The 1965 Home Football Menu

- **NORTHERN MICHIGAN** Sept. 11, 7:30 p.m. —
  This is fast becoming one of the most exciting series SCI has. The Panthers nipped Northern's tough team 14-7 a year ago in the home opener on Bruce Montgomery's thrilling 80-yard punt return. As in 1964, this promises to be an exciting start.

- **NORTH DAKOTA U.** Oct. 2, 7:30 p.m. —
  Dad's Day — North Dakota U. is one of the three defending NCC champions with SCI and North Dakota State. The Panthers had a brilliant day at Grand Forks last year, winning 34-0 and the Sioux will come to Cedar Falls with revenge in their hearts as they aim for a win over the only team to beat them in 1964.

- **AUGUSTANA** Oct. 23, 1:30 p.m. —
  Homecoming — No team in the conference will be more improved this fall than the Vikings. They suffered through a mountain of injuries a year ago but came into the 1965 campaign with a brilliant sophomore crew to bolster their bid for a higher league finish.

- **SOUTH DAKOTA** Nov. 6, 1:30 p.m. —
  State Day — The fighting Coyotes gave everyone trouble last year and established themselves as one of the prime favorites in 1965. Coach Mary Rist has a seasoned ball club. The SCI-USD game also marks the end of the line for SCI's brilliant fullback Randy Schultz, a Little All-America as a junior. You'll want to be on hand to watch Schultz, Loren Buser, Doug Korver, Ken Beverlin, Merle Masonholder and the rest of the Panther seniors close out their collegiate careers.

**TWO LOOKS AT ONE RUN BY RANDY . . .**
Here's two different views of Little All-American fullback Randy Schultz at his best as he dashed 31 yards for a touch-down against South Dakota State in 1964. In the top shot Schultz cuts to his left in full flight, taking the Jackrabbit defender out of the play with his fake. Below, Randy slipped past a defender and beat the last opponent to the goal line on his longest scoring run of the year.
Here's Your Pre-Season Report On '65 Panthers

★ THE OFFENSE

Coach Stan Sheriff's exciting offense blistered 10 opponents for 2,632 yards in 1964, a new SCI record. The Panthers run from a Multiple T (variations of the T) that suit the personnel best. Spearheading the running attack will be Little All-American Randy Schultz, back for his final collegiate season after a brilliant junior season of 1,072 yards gained and Most Valuable conference and Pecan Bowl back.

★ THE DEFENSE

Can the 1965 Panthers be as stingy as last year's team? Coach Sheriff and his staff are working hard toward that end. Gone are such brilliant defensive players as Phil Minnick, Gary White, Jim Jackson, Bruce Montgomery and Sid Sickles, but some kingpins remain like the exciting play of Loren Buser, Phil Roberts, Ken Beverlin and Del Hammond.

★ THE LINE

Offensively, the Panther line is back nearly intact with only guard Jim Jackson lost through graduation. Doug Korver anchors the unit at center and all will recall his brilliant play in the Pecan Bowl. There is none better in the NCC than Ken Beverlin at guard and no better duo at tackle than Merle Masonholder and Phil Roberts. Line coach Don Erusha has experienced ends in Ted McPherson, Del Hammond and Rick Price.

★ THE BACKFIELD

Loren Buser is regarded by many as the second best fullback in the NCC, but Buser's running mate at fullback is Randy Schultz, the league's finest back. Buser has played halfback on offense and may find a permanent home there but he'll have to fight off junior Dave Matthews, the team's most improved halfback at the end of the 1964 season. Sophomore Ron Owens could have a brilliant future at right half and provides Sheriff with another break-away threat to go with Schultz. Dick Olin is the man to beat out at quarterback after a solid spring performance.

★ THE NEWCOMERS

Ray Pedersen and Ron Owens were the biggest names among the Panther rookies during the spring drills. Pedersen, from Cedar Falls, stepped right in at the left guard spot and now seems entrenched there. Owens has great speed and has great balance. He's an exciting runner. Little Terry Fox should see action and the mighty mite is a picture to watch.
