The School Year In Profile ...

Contrary to what most people expected when they stepped in the door the first day, this year turned out to be different, full of unexpected but not unwelcome events.

Although national elections were scheduled, the Political Awareness program brought much unexpected attention to our school. We held a mock election here, with John Anderson the surprise winner.

An extremely unpleasant letter was circulated first semester, but it came to a good end in the formation of the Black Student Union which sponsored a concert for Martin Luther King's birthday and a bake sale to help the children's fund in Atlanta, Georgia, where dozens of children had been mysteriously murdered.

Students everywhere welcome a vacation from school. At N.U., ours came from an unexpected quarter. A fire in the transformer bank gave us all vacation for two days, and left us without power for a week. During that week we attended school for only half days.

On Inauguration Day, the 52 American hostages that had been held in Iran for 444 days were finally released. Kathryn Koob, a native of Jesup and one of the two women hostages, came and addressed the student body and many visitors on May 15th, 1981.

Dr. Louis Finsand, awarded a grant for $261,054 from the U.S. Office of Education, established a program for economically disadvantaged students. These students, including ten freshmen from NUHS, were given the opportunity to pursue biomedical studies.
"Classes will be held as normal." Mike McCollie and Steve Baedke participate in the Bio-Medical Program. President Shelley Kincaid and newly elected chairman Wesley Washington of the Black Student Union. Sonya Anderson, Shelley Kincaid, Daphne O'Neal and Ricky Johnson hold the B.S.U.'s bake sale for the Atlanta children. Mrs. Findlay and her sixth graders cook up chili for the football team. Leonard Scovel participates during the question and answer period of the Kathryn Koob assembly. Greg Browning learns how to operate the voting machine. Kathryn Koob signing autographs after a worthwhile session. Mr. Riechmann cuts the special cake made in honor of the flight of the space shuttle. Escort Dave Delafeld presents Kathryn Koob with a corsage. Vicki Clark, hard at work.

Girls’ Softball Team Improves Its Record

With Coach Kettner and all letter winners returning, we picked up where we left off last year. However, a pitcher was still needed. Our most consistent hurler was Joanne Norem, who teamed up with catcher Josie Findlay. Josie and Mel Lange, our seniors on the team, received honorable mention and first team All-Conference respectively. They contributed a lot all summer, and next season we’ll have good leadership from seniors Tracy Timson, Lisa Strub and Carrie Dillon. We improved our record this year, and are looking forward to an even better season in 1981.

(1) Beth Ann receives instructions from Coach Kettner. (2) Mel Lange and Katie Thompson await the pitch. (3) Josie was a good influence behind the plate. (4) Tracy Timson tags out an East runner attempting to steal second. (5) Lisa Strub moves to make the play at third base. (6) On deck, Tracey Anderson. (7) Carrie Dillon runs to first. (8) Our left-handed pitcher, Joanne Norem.

1980 Girls’ Softball Team
Boys' Baseball Team Works To Rebuild

The 1980 baseball season was a rebuilding year for Coach Schneider and his ball club. Led by All-Conference selections John Mattson, Justy Doud and leading batter Curt Nielsen, the Panthers finished 3-18. The season was constantly bogged down by errors. The outlook for the 1981 season should be good. The Panthers return eight letter winners and three starting pitchers. With the help of these people the season should be greatly improved.

(1) Coach Schneider gives a pep talk. (2) John shows All-Conference form at homeplate. (3) Justy throws a strike. (4) Dave (Del) goes for the tag. (5) Coach talks to Brett about team strategy.

1980 Boys' Baseball Team
1980 Varsity Football Team
Varsity Football
Plagued By Injuries

Although finishing a disappointing 1-8 season in the tough NICL Conference, this group had what it takes to make a great team — a winning attitude. We could have easily given up from the very beginning, and why not? We lacked the size, depth and experience, and during the season were plagued by more than our share of injuries. On top of all this, we were, no doubt, in the state's toughest conference. Yet every week we worked just as hard as the last, and come game time we gave it all we had. The high point of the season had to be our 15-13 win over Dike using the single-wing offense. The team had excellent leadership in Captains Rick Bremner and Dane Dierks along with the other seniors, Greg Snodgrass, Jeff Laylin, Rod Cory, Curtis Nielsen, Dave Delafield, Neil Lindemann and Doug Keiser. Dierks and Keiser were selected All-Conference, while Bremner and Justy Doug earned honorable mention All-Conference. Doud was also named honorable mention All-State. Next year's squad, with ten returning lettermen, should improve on this year's record.

Cross Country Team Shares Championship

Being only the second year NUHS has had an organized boys' cross country team in recent history, one wouldn't expect much success. However, with the help of Coach Bill Lawson, we became a fine-tuned racing unit. Along with four returning lettermen, (co-captains) Brett Froyen and Dave Vilmain, John Rohrbaugh, and myself, came a stable base of much discipline, desire to win, and just the right amount of humor. Through intense training and dedication, our season ended with a co-championship of the North Iowa Cedar League. Rohrbaugh, Vilmain and McCalley were All-Conference runners for the season. All members of the team showed great improvement throughout the season — but we enjoyed it all the way. With a well-established team for cross country running now formed, it is quite evident the track dynasty of NUHS will continue.

Volleyball Team Wins 16 Straight

This year's volleyball team went unbeaten until the last game of district play. Our new coach, Irande Ahrabi-Fard, was very pleased with his first season and hopes to carry on a winning streak for the years to come. Tracy Timson and Lisa Strub were selected All-Conference while Carrie Dillon and Beth Ann Finsand were named honorable-mention. Lisa was also named to the sixth team All-State and Tracy and Beth Ann were All-State honorable mention. The whole team did a great job this year playing together, and I hope in the future they will go all the way to State. Good luck!

Girls' Swim Renewed
After Two-year Gap

Building a girls' swim team again is going to take us a while, but I think we have gotten it off to a good start. We had a good group of freshman and sophomore swimmers this year. Freshman Eileen Malm is going to be a strong distance swimmer, and Roz Hellman will be diving for us again next year, to keep us in two important events. We are lucky to have a few really dedicated swimmers and a whole lot of effort. I'm really looking forward to the next couple of years on the swim team.

Swim Team Desires Depth For Its Ranks

This year's swim team did very well, I think, considering the number of swimmers that came out. Unfortunately, it lacked the power of numbers to run up high scores in competition. We had good leadership by the co-captains, Greg Snodgrass and Rod Cory, and also the two other seniors, Doug Larsen and Ken Brown. We four helped the underclassmen when they needed help, and we also helped Coach LaRue when he needed it.

There are many swimmers coming back next year who are really going to be good. Jan Pulkrabek, Blair Brewer and Dave Wells will return as seniors and show fine leadership. If the team can get more swimmers, I think they can be tough. I wish them the best of luck, and I wish I could come back and swim with them another year.

A young team with good leadership from senior co-captains Curt Nielsen and Dave Delafield became a challenging team for Coach Schneider. The team displayed its talent in its 57-40 sectional victory over Grundy Center, the NICL undefeated champs. But the lack of experience showed when they were beaten early in the year by last place finishers, North Tama. The 1981 team finished fourth in the tough NICL and 12-9 overall. Next year promises a top-contending team, returning five starters, two of whom were All-Conference selections. Justy Doud made the second team; Tim Gish was honorable mention. High soaring and scoring center, John Becker, also received mention.
Girls' Basketball Has Best Season Ever

1981 was the best season yet for girls' basketball, ending with a 15-7 record. All three starting forwards, Lisa Strub, Tracy Timson and Heidi Hendrickson returned and worked well together, averaging 59.5 point per game. The guards led the conference with the lowest defense average. Team effort helped Lisa Strub earn a place on the first All-Conference team, and Carrie Dillon on the second team. New head coach Cathie Schwitzer did a fine job. The season highlight was our defeat of North Tama 88-80 in three overtimes, to earn the sectional championship. Lisa scored 80 points on her own that night, setting a state record for the year. A special thanks to our fans who really came through when we needed them.

1981 Boys' Varsity Track Team
Boys' Track Wins State Championship

The 1981 track season marked the end of Iradge Ahrabi-Fard's career as coach at N.U.H.S., but it was a very successful one. The team, led by a group of eight seniors, posted several victories throughout the season including the NICL Conference Championship. The greatest of all victories was the winning of the State Championship. Taking five relays to state is an accomplishment in itself. But The Panthers didn’t stop there. Every runner was a member of at least one record-setting relay team. We won the 3200, 1600 medley, 800, and 1600 meter relays, setting new state records in three. The 400 relay placed second, just 1/100 of a second behind first place. The team appreciated the support given by a large group of people, young and old. I wish the returning team members good luck next year so that they can "walk the dog."

Girls' Track Strives For Winning Groups

With many girls returning from last year, the 1981 track team had both leadership and experience. The support and determination of Coaches Kelly and Schweitzer also helped us have a good season.

We didn't break as many individual records as we have in the past; but we did well as a team and placed fourth at the district meet, missing third by only 1/3 of a point. Some NUHS outdoor records were broken: Debbie Teig, Tracey Anderson, Carrie Dillon and Beth Finsand in the mile relay; and Lorrie Tietje, Trina O'Neal, Debbie Teig and Carrie Dillon in the distance medley relay which went to state and broke the school record there. Overall, our team looked great and worked together with a lot of spirit. Best wishes to the '82 team.

Boys' Tennis Team Has Fun And Success

The motto of the N.U. tennis team is "Be successful and have lots of fun (with greater emphasis on the latter)"); or sometimes, "Be successful at having fun." Anyway, this year we did both. Our goals for '81 were to go undefeated during the season, win the Wahawk Invitationals, and qualify the whole team for state. We came very close to these goals because of the great balance on the team. We lost only one dual meet all year, to West Waterloo. We got second at the Wahawk behind West, and we qualified half of the team for state. Our most valuable player was Dirk ("Baby Oil") Mazula, who lost only one match all year but was never at a loss for words. Our biggest competitor: Rick Brenner, nicknamed "Roscoe" for his naturally curly hair. The most improved: John ("The Hack") Hawley. Most inspirational: Mike ("I Beat Grundy") McColley. Best dressed: Doug Keiser. Dumbest Statement: Paul ("Chico's not his real name") Strickland. Last but not least, I would like to thank Brett Froyen for his leadership, great looks and outstanding play.

(1) Rick Brenner and Brett Froyen qualified for state in doubles competition, Derek Mazula in singles. (2) Brett shows his state form. (3) John "Chico" Hawley. (4) Rick Brenner qualifies for state doubles. (5) Paul Strickland (6) Doug Keiser. (7) Derek Mazula goes undefeated in #1 conference singles. (8) Steve Keiser.

Girls' Tennis Shows Underclass Talent

This year's tennis team was quite an experience! We didn't have the best record in the world, but that didn't really seem to matter. We had a great time just being together. It was a different experience for me being the only senior on a team of all freshmen and sophomores. The highlight of the season was Roz Hellman winning the number four singles conference championship. But I know that Carol, Kelly, Jill, Sue, Tracy, and Jody will all be there next year. This was Coach Primrose's first year, and I think he will agree that we'll have a great team in '82. Good Luck!

Tracy Timson

(1) Tracy Timson provides leadership for the team. (2) Carol Glascock. (3) Sue Mork reaches for the ball. (4) Roz wins NICL tennis title. (5) Jill gets ready to receive the serve. (6) Kelly Gress cleans up on her opponent. (7) Tracy as the lone senior.

Young Golfers Face Tough Competition

Last year's top three golfers graduated, leaving a very young team and a tough 1981 season. No trophies were won this year and, unfortunately, the 13-year record of first and second place conference finishes was broken. Returning lettermen Dave Sell and Curtis Nielsen, along with the rest of the squad, gave their best; but the strong competition and youth of our team were factors too big to overcome. Curtis Nielsen is the only graduating senior this year making the future look bright, but his great talent is going to be missed. The next few years look good for Jerry Duea and the N.U. golf squad. Let's hope for the best!

At Dick Witham Chevrolet we have taken the
pursuit of service as the name of the game.
We feel that we can sell more cars through
our reputation of honest deals and
excellent service, than we ever can by
having a "sale" every week.
We have invested our advertising
money in the finest facilities, the
best equipment, and the most
expert personnel available.
rather than spending those
dollars making unbelievable
and often untrue claims
about the "Cheaper"
deal or the "Bargain"
deal.
Because of this, you won't see us
on television nearly as
much as our competition
but you will hear
more of the kind of
advertising that
really counts, most
of which from
satisfied customers.
We obviously can't
and don't do everything right every time, but
we do have the necessary ingredients to do it
better than our competition, and we're
willing to go the extra mile to resolve any
problems.
On the other hand, we don't expect anyone to
pay more for our product than they would
pay anyone else, regardless of the service.
Our prices are as competitive, and in many
cases more competitive, than other dealers.
We hope that we do now, and will in the very
near future; want you as one of our satisfied
customers.
