UNI Commencement
UNI will host three commencement ceremonies this year beginning this evening. All ceremonies will be held in the McLeod Center and will be streamed live at http://live.uni.edu/

Department of Residence Move Out Procedures
The spring semester portion of the Department of Residence contract ends TODAY Friday, May 9, 2014. Students who are not staying for summer are expected to move out of their rooms by 7 pm on that date. Please see the attached flyer for move out procedures and deadlines. Students may reside on campus over the summer regardless of whether or not they are enrolled in summer courses. Summer housing for students will be provided in the ROTH Complex and Panther Village. Please see http://www.uni.edu/dor/housing/summer-housing-and-dining-information-2014 for information on summer housing.

Summer Break Travel Reminder
Please be sure to check your I-20 or DS-2019 form to make sure you have a valid travel endorsement if you will travel outside of the US during the summer break and will be returning to UNI to continue your studies in August 2014. For F-1 students, the second page of your I-20 form should have a signature that will be less than one year old upon your return to the U.S., for J-1 students the DS-2019 form should have a similar travel endorsement on the first page in the travel endorsement section. Please be sure to check your visa also; if it will expire before your return to Cedar Falls, you will need to apply for a new visa while in your home country.

IMPORTANT: Student Health Insurance
The Student Health Clinic needs to know if you are going to leave the US during summer break. You must email Connie Potter (connie.potter@uni.edu) or stop by the Student Health Clinic to give them the date that you are leaving and date you are returning to the US. The Student Health Clinic will suspend your insurance coverage during that time and you will not be charged. If you are not enrolled for summer sessions and the Student Health Clinic does not hear from you, they will automatically leave you on the insurance coverage assuming you are staying here and just not taking classes. It is important for you to tell the Health Clinic before you go home as they cannot remove the coverage after you have left.
