Mark will always be remembered for his ready smile and athletic prowess. As a junior, he was the leading pass receiver for the NU football team, and the third leading pass receiver in the NICL Conference. Mark also went to State in track for the 100-yard dash and the 400 and 800-meter relays. October 22, 1978, Mark Andrew Myers died in a car accident. It seems Mark was just passing through; but aren't we all? This yearbook is fondly dedicated in memory of Mark Myers.

And lying in the gentle of the circle of your warm,
I thought about the loneliness of gone
Against the ordinariness of staying on.
And looking for an answer in the scattered silence of your eyes,
I found to my surprise, my self-reflection.
Then I guess I knew,
I was only passing through.
But so were you. So were you.
“Class” often seems to me to be a much misunderstood term.

It grows, I believe, out of other qualities.

It grows out of courtesy—a sensitivity to the rights and feelings of others.

It grows out of justified pride in achievement—the knowledge people have that they’ve produced their best effort at whatever they’ve undertaken.

And all that makes possible the quiet dignity that marks those people and institutions that have a “touch of class.”

I hope it always distinguishes our school and all the people in it.

Baseball’s A Hit

After a hard-fought tournament game with State Champion Don Bosco, the Panthers fell short in thirteen innings by one run. We’ll be tough in ’79, too, returning everyone except Tony Bender, who was leading pitcher and hitter with a 5-7 record and a .308 batting average. John Mattson was also batting .291. The entire team’s batting average was .212 for the season. In conference play our record was 6 wins, 8 losses; overall 8-14. Watch our returning lettermen: Dennis Washington, Eric Finsand, Kevin Mueller, Jim Hayes, Duke Dierks, John Mattson, Doug Cory, Dave Durbala, Curtis Nielsen, and Justy Doud.

Dennis Washington

(1) All-Conference honoree, Tony Bender, winds up. (2) Curt Nielsen was named All-Conference honorable mention. (3) We’re all in this together! (4) Eric moves in. (5) Jim practices to endorse bubble gum. (6) The end of another good game. (7) Kevin at catch.

No matter what others say, the N.U. girls know there's nothing 'soft' about softball. We practice hard, twice a day, sometimes even at seven a.m. Because many team members were new, we spent a lot of time on basics. Jenny Corkrean, pitcher for UNI's women's team, helped a great deal. We'd lost three seniors at major positions — first base, shortstop, catcher. But Melanie Lange took first base like a pro, and Josie Findlay switched from outfield to do a great job at catch. Everyone worked hard, and all are looking forward to next season.

Eight Panthers Earn All-Conference

Although a pre-season pick to finish fourth, the team tied for second place with a 7-2 record. Inexperienced, with only three starters returning, we didn't know how good we could become. After winning our first two games, we lost two consecutively. But then the inexperience of preseason was gone and the team performed like veterans. Despite losing Todd Redalen, Cory Wumkes and Jeff Schmidt early in the season, we won the last five games in a row.

After the exciting Eldora game, the team was shocked by Mark Myers' accidental death. We decided to dedicate the remaining games to Mark. That week practice was terrible, but the team played superbly and trounced Dike 28-8.

Our closest call, the Dunkerton game, was won on a 65-yard Mueller to Washington touchdown pass with 52 seconds left. With many proven players, next year's outlook is bright.

(4) Panthers strut their stuff. (5) Kevin Mueller avoids the Redhawk defense. (6) Kevin discusses tactics and Leon says, "Get your mind on the game.''

Six varsity players were awarded North Iowa Cedar League All-Conference Honors: offensive lineman Kevin Ryan, offensive backs Kevin Mueller and Eric Finsand, defensive lineman John Mattson, and linebackers Duke Dierks and Leon Wessels. Mike Ryan and Dennis Washington earned Honorable Mention.
EIGHTH GRADE FOOTBALL TEAM:

The first year of girls volleyball at NUHS was successful. Lisa Strub helped the team as the leading spiker; Robin Hellman added her ability to block; Josie Findlay’s serve added many points; Ann Healy effectively controlled the ball with the bump; and Denise Carbiener proved to be an excellent utility player. Many others team members were very supportive and did a fine job. We participated in the district tournament. Next year we hope to have a bigger and better team, with a lot of returning talent.

(1) Martha bumps the ball. (2) A word of encouragement from Coach Geadelmann. (3) Micki Porter. (4) Ann will lean over backward to help the team effort. (5) Melanie Lange impresses Josie Findlay.

Upperclassmen Face Young Swim Team

The NUHS swim program is unique. The team has talent and support, a special thanks to the cheerleaders, but we lack depth. Probably our biggest handicap is having four different coaches in the past four years.

Our upperclassmen showed good leadership. Our best diver, Steve Chmielewski, would have had a good chance to go to state, but was injured just before districts. Eric Finsand was a breaststroker who also swam the medley relay. Mark Miller was our distance swimmer. Mike Sabbath was probably our fastest sprinter. My specialty was backstroke and individual medley.

We have some really strong and improving underclassmen. Rod Cory and Dave Jorgensen were picked as most improved swimmers. Greg Snodgrass was a strong freestyler. These swimmers and the other underclassmen show great promise, and I hope they have good years to come.

Girls Compete In Tough NICL Conference

Lack of experience handicapped the girls' basketball team this season in a very tough conference which included teams that finished third and fourth in the state tournament. Only two seniors were on the squad at the end of the season: Forward Robin Hellman contributed an average of 11.2 points a game and Guard Stephanie Mattson averaged one steal and 6.2 rebounds. Two juniors on the team, Guards Mel Lange and Holly Hendrickson, averaged 2.8 and 7.5 rebounds respectively. Another starter, sophomore Lisa Strub, added 30.9 points per game. The third forward was either Tracey Timson, Teri Powell, or Terri Michel.

The high point of the year came when we beat Dike in the last game of the regular season and then beat Waterloo West in the first game of the sectional tournament. In 1979-80 we will still have a young team with seven returning letter winners. We all hope to continue where we left off this season, winning at the beginning and continuing to do so.

Determined Boys Team Has Excellent Season

Success was the story of the boys' basketball team in 1978–79. Although victories were prevalent in this 17–5 season, there were a few let-downs that stick in everyone's minds. Perhaps the greatest of these was the opening round, two-point loss to fifth-rated Tripoli in districts, a game which popped the bubble of the dream that this team has had of going to state since seventh grade.

But hold your heads high Panthers, for we have much to be proud of from this season: a second-place finish in the tough NICL conference; the first sectional championship for this school since 1969; all-conference honors for forwards Jim Hayes and Tim Sulentic; all-state honorable mention for Jim Hayes. And finally, perhaps the most important aspect of this season is that a group of six seniors — Mike Ryan, Dennis Washington, Kevin Mueller, Jeff Schmidt, Tim Sulentic, Jim Hayes — and the supporting underclassmen were proud to call themselves TEAM.

(1) Tim Sulentic at the free throw line. (2) Kevin Mueller in action. (3) Boy, are we energetic! (4) John Mattson doesn't break under pressure. (5) Dennis shows his style. (6) "Go out there and fight, Clark!" (7) The NUHS basketball team leads the pack. (8) Mike sure can jump, can't he? (9) Jim Hayes made All-Conference first team and Tim Sulentic received Honorable Mention. (10) Jim thrives on making the tough ones.

1979 was a great year for the golf team, finishing third in the Class 1-A State Meet after winning the Sectional Tournament and District Meet. The team also finished second in the Conference Meet and the Parkersburg Invitational, took fourth in the Grundy Center Invitational, and wound up the season with a 5 and 1 record in dual meet competition. Team members established seven team and sixteen individual, all-time scoring records during the season.

Kevin Mueller set eight NU course records to bring his total to ten; he also set new home, away and overall scoring average marks, took medalist honors in the NICL and Sectional Meets, and was medalist runner-up in the Grundy Center Invitational and District Meets.

Girls Track Strives For Quality

The 1979 Girls Track Team consisted of seventeen girls: one senior, three juniors and the remainder underclassmen. However, quality, not quantity, was the motto throughout the season. Headed by our new coach, Steve DeSerano, the girls bettered their times throughout the season and finished strong at Districts.

Kim Tietje placed second in the 220 dash at Districts, as did the 440 relay team of Roxanne Hellman, Terri Michel, Pat Ryan and Kim Tietje. Trina o'Neal did consistently well in the long jump, and the mile relay quartet of Robin Hellman, Joan Schoneman, Carrie Dillon and Pat Ryan placed frequently. At the Conference Meet at Hudson, many relays placed and turned in best personal performances.

Overall, the season was good with great team spirit and support. Best wishes to next year's team.

Boys Track Team Sprints Ahead

Under strong direction from Coach Ahrabi-Fard, Boys Track had a very good year. We had a big nucleus of strong sprinters to help win 880 relays and other sprint events. The relay team of Arya Farinpour, Wesley Washington, Dennis Washington, and Ken Haman took third at the State Meet in the 880 relays. Bryan Glascock was also very competitive in this event, and Clark Taylor provided leadership for the sprinters.

Our best distance men, Greg Snodgrass and David Vilmain, will be returning, fortunately. They both have a lot of spirit and were responsible for our new Stallion batons. Freshman Blair Brewer shows real promise as a two miler. For the first time in years, the weight men gave us points — Matt Gill, Jan Pulkabek and Rick Wumkes. We'll miss men like Dennis Washington, who also placed fourth in State in the long jump, but I'm looking forward to a good season next year.

Practice Improves Girls Tennis Team

Our tennis team this season made great efforts and accomplished much! With practice beginning in March, we worked on basic strokes, net play and strategy for both singles and doubles. We won four meets against nine tough opponents and many of the matches were close. I'm sure the team would agree that as tennis players we all improved one-hundred percent — thanks to the coaching of Ms. ("Our Advantage") Hawn.

Underclassmen Raise A Racket

Although the spring season was often hampered by discouraging weather, the boys tennis team as a whole improved greatly from the very beginning to the final stroke of the ball. With one of the youngest teams ever to play tennis for N.U., there was still an excellent amount of skillful tennis playing ability, as there has always been. I've been proud to be a part of the great team efforts at N.U. over the years, and I wish for the continued success of the team in the coming seasons.
