All loyal sons and daughters
Come let your voices rise,
As we pledge allegiance
to N.U. High.
Foundations firm,
Convictions strong,
We proudly stand erect and sing
Our Alma Mater Song.
DEDICATION

Michael Bowman, a member of the class of 1978, was killed in an automobile accident on May 27, 1976, the day after school was out for summer vacation. Mike was a good friend to everyone and will be remembered for his friendly cheerfulness, his willingness to lend a hand, and his ready smile.

With warm memories, the Class of 1978 dedicates this yearbook to Michael Bowman.

Antoine Baierle spent the 77-78 school year living with the David Hansen family. He came from Geneva, Switzerland, tennis racket in hand, and proved to be our team's best player. In addition, this yearbook would have many fewer pictures without his photographic talent.

Elmer Lavala lived with the Tom Shepherd family during his year in Cedar Falls. A native of Liberia, Elmer was a great addition to the stage crew. His wit and humor made him welcome in any crowd. Both Antoine and Elmer were YFU exchange students.

"A Great First Year" — Diane Albrecht

"Since 1977 was the first year for a girls softball team, none of us knew what to expect. About 25 girls came out for the team, experienced only by the slow-pitch softball we'd played in PE class. We practiced hard everyday, often starting at 7:00 a.m., or afternoons when it was 90° or hotter. We really surprised ourselves as we won our first game by the ten-run rule. We had a great first year with a record of 5-8, including a victory over highly-rated Dike. Of all the sports I've been out for, this is the closest team I've been on. We worked well together and everyone was encouraging."

“Underclassmen Gain Experience” — Tony Bender

"Inexperience was a real problem for the 1977 baseball team. We finished fourth in the conference (2-7), and lost a handful of games by only one run — including a 5-4 loss to highly rated Cedar Falls High. Tony Bender led the NU batting with a .417 average, while Eric Finsand and Dennis Washington batted .400 and .333 respectively. Greg Johnson led the pitching with a hard throwing fast ball, while brother Aaron used his effective curve ball. The 1978 squad should be a much improved team with four returning all-conference players and seven returning starters."

1977 Varsity Baseball team
A share of the coveted North Iowa Cedar League football championship highlighted the Little Panther 1977 football season. An outright championship was denied them after a heartbreaking loss to tri-champion Dike in the last conference game of the year. Unquestionably, the highlight of the season was the thrilling two-overtime victory over a previously unbeaten North Tama team.

A quick, hard-hitting defense that statistically was the best in the conference characterized the NU Panther team. Led by all-conference performers Steve Hofstedt, Sidney Ganison and Rick Carbiener, the Panthers shut out two teams and allowed three other teams just one touchdown.

The NU offense was explosive and exciting to watch as senior all-conference players Dave Burris, Walt Wilkinson, Chris Gill, Jim Sulentic and Doug Hansen operated the difficult veer option offense to near perfection. With the addition of the superb kicking of all-conference Kirk Plagge to the offense and defense, the team was a tough bunch to beat.

"The Little Panther seniors ended their careers with a tenacious victory over non-conference Dunkerton, and thus earned themselves an excellent 7 - 2 season record."

(4) Doug Keiser and Brian Bowman follow the action. (5) Kevin Mueller handles a tricky play. (6) A manager’s work is never done. Dick Ellis assists Mark Reed.

Second column, Ruth Aanensen, Kris Redalen, Arlene Cherry, Carrie Dillon, Deb Kettner, Carla Tarr, Lisa Surdukan, Becky VanHauen, Rae Marie Finsand. Last Column, Coach Smith, Jarith Bunting, Shari Snodgrass, Sue Snodgrass, Sue Green, Diane Albrecht, Becky Strub, Deb Alberts.

"The 1977 SOCCER team played two games against Dunkerton. We lost the first game 2-1 , but won the second 2-0. "The 1977 VOLLEYBALL team played four matches with the teams from New Hartford. The varsity match consisted of five games, each played until one team achieved 15 points. Winning three of a possible five games gave our Varsity girls the match victory. Junior Varsity teams played three other matches of two or three games. The N.U. girls won two of the three J.V. matches.

"One more soccer game and another afternoon of volleyball matches were cancelled by Dunkerton and New Hartford. Although the Extramural season seemed short, it was truly successful."

"Girls Swim Team Had Great Team Spirit"

"The 1977 girls swim team was very small, consisting of only nine swimmers. No amount of talent or effort could overcome this large disadvantage to our team. The N.U. girls showed great potential and team spirit — substantially increased by incoming freshmen.

"In coming seasons, a larger group of experienced swimmers and a lot of school spirit should add up to a winning team."
(1) "Flying!" to victory. (2) Ann and her shark await their next turn. (3) Did you hear the one about... (4) Robin takes a breather. (5) Joni beats the clock again. (6) Martha displays good diving form.
"When most people are asked to judge the success of a particular sports season, the first thing they do is look at the meet record. In the case of the Boys Swim Team season, this judgment would be inaccurate.

"Considering that we had only four seniors and one junior on our team to give leadership, I think we did quite well. Many underclassmen showed great improvement and promise for a good future. For these reasons, I believe our swim season was successful."

"Girls Basketball Has Tough Comp"

"This was a year of very tough basketball competition for girls in the NiCL Conference.

"Diane Albrecht switched courts this year and held some of the strongest forwards in the conference to well below their scoring average; Becky Van Hauen ended eighth in the conference in individual free throw percentage (71% mode); Debbie Alberts was fifth in the conference in rebounds, averaging almost 6 per game; Rae Marie Finsand was tied for fifth in the conference in individual interceptions, averaging 2.6 per conference game.

"The addition of Dike, Hudson, and North Tama resulted in a much tougher competition for the N.U. team."

"Boys Basketball Has Best Season In

"The Panthers 13–6 season was the best season record for
NUHS since the 1966 basketball season. The Panthers won
all their non-league games in '77–78 and were 9–5 in con­
ference play.

"Led by seniors Tony Bender, Jim Sulentic, and Walt Wil­
kinson, along with juniors Tim Sulentic, Jim Hayes, and
Kevin Mueller, the Panthers averaged 58.2 points per game
while holding their opponents to 47.8 points per game. The
Panthers out-rebounded their opponents by 87. Known for
their tough defensive play and zone presses, the Panthers
held their opponents shooting percentages below 42 percent.

"With the return of three starters and Dennis Washington,
Jeff Schmidt, and Mike Ryan, the Panthers are hopeful of
contending for a league title in '78–79."

One Of Girls Track’s Best Seasons Ever

"The girls' track squad had one of its best seasons ever, posting a 3-1 dual record for indoor track, and a competitive record, yielding a state champion in the outdoor season. Becky Strub’s 200 meter win in Class AA state competition marks the first time an NU girl has won a state championship in any sport.

"Many new school records were set by this team including the 220 and 180 low hurdles by Ann Healy, the mile run by Martha Wilkinson, the shot put by Robin Hagenow, and the discus by Micki Porter. In addition, the ten flight shuttle hurdle relay team of Kathy Parker, Ann Healy, Stephanie Mattson and Robin Hellman lowered NU’s record time, as did the 880 medley relay team of Kim Teitje, Roxy Hellman, Becky Strub and Rae Marie Finsand."

"Boys Track Team Has Great Quality"

"The 1978 boys track team had great quality, but not the quantity we needed to win a lot of meets. In a lot of events we were consistently on top, but we didn't have the quantity to give us many second, third and fourth place finishes to pile up points.

"The sprinters set a fast pace for the entire season. Mark Myers won the 100 yard dash regularly, and the 440 and 880 relay teams of Ken Haman, Mark Myers, Chris Haman and Kirk Plagge won first in state competition. I was happy to better my personal record in the long jump and win first place at State.

"Even with graduation, the track team will be tough next year. Myers and Ken Haman are great, and a lot of underclassmen look very good, especially Wes Washington, Dane Diers and Clark Taylor in the mile relay, and Dave Vilmain in the half-mile. Good Luck!"

The girls tennis team completed its season with a 6-8 record, the best we've had in many years. Members of the team, the strongest yet, competed for several sports. The team placed second in the conference meet with Mary Nurre placing first in number two singles, Cami Hutchins placing first in number six singles, and the team of Susan Snodgrass and Hutchins placing first in number three doubles. Next year's team will go through a little rebuilding because we will be losing three members out of the top six, but I think we will be able to improve our record even further.

"Golfers Win NICL Title" — Coach Duea

"The 1978 golf team captured N.U. High's fourth NICL conference title in ten years, maintaining the school's record of never having finished lower than second in the conference standing. Collectively, team members established ten individual and four all-time team records. Kevin Mueller was medalist in the NICL and Parkersburg tournaments; Walt Wilkinson was medalist in sectional play. Second place finishes were achieved by Doug Hansen and Tim Sulentic in the NICL and Parkersburg tournaments respectively. Hansen, Mueller and Sulentic all earned spots on the six-member NICL All-Conference Team."

A MAN FOR ALL SEASONS is simply a story of a man who would not sacrifice his principles, even though it cost him his life. Robert Whittington said of him, "More is a man of an angel's wit and singular learning; I know not his fellow. For where is the man of that gentleness, lowliness, and affability? And as time requireth a man of marvelous mirth and pastimes; and sometimes of sad gravity: a man for all seasons." May the world continue to produce men and women of his stature. K.B.

(1) Jackie Mosley, Kathy Parker, Cathy Card, Lisa Strub, and Ruth Aanensen stay up to decorate while the rest of the world sleeps. (2) Dave Delafield asks, "Don't it make my brown eyes blue?" (3) "Hi, guys!" exclaims Jackie. (4) Kim Nielsen could get first place in a Pippi Longstocking contest. (5) That sure was a sour lemon, huh, Brett? (6) Dave Jorgensen, Brett Froyen, Kim Tietje and Curt Nielsen have different opinions about science.
