Coach Jack Jennett

Jack Jennett has a string going for UNI in track and field...three straight North Central Conference titles indoors and the same number outdoors, plus a pair of NCAA regional titles.

Jennett, a native of Sac City, Ia., was a grid and track star at Drake University, playing football with the fabled Johnny Bright.

He coached in the prep ranks at Lake City, then moved to Morningside and Buena Vista before coming to UNI to replace Art Dickinson.

In his eighth season as track boss, Jack has produced UNI's first two track All-Americans (the only other came in cross country in the 1940s) in Larry McCready (1968 and 1969) and Wayne Carpenter (1969)

Married, Jennett and his wife Myrna have three daughters.
The Outlook

Are the golden days of UNI track and field gone?

Departed are such super stars as two-time All-America hurdler Larry McCready, Herb Grigg, Tom Denney, Ken Huelman, Rick Witt, Tom Gilmore and Howard Davis.

Anytime, any year McCready is the major loss. He is UNI's all-time scoring champ with 811 career points.

That is where Coach Jack Jennett's 1970 troubles start.

"We're hurting in two areas...hurdling and high jumping," he said. "We are down considerable in the hurdles but look for help from freshman Randy Bielke after the basketball season.

"It's even more desperate in the high jump. We have no one to compete until the cage season ends with Bielke and Skip Anderson our only jumpers."

There are some pluses, of course, and starts with All-America miler Wayne Carpenter, who was clocked at 4:08.6 in the NCAA nationals last spring.

UNI has strength in the sprints with everyone back except McCready, in the middle distances with Larry Daniels and Carl Campbell, in the jumps with Craig Fay and Rich Franklin and the weights with one Mike McCready, who did 56-11 3/4 in the shot as a freshman.

Jennett has numbers and veterans in the pole vault but wonders if they are good enough to place in the NCC.

The key will be the consistency of the front line troops. "We need a good balance because we lack the depth that led us to three straight NCC titles, both indoors and outdoors."

Yearlings could play a big part with Bob Tapper a shot in the arm in sprints and hurdles and Mike Hansen in the 440 and 880 two of the best of a good crop.

Runners like Jim Finnessy, Larry White, Dave Harskamp, Bob Lee and Franklin will carry the major load as UNI learns you do not replace a Larry McCready, you charge ahead and do your best without him.

McCready Notes

Larry McCready's :13.6 time in the 120-yard highs at the University of Tennessee last June was the eighth best clocking in the nation last year. McCready did it in the first heat, finishing third as a world record was tied by Villanova's Erv Hall in :13.2 to win the race.

McCready, earlier, had become the first Iowa runner to win an individual Drake Relay title in 12 years, winning the highs in :13.9 in a driving rain against major competition.
