West African Drum Ensemble will meet on Monday and Wednesday at 8 am and Kaji-Daiko at 11 am on Wednesday or Thursday next semester.

IMPORTANT: Student Health Insurance
The Student Health Clinic needs to know if you are going to leave the US during summer break. You must email Connie Potter (connie.potter@uni.edu) or stop by the Student Health Clinic to give them the date that you are leaving and date you are returning to the US. The Student Health Clinic will suspend your insurance coverage during that time and you will not be charged. If you are not enrolled for summer
sessions and the Student Health Clinic does not hear from you, they will automatically leave you on the insurance coverage assuming you are staying here and just not taking classes. It is important for you to tell the Health Clinic before you go home as they cannot remove the coverage after you have left.

Rod Library Open House April 16
The Rod Library would like to invite all faculty, staff and students to an Open house for the New Learning Commons and Digital Media Hub from 3-5 pm on Wednesday, April 16. Here is a chance to learn about the new technology, tools and space available to you and students. You will also learn of future directions and get the chance to provide feedback. Refreshments will be served.

UNI International Students & Community Schools Cultural Exchange Program
ISSO is excited to announce a new cultural exchange program that involves UNI international students and local community school children. All UNI international academic students can volunteer to educate local school children about your country’s culture and customs. Volunteer opportunities will be spread throughout the semester. You can choose to volunteer once a semester, once a month, once a week - whatever works for you! There are a variety of ways in which you can choose to do this, such as playing games, creating arts and crafts, cooking a national dish, presenting a slideshow about your country, or come up with your own original idea! If you like working with children ranging in ages between 5 to 13 years old, are excited about educating others about your culture, and you want to see a different perspective of American culture, then sign up to be a volunteer at http://www.uni.edu/internationalservices/forms. If you have any questions or want to know more information, please contact Bridget at international.services@uni.edu or (319)273-2862 or Maucker Union 113. We can’t wait to get this program started!
