Captured Moods

After fifteen years as the Northern University Junior and Senior High principal, Dr. James Albrecht is leaving. He is taking a position in teaching at UNI. He will be teaching secondary administration on the graduate level. We wish him the best of luck, and want to tell him how much he was appreciated.

The '79 baseball team played hard in a lot of games, but just couldn’t come through. The seniors gave good leadership on the field. Kevin Mueller and Eric Finsand both made the second all-conference team outfield, and batted .295 and .279 respectively. Dennis Washington was hitting .305 and made second all-conference team infield. Freshman Justy Doud led the team in hitting (.365) and in runs with 14. With more experience on the field next year, we should be up in the standing and winning most of our games.
Softball Team Seeks Pitcher

For the NU Softball team, the summer of '79 was one of re-adjustment. We had to adjust to Mr. Kettner as coach, at the same time he was getting the hand of coaching a girls' softball team. The team also had to re-adjust to the loss of about six crucial players, one of whom was pitcher. I think practically every member of our team at one time or another was a potential pitcher. Tracy Timson, Carrie Dillon and Tracey Anderson were our most consistant hurlers. All in all, though, we had a good, fun season. We are all looking forward to next year because a good percentage of our team will be returning — along with our coach. That should give us a good edge on our opponents.

(1) Tracy and Martha trap an Ackley-Geneva player. (2) Josie tags her opponent. (3) Mel Lange is exhausted. (4) Josie Findlay. (5) Carrie and Tracy show determination. (6) Beth is safe!
The NU football team finished the season with a disappointing 5-4 record. At the beginning of the year we had high hopes for a conference championship, but things don’t always work out the way you want them to. The North Iowa Cedar League Conference is one of the toughest 2A leagues in the state, and we found the going tough right away facing Hudson. Hudson wound up in the state finals losing to Sigourney. Our team gave a good effort and we thought we could win, but came up a little short. We had a couple of games in which we felt we were the better team, but we ended up losing as a result of costly mistakes.

Two of our players made All-Conference: Joe Burbridge made All-Conference linebacker and Ken Haman made All Conference defensive back. I think we should have had more players get recognition for their performance during the year, but that’s the way the ball bounces.

Next year is up in the air as to what we might expect. With six starters returning, the Panthers may be tough in 1980.

I felt our team made a good effort all year, and I was proud to be captain of the 1979 NU High football team.

Jeff Williams

Volleyball Team Gathers Momentum

This year’s volleyball team had only thirteen members, but we had a very good team. With our new coaches, Miss Hawn and Miss Cuccio, we all worked very hard on improving our skills. And the results were worth it. Three girls were really outstanding: Lisa Strub was our best spiker and made first team all-conference. Melanie Lange was good at everything—serving, bumping, spiking—and made second team all-conference. Carrie Dillon’s playing earned honorable mention. The whole team did a great job and I hope in the future they can go all the way to state.

Swimmers Progress Individually

The swim team has made a lot of progress in the past year. We had many new freshmen who will make it an even stronger team in future years. The sophomores helped the team in several areas. Many times they surprised us by cutting their times and pulling high places.

The juniors were the strength of the team, with Rod Cory very strong this year in the 500 yard free style, and Greg Snodgrass in the 100 yard fly. Ken Brown earned points diving.

The seniors were few, but strong. They showed a lot of leadership and always tried to keep the team working. They included Mark Miller swimming free style events, Doug Cory swimming individual medley backstroke and free, and me swimming fly and free.

I'll miss swimming here at N.U. and I think I speak for the other two seniors as well.

Girls Team Improves Steadily

Because we had two new coaches this year, Dr. Duea and Dr. Strub, nobody really knew exactly what to expect of our team. It turned out that we had a record of six wins and fourteen losses, the best since 1975. We also got runner-up in the sectionals, which was something we all could be very proud of.

We had three returning letter holders, two of whom were the only seniors on the team. Melanie Lange added much to the guard court with her quickness. Holly Hendrickson was voted honorable mention in the conference. Lisa Strub was, no doubt, our leading scorer with an average of 39.6 per game. Lisa also was voted first team all-conference.

It was Heidi Hendrickson’s first year as a starting forward. She helped a lot with her rebound ability. Tracy Timson, also in her first year as starter, did a great job in the forward court too. Pat Ryan was the third starter in the guard court which helped our team a lot. The other members, Carrie Dillon, Cathy Card, Terri Michel, Teri Powell, Tracey Anderson, Laura Albrecht, and Tammy Mortensen added so much to the team, not only by playing but by their support.

I know everyone looks forward to the next season, and I want to wish them the best of luck.

Holly Hendrickson

Young Basketball Team Shows Hustle

This year's basketball team was young, with only two returning lettermen. However, the team showed good hustle and improved steadily throughout the season. We ended conference play with a 7-7 record, in the very tough North Iowa Cedar League.

The highlight of the season was the 45-43 upset of Hudson on January 11. Playing tough defense and using good team play and patience of offence, we won the game when John Mattson put in a basket with three seconds left in the game.

By the end of the season Justy Doud proved to be our best free throw shooter with 75%, and John Mattson our best rebounder, 182. Both men were named to the all-conference second team.

With five returning lettermen, next year's team looks tough. Good luck!

Clark Taylor

Young Track Girls Set Records

With Coach Kelly back this year, the girls track team looked very strong and promising. Our team consisted of five juniors, nine sophomores, and ten freshmen. We were short on seniority, but we had good support throughout the team.

Several records were broken during the indoor and outdoor seasons. New indoor records were set in the medley relay by Katie Thompson, Lisa Strub, Tracey Anderson, and Carrie Dillon; one-lap dash run by Cindy Nicholson; two-lap dash run by Beth Finsand; three-lap dash run by Sue Zeigler; half-mile run by Carolyn Olson; and the 4 X 1 lap relay of Terri Michel, Katie, Kim Tietje, and Cindy.

New outdoor records were the 100 meter dash run by Cindy; 220 yard dash run by Cindy; distance medley relay of Terri, Lisa, Tracey, and Carrie; and the 880 year relay of Kim, Lisa, Beth, and Cindy which also qualified for state along with Cindy in her individual events.

With a short supply of distance runners and an injury to Pat Ryan, a strong distance runner, the distance runners had to work hard and we did. The speed of our sprinters, however, appears to be here to stay.

Everyone improved throughout the season and we'll be together next year to improve even more, which I am looking forward to.

Carrie Dillon

(1) Terri Michel builds up speed. (2) Tracey Anderson hands off to Carrie Dillon. (3) Cindy Nicholson was undefeated in the 220 yard dash in conference meets. (4) Kathy Parker matches her LaPorte opponent stride for stride over the hurdles. (5) Kim Tietje, Beth Finsand, Lisa Strub, and Cindy Nicholson placed first at state in the 4 X 200 meter relay. Cindy also placed second at state in the 100 and 200 meter dashes. (6) Kim Tietje at the tape. (7) Betsy Kelly clears the bar. (8) Pat Ryan. (9) Carrie Dillon. (10) Cindy bursts ahead.
Track Team Places Fourth At State

We got a slow start this year, placing only third in the Columbus Relays. But the team had guts and stuck with it, and pulled off eight straight victories as the season went on.

Surprises like John Mattson and John Olson in the pole vault, Greg Mason in the two mile, Blair Brewer as a sprinter, and Dane Dierks in the half mile, helped the team “stomp.” The sprinters were very solid, as usual, with the likes of Arya Farinpour, Joe Hunt, Greg Mason, Justy Doud, Clark Taylor and part-time sprinter Matt Gill. These men won the sprint relays continuously all year long. The middle-distance runners (Bobby Thompson, John Rohrbaugh, David Vilmain, Dane Dierks and Greg Snodgrass) came through this year and were the best in the conference. The distance runners (David Delafield, Mike Hayes, Brian Taylor, and the gutsie freshman John McCalley) were good for points at every meet. Weight men Matt Gill and Lynn Powell showed they could throw their weight around. Jim Tarr only high-jumped, but he is expected to take on running responsibility next year. Curt Kouri and John Mattson were state qualifiers in the hurdles, always helping with the team victory.

This bunch of great guys won both the District and Conference titles, and thirteen of them competed in the State Meet, earning fourth place in Class B.

for the first time in many years, N. U. High had a boys cross country team. The team was composed of a nucleus of five juniors: Dave Delafield, Dave Vilmain, Brett Froyen, Bob Thompson, and myself, along with sophomores Blair Brewer and Brian Taylor. The three greatest assets that our team possessed were initiative, discipline, and the ability to have fun. We started out as a group who wanted to be called a team, and due to our initiative and Coach Iradge Ahrabi-Fard, who took us to our meets and wrote up our workouts, we became a team. Even when we became a team, we had no coach to make us do our workouts, but yet we did them all, which takes a lot of discipline. Finally, although we worked hard, we had fun doing it; and perhaps that is the most important thing of all. With a team this good and with all lettermen returning, we are looking forward to an excellent season next year.

Seniors Pace Girls Tennis Team

Looking at our record, an outsider might think our girls tennis team didn’t do too much this season. But I can tell the team made great achievements as a whole. I think we put forth great efforts and always did our best. We had some very tough competition, and actually didn’t do too bad. We always went in with a good attitude; but most of all, we enjoyed being together on the courts. We had super team spirit, and great respect for each other and for our coach, and that’s what really counts!

Boys Tennis Team Finishes Strong

The 1980 boys tennis team had three lettermen come back to play this year. They were Dirk Mazula, Brett Froyen and Rick Bremner. John Hawley, Paul Strickland and Doug Powell were newcomers and really helped the team a lot. The team had a record of nine wins and seven losses and won the conference meet at the end of the year.

Dirk Mazula showed to be the most consistent in his play with a singles record of thirteen wins and three losses. Dirk placed second in districts, and that qualified him for the state meet in Des Moines. Dirk lost to the defending champion in the state tournament.

The boys tennis team is really looking forward to next year as they will have seven returning lettermen.

Golfers Win Conference Title

1980 looked like it could be a bleak season for Jerry Duea and his N.U. High golf squad. After a third place finish in the state the previous season, Coach Duea was faced with the difficult task of forming a team around a nucleus of two returning lettermen — Dave Durbala and Todd Tracy. The early meets projected a dark season. Shortly after the season began, with three solid seniors leading the team, we entered the tournament schedule. The sudden, consistent play of Dave Sell and Curtis Nielsen helped spark us to an unexpected victory in the Spartan Invitational. Next, led by NICL conference medalist Dave Durbala, and all-conference selection Jeff Williams, N.U. swept the conference title. A disappointing showing at districts finally ended the aspirations of the Cinderella N.U. golf team.

YOU’RE ON YOU’RE ON YOU’RE ON YOU’RE ON
The judicial system in the United States is founded, in part, on the idea that citizens will be called upon to serve as jury members in certain kinds of trials. Some who are called do everything in their power to avoid that duty, or to get it over with as painlessly as possible. It takes the words of a European refugee immigrant, a member of the jury in this play, to bring this fundamental duty — and privilege — into clearer focus. To his fellow jurors he says this: "We have a responsibility. This is a remarkable thing about democracy. That we are notified by mail to come down to this place — and decide on the guilt or innocence of a man; of a man we have not known before. We have nothing to gain or lose by our verdict. This is one of the reasons why we are strong." K.B.

An adaptation of *The Marriage of Figaro* had its premiere at N.U.H.S. on April 18, 19, 21, & 22, 1980. This adaptation was the effort of Les and Colleen Hale. The Hales worked together on this project while Dr. Hale was on leave for a year. The opera as originally written by Mozart was four hours long. The Hales cut and rearranged to bring it down to two and one half hours without disturbing the plot.

sales & service
At Dick Witham Chevrolet we have taken the posture that service is the name of the game. We feel that we can sell more cars through our reputation of fair deals and excellent service, than we ever can by having a “sale” every week.

We have invested our advertising money in the finest facilities, the best equipment, and the most expert personnel available... rather than spending those dollars making unbelievable and often untrue claims about the “cheapest” deal or the “biggest” rebate.

Because of this you won’t see us on television nearly as much as our competition... but you will hear more of the kind of advertising that really counts, word of mouth from satisfied customers.

We obviously can’t and don’t do everything right every time, but we do have the necessary ingredients to do it better than our competition, and we’re willing to go that extra mile to resolve any problems.

On the other hand, we don’t expect anyone to pay more for our products than they would pay someone else, regardless of the service. Our prices are as competitive, and in many cases more competitive, than other dealers. We hope that we do now, or can in the very near future, count you as one of our satisfied customers.

Sincerely,

Dick Witham
