WHOA DUN IT?
The 1984-85 school year proved to be an eventful one all over the world. Wars continued in the East and Central America while Soviet-American arms talks went from steady to shakey and back again.

In the summer, Los Angeles, California, hosted the 23rd Olympic Games. The world sat and watched as 7060 participants competed in peace. The U.S. took 83 gold medals. One of these was won by bouncy 16-year-old Mary Lou Retton who vaulted her way into the record books with her "layout back somersault with a double twist" that earned her two perfect scores. U.S. diver Greg Louganis scored another gold in the diving competition. American runner Joan Benoit took the women's marathon with the third fastest time ever (2:24:52), but all eyes and hearts were with Swiss runner Gabriela Andersen-Scheiss as she, suffering from heat exhaustion, staggered the last 400 yards and collapsed into the officials' arms.

The country was rocked on July 18 when a lone gunman entered a McDonald's Restaurant in San Ysidro, California, and opened fire. When the shooting stopped, 19 people were wounded and 22 (including the gunman) were dead. In December, a chemical leak in Bhopal, India, left more than 2000 dead. Union Carbide was blamed for the disaster and the question "Could it happen here?" was on the minds of many Americans, especially those living near the company's West Virginia plant. In northern Africa, the famine continued to take its toll on human life. Efforts to aid the starving nations spread across the world. Band-aid, a group made up of English rock stars, recorded "Do They Know It's Christmas (Feed The World)" and turned all of the profits over to an African relief fund. The American stars soon followed suit, releasing an entire album featuring songs by Prince, Bruce Springsteen, and many others, including the entire group (called USA for Africa) singing "We Are The World", a song written by Lionel Richie and Michael Jackson.

The world-wide recession really hit home as John Deere Manufacturing cut its local work force to 40 percent of what it had been eight years ago and Rath Packing failed in all attempts to reorganize. Graduating seniors found student aid difficult to obtain.

History was made when Walter Mondale chose a woman, Geraldine Ferraro, as his running mate. Ronald Reagan won the election and made his own history with his controversial reconciliation trip to Bitburg, West Germany.

The U.S. lost some talented people this year. Among them were Truman Capote (author of "In Cold Blood"), Ethel Merman (singer and performer), and Meredith Willson (author and composer of "The Music Man").

The game of the year for 1984 was Trivial Pursuit and extra trivia card sets ranked high on Christmas want lists. Also topping the list were records and tapes of the latest rock groups. Michael Jackson remained a strong favorite in the summer as he and his brothers launched their "Victory" tour, but was soon ousted by Prince when his movie "Purple Rain" opened in the fall. Newcomer Madonna caught on strong and gained momentum with her movie "Desperately Seeking Susan." The come-back of the year award goes to Tina Turner whose LP "Private Dancer" brought her back into the limelight.

The top TV shows were "The Cosby Show", "Dynasty" and "Dallas," which closed the season by burying Bobby Ewing (Patrick Duffy).

Neon clothes were introduced in the fall, but didn't really catch on until Christmas time. Clothes with the "aloha-look" of Hawaii made the scene in the spring and hung on for the summer.

Team's winning streak comes too late

The 1984 baseball team opened the season with some disappointing losses. But by mid-season, we started to play really good ball. Once we started to win, it seemed as if there was no stopping us. We won five games straight, but our streak was broken when we met state-ranked North Tama. The LaPorte City game proved to be the season’s high point. With fine pitching from Jack Teatsworth and Shawn Overton, we were able to win in extra innings. Rookie pitcher Dennis Pedersen also helped with a 3-1 record, narrowly missing all-conference selection. Congratulations to those who did win all-conference: Steve Baedke, Fred Krohn, Tony Tomlyanovich and Scott Cryer. The ‘85 season looks strong for the team.

Individuals grow during softball season

The 1984 softball team’s 2-19 record doesn’t give a full picture of the season. We really learned a lot and had fun. Christa Matter, who had practiced pitching during the off season, became varsity’s starting pitcher. Her moment arrived in the sectional game when she struck out Dike’s Mary Bernhart with her “let-up” pitch!

Susan Hilliard earned all-conference honorable mention. Within the team, Natalie Krohn won the Golden Glove award, and Steph Yoder was named Most Valuable Player. With up to nine returning letter winners, we have a lot to look forward to, but also a lot of spots to fill, one of which is, again, pitcher. I’m sure it can be done. Good luck.

(1) Steph Yoder. (2) Shan Gress makes the out against Dike. (3) Vanita Goyal slides in safely to score NU High’s only run against Dike. (4) Christa Matter concentrates for the pitch. (5) Teammates watch as Susan Hilliard warms up. (6) Brenda Corrick in the ready stance.

Runners stride to first at State

The 1984 cross country team had the right blend of experience, balance and new talent to be state champions. Returning lettermen Steve Budlong, Joe Morgan, Trent Timson and Matt Green headed the 18 member squad, with Budlong as captain. Freshman Kyle Christiason proved an immediate success. We were also fortunate to have two foreign exchange students, Per Ove Berg of Norway and Henk Bruggemann of the Netherlands. Both helped us a lot, even without previous running experience. The season's highlights included winning the Metro championships, beating Cedar Falls in the process; compiling a 125-2 record; winning districts and, of course, winning the state meet. Timson was undefeated during the year and repeated as Class 1-A state champion. This year's powerful junior-varsity team posted a 97 winning percentage. All of the credit for our success goes to Coach Lee who made us state champions in three short years. The best of luck to next year's team, which will prove to be strong once again.

(1) Coach Lee and Trent Timson are happy after a good meet. (2) Steve Budlong shows underclassmen how it's done. (3) The State Champion Cross Country runners, Jonathan Klinkowitz, Coach Lee, Trent Timson, Steve Budlong, Kyle Christiason, Per Ove Berg and Joe Morgan. (4) Joe Morgan strives for a good finish. Underclass swimmers make big splash

This year we had one of NU High's largest girls' swim teams, ten swimmers and two divers. Five girls had varsity experience in 1983. Unfortunately, we lost state champion freestyler Renee Bunger, who moved unexpectedly last summer. Even with a bigger team, we didn't have the experience we needed to do as well as we had hoped. We lost two very close and exciting dual meets to Vinton, but we were able to outscore them in a couple of invitationals.

The entire team worked hard and gave 100 percent at the meets. Everyone showed good personal improvement, particularly our sophomore swimmers; our divers, Vicki Johnson and Carrie Farber; and freshman Johanna Seavey. We hope to retain our entire team, plus add to it next year. Special thanks to Coach Ben Myers, managers David Bunkofskie and Teresa Osborn, and everyone who helped out at our meets and supported us throughout the season.

(6) Nicole Swann reaches for an advantage in her event.

Football players hold heads high

1984 was another struggling year for the NU football team. Ending the season with a 2-7 record, this year's squad was hampered by size and strength, but was strong in dedication and desire to win. We always hustled and worked hard in practice. In games we never gave up and played hard up to the final buzzer, even when we knew the chances of winning were very slim.

Although we were disappointed at times, we were proud of ourselves and felt we had nothing to be ashamed of. When you look at our schedule, you can see why — we had very tough competition, including the 2A state champions, Grundy Center, and Ackley-Geneva who also made it to the state playoffs.

Congratulations to seniors Tom McGee, Greg Hubbard and Marc Dillon who earned first team all-conference honors, and to juniors Jon Wessels and Dan Glascock who received honorable mention. Hubbard broke the school record for longest field goal with a 43-yarder against Allison-Bristow. Dillon broke the school record for passing with 768 total yards. Best of luck to the squad and coaching staff of 1985. Go all the way!

Volleyball players spike to a successful season

The opening of the 1984 volleyball season at NU High saw only three returning letter winners: seniors Steph Glenn and Steph Yoder, and sophomore Sue Hilliard. They were joined by three other seniors, Josie Brooks, Shan Gress and Chrystal Roby, all first-year players. We ended with a successful season, hitting over .500 for the first time in four years. Coach Cathy Shaw and just plain hard work were the primary factors in our success.

We were proud to have sophomore Becky Wilson named to the All-Tournament team at LaPorte City. She and the other talented underclassmen should have a bright future. Best wishes!

Boys’ basketball picks up momentum

The varsity basketball team of 1984-85 was a surprise to many people. At the beginning of the season, we could see that we had the ingredients for a winning team. We started out slowly, but picked up momentum throughout the year. The highlight of the season was beating the number two ranked Grundy Center Spartans at home. We ended our season losing to a tough Wapsie Valley team in the sectional final.

The team was led by a senior Greg Hubbard, who earned first team all-conference and honorable mention all-state. Jack Teatsworth earned honorable mention all-conference. Shawn Overton and Tom McGee also showed good leadership.

Wade Anderson, a junior, was the clutch player this year. His leadership will be a key for next year’s success. Other important juniors were Matt Green, Trent Timson and Mike Sell.

We finished the season with a 12-8 record. There is a lot of talent coming up, and with hard work NU High can get on top of the NICL.

(1) Shawn Overton and Trent Timson fight for the rebound. (2) Starter Wade Anderson shows perfect form. (3) Sophomore Jackson Lounsberry earned a spot with the varsity. (4) Mike Sell drives for two. (5) Tom McGee looks for a receiver. (6) Coach Waack and the bench watch the game. (7) Vincent Hawkins, head and shoulders above the defense. (8) Jack Teatsworth looks for a way out. (9) Greg Hubbard, our Australian star, makes the layup look easy. (10) The Little Panther team listens to instructions.

Basketball girls pleased with success

The 1984-85 varsity basketball season saw the return of head coach Cathy Shaw and the addition of assistant coach Pat Jackley. These two coaches had the task of rebuilding a team around only three returning letter winners. Eventually they formed a team whose successes may have seemed small to others, but were important to the members.

The Panthers had a strong defense led by senior Shan Gress. She averaged 7.8 rebounds per game and was a strong leader. She was helped by sophomores Kris Teig and Mo Ryan, and Steph Yoder and Nat Krohn saw playing time as well.

The forward court was led by senior Stephanie Glenn who averaged 23 points a game. Sue Hilliard was strong in her second year of varsity play, and freshman Kathy Lorenzen was a nice surprise as a starter. Crystal Roby added points during the first half of the season, and Joy Duea and Dawn Gress played forward also.

With a 3-16 record, the Panthers tripled last year’s wins. More importantly, we became a team and had fun.

The mouse roars
to place tenth at State

The 1984-85 Panther swim team suffered injuries early in the year, but by the end of the season we had the most successful swim team yet. The team finished tenth at the state meet with great performances by Dan Glascock, runner up in the breaststroke, and Jon Wessels who finished third and seventh in the 50 and 100 freestyle. In addition, freshmen Arie Axness and Kyle Christiason helped the Panther medley and freestyle relay teams to high place finishes. Doug Myers, who joined the team at mid-season, proved to be a big help as the medley relay qualified for state.

Our team lacked depth, but we pulled together to prove to some BIGGER schools that the Mouse really does roar. I would like to thank Coach Myers for working so hard to make NU High a power in swimming, and I wish the team good luck next year. I am sure that the Mouse will roar again to another great swim season!

Golfers stay undefeated in dual encounters

The 1985 golf team had high expectations with four returning lettermen, Tom McGee, Jerry Engleman, Fred Krohn and Matt Green. In addition, freshman Mike Green was a great asset to this team and teams to come.

The season was quite successful winning the Parkersburg Invitational with Fred Krohn as medalist, the Grundy Center Invitational with Matt Green as runner-up medalist, and Conference with Mike Green as medalist. Both Matt and Mike Green received All-Conference honors at that meet. We remained undefeated in dual meets again this year, extending our record to 11 straight. Our season goal was to make it to State. We won Sectionals easily and advanced to Districts. But the day before Districts, Mike Green, our #1 golfer, broke his arm. Without him we finished a respectable fourth, missing State by six strokes.

Next year should be another good one with the two Greens back and Todd Michel with the magic putter. Good luck, guys!

We...
Mutual support aids determined girls’ team

This year’s track season was the best the NU High girls have had for the past three years. The team was a large and talented group of young women. After winning two relays at Districts, we qualified three relays for State. The highlight of the season was having all three place at State: the 4x100 placed fifth; the 4x200 relay second; and the sprint medley relay sixth. The members of the 4x100 relay team were Susan Hilliard, Michelle Nieman, Becky Wilson and Melaine Reed. Hilliard, Wilson, Reed and Shan Gress made up the other two relay teams.

Other season satisfactions included high places in the Conference and District meets, improving in field events, and winning the triangular against Dike and Grundy Center. The team was one big family with good communication. No one put anyone down, but encouraged others to do better. Mr. Kelly is one of the best, most understanding coaches NU has ever had. We’ll miss the seniors for they contributed a great deal. However, I expect the team to be bigger and even better next year. Good luck!

Boys' track team shows both strength and depth

For the boys' track team, 1985 was another successful season with eight victories and only one loss in the outdoor season. We captured the NIGL crown and qualified eight men for State in five events. There, the 4x100 team (Scott Hansen, Troy Alberts, Franklin Reed, and Tim Carlo) placed third; and Steve Budlong placed third and Joe Morgan sixth, both in the 3200 run. Other state competitors were the 4x200 team (Hansen, Alberts, Reed and Carlo), Marc Dillon in the 110 high hurdles, Troy Huntley in the pole vault, and Hansen in the long jump.

This year's team was both strong and deep with outstanding performances by Carlo (high jump), Kyle Christiason (400 run), Joel Curry (110 and 200), and Dan Glascock, Per Ove Berg, Trent Timson and Greg Hubbard (4x800). The '86 team has a standard to uphold and a tradition to carry on. As has been said so often before, "Walk the Dog!"

The 1985 tennis season was full of ups and downs. The highlight was the match against Waterloo West. Even though we lost 4-5, our team played very well. The lows of the season were all the matches that we should have won, but didn’t (including those against Eldora, Waverly, and all the others we lost). Districts did not go very well this year. Only the doubles team of Aric Axness and Mike Sell made it to the second round. Conference went a little better. We had two individual winners this year, Dennis Pedersen and Aric Axness in singles. Overall, we placed second in conference.

Matt (Barney) Little, who played numero uno, showed the most promise, but had some tough breaks throughout the season. Mike (How-did-I-do-that?) Sell, Tim and Tom Jacobsen all contributed to the best of their abilities. Dennis Pedersen showed the most consistency, and Chris Doughty and Aric Axness are up and coming stars. I wish them best of luck next year, and remember: Use your head and save your hair.

Young girls' team serves nice surprises

The number of young girls reporting for this year's tennis team made a winning season highly questionable. However, we were blessed with perfect weather for practice. By our first meet, we had a fairly respectable team. Our goal was to improve individually and to give our young team more experience. We started our season strong because many of our opponents had young teams also. The girls' positive attitudes helped us to a better-than-expected season.

Karen Rantall was a pleasant surprise as she played the #1 spot with Australian flair. Two of the first year players, Kari Nelson and Susan Graham, played regularly with the varsity team. Teresa Osborn was the most improved player, having worked the hardest in practice to earn her spot at #2 singles. Our most consistent player, Kathy Lorenzen, was another surprise to us. A freshman, she won the conference #3 singles championship.

I am confident next year's squad will use everything they've learned to build a stronger and more consistent team. I wish them best of luck.

Laura Curtis was selected alternate for the All-State Band.

The NU High Jazz Band under the direction of Craig Aune began its winning ways on January 24 when it earned a Division I, superior rating at the Iowa High School Music Association's State Jazz Band Contest on the UNI campus. In mid-February, it took the second place trophy in Class B at the UNI Tallcorn Jazz Festival.

The Jazz Band ended its year by bringing home the Class B third place trophy from the state Iowa Jazz Championships on April 18. To earn the right to take part in this contest, it placed second in the NEIBA District Jazz Band Contest in Cedar Rapids on March 9. During the year, every member of the band received outstanding performer recognition at one time or another.

Quest to reach human potential set in Wales
The Corn Is Green
by Emlyn Williams

The 1984 fall play was set in Wales, a part of the world few midwesterners know very much about. It was easy to relate to the story, however, for it concerned the struggle for education.

Set in a remote Welsh mining village before the turn of the century, the play centered around the efforts of Miss Moffat, a determined woman from England, to establish a school for the children of the villagers. At the time of the play, boys were expected to begin work in the coal mines when they reached the age of twelve.

However, Miss Moffat would not allow the intellectual talents of Morgan Evans to be buried like those of his ancestors. The story has some autobiographical overtones for the author, in that he is Welsh and did not learn to speak English until he was eight years old.

Largest madrigal cast fills Renaissance castle
To welcome the holiday season, NU High's 17th annual Madrigal Dinners were Monday, Tuesday and Wednesday evenings, December 10-12, 1984. The Renaissance evenings of music and feasting were held in University Hall of the Maucker Union which had been transformed into the great hall of an English castle. Greenery, banners, and heraldic shields decorated the room lit by candlelight and a glowing fire on the hearth. Guests dined on a traditional meal of Rock Cornish game hen, complete with wassail cup and flaming dessert. Renaissance music was performed by one of the largest casts ever, 59 students in authentic Elizabethan costumes.

Homecoming keeps tradition but adds new flair

The 1984 Homecoming Week at NU High was filled with the traditional excitement and spirit, but some new twists were added this year.

The week started right off with a new fashion, as Monday was designated as Toga Day. The response was overwhelming, to say the least.

Nerd Day, Tuesday, started with the juniors' Homecoming Breakfast for those nerds who got up in time.

Wednesday's Decade Day dress code required what most all NU students have plenty of — imagination! In the evening, the second annual bonfire was held and the classes decorated their assigned halls. The high spirited result was a sophomore-junior tie.

In keeping with tradition, Thursday remained Dress-Up Day in honor of the coronation that evening. Shan Gress was named Homecoming queen and Karen Rantall of Australia became honorary queen.

Orange and Black Day, Friday, definitely won the prize for enthusiasm which reached a peak at the afternoon's pep rally. Although NU High lost the game with North Tama 19-13, the team spirit had already been established and boy, were we proud!

As all good things, Homecoming Week had to come to an end. The festivities concluded to the music of Mirage at the dance sponsored by the student council — a romantic end to an exciting, fun-filled week.

Presidential election sparks political awareness

With 1984 being a Presidential election year, political interest was stronger than usual. To give students firsthand political information, the NU Social Studies Department sponsored its second Political Awareness Program. Speakers and candidates with varying views came under fire as students questioned their policies and values. Among the speakers were candidates for the Iowa Senate Joy Corning and Ted Anderson, Iowa House District 23 candidate Marvin Diemer, U.S. Representative candidates Cooper Evans and Joe Johnston, and Senate candidates Tom Harkin (represented by his wife Ruth) and Roger Jepsen.

Drama season kicks off with Guthrie trip

The 1984 drama season started with a trip to the Guthrie Theatre in Minneapolis on Saturday, September 1. A bus and a van carried the 54 students on the day-long trip. The play they saw was TARTUFFE, a dramatic comedy by Moliere. The action revolved around a deceiving, fraudulently pious man named Tartuffe, who was taken into the home of a rich but naively trusting man. Upon its return to Cedar Falls, the drama club was ready to undertake its own production season.

Sadie Hawkins throws a beach party

After a long, cold winter, it was time for Sadie Hawkins to have a fling. But the senior girls decided that going to Dogpatch would be as dull as staying in Cedar Falls. After checking with travel agents, they were sold on the California, Caribbean and Hawaiian beaches. The decision was made. Sadie would have a beach party. But they couldn't decided which beach was best, and their budget was limited, so they settled for inside NU High.

To satisfy those who preferred Hawaii, the suggested dress was Aloha. Bright apparel bloomed to life, and deck shoes, shades and rubber ducks were abundant. Most students willingly deferred to the "no swim suit" ruling, but David Delfs brought his fins in case he saw a good-looking mermaid.

At the assembly Friday, the three male foreign students lounged under umbrellas, as the local lads tried to impress the audience with their skill and daring. From the Caribbean, the girls imported a crate of bananas and the limbo bar. Dave Delfs (fins and all) ate his bunch of bananas in record time, but Tony Tomlyanovich was more skillful at slithering under the limbo stick. The questions asked of each candidate gave the voting audience one last chance to decide on a favorite.

Saturday night was marked by a heavy March snowstorm, but determined party-goers managed to get to the beach. Winter coats and boots were left in the lobby together with thoughts of Iowa. Downstairs the hot sun had just set, and the music was right for dancing. While King Tony Tomlyanovich reigned, not even timid guys had sand kicked in their eyes. Couples who couldn't resist the urge were hitched by a guy who looked a lot like Jim Kelly. And an unending array of tropical fruits and soft drinks kept paradise at hand.

This year's Youth for Understanding Carnival was held April 27. The event drew a wide variety of people ranging from toddlers to grandparents, from curious onlookers to serious carnival-goers. The attractions included a roulette wheel, dart throw, ring toss, sponge throw, dunking tank and other games of skill and chance. The seniors' pickle booth created a new sensation, and the foreign language department provided tacos and crepes for the hungry crowds. The nacho booth was a sure fire starter, but the pop and coffee booths were there to save the day.

Along with the traditional, new additions were popular. The seniors added the fortune-telling and palm-reading booths, and the sophomores made a hit with their version of Trivial Pursuit.

Profits from the carnival help to offset the school expenses of the international students attending NU High and to lower the cost for NU students spending a summer or a year abroad with YFU. David Delfs lived in Japan during the summer of 1984. Tony Tomlyanovich will spend his 13th year abroad studying in Germany in 1985-86.

The 1984-85 international students added much to the student body. Henk Bruggemann drew most admiration for his tenor saxophone playing, but he was also an active long distance runner and swimmer. Per Ove Berg helped the cross country team to its many wins, and earned recognition for his academic work in humanities. Karen Rantall's senior project quilt impressed all who saw it. She also took part in volleyball and drama make-up crews. Greg Hubbard earned All-Conference status for his basketball prowess and was a fine team leader.

The Mock Trial was a new experience for nine NU High students as the school participated in the competition for the first year. The team had to learn both sides of one case, and were not told until just before competition which side they would play. NU easily won its first trial against Mason City. The team it was to meet in the second round dropped out, giving NU a 2-0 record.

With this, NU was on to state. At Drake University, NU performed against two schools. The team lost its side of the case against Lost Nation High School but still won the competition. They won both against Charter Oak-Ute High School. NU now had a 4-0 record, which was tied with seven other schools. Only four could advance to the finals. The NU team was not one of the four, but has the distinction of being judged sixth in the state.

The team was coached by Bob O'Brien and Phil Nelson of the NU faculty, and by John Larsen, a Cedar Falls attorney.

NU High's eight member Quiz Bowl team travelled to Wartburg College in Waverly on Saturday, March 16, to compete against 40 teams from various Iowa high schools. NU participated in three matches, competing against Humboldt and New Hartford, Gilmore City-Bradgate and Starmont, and Sumner and Chosen Valley.

Although the NU team did not advance to the final round, all members received certificates for their outstanding performances. The group was coached by Ferd Riechmann and Bob O'Brien.

Student groups interact with other schools

The NU High chapter of the American Industrial Arts Student Association (AIASA) had 11 members in 1984-85. The group planned to take an active part in the state convention and exposition in April. The 1984 members had won seven trophies and the sweepstakes award in that meeting, and the club hoped to uphold that record.

Unfortunately, their adviser, Don Darrow, was hospitalized in the critical weeks before the convention. President Jonathan Klinkowitz was unable to oversee the building and testing of new model vehicles for the Metric 500 race. But he, Joel Shepherd and Rob Lorenson formed a delegation to attend, nevertheless. They entered the Industrial Quiz Bowl and took the General Knowledge Tests. For his scores in the latter, Klinkowitz brought home the first place trophy. Shepherd earned the third place trophy in the same event.

INDUSTRIAL ARTS STUDENT ASSOCIATION:

Seven students along with their adviser Bob O'Brien went to Des Moines December 9-11 to participate in the 10th annual session of the Model Legislature. These students portrayed representatives, lobbyists and the media in the Iowa State Capitol. Each representative had to write a bill that could be brought up. The representatives were then divided into two groups, the majority and the minority.

Adam Blough, Duane Hufferd, Kristen Landau and Sara Schilling were all representatives for the minority party while Greg Martin was a member of the majority. David Laylin was a member of the media and was elected co-editor of the session's newspaper. Laura Winburn was a lobbyist.

The session was filled with many conflicts, with some representatives voting along party lines and other voting their conscience.

Speakers who addressed the students included the governor, lieutenant governor, chief justice and the executive council.

The time out of the session was spent meeting and making new friends.

Publications report and record NU events

The NU High news was published in the Cedar Falls Neighbors section of the Waterloo COURIER on Tuesdays this year. We had two pages of material from NU in most issues. New this year were a number of editorials and the cartoon Bunnyloose.

The 1985 yearbook may not be the largest in NU High history, but the staff worked hard to make it one of the best. The failing local economy made ad sales increasingly difficult, at the same time that publication costs rose to new highs. However, perseverance by the staff helped to salvage pages considered lost, and to retain coverage of all activities.

 Couples at prom “Remember the feeling”

Expectations ran high as 1985 guests entered the Commons Ballroom for the 1985 Junior-Senior Prom. The first thing they saw as they walked in was the theme, “Remember the Feeling” on the door. The ballroom was divided into two sections. Refreshments and tables for conversation filled the west side, and dancing and the set were on the east side.

The set, designed by Bob O’Brien and members of the junior class, was decorated in the prom colors of rose, gray and ivory.

Juniors broke the tradition of getting a band. This year a disc jockey, Mark Potter from KFMW, was hired to provide the evening’s music.

Lattin Photography took the court photos and was available for couple pictures in the Georgian Lounge across the hall.

When the time came for Ferd Riechmann to announce the 1985 prom queen, curiosity was at its peak. First Karen Rantall was named honorary queen. Then the moment arrived when the envelope was opened and Jackie Stockdale was crowned queen.

After the dance, guests went bowling from 12:30 to 2 a.m. at Valley Park Lanes. Then they went to school to watch “Police Academy” and “Stripes.” The movies lasted until around 6 a.m., even though most guests didn’t.

The class of '85 bids a bittersweet adieu

The 1985 NU High commencement exercises took place on a sunny and warm Sunday, May 19, at 3 p.m. in the University Auditorium. The NU concert orchestra, directed by James Welch, played "Pomp and Circumstance" as the 48 graduates proceeded to their seats. The Reverend Robert Jacobsen, pastor of St. John American Lutheran Church, gave the invocation after which senior class president Tom Jacobsen reflected upon the past four years. He reminded his remarks were followed by the featured speaker, Dr. Scott Cawelti, assistant professor of English at UNI and "controversial" COURIER columnist. Cawelti spoke of the seven surprises of life, which included such points as "not every fact is true and sometimes fiction is truer than fact;" your first career choice will most likely not be your last; and education is not limited to schooling with teachers.

Dr. Charles Moore then presented the class of 1985 to Dr. Ross Nielsen who awarded the diplomas. The class of 1985, now officially graduated, joined the Alma Mater singers, directed by Dr. Les Hale. Eyes were wet as the Rev. Jacobsen gave the benediction and the newly graduates marched out to the "March of Athalia."
(1) Descending with her diploma is Sabrina Scott. (2) Tim Browning is a proud graduate. (3) Class president Tom Jacobsen gives his final address. (4) Dr. Moore explains the seating order to Tom McGee as Mary Young giggles. (5) Bursting with pride are Dennis and Sue Pedersen. (6) Jerry Engleman. (7) Stephanie Yoder adjusts Jodi Nelson’s collar. (8) Featured speaker, Scott Cawelti. (9) Fred Krohn pushes Amy Weydert aside as he admires himself. (10) Pleased with his diploma is Joe Morgan. (11) Adam Blough assists Kris Cody. (12) Sharing final moments together are Karen Rantall, Monica Rogers, Dauphane Cole and Ingrid Scott. (13) The Rev. Jacobsen gives the invocation for the class. (14) Susan Rider is a smiling graduate. (15) Chris Conrad and Duane Hufferd are officially alumni. (16) Listening to the ceremonies are Steve Budlong, David Bunkofskie, Jill Christie, Kris Cody and Dauphane Cole. (17) Shawn Overton receives congratulations. (18) Kristen Briner rejoices with Stephanie Glenn.
The 1984-85 school year was one of change and revision as well as tradition.

Bob O'Brien's aerobic programs helped students stay in shape all year. The juniors broke the tradition of having a band for prom by hiring a D.J., and Sadie Hawkins shed the Dogpatch image and became a beach party.

NU kept the tradition of dramatic excellence with "Annie Get Your Gun." The first musical ever co-directed by Les Hale and Ken Butzier in 1962, it would also be the last, as Mr. B had to begin an extended disability leave late in February. In late May, Ferd Riechmann announced his retirement as well.

Perhaps NU's best attribute is its students. Working together, they accomplished things that many said couldn't be done. Who dun' it at NU High? Everyone, and they dun' it well.

Case closed!
(1) Tom Jacobsen (Morgan Evans) is about to learn that this first occupation will not be his last. (2) Graduate Chrystal Roby. (3) Henk Bruggemann takes a picture worth a thousand words. (4) The cross country team celebrates its victory. (5) Deanne Chung anticipates the afternoon game. (6) Melaine Reed. (7) Bidding a tearful farewell are Amy Weydert and Lisa McGee. (8) Stephanie Glenn awaits the last basketball game. (9) A determined Adam Blough. (10) Ron Hageman awaits his turn. (11) Ravi Thakur listens carefully. (12) After the dance.
