed by bonding to be paid from revenues from the halls and food service.

RIDER HALL -- Completed in 1961 at a cost of $1,200,000. It was named for Dwight G. Rider, Fort Dodge, who was president of the State Board of Regents from 1951 to 1956. Occupancy, fall of 1969, 492 men students.

SHULL HALL -- Completed in 1964 at a cost of $1,265,000. It was named for Henry C. Shull, Sioux City, who was president of the Regents from 1940-51. Occupancy, fall of 1969, 449 men students.

HAGEMANN HALL -- Completed in 1965 at a cost of $1,254,000 and has an occupancy of 412 women. It was named for Harry H. Hagemann, Waverly, who was president of the Regents from 1957-63.

NOEHREN HALL -- Completed in 1966 and 1967 at a cost of $2,235,000 and has a normal capacity of 700 students. It is occupied by 730 women this year. This hall is so designed as to permit either men or women to use 200 of the rooms. It was named for Alfred N. Noehren, Spencer, who was president of the Regents from 1963-65.

DINING AND LOUNGE AREA -- This unit provides the major lounges and recreation area for the four halls in the Regents Complex. It also provides all of the food service for students living in the four halls. In addition, it can provide for extra dining service for special groups. This was built in two units, the first completed in 1965 at a cost of $1,181,000 and the second completed in 1966 at a cost of $625,000.
TOWERS COMPLEX

Begun in the spring of 1967, the $6,320,000 project includes two 13-story high-rise residence halls and a dining-lounge unit. The dormitories, one for women and one for men, each house 600 students and are the first two of three planned for the complex. Bender Hall, named for Dr. Paul F. Bender, former UNI professor and dean of students, opened in the spring of 1969 and has a fall occupancy of 597 men. Dancer Hall, named for David A. Dancer, secretary of the Board Regents from 1942 to 1967, will be occupied during the year.

UNION BUILDING

Completed in the spring of 1969, the tri-level building is constructed almost entirely underground with a plaza or walking area on the surface. Due to the slope of the land, the south portion of the building has one level above ground. The upper levels of the building include a main coffee-house, seating 500, a lounge area, dining rooms, kitchen, administrative offices and meeting rooms. The lower levels are devoted to a large ballroom, recreation areas, more meeting rooms, and student offices.

BUILDINGS UNDER CONSTRUCTION & THOSE IN THE PLANNING STAGE

PHYSICAL EDUCATION CENTER -- Work on phase I of the $7,000,000 project began in the spring of 1969. The center, to be located in an area west of Highway 57 and O.R. Latham Stadium, will house complete facilities for both men's and women's physical education. Field work on the center's exterior playfields, a $583,446 project, began in September of 1968 and should be completed in 1970.

EDUCATIONAL CENTER -- Although plans are still on the drawing board, work on the $5,000,000 Educational Center is slated to begin in 1970. The complex, to be located north of the present Men's Gymnasium, will house the entire Department of Education and provide a lecture center, classrooms, offices and clinics.

MARRIED STUDENT HOUSING -- Architect plans are being prepared for a new married student housing area located south of the creek on the south campus. The University hopes to begin construction on the first 300 units in the spring of 1970. The area can provide for more than 1,000 units. The completion of the first phase will make possible the elimination of Sunset Village.

MISCELLANEOUS & OTHER BUILDINGS

HOME OF VICE-PRESIDENT OF ACADEMIC AFFAIRS

Erected in 1890, $10,000, eleven rooms.

HOME MANAGEMENT HOUSE

Erected in 1906, $6,800, seven rooms.
PRESIDENT'S HOME

Erected in 1908, $18,000, 14 rooms.

CAMPAFLLE

Erected in 1926, 20 ft. square and 100 ft. high, $60,000, donated by alumni, faculty, students and friends of the University as a memorial to the founders and builders of the University. Originally housed 15 bells of the Campanile chimes ranging in weight from 225 pounds to 5,000 pounds; Fasoldt clock presented to the institution in 1925. Chimes sound on the hour. Campanile clock synchronized and electrically controlled by a master clock of the university time system. A campaign was started in 1966 to raise funds to add an additional 32 bells to the present 15 to make it a complete 47-bell carillon. The new bells were installed in June, 1968, making the Campanile a complete musical instrument.

UNIVERSITY PUBLICATIONS FOR 1969-70

The NORTH AMERICAN REVIEW
A 64-page journal of current interest. UNI purchased the magazine, one of America's oldest literary journals, from Cornell College in January, 1969.

The ALUMNUS
A 32- and 24-page quarterly magazine mailed to 29,000 former students of the University of Northern Iowa. Issued in September, December, February, and May.

The UNIVERSITY CATALOG
A 236-page bulletin presenting general information concerning the University and its courses of study. Mailed to prospective students and school officials on request. Published in January, even-numbered years.

The SUMMER BULLETIN
A 32-page booklet devoted to program for summer session. Distributed to teachers and school officials. Published in February.

The GRADUATE BULLETIN
A 126-page booklet devoted to the graduate program and curricula. Mailed to 5,000 school officials, prospective graduate students, colleges, etc. Published in January, odd-numbered years.

SCHEDULE OF CLASSES
Published in July, December, and April. Distributed by the Registrar upon request.

DEPARTMENTAL PUBLICATIONS
Departmental folders, news letters, leaflets, information sheets, and other publications are produced for the benefit of prospective students and are available upon request to the particular department.

The NORTHERN IOWAN
Student newspaper distributed twice weekly to all students on campus.

The YEARBOOK
Student yearbook of 376 pages presenting story of the year's activities.

EDUCATIONAL SERVICE PUBLICATIONS
A series of service bulletins for public schools. Booklets on mathematics in the elementary grades, geography, pre-reading activities, visual aids, science, conservation, speech correction, kindergarten education, guidance, bulletin boards, historical fiction, English, and sources of free curriculum materials.

INSTRUCTIONAL MATERIALS BULLETINS
These pamphlets provide extensive bibliographical information about materials in such areas as elementary school science and social studies, remedial reading, and gifted children.

SPORTS INFORMATION BOOKS
Three brochures containing complete information on all sports for the use by press and radio.

ATHLETIC PROGRAMS
"The Prowl" printed for each home football game. Also programs for other major athletic events.
GENERAL INFORMATION BULLETIN

A 28-page booklet containing a capsule summary of information about UNI for prospective students. Published annually in October.

SEVEN

A University student-edited magazine of art and opinion including original art works, creative writing and essays, usually published once each semester.

MISCELLANEOUS

Numerous folders, posters, etc., for university sponsored conferences, concerts, dramatic events, art exhibitions, etc.
