foreword:

We looked, we thought . . . then we decided to make three changes in the format of the OLD GOLD.

First we changed the size to give us more room for group pictures and informal shots.

Then we enlarged the traditions section and arranged it so that the events of the year appear in the order of their occurrence. We divided this section into three parts—Spring, Fall and Winter—and renamed it “The Year.”

We felt that the organizations section could be improved so we added an informal picture for each organization.

We hope that these changes will make the OLD GOLD more memorable.

King George and Queen Barbara reign over the "Greek Hop."

George Chambers, Phi Sigma Epsilon, and Barbara Norris, Tau Sigma Delta, reigned as king and queen of the Inter-Sorority and Fraternity Dance which was held April 10, in the Commons Ballroom. They were selected by an all-campus election held at the Crossroads. "Greek Hop" was the theme of the dance. Decorations were bunnies adorned with Greek symbols and the official paddles of the nine sororities and four fraternities. Marilyn Rosene sang during the intermission, and Armand Baker was the master of ceremonies. Earl Dunn's dance band provided the music.

SPRING BRINGS MARDI GRAS TO TC

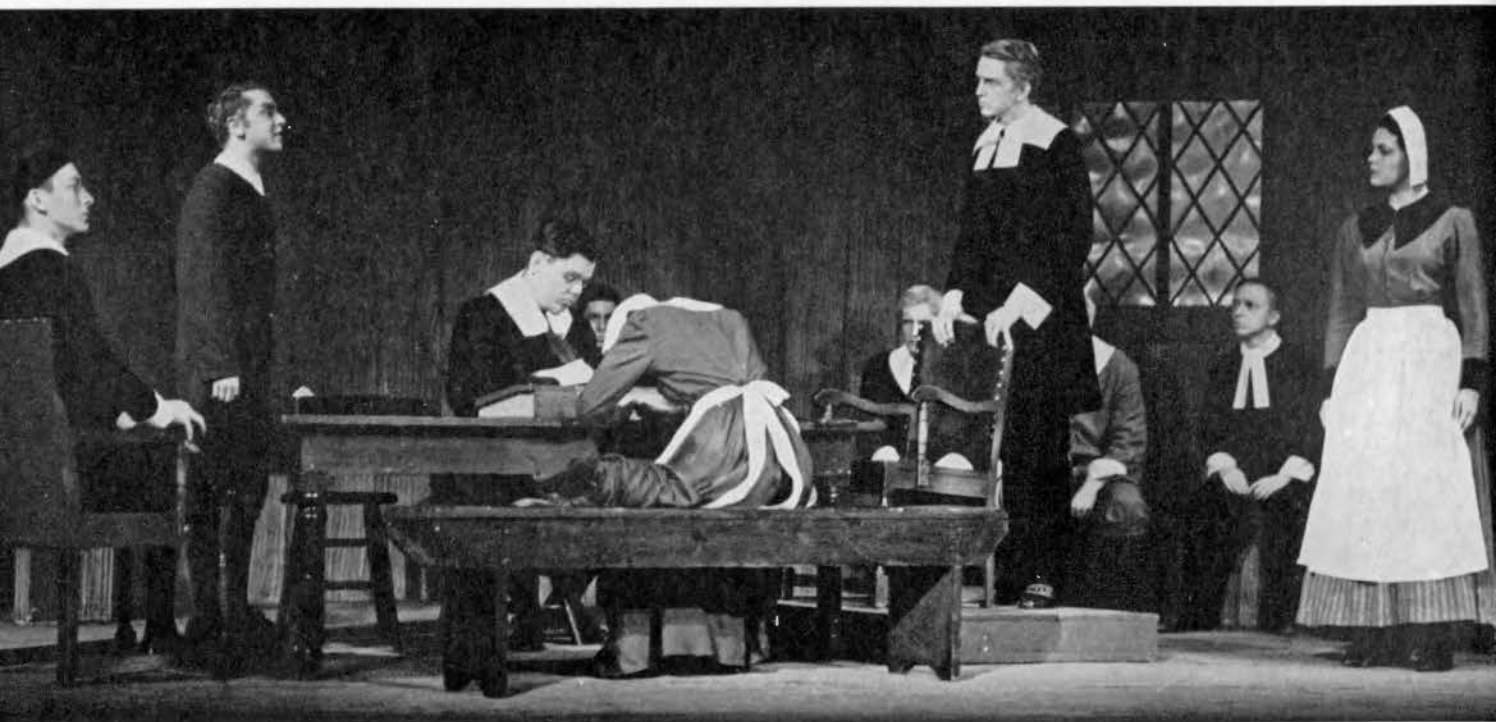

"Come to the Mardi Gras," the old song says, and TC'ers did so for the third successive year. Reigning over the 1954 Mardi Gras activities were Queen Brenda Beneke and King Ron Brinkley, selected by the student body. Each organization which entered a concession booth was eligible to nominate two candidates for the royal ballot. Seventeen booths lined the midway with sidewalk cafes, golf links, and side-shows. This event, sponsored by the Social Life Committee, was highlighted by the awarding of a first prize to the best concession, the Alpha Chi Epsilon and the Delta Delta Phi's House of Horror. Russ Hansen won a flash camera as the door prize. The organizing committee consisted of Bob Jones, Darlene Larson, Frieda Schlaman, Dennis Boyd, and Ruth Radloff.

SPRING AND SUMMER PLAYS CONTRAST IN THEME

Lord Porteous looks on as Lady Kitty takes a sentimental look at pictures of her girlhood.

In the spring of 1954 the department of Languages, Speech and Literature presented Arthur Miller's play, *The Crucible*. It is based upon the Salem Witch Hunt which was an authentic event in American history. *The Crucible* presents many implications of our present-day problem of ignorance and superstition. Direction was by Hazel Strayer and the stage setting was designed by Stanley Wood. Costumes were under the supervision of Evelyn Wood.

In contrast to the seriousness of *The Crucible*, this department presented its summer play, *The Circle*, a comedy by Somerset Maugham, which has come to be accepted as a masterpiece of modern drama. Direction was by Stanley Wood, scenery by Norman Kaiser, and costumes were designed by Katherine Adamson.

TC's MOTHER OF THE DAY PRESENTED

Each spring Mother has her honored day, Mother's Day, at Iowa State Teachers College. Registration began the 1954 activities after which many organizations and dormitories held teas and open houses. Mrs. Maurice Alborn, mother of Pat Alborn, was introduced by President Maucker as the Mother of the Day at the afternoon variety show. She was presented a Hawaiian lei. The Commons served a special Mother's Day dinner. The Commons served a special Mother's Day dinner. The Marlins water show and the spring play, *The Crucible*, climaxed Saturday's activities. Mother's Day Chapel was held Sunday morning and concluded a busy and memorable week-end. Amy Thuirer was general chairman of the committee which scheduled these events to give Mom an opportunity to eat, sleep, and be entertained on campus.

Congratulations are in order for Mrs. Maurice Alborn and her daughter, Pat.

The Sig Tau's and the Pi Thet's provide some harmony.

The All-College Sing is a tradition in which all organizations on campus are invited to compete. This spring 17 groups entered the event. The winners were the Delta Delta Phi Sorority and the Alpha Chi Epsilon Fraternity. They sang "Deep River" and "The Lord's Prayer," arranged by Roger Maxwell. Larry Mattox directed the group and Marilyn Russell played the piano accompaniment. The Bartlett Hall Chorus and the Pi Theta Pi-Sigma Tau Gamma group tied for honorable mention. The judges were Ellen Aakvik, Mrs. Karl Holvick, and W. Keith Macy, all of the music department. Sponsors were Sigma Alpha Iota, Phi Mu Alpha Sinfonia, and the Social Life Committee. Charlene Guthridge was the general chairman.

MARTERIE PLAYS FOR SPRING FORMAL

Ralph Marterie and his orchestra provided the music for the Spring Formal, May 22. This was the first time in several years that such a well known band has appeared at TC. Marterie, sometimes known as "the Caruso of the trumpet," organized his seventeen piece orchestra only three years ago; the group is now ranked as one of the leading new bands by disc jockies and music critics. Among Marterie's many presentations were "Once in a While," "Street Scene," "Caravan," and a concert version of "Warsaw Concerto." About eight hundred students enjoyed the evening of informal dancing. Jim Maltby was master of ceremonies during the intermission. The Social Life Committee and Doris Long, serving as student chairman, planned the event.

ORIENTATION ACTIVITIES INITIATE FRESHMEN

Orientation week began Monday, September 6, as new students arrived and began to unload. That evening they attended their first convocation. The hectic week continued the next day with the first sessions of placement tests. In the evening the men attended a Men's Union dinner and A.W.S. sponsored a Chuckwagon Picnic for the women.

Wednesday, after finishing their placement tests and registering, they enjoyed themselves at the square dance held on the women's tennis courts. Friday found these new students in their first TC classes. That evening at Church Night they were informed about TC's religious activities. The Newcomers' Variety Show entertained new and old students Saturday.

The following week was highlighted by the A.W.S. Convocation and the Matriculation Convocation. The orientation program for women climaxed three weeks later as a cheering crowd of freshmen threw their green beanies in the air at the official decapping ceremony. The men were initiated October 8, when they were required to wear their clothes backwards. They joined in a tug-of-war against the upper-classmen and later attended a mixer on the indoor Stadium track.

Orientation activities were under the direction of the A.W.S. and Men's Union Orientation chairmen, Shirley Mahannah and Neil Ver Hoef, and Don Meyers, Men's Union Traditions chairman.

TC DADS HAVE THEIR DAY

Dads were honored on the Iowa State Teachers College campus on TC's Dad's Day, October 9th. Organizations and dormitories held coffee hours Saturday afternoon as the fathers began to arrive. At 4:30 p.m. the dads were invited to see a variety show in the Commons Ballroom. After a special Dad's Day dinner prepared by the Commons' food service, students, fathers, and faculty were on hand for a non-conference football game between TC's Panthers and Drake. At half-time Mr. Marshall Torgerson, Jerry's dad, was named Dad of the Day. Informal dancing in the Commons followed the game. Dad's Day activities were concluded on Sunday with a special chapel service.

During the fall quarter the department of Languages, Speech and Literature presented *The Playboy of the Western World*, a poetic Irish comedy by John Millington Synge. The entire play takes place in a country public-house on the wild coast of Mayo in which Synge portrays the simple earthiness and vitality of the Irish people. Hazel Strayer directed this three act comedy and Stanley Wood was the designer and technician. Charlotte Lawton designed the costumes.

There were symptoms of school spirit for the 1954 Homecoming week-end as early as Thursday night when enthusiastic snake dancers invaded the dormitories, Commons and the library.

Students were excused from Friday afternoon classes at which time a pep rally was held on the lawn south of the Commons. Coach Starbeck told the group what student-support means to a team, and Dr. Rath emphasized the importance of real spirit. After the variety show Friday evening, the students gathered for a bonfire by the men's tennis courts. Crackling flames, cheering, and singing made the cider and doughnuts, which were served afterwards, taste especially good.

The arrival of Saturday brought many enthusiastic parade viewers to watch the variety of floats, clowns, bands, and the Homecoming Queen and her attendants.

The Homecoming enthusiasm was climaxed at the game with South Dakota U. Between halves Homecoming Queen Mary Conrad and her attendants were introduced to the game spectators. Although TC lost by the close score of 34-33, everyone agreed it was a "thriller." Saturday evening found TC students and "alums" dancing to the music of Jimmy Smith and his orchestra. Homecoming events were concluded on Sunday with a Homecoming Chapel and Concert.

LECTURE-CONCERT PRESENTS READINGS AND OPERA

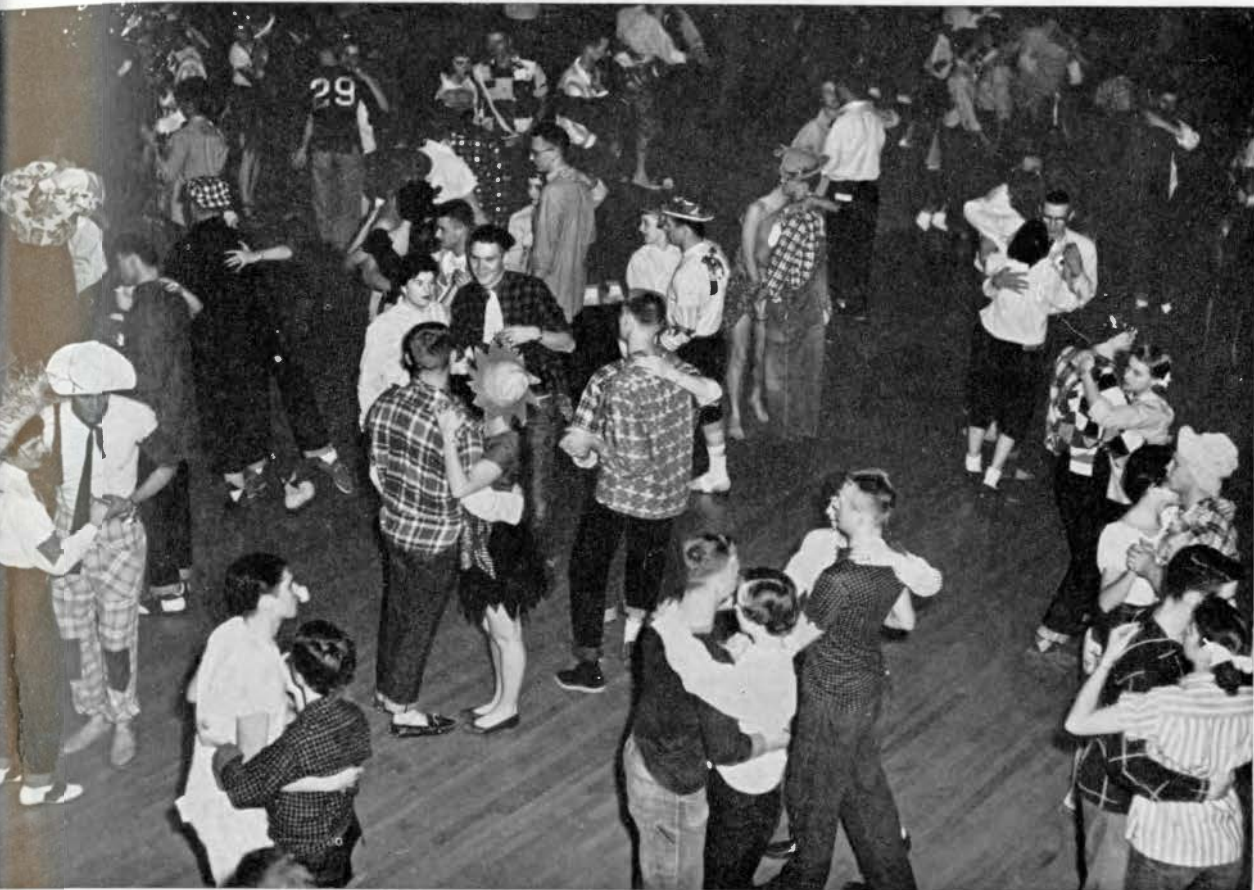

Jessica Tandy and Hume Cronyn

One of the foremost acting couples of the American stage, Jessica Tandy and Hume Cronyn, brought forth enthusiastic responses from a packed auditorium on the first night of the regular Lecture-Concert Series. They presented a delightful program of varied reading excerpts from many selections of both prose and drama. The program ranged all the way from "Hamlet" to "Streetcar Named Desire" and was designed to satisfy all tastes. The program was described as exceptional and was greeted with genuine applause.

The second in the series of the Lecture-Concerts at the college featured the Goldovsky Theater which presented the famous English version of Rossini's opera, "Barber of Seville." The cast and orchestra for the performance were made up entirely of members of the theater group founded in 1946 by Goldovsky. The performance was judged as "first-rate" by members of the college music faculty.

TC DANCE--DOGPATCH STYLE

Couples, literally clothed in rags, were dressed appropriately for the traditional Sadie Hawkins Day, November 19th. The featured event was a dance in the Commons Ballroom, Dogpatch style. Highlights of the evening were the many mock weddings performed by Marryin' Sams, Fred Loffredo and Gus Gatto; picture taking by a Dogpatch photographer; refreshments, and a contest for best costumes. Donna Isaacson and "Swede" Rosene won first place and received tickets for the Christmas formal. Bobby Andrews' orchestra provided the music. Bud Ball was chairman of the event sponsored by the Social Life Committee.

PHI MU ALPHA SINFONIA PRESENTS JAZZ CONCERT

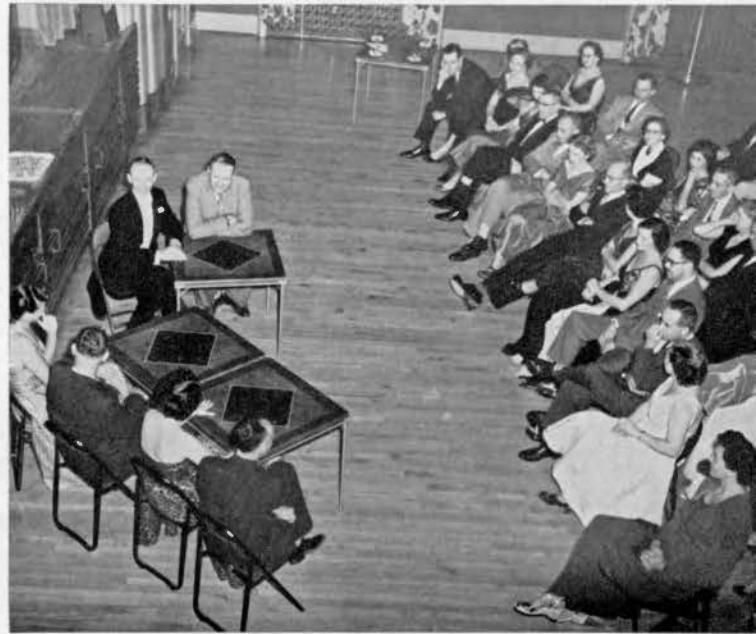

Phi Mu Alpha Sinfonia presented "Dimension in Jazz No. 6" on November 22nd and 23rd in the college auditorium. Dean Landfear, who has his own disk jockey show on WMT, Cedar Rapids, acted as master of ceremonies for both performances. The music of well-known American jazz artists was featured with special arrangements by members of the Beta Nu Chapter of Phi Mu Alpha Sinfonia. Larry Mattox, P. J. Melichar, Darrell Scott, and Bill Olson were in charge of arrangements. Special guests were vocalists Betty Olinger, a freshman student, and Roger Maxwell, a TC alumnus.

FACULTY HAS FIRST OF THREE YEARLY DANCES

Under the co-chairmanship of Dr. and Mrs. Lyman Peck, the faculty dance club arranged the fall quarter formal for faculty members. Since it was organized in 1952, this club has arranged three dances yearly, all of which are formal. At the fall formal, faculty members danced to the music of the Jamvets. Intermission entertainment featured Miss Ellen Aakvik at the piano. Particularly enjoyed by the faculty was the game "What's My Father's Line," in which a panel tried to guess the fathers' occupations of various faculty members.

Mr. Redner and instrumentalists lead student carolers.

Members of the Alpha Chi Epsilon fraternity, Delta Delta Phi sorority, and Lawther Hall Chorus heralded the forthcoming Christmas season at the annual Tree Lighting Ceremony. This was the first of the many traditional holiday festivities. Students and faculty huddled together on the south lawn of the Commons as President Maucker flicked the switch which set aglow the Christmas tree lights. Near the tree a nativity scene took on a deeper meaning as carolers sang the seasonal favorites.

SOCIAL LIFE "THROWS" SNOW BALL

Social Life "throws" snow ball—figuratively speaking, that is. Sponsored by the Social Life Committee, the Christmas formal had chosen for its theme, "Snow Ball." Greeting the winter quarter at the dance, TC students and friends danced around the specially constructed snowball decoration in the center of the Commons ballroom floor. Dancing under soft lights to the music of Larry Barrett and his orchestra, TC'ers agreed that the dance was very successful.

TWO ORATORIOS PRESENTED AT CHRISTMAS CONCERT

For the annual Christmas concert, the department of Music presented the oratorio "Childhood of Christ" in honor of the 150th anniversary of the birth of the composer, Berlioz. In addition, there was the traditional presentation of Handel's "Messiah." About 200 of TC's vocalists and instrumentalists united their talents during many hours of rehearsing to make the program a success. Dr. Myron Russell conducted the oratorio chorus and the college symphony orchestra while an appreciative audience looked on.

Turkey and all the trimmings were served December 14, by the Commons food service for the traditional TC Christmas dinner to which students, faculty and members of the staff were invited. More than 1,800 people enjoyed the meal. Following the dinner, Sigma Alpha Iota and Phi Mu Alpha Sinfonia, honorary music fraternities, presented a carol concert in the Commons ballroom.

"NOT BY BREAD ALONE" THEME OF RELIGION WEEK

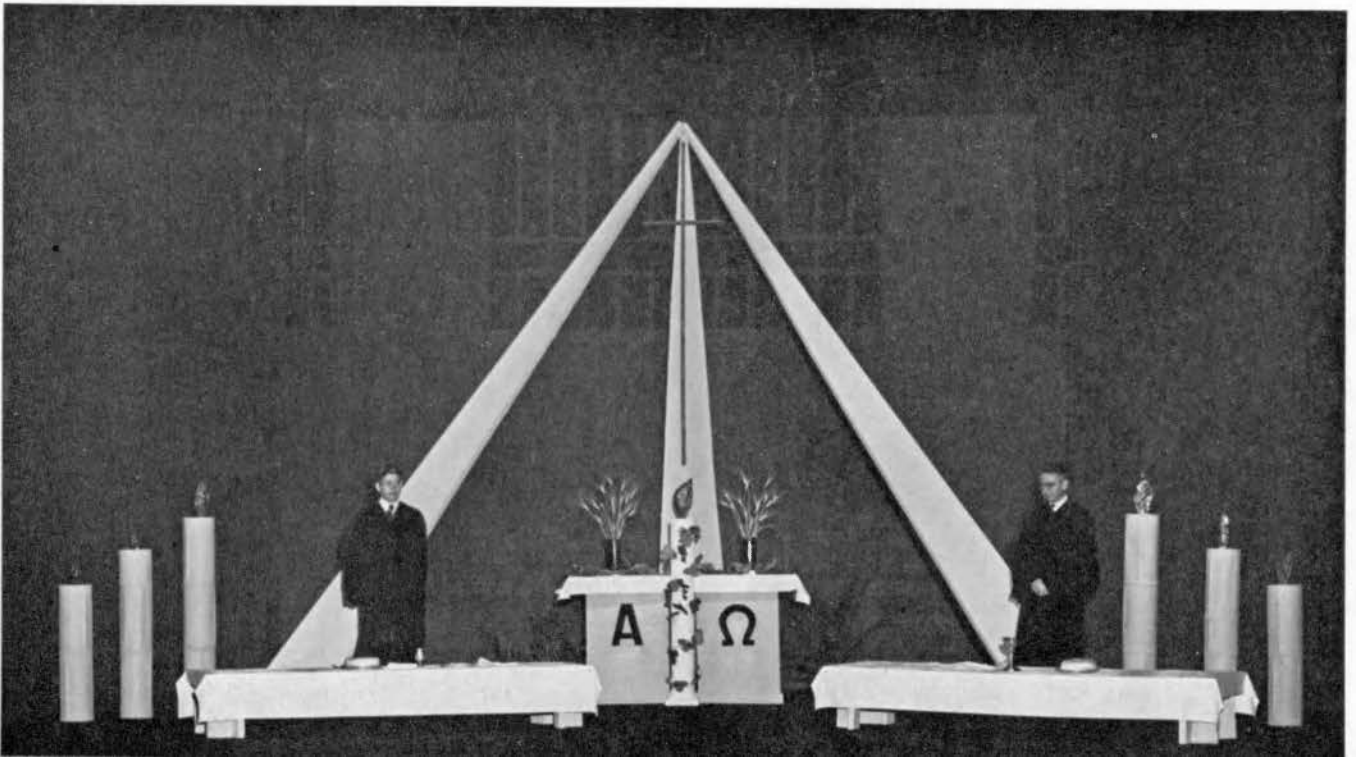

Rabbi Plaut, Dr. William Donald, Dr. Bernhard, Reverend Robert Donald, Father Maternack and Marybelle Chase plan the religious activities schedule.

During Religion-in-Life Week, January 9 to 12, a campus-wide effort was made to present to students and faculty the religious values in life. The theme was "Not By Bread Alone," and the leaders were Dr. William Donald II, Reverend Robert Larson, Father Manternach, and Rabbi Walter Plaut.

The week opened with College Chapel on Sunday with Dr. Donald speaking. Highlights of the week's activities were the fireside chats in the Georgian Lounge, informal Buzz Sessions in the dorms, an All-College Convocation, Morning Meditations in the college auditorium, and classroom sessions. Activities were brought to a close by an All-Campus Communion Service in the auditorium. This annual event is presented by the Religion-in-Life Commission of the Student Council of Religious Activities.

MUSIC DEPARTMENT PRESENTS TWO COMIC OPERAS

Bastienne and Bastien, a young shepherdess and shepherd, present gifts to Colas, the sorcerer, for having happily reunited them.

Two short comic operas were presented by the department of Music this year. The first, Mozart's "Bastien and Bastienne," was the fanciful story of two lovers who had a misunderstanding and the sorcerer who brought them together again. The part of Bastien was sung by Barbara Priest, Bastienne by Sylvia Larson and Alphy Adams, and the sorcerer by Dave Liljegren.

The second opera, "Comedy on the Bridge" by Martinu, depicted several people who were trapped on a bridge by two opposing armies. All had humorous personal problems to solve while the battle roared around them. The lead roles were sung by Beverly Hilmer, John Van Epps, Jerry McRoberts, Mary McClure and Keith Moreland. The soldiers were played by Dave Liljegren, Russell King, Richard Frantz and Mal Brinker.

WARFIELD AND CERF, WINTER CONCERT PERFORMERS

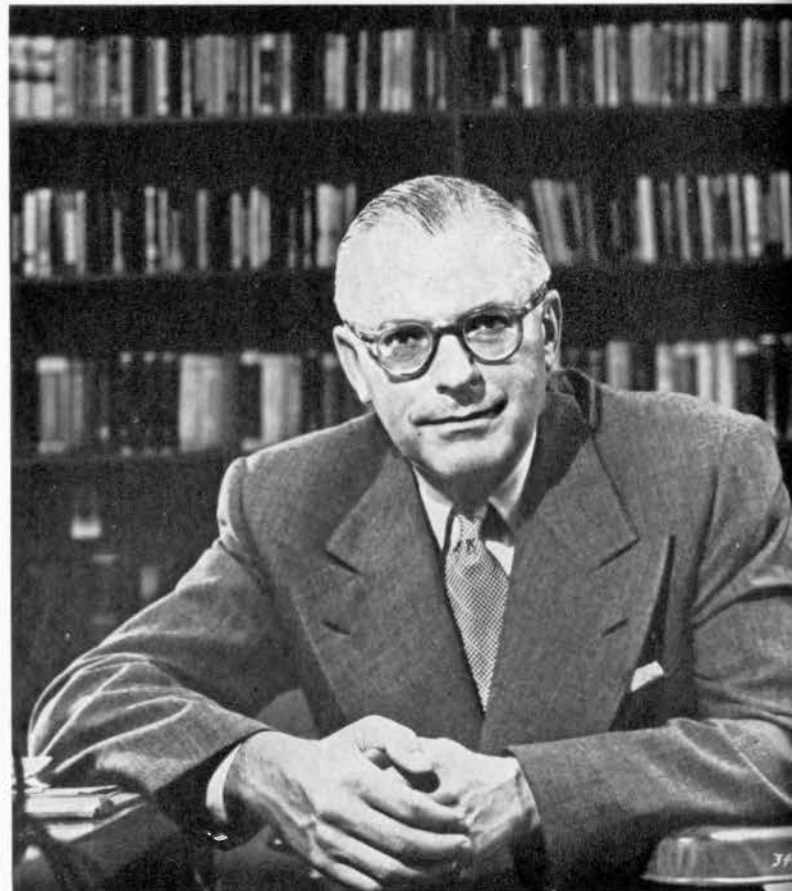

William Warfield

Bennett Cerf

The third in the series of Lecture Concerts featured Mr. Bennett Cerf, a gentleman who braved both ice and snow and foul weather to make his scheduled appearance at Iowa State Teachers College. After being unable to make an appearance the previous year because of the before mentioned bad weather, he brought to the college audience a warm smile and an evening of enjoyable humor. Cerf lived up favorably to the reputation already gained through his writing and his appearance on the well-known TV program, "What's My Line."

Perhaps one of the most impressive performers of the 1954-1955 Lecture Concert Series, both on and off the stage, was Mr. William Warfield, famous Negro baritone. Warfield, already world renowned from his appearances in the opera and movies, held the audience emotionally bound with selections from both classical and light opera. His program was concluded with the inevitable "Old Man River" from the movie, "Show Boat," which literally brought down the house.

MRS. ELEANOR ROOSEVELT VISITS TC

The fifth in this year's series of Lecture-Concerts featured an address by Mrs. Eleanor Roosevelt, "Do Americans Fancy World Leadership." Although Mrs. Roosevelt is kept extremely busy with touring engagements, column and book writing, and keeping up on world events, TC found her to be a most cordial, warm-hearted woman. After giving her lecture in the college auditorium on February 15, Mrs. Roosevelt attended a reception given in her honor in the Georgian lounge where she met and shook hands with her many TC admirers.

The Apollo Boys' Choir presented a concert during the spring quarter.

ALL-COLLEGE AUCTIONS FUND HITS NEW HIGH

Ron Roskens auctions while Mr. McCue and Miss Wilson appear on stage after switching attire.

The All-College Auction is another traditional event on the I.S.T.C. campus. Faculty members, students and organizations donate everything from wire sculpture to Turkish massages to be bid on by enthusiastic buyers. The sky was the limit, and all the funds were given to disease fighting associations. Auctioneer, Ron Roskens with his "triple tongued" bark, stimulated buyers to keep bidding higher, and as a result, TC broke all previous records for collecting money at the annual auctions.

Ralph Flanagan, his 13 piece orchestra, vocalists Kee Largo, Johnny Amoroso, Val Martinez and Flanagan's Flatbush Five presented a concert in the Teachers College auditorium on February 8. Mr. Flanagan is known to many as "America's No. 1 Band Leader." One of his numbers that was received with great enthusiasm by the TC audience was "When the Saints Come Marching In." Mr. Flanagan chose the four OLD GOLD Beauty Queens during the intermission. All ten beauty finalists were invited to be his backstage concert guests.

OLD GOLD BEAUTY AND POPULARITY CONTEST

A yearly winter event at TC is the OLD GOLD Beauty and Popularity Contest. Of 79 beauty entries, 25 were judged finalists to be put on the all-campus ballot. Of these 25, the student body narrowed the candidates to ten finalists. During the intermission of the Flanagan Concert, Mr. Flanagan selected, with some difficulty, the four beauty queens. Of the 25 popularity candidates sponsored by various organizations, the student body directly elected four winners. The winners of both the beauty and popularity contests were announced during the intermission of the OLD GOLD Beauty Dance by emcee Larry Wiedmeyer.

Beauty candidates anxiously await the contest judging held in Gilchrist Hall.

Candidates Betty Vance, Gloria Johnson, Brenda Beneke and Joan Plummer were chosen by Ralph Flanagan as the 1955 OLD GOLD beauty winners.

Elected by the student body are popularity winners Mary Ruth Culbert, "Teggie" Fujimura, Ron Brinkley and Gus Gatto.

OLD GOLD SPONSORS BEAUTY DANCE

An annual TC event held after the OLD GOLD Beauty and Popularity Contest is the OLD GOLD Beauty Dance. This year's theme was "February Fairyland." The unusual decorations created by Ed Harris featured paper birds in balloon-suspended hoop and string cages. Couples danced to the music provided by Vance Dixon and his orchestra.

During the intermission, emcee Larry Wiedmeyer, who was in charge of the OLD GOLD Beauty and Popularity Contest, introduced the ten beauty finalists, four of whom he announced to be the OLD GOLD beauty winners as selected by Ralph Flanagan. The four winners of the popularity contest, elected by the student body, were also announced. Roses were given to the beauty winners, and the popularity winners received gifts. Additional intermission entertainment included two numbers by the "Four Collegians" quarter, Bud Boughton, Armand Baker, John Andersen and Norman Egli.

Chairman of the dance committee was Mickey McGarvey. Committee members were Larry Wiedmeyer, Edwin Harris, Mary Lehrer, Norman Walter and Gloria Johnson.

TWO ONE-ACT WINTER PLAYS BY FRY

An Evening with Christopher Fry, produced in February, included two poetic comedies by this British dramatist. *A Phoenix Too Frequent* is laid in ancient Rome, and *The Boy With A Cart* has medieval England for its setting. Fry usually expresses himself in the form of comedy but his comic spirit is founded on serious themes. He is concerned with the mystery of life and death and the redeeming nature of love. Modern critics have welcomed him as the most refreshing and stimulating voice to be heard on the stage today.

WOMAN'S WORLD -- THEME OF FEMMES FANCY

This year's "Femmes Fancy" entitled "It's a Woman's World" featured entertainment and decorations covering literally the whole "world." Bobby Andrews and his orchestra played for the informal dance. This is one of the two events during the year to which the young ladies may invite the elusive young bachelor of their choice. Awards for the most original corsage and "most eligible bachelor" were presented during the course of the evening's activities. Each woman pays the expense and presents her bachelor with his corsage. The most original corsage was made by Shirley Gardner for Richard Starr. Del Nicklaus was declared TC's "most eligible bachelor."

Dick Starr's corsage, made by Shirley Gardner, wins first prize.

CAMPUS RADIO STATION MAKES TESTS

Plans for a campus radio station, KYTC, Know Your Teachers College, went into testing stages during January and February of 1955 when a booster unit was installed in Bartlett Hall for testing purposes. After a year of planning and equipment building, the campus radio committee saw their plans go into initial operations. The transmitter, situated in Mr. Hake's radio and TV studios, was built by Ed West with suggestions from Mr. Matala of the Industrial Arts department.

With the cooperation of Bartlett Hall listeners, the testing equipment was perfected enough that the campus radio committee approved the ordering of additional equipment necessary to provide transmitting facilities to the remaining dormitories. When and if put into daily operation, the station, staffed by students, will be used for a laboratory for those students interested in this area of communication.

LIBRARY, HOME OF FACT AND FICTION

The Teachers College library has long been a center of study, research, and reading. With the addition of the graduate degree the excellent resources of the building have been used more than ever. Students gather there to use references and collect material and ideas for papers, projects and classes. You can always find someone escaping the wear and tear of classes and studies by reading a good novel or magazine. The fourth floor, housing the college museum, has everything from stuffed moose to Indian relics. Whether you are checking a date, making a date or meeting a date it can be and is done at the library.

PRESIDENT STRIVES FOR "DEDICATED COMMUNITY"

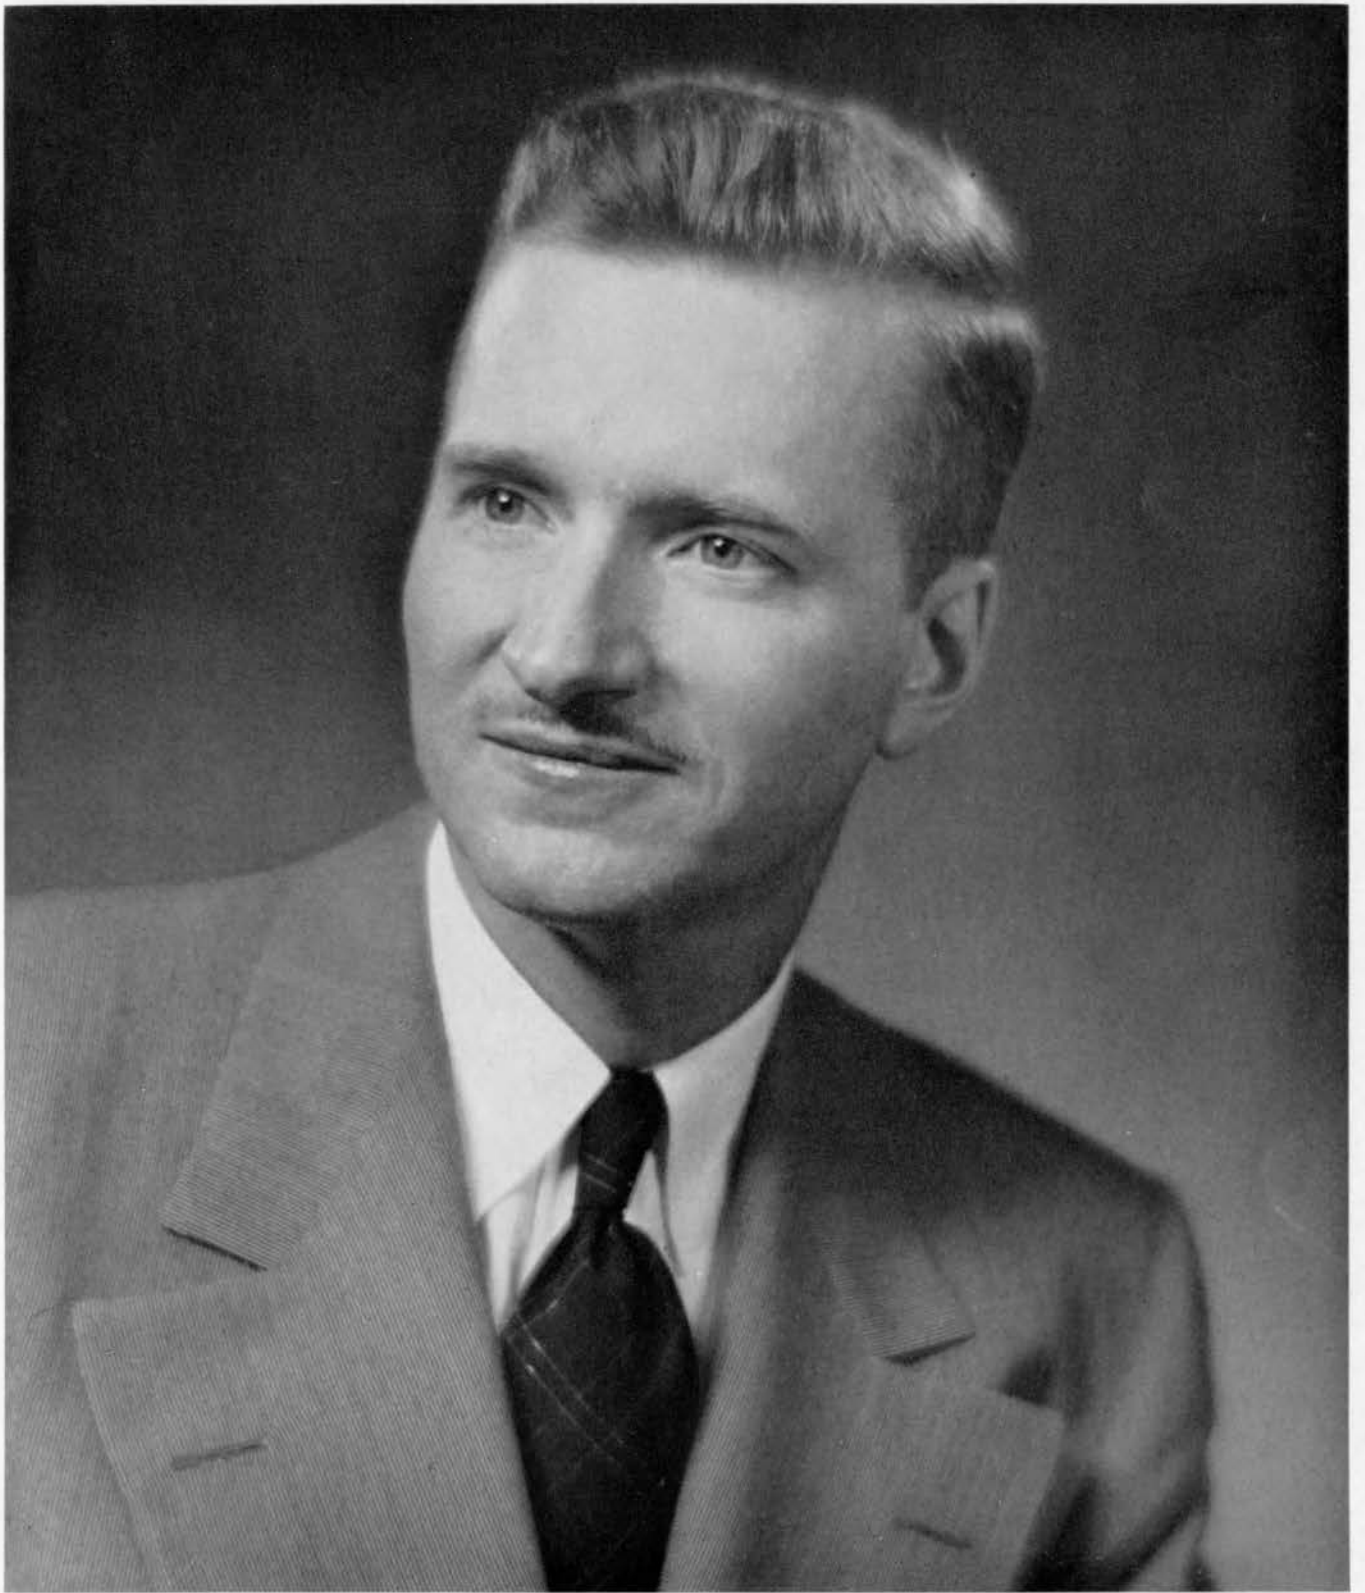

President J. W. Maucker, fifth president of Iowa State Teachers College, assumed the responsibilities of college administrative head in September of 1950. In the past five years Dr. Maucker has not only served as a capable representative of the college to the public and the State Board of Education, but has also proved to be a true leader to thousands of young men and women who will teach or are teaching in the classrooms today.

Dr. Maucker has devoted a large share of his life to the improvement of the American system of education. He believes that students, faculty, and administration of Teachers College should strive to make the college a "dedicated community," a community dedicated to the service of society through the improvement of one of its basic social institutions—the public school.

Dr. Maucker has said, "Our most important task is

to develop a unity of spirit, a unifying sense of mission—and that unifying concept for us lies in recognition of a fundamental obligation to support, interpret, and assist in the improvement of the American system of free public schools."

Since his graduation in 1933 from Augustana College, Rock Island, Illinois, Dr. Maucker has met the obligation from more than one direction. He received his master of arts and doctor of philosophy degrees from the State University of Iowa, where he worked as a graduate assistant in education. His experience as an educator-researcher includes former positions as research assistant in tests and measurements, assistant professor of education, extension specialist, superintendent's assistant, and personnel research officer in the Bureau of Naval Personnel.

ADMINISTRATION HAS NEWLY CREATED FIELD SERVICE

College administration procedures were facilitated during the past year with the creation of a field service division coordinating the activities of the extension service, placement bureau, alumni bureau, public school relations and radio-television.

Under the new plan, the number of administrative officers reporting directly to President J. W. Maucker is reduced from 11 to four, providing better integration of related activities and speeding steps in policy making.

The divisions of student personnel service, instruction, and business and plant continue largely under the same organization, with a few changes being made for better correlation of activities.

Dr. Daryl Pendergraft is head of the field service division. Other division heads are Dr. Paul Bender,

dean of students; Dr. M. J. Nelson, dean of instruction and dean of the college; and Phillip Jennings, business manager.

Included under the division of field services are Dr. Pendergraft; Herbert V. Hake, director of radio and television; Dr. Raymond J. Schlicher, director of the placement bureau; Milo Lawton, assistant in charge of alumni activities; Richard Rowray, public school relations counselor, and Robert E. Davis, radio assistant.

Dr. Joseph Gamet, director of the student health service, passed on in mid-February. Dr. Gamet had headed the college health division since 1945 when he came here from Janesville, Wisconsin, where he was on the staff of a clinic.

ART PRESENTS VARIOUS EXHIBITS

Dr. Harry G. Guillaume looks over the projects that Nancy Hicks and John Roche are working on in his Man and Materials class.

Every student has the opportunity at some time to become acquainted with the Art department through the general education course called Man and Materials. An attempt is made here to develop an understanding of the relationships between art expression and the culture in which it was developed, with emphasis on modern art. Other courses offered by the Art department include basic drawing, designing with materials, painting, sculpture, ceramics, and metal and jewelry work. In addition, specialized courses are offered for elementary teachers. During the year the Art department sponsored nine exhibitions.

BUSINESS EDUCATION HAS VARIED TRAINING

The department of Business Education trains students in all areas of business from administration and accounting, through advanced secretarial education. A comfortable and pleasant working atmosphere is provided in business education courses by modern office machines, cheerful blond classroom furniture, posture chairs, and adjustable typewriting desks. Business education students also have the opportunity for actual work experience in offices and stores.

EDUCATION STAFF CONDUCTS FIVE CONFERENCES

This year the department of Education began the direction of the Educational Clinic with the assistance of Dr. Miles V. Zintz. The clinic works with remedial problems of children and acts as a referral agency for college students who desire help. Dr. Albert Uecker, a clinical psychologist, and two graduate assistants, Mr. Ron Roskens and Mrs. Sylvia Hazama, joined the staff this year. Members of the staff conducted five conferences: the Elementary Education Conference, the Secondary Education Conference, the Elementary and Junior High School Principals and Supervisors Conference, the American Junior Red Cross Conference, and the Parent-Teacher Conference. Two workshops, The Teaching of Reading and The Junior High Curriculum, were held last summer.

The purpose of the Home Economics department is to provide a well balanced background for the future teachers of home economics. The areas covered in this department are relationships in the home, textiles and clothing, foods and nutrition, and methods of teaching home economics. The home-management house is in full operation again this year and provides practical experience on campus. Another program begun this year is the nursery school for use in child development classes. This plan facilitates learning about children and provides a nursery school for near-by children, many of whom are residents of Sunset Village.

INDUSTRIAL ARTS EMPHASIZES PRACTICAL EXPERIENCE

Practical education and experience are stressed in the Industrial Arts department where instruction is offered in technical drawing, graphic arts, electricity and radio, metalwork, woodwork, and transportation. Besides teaching these courses, various members of the staff also serve the schools of the state throughout the school year as consultants through the Extension Service. During the coming summer session, the department plans to offer two workshops, each two weeks in length, in addition to the regularly offered courses in drawing, metalwork, and woodwork.

The department of Languages, Speech and Literature is a new department which incorporates three former departments: English, Speech, and Foreign Languages. During the year a committee has been working on the development of a new communications program of which the first two pilot courses may be taught during the fall quarter of 1955. Dr. Josef Fox presented a course in Humanities III, "Ancient Times to the Renaissance," on station WOI-TV. The department sponsors two interest organizations, the Speech Activities Club under Dr. Lillian R. Wagner, and College Players, directed by Miss Hazel Strayer. Six faculty members received a raise in rank, effective September, 1954.

Many improvements have been made in the college library this year. The inside of the building received a thorough repainting. The old card catalogues were replaced and new fluorescent lighting was installed. Almost one hundred new subscriptions were added to the periodical list and twelve years each of the *New York Times* and the *Des Moines Register* were added to the microfilm files. That more students are making use of the improved facilities is evidenced by the fact that enrollment in library orientation classes has doubled since last year.

MATHEMATICS SPONSORS SUMMER WORKSHOPS

Faculty members of the Mathematics department have been busy both here on campus and in national activities. During the summer, workshops in arithmetic and secondary mathematics brought visiting lecturers to our campus. Dr. H. Van Engen was appointed editor of *Mathematics Teacher*, the official journal of the National Council of Teachers of Mathematics. Dr. Glenadine Gibb completed her third year as a member of the Board of Directors of the Central Association of Science and Mathematics Teachers and also received her doctorate from the University of Wisconsin. Several members of the department presented papers at national meetings and wrote articles which were published in various mathematics magazines. Dr. Lyman C. Peck and Dr. Augusta Schurrer were promoted from the rank of "instructor" to that of "assistant professor."

A highlight in the year's activities of the the Music department was the presentation at Christmas of "The Childhood of Christ," by Berlioz. This presentation, featuring student soloists, was given in addition to Handel's "Messiah" which the orchestra, choruses, and faculty soloists present annually. The department also sponsored several orchestra, band, and choral concerts; operas; faculty and student recitals; and, in cooperation with Phi Mu Alpha Sinfonia national honorary music fraternity, the Music department sponsored the annual jazz concert.

Dr. Jean Bontz points out an important technique in playing badminton to Marjorie Simonsen, Lucille Miller, and Martha Marsh.

The department of Physical Education for Women offers a broad instructional and recreational program. The opportunity to participate in a wide variety of leisure-time activities is provided by classes in individual and team sports, aquatics, and rhythmic activities, and by a program of recreational swimming, winter sports, and provision of picnic facilities. The department also sponsors several interest organizations including the Physical Education Club which is open to all physical educational majors and minors; Orchesis; Marlins; and Women's Recreation Association.

Special attention is given to conservation education in the field work offered at the Iowa Teachers Conservation Camp at Springbrook State Park. In recognition of the work done at this camp, the National Association of Conservation Education presented the college a certificate award this year for "outstanding leadership in advancing conservation education." Other special projects for the year were a Science Fair, an Atomic Energy Workshop, and a Field Natural History Course covering the Northwestern section of the United States. The college was also a host this spring to the Midwest College Science Teachers.

SOCIAL SCIENCE PLANS EUROPEAN TRIP

Dr. M. R. Thompson looks over a population map with Karen Knox and Russel Pieper.

The Social Science department for a long time has been carefully planning a summer seminar in England and on the Continent. The plan will be realized when approximately thirty-eight students accompanied by Dr. M. R. Thompson and Dr. Lyman H. Harris set sail for Ashridge College, Berkhamsted, England, where the first five weeks of the seminar will be spent. This will be followed by a twenty-day motor-coach study tour on the Continent. The staff hopes this trip will be as profitable as last year's traveling seminar which was spent in the Southwest United States.

This experience allows the prospective teacher to gain self-confidence and capability and prepares him for his teaching position. Student teachers are trained in the campus schools; Hudson School at Hudson; Edison Elementary School,

Waterloo; Greeley's rural school; and the Independence schools, Independence. Section B of the new campus school, which has been under construction during the past year, will be ready for occupancy by the high school this fall. Physical education facilities will be needed to complete the building.

Members of the Student League Board discuss a current question at a meeting.

The Student League Board, organized in 1943, is the coordinator of all student government groups and a mediator between the administration and the student body. Presidents of all housing units, A.W.S., Men's Union, and the chairmen of the four standing committees—organizations, social life, lecture-concert, and student-faculty relations—are members of the Board. However, meetings are open to any student or faculty member who is interested. The officers this year were Dick Lieb, president; Don Holland, vice-president; and Shirley Mahannah, secretary.

BARTLETT, HOME OF FROSH WOMEN

Bartlett Hall, the oldest and largest of the women's residence halls, housed 700 freshman women this year. Previous to the election of freshman corridor chairmen, fifty-five upperclass women served as corridor chairmen and senior counselors during the fall quarter. The dormitory personnel director was Sue Lund, and Shirley Powell served as Bartlett's social director.

Bartlett residents provided their own fun in the spread and recreation rooms by playing ping-pong, cards, checkers, and having evening snacks. Other social activities for the year included pajama parties, Sunday morning breakfasts, and meditations on Wednesday and Thursday evenings. The corridors also were hosts or guests to other corridors in the dorm for parties.

CAMPBELL IS DEDICATED

Campbell Hall, the newest housing unit on the campus, was formally dedicated in December, 1954. Sadie B. Campbell, who served as Dean of Women at Iowa State Teachers College for twenty-three years, was guest of honor at the dedication ceremonies of the dormitory named in her honor. Campbell Hall was named for Miss Campbell by proclamation of the State Board of Education as a "lasting memorial of her service" to the college. Miss Campbell, who retired in 1952, now lives in Denver, Colorado.

Campbell Hall was first occupied in September, 1952. It is the residence hall for junior, senior, and graduate women. This year, however, sixty freshman women lived in Campbell Hall because of the increased enrollment.

Patsy Yates was president of the hall this year. Other members of the council were Phyllis Johnson, vice-president, and Joy Schwab, secretary. Also included were six standing committee chairmen and six wing representatives. Director of the hall was Ruth Renaud.

Also included in the program were meditations on Thursday evenings, informal get-togethers with the fellows from the men's residence halls, dorm sings, inter-corridor parties, and birthday dinners. Informal "gab" sessions at corridor meetings, with a little food on the side, are a favorite pastime.

Jean Wilson was the new director of Lawther Hall and Mary Brandes, the assistant director. House Council was composed of the corridor chairmen, committee chairmen and officers, Mary Ruth Culbert, president; Joetta Mosley, vice-president; and Sally Graskewicz, secretary.

Activities included a dorm exchange with Bartlett Hall, a booth at the Mardi Gras, and a Stadium Hall dinner. Gary Van Slyke served as director of Stadium Hall this year. The officers were Len Froyen, president; Don Adams, vice-president; Larry Krumm, secretary; and Dennis Jensen, treasurer. Off-campus women are those women living in their own homes, in college rooming houses, or in homes in which they work. The off-campus lounge in the auditorium building is provided for these women. This room usually bustles with excitement around noon and between classes. When it is quiet the girls settle down to study and relax. The officers of the off-campus women encourage off-campus students to participate in extra-curricular activities and make them feel more a part of the college. Officers for 1954-55 were Sandra Waldron, president; Anne Parks, vice-president; and Sharon Sanders, secretary-treasurer. Marian McBair was the sponsor of the group.

SLB NAMES 25 TO PURPLE KEY

Purple Key is a recognition fraternity established by the Student League Board for the purpose of honoring outstanding students. The Purple Key honor is awarded for leadership and participation in extra-curricular and academic activities, and excellence and sincerity in scholarship. Eligibility requires that a student be a third quarter junior or a senior and have a cumulative grade point of 2.5. A Purple Key award committee, appointed by SLB, reviewed applications and recommended 25 students. These students were recognized and received certificates at the All-College Honors Convocation in the spring.

John Anderson, a music major from Cedar Falls, he has been an active member of A Cappella Choir and Phi Mu Alpha Sinfonia and has received recognition for his activities by the Hall of Recognition and Hall of Scholarship.

Armand Baker, the president of the Board of Control of Student Publications for two years comes from Sugarland, Texas, and is an English major. A Cappella Choir and Alpha Chi Epsilon were among his other interests.

Ruth Gibbs, a transfer from Cottey College, she is from Strawberry Point and is a Junior high major. She joined the marching and concert band, was active in Beta Alpha Epsilon and was a member of the Campbell Hall House Council.

Phyllis Gregg, one of the two juniors honored on Purple Key, she comes from Oakland and is an English major. She has been a member of Purple Arrow and Bartlett Hall House Council and has worked in student government organizations.

The blinding glare of a flashbulb and the click of a shutter attempt to catch some of the activities on the campus. The clicking of typewriter keys pound out the story behind that blinding glare. A weary editor glances at the calendar and is reminded of those nearing deadlines. Efforts are refocused on editing a bigger yearbook that stresses informality and gives a complete picture of TC life for the past year. Confusion is at hand as countless photographs, copies, and drawings litter the desks. Out of all this excitement the 1955 OLD GOLD, with its new eight and one-half by eleven dimensions, was born.

The staff of this 1955 OLD GOLD has tried to present the year's happenings in spite of all the chaos and the long, tedious hours of work. Writing, typing, editing, drawing, and that race to meet the deadlines were pulled together, and the 1955 OLD GOLD finally went to press.

BOARD OF CONTROL OF STUDENT PUBLICATIONS

Diane Sargent and Dr. Rath, members of the Board of Control, discuss the literary section for the "College Eye" with Ed West and Jerry Cias.

Five students, four elected at large each spring and one appointed by the Student League Board, and four faculty members compose the Board of Control of Student Publications. The "big business" of college student publications on the Iowa State Teachers College campus is controlled by this board. These publications include the college yearbook, the *OLD GOLD*, and the weekly newspaper, the *College Eye*. Important functions of the Board are to select the major staff officers of the publications and to award engraving, photography, and printing contracts for publications. The general policies of the publications are also set up by the Board. They aim to see that the student publications reflect accurately the Teachers College campus.

EVERY STUDENT RECEIVES COLLEGE EYE

From late one Thursday to the next, a good many hours of work go into each edition of the *College Eye*, TC's weekly newspaper. This year, instead of students buying subscriptions to the *College Eye*, the paper is being distributed to every student enrolled in the college.

"Nothing ever happens on time around here." "Where is the copy?" These are a sampling of the cries that ring from the *College Eye* office late Tuesday evenings. Before an issue goes to press, news stories and editorials must be written, advertisements must be planned and sold, copy must be corrected, and a number of other details carried out. Yes, the *Eye* staff burned midnight oil more than once to complete its mission. Despite all the bedlam, the staff managed to distribute its copies to all TC students on Friday mornings.

STUDENTS EDIT THREE OTHER PUBLICATIONS

The Student Handbook, edited by Jean McGrew, is the combined Organizations Handbook and the Student Handbook. A calendar of campus events assists the students as does information on student government, activities, regulations, administration and all the special services.

The Prowl, edited by Larry Wiedmeyer, is in the form of a sports handbook and game program. Copies are sold at each home game. Home and visiting teams, player statistics, and information about the coaches are listed.

You at TC, edited by Patty Hake, is a booklet containing many suggestions about living in Bartlett Hall. This publication is helpful to the new students who live in the hall.

SENIOR STUDENTS EXHIBIT ART

Lee Toom, Betty Rasmussen, Mary Hurlbut and Bab Sabus cast approving glances at a senior's oil painting.

Mary Hurlbut adds the finishing touches to an "original."

Before graduation each art major is required to present an art show. These shows are given to provide students with the practical experience needed for actually planning and executing an exhibit. These exhibitions also give the student a chance to show what he has done and at the same time provide an opportunity for fellow students to see his accomplishments. Ceramic ware, sculpture, weaving, jewelry, paintings, silk screening, metal working and etchings make up the students' exhibits.

CHAPEL CHOIR SINGS AT SUNDAY SERVICES

The Chapel Choir is one of the most familiar and most appreciated groups on the campus. Its beautiful anthems and solos add inspiration to the Interdenominational Church Services held in the college auditorium every Sunday morning. Wednesday evenings this music organization, based on voluntary membership, rehearses under the direction of Jane Mauck. Accompanying the group with the organ is George Samson. Besides singing for the weekly chapel services, the Chapel Choir provides music for baccalaureate.

A Cappella Choir consists of sixty selected members—thirty men and thirty women most of whom are upperclassmen. A cappella singing is the most difficult, since it is done entirely without accompaniment. Therefore, it demands higher professional and artistic achievement. The Choir took a tour to Vinton, Cedar Rapids, Tipton, Davenport, Bettendorf, Clinton, Maquoketa, Anamosa, and Monticello in the latter part of March this year. Some of their other appearances included local concerts in Cedar Falls and a performance on WOI-TV.

WOMEN'S CHORUS PARTICIPATES IN SPRING CONCERT

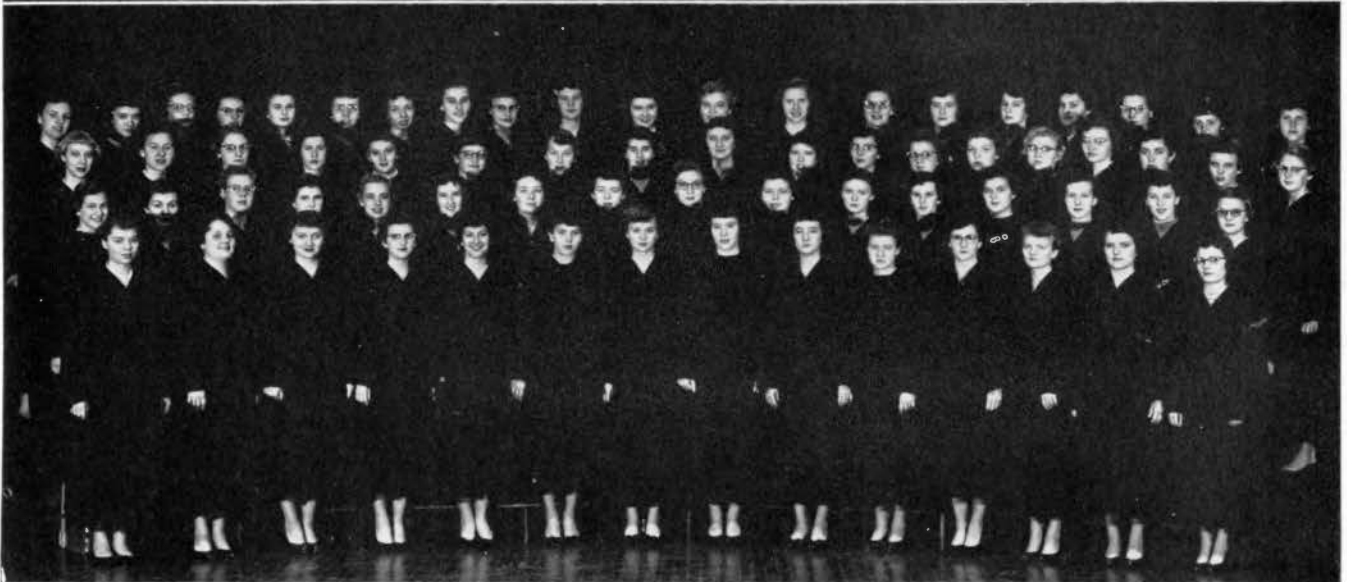

Approximately one hundred members make up the Women's Chorus which is under the direction of Jane Mauck. A love for singing is the only requirement for admission to this group. The aim of the Women's Chorus is to acquaint the members with choral literature for women's voices.

One of their most popular annual appearances occurs just before the Christmas holidays when they participate with the A Cappella Choir and the College Chorus in the presentation of Handel's "Messiah." The other outstanding performance of women's choir is the Spring Choral Concert.

COLLEGE CHORUS OPEN TO ALL STUDENTS

The College Chorus, under the direction of William Macy, is composed of one hundred and forty women and men students. It is one of the largest of the musical groups on campus. The chorus meets each Tuesday and Thursday evening to blend their voices in the reading of choral literature from all periods of history of music.

The chorus is open to any college student who enjoys singing and is interested enough to try out. The

capable direction of Mr. Macy and the informal atmosphere of rehearsals provide a pleasant time as well as a worthwhile educational experience.

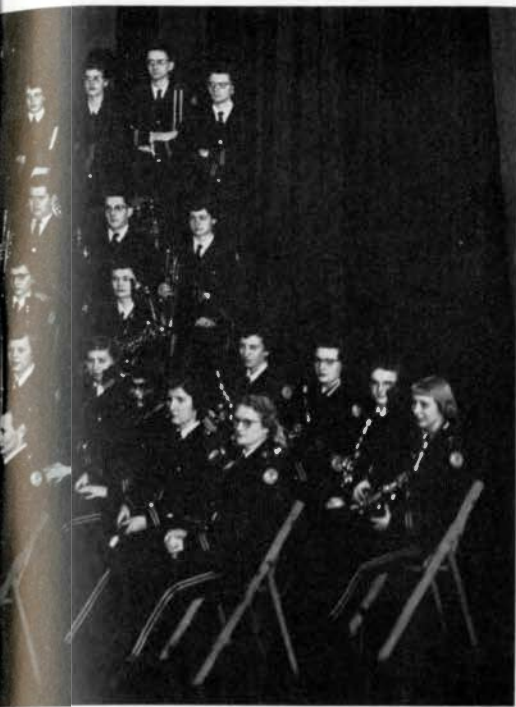

One of the most popular performances of the College Chorus, to which everyone looks forward, is the presentation of Handel's great oratorio, the "Messiah," just before the Christmas holidays. Their final performance of the year was the Spring Choral Concert given in March.

CONCERT BAND TOURS CENTRAL IOWA

Dr. Myron Russell was director of the Symphony Orchestra this year. Residents of Waterloo and Cedar Falls joined TC students in the performances given by the orchestra. The group, composed of approximately sixty members, accompanied the chorus in the presentation of Handel's "Messiah" at Christmas and the opera in January. Other appearances made by the orchestra were at convocations and quarterly concerts.

The Concert Band, under the direction of Karl Holvik, is composed of approximately one hundred members. Activities of the group this year included playing for convocations and presenting a winter and spring concert. One of the main highlights of the year was a tour through central Iowa in the spring. The band performed at several schools, some of them being Roosevelt of Des Moines, Adel, Newton, Grinnell, and Eldora. The group also appeared on WOI-TV in Ames.

MARCHING BAND PERFORMS AT FOOTBALL GAMES

The I.S.T.C. Marching Band, under the direction of Karl Holvik, performed at each home football game at O. R. Latham Stadium this year. Special programs were presented by the one hundred and ten piece band at Dad's Day and Homecoming. Again this year Band Day was a highlight of the season when high school bands from northeast Iowa were invited to the TC campus. They took part in an afternoon parade and a special program at the TC-North Dakota State football game.

Debate, under the direction of Lillian R. Wagner, is composed of approximately thirty students including freshmen, sophomores, juniors, and seniors. The purpose of Debate is to provide training in thinking, in speaking through analyzing problems, and in weighing and presenting evidence to an audience. This year the debaters attended twelve conferences in the Midwest, including those at the Universities of Iowa, Wisconsin, Minnesota, Nebraska, and South Dakota. They also debated at Wisconsin State Teachers College at Eau Claire, Wisconsin, St. Thomas College at St. Paul, Minnesota, Grinnell College at Grinnell, and Iowa State College at Ames. At Central College in Pella they took part in a debate tournament.

Phyllis Gregg represents Teachers College in a debate against the visiting Iowa State team.

FILM CLUB, CINEMATIC ART AT TC

The Matalas and the Reeces seem to be anticipating an enjoyable evening at Film Club.

In order to satisfy a demand for fine examples of cinematic art at Teachers college the Film Club was founded in 1949 by Stanley Wood, assistant professor of English and Speech. The group is a non-profit organization. The selection of films, many of which are foreign, is based on quality rather than on origin. Each winter and spring quarter the members vote on films suggested by the president for presentation. Members include people from the surrounding communities as well as students and college personnel.

PANTHERS FINISH THIRD IN LOOP

Fielding an eleven that was picked as a pre-season favorite, Buck Starbeck's squad ran into trouble in the latter part of the season and were forced to settle for a three-way tie for third place in the conference along with North Dakota University and South Dakota University. The squad did, however, figure in the national statistics with their running and passing attack. The Panthers took the first three conference games with victories over North Dakota State, North Dakota University, and Augustana before dropping the last three tough ones with Morningside, South Dakota University, and South Dakota State to wind up the season with a 3-3 mark.

Ron Brinkley plows through a small hole in the South Dakota State line as Leroy Dunn watches from the ground.

In the open momentarily with the aid of an unorthodox but effective block by Don Kolsrud is Dick Lanaghan running the left end.

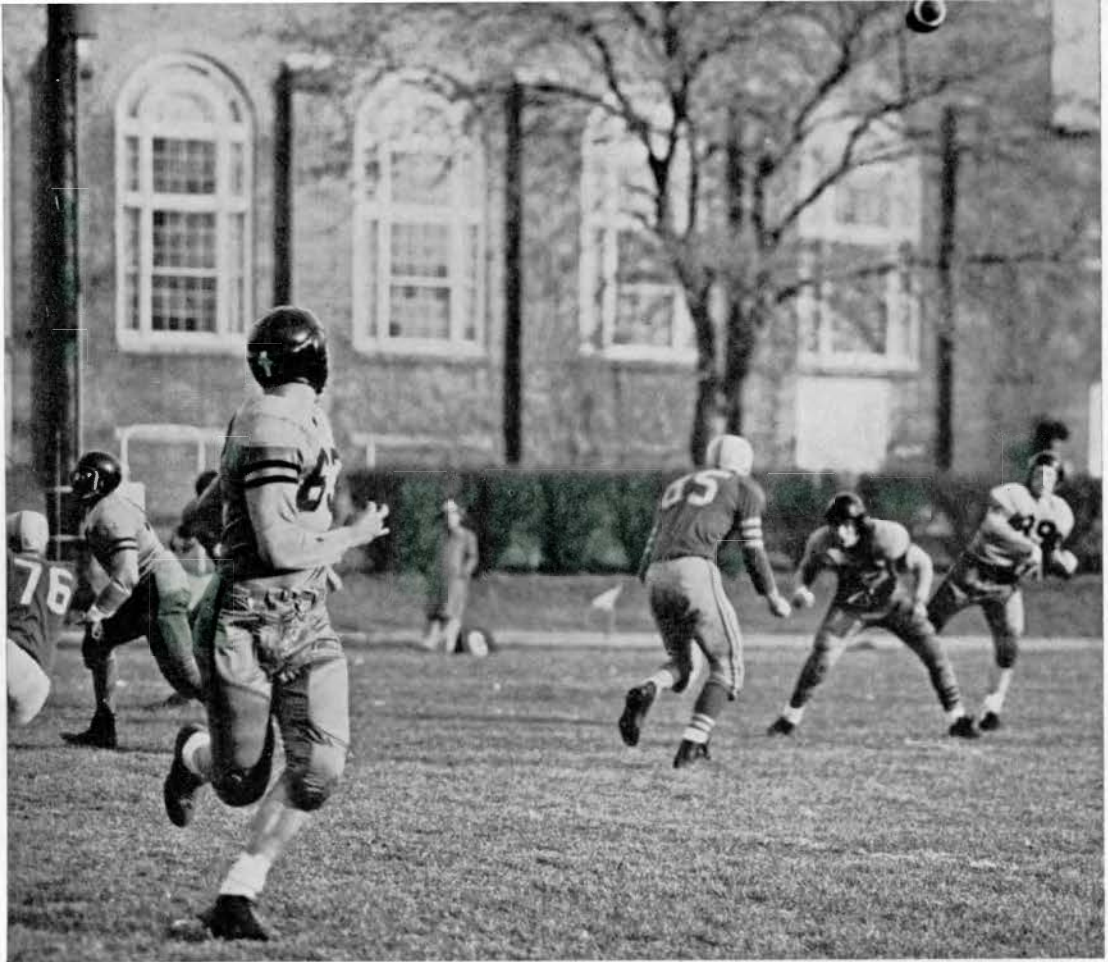

Hard running **Art Landau** follows the blocking of **Dave Tollefson**, who tries to cut down two North Dakota State tacklers.

Dick Beetsch gives it the "old college try" as a South Dakota State defender attempts to intercept a Capitani to Beetsch aerial.

GRIDSTERS HAVE UPS AND DOWNS

Traveling to Central Michigan for the season's opener, the Tutors ran into heat and Jim Podoley to go down in defeat, 42-21. A -4 yards rushing was all North Dakota State could gain and the Panthers took their first home game the next week-end, 39-0. For the third straight year, time ran out on Teachers and the Drake Bulldogs pulled a 14-12 decision out of the fire to make Dad's Day rather dismal at TC. The next week, the Panthers pulled one of their own out of the fire at Grand Forks and downed the University of North Dakota, 14-13, in a fiercely fought battle. Augustana fell before the Panthers, 50-0, for the third win against two defeats. Morningside outplayed the Tutors, 20-12, to even the season's mark for the Panthers. Homecoming proved to be no celebration as South Dakota University slipped past by a slim margin of 34-33. A late rally of 20 points wasn't enough as South Dakota State stormed over Teachers, 41-20, in the last game of the season.

End Dick Beetsch floats out to take a pass from Ollie Isaak against South Dakota State. Beetsch topped the conference in pass catches.

TUTORS RATE HIGH IN STATISTICS

Although sharing a tie for third place in the conference, the Panther offense boasted of outstanding leaders and also of an outstanding team showing. On the national level, both Dick Beetsch and Ralph Capitani dropped out of last year's first place position, but held a secure footing on third. Capitani rolled up 81 pass completions out of 173 attempts for 1,358 yards and 11 touchdowns. In total offense, Ralph accounted for a grand total of 1,568 yards for a four-year college total of slightly over two miles. Beetsch, ranked third in pass receiving, snagged 40 passes for 711 yards gained and 10 touchdowns. The combined passing attack of the Panthers completed 99 passes for a total of 1,649 yards to lead the nation's small colleges. A team average of 206.1 yards per game was good for 13 touchdowns. The team also stood 10th in the nation in total offense.

In the North Central Conference, Beetsch and Capitani captured crowns while Larry Bitcon turned in a fine showing. Capitani held the passing and total of-

fense crowns while Beetsch topped the conference in pass catches. His 10 touchdowns for 60 points were good for second place in the conference scoring race. "Bub" Bitcon held no firsts, but placed in three departments. With a 5.2 yard rushing average, he held the 8th spot conference-wise; 6th in scoring with 34 points, and 3rd in kick returns with a 13.4 average. These three men were largely responsible for the team leadership in several categories. Most outstanding of these was the defensive average. Leading the conference rushing defense and ending up second in pass defense, the Panthers were ranked as the best defensive team in the loop, allowing an average of only 243.5 yards per game. Not only defensively strong, but offensively powerful as well, the Tutors had the best passing offense, and second from the top in total offense in the conference with an average of 405.3 yards a contest. Scoring also was noticeable as the Panthers captured third place with a total of 168 points for a 28 points per game average.

Larry "Bub" Bitcon fights his way clear of three Drake Bulldogs on a kick return. Bitcon was the team's top rushing leader.

Studying the plays very closely are guard Don Kolsrud, and coaches "Buck" Starbeck, Stan Hall and Jim Clark.

THREE TUTORS ON ALL-CONFERENCE TEAM

Three members of the Panther squad were picked for the honorary All-Conference team selected by the conference coaches. Tackle Leroy Dunn had an outstanding year on both offense and defense. His blocking was jarring and his tackling was vicious. Dick Beetsch at end did more than his part in rolling up yardage and accounting for touchdowns. He ranked

third in the nation in catches and this is Dick's second straight year to be picked for the coaches' "dream team." Ralph Capitani, at fullback, held third in the nation in passing and first in total offense. With cool confidence he completed pass after pass to pile up 1,358 yards for the season.

Almost hidden by defensive tacklers, Ralph Capitani grinds out a few extra yards in the last game of his college career against South Dakota State. Running over to lend assistance is end Jim Hershberger.

PANTHERS FIGHT WAY INTO SECOND PLACE

Surrounded by nine returning lettermen and a potent crop of sophomore replacements, newcomer Stan Hall served his first year as head basketball coach at Iowa Teachers. His Tutors drew even for the season with a record of 11-11 for over all play and shared a three-way split for second place in the conference with a 7-5 record. The first and last two games of the season saw the Panthers play a championship brand of ball, but in the middle of the season the team could not win consistently, even though they showed potential power. Examples of this power were displayed in the first game of the season as the Panthers downed the Duhawks of Loras 100-76, and then again later in the season when they went even higher and defeated Morningside 103-71. Rebounding duties were divided between Ray Nissen and Howie Pigg with Dick Beetsch sharing in these honors. In the shooting department, the Panthers hit an above average 36 per

cent of all shots taken during the season. The team total of 1707 points was the highest season total ever scored by a Teachers ball club.

In the North Central Holiday Tourney, the Panthers placed second after winning their first two games and then losing in the finals to North Dakota State. Winning seven of their North Central Conference games, the Panthers hit for 938 points, the highest total ever rolled up by a Teachers team in a 12 game league schedule. Disposing of all home conference games, the Panthers averaged 85 points per game on their home court while their opponents were good for only a 65.8 average.

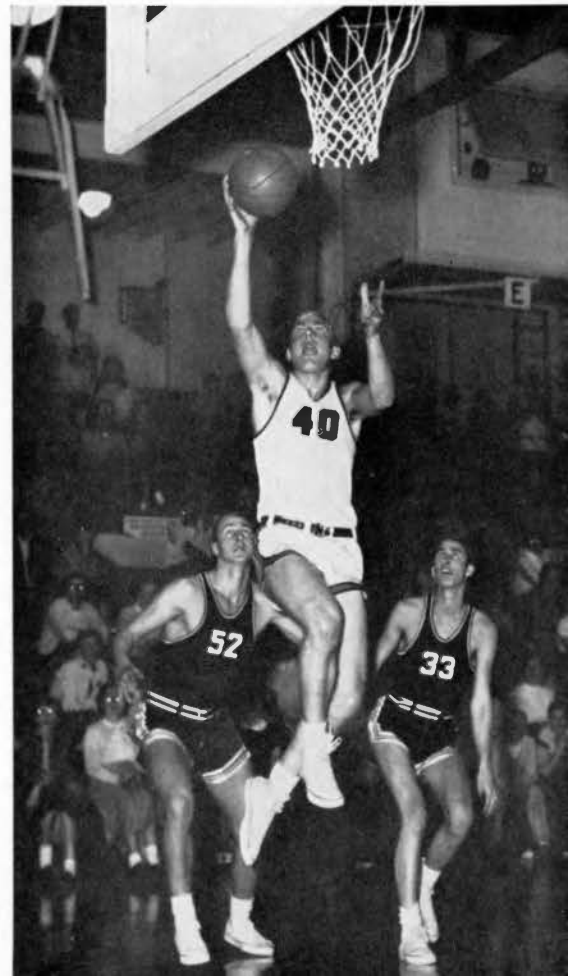

Included with the numerous records the team and its members broke—twenty-two in all—was the record broken by lanky Ray Nissen. His 346 total eclipsed the previous mark for a first year varsity ball player, set by Jack Rolinger with 300 in 1952.

Up goes the ball and the North Dakota U. game is under way with Panther center Ray Nissen controlling the tip. The Panthers went on to upset the league leading Sioux.

An outstanding reserve, Del Nicklaus is seemingly sitting on the shoulders of his defender as he lays the ball up in the battle with Southwestern Kansas.

Guard Don Holland battles for a loose ball in a non-conference game with Cornell.

**North Central Holiday Tourney

Conference record: 7-5

Total record: 11-11

Don Holland cuts sharply to set up a play and to start the offense rolling.

Leaping high with a right-handed hook against Cornell is Dick Beetsch, who completed his third year of varsity ball. Ray Nissen sets for a possible rebound.

Attempting to keep control of the ball, Dale Black does a nifty side-step as the North Dakota defense presses him.

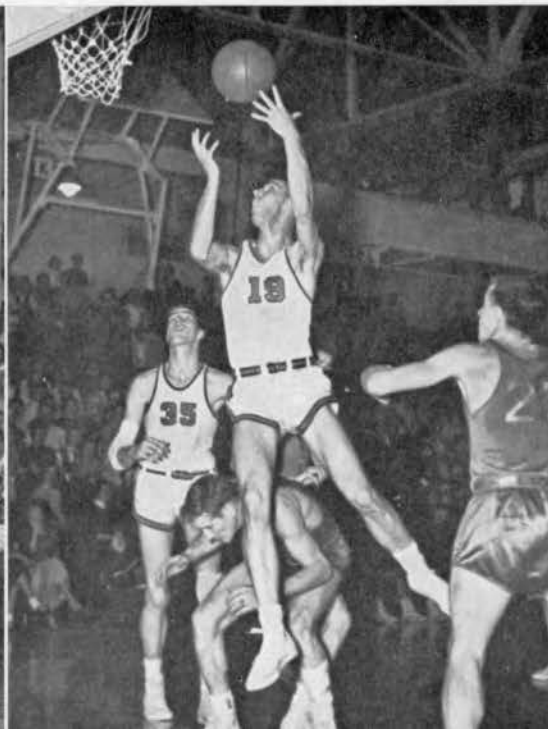

Stan Hall, a newcomer to the Panther coaching staff, checks the offense of his team during a practice session.

PIGG SHATTERS RECORDS

Returning after two years in the service, Howie Pigg immediately regained his old form and played exceptional ball all season. Twice he scored 35 points, but it wasn't until the season's closer with Augustana that Howie hit 37 points to break the school record for most points scored in a single game. Aided by the outstanding screening and passing of senior LaRoy Horn, Howie connected for 15 field goals and 7 free throws to account for his record-breaking total. These 37 points raised his single season mark to 455 which broke the old record in that department, giving him a college career total of 1041, also a record. Along with these three, Howie also took two records in the free throw department. His single season mark of 137 free throws stood 28 above the previous record and his career total of 283 points from the free throw line also topped the old mark. To top all these records, Howie Pigg, scoring 455 points in 21 games, broke the old single season average of 18.7 points per game set by Norm Jespersen in 1950, with an average of 21.7 points per contest.

Scoring leader Howie Pigg scored many of his points on drive in shots if his over-the-head shot failed to connect. He was able to cut through the defense almost at will to score, rolling up 455 points to set a new school record.

The Tutors' second place scorer, Ray Nissen, puts one in against the Loras Duhawks.

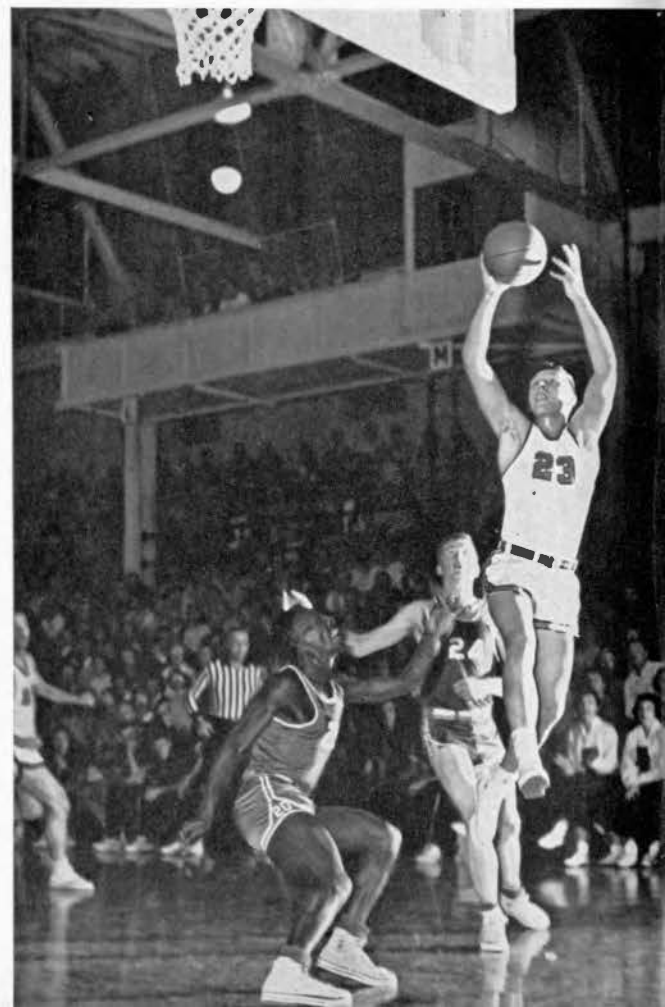

7-5 RECORD IN CONFERENCE

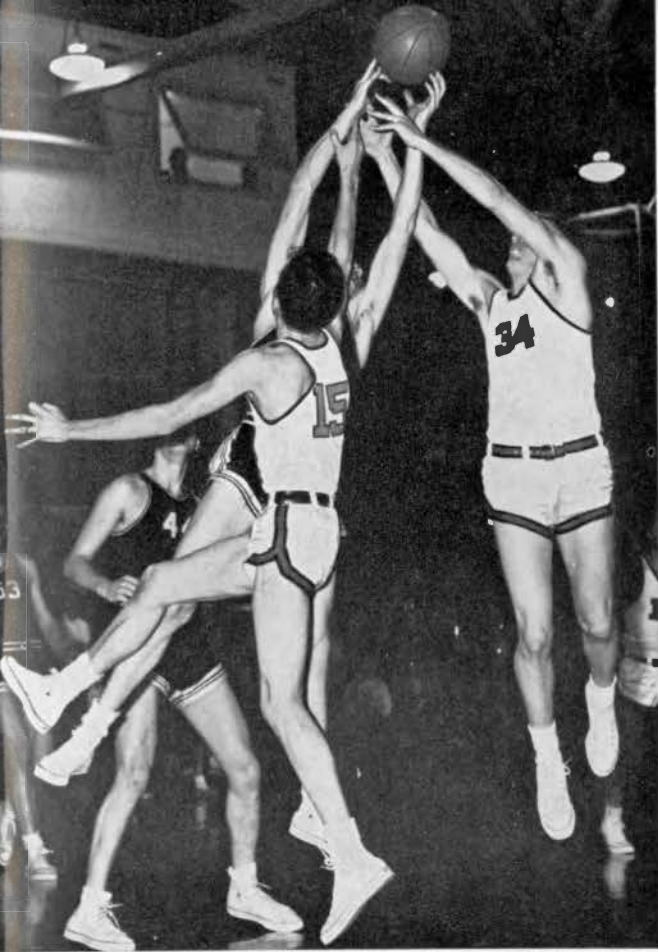

Sharing a three-way tie for second place in the conference, the Iowa Teachers Panthers were only able to win seven of their 12 conference games but did maintain a higher game average, 78.2 points, than their conference foes who averaged only 73.3 points per contest. Of the seven games won, six of these were on the home court but only one victory was scored on the road. The first conference action of the year saw the Panthers fall before both North Dakota State and North Dakota U. on a road trip. South Dakota U. was the first conference victim of the year as the Panthers slipped by the Coyotes 64-61. Whipping North Dakota State 76-70, in an overtime, the Panthers then ran out of gas for two games and lost to South Dakota and Morningside, both away from home. Returning home, Stan Hall's quintet defeated South Dakota State but then lost to them the next week-end at Brookings. The only road win of that season was registered that same week-end as the Panthers fought off a late rally and came out on top over Augustana, 87-86. The final three contests were played at home, the Panthers winning all three, defeating North Dakota, an upset over the league leaders; the thumping of Morningside 103-71; and the victory over Augustana in the final game of the season that accounted for several team and individual records.

ROW 2: Bob Sharp, Fred Loffredo, Sonny Tgiros, Larry Pooock, Neal McGuffin, Bob Jessem, Dale Dye, Jack Farrell. ROW 3: Bill Weick, Dick Formanek, Gus Gatto, Russell Seeley, Jim Beisner, Ray McKenzie, Frank Sovich, Bill Koll.

WRESTLING ON WAY TO TOP

Three returning lettermen flanked by five sophomores, carried the brunt of the attack to put Iowa Teachers back on the national wrestling map this season. Facing one of the toughest schedules in many years, the Panthers rolled on undefeated until meeting Illinois in the final dual meet of the season. Returning from the service, 157-lb. Champion Bill Weick took all comers, scoring four pins in his undefeated season. Weick also led the team in scoring, with a total of 45 team points. Another standout was heavyweight Gus Gatto, who suffered only one defeat, by one point, in the opening match against Kansas State. The third letterman, Fred Loffredo, was usually the turning point in the matches in which the Panthers were forced to come from behind to win. The crop of sophomores was led by 123-lb. Ed Masteller who sported a 9-2 record for the season. Masteller pinned five of his opponents to lead the team in that department. Another outstanding sophomore was 167-lb. Dick Formanek who won seven of his eleven matches and who showed great promise. This season's record plus the amount of eager material for next year should prove that wrestling is on its way to the top at Iowa State Teachers College.

The grapplers opened the season by drawing in the first two meets, with Kansas State and then Minnesota. In the third meet, they began to roll as they swamped Illinois Normal at Bloomington by a score of 20-6. The next week-end they bettered this score still more and whipped the Jackrabbits of South Dakota State 24-6. A little tougher foe was found in Mankato, but they too went down before the Panthers. A tired Nebraska squad proved to be no competition at all and wound up on the short end of a 27-3 final score. The next two meets were crucial ones, both Cornell and Luther were undefeated up to this time. Cornell fell by the slim margin of 14-12 on a last match victory by Gus Gatto. Luther, on the other hand, was defeated easily the next week-end. Going back into the Big Ten, the Panthers faced Purdue and overcame an early Purdue lead to hand the Boilermakers a 16-12 loss. The Spartans of Michigan State threw a scare into the Tutors but lost out in the final three matches and were downed also. At this point in the season, the Panthers were carrying an undefeated record of eight wins and two draws. In the final meet of the season, it took a Big Ten school to spoil the undefeated season as Illinois spilled them 17-9 closing a very successful season for the Panther matmen.

Sophomore **Sonny Tgiros**, in a 147-lb. match, momentarily loses control of Michigan State's **Jim Sinadinos**.

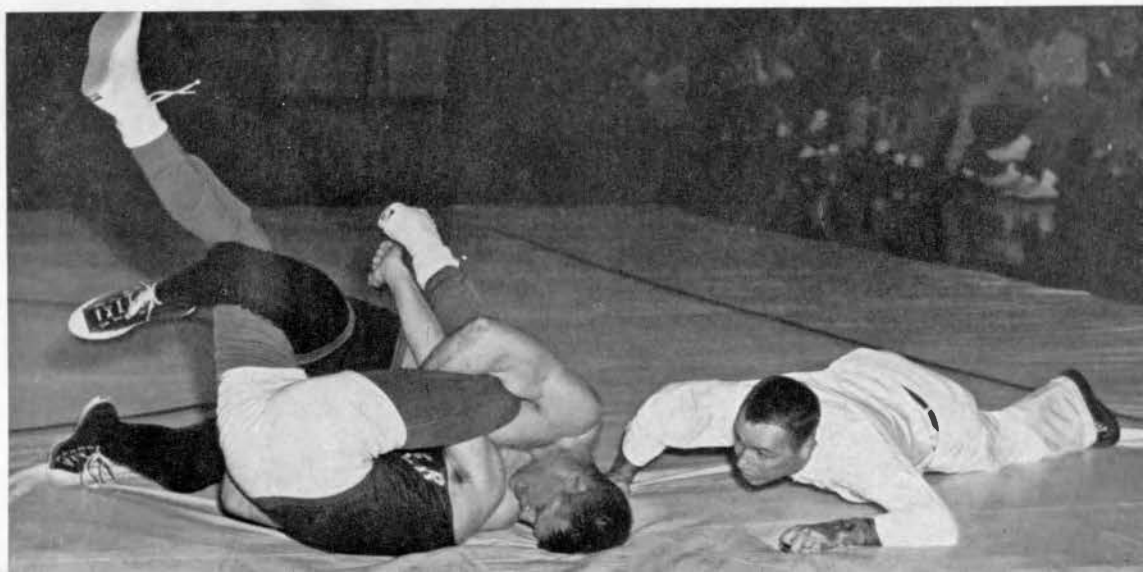

The "turkey bar" is being applied to a Nebraska wrestler as **Bill Weick** helps the Tutors on to a 27-3 decision over the Cornhuskers.

Heavyweight Gus Gatto aids the Teachers' cause still more in the walloping of Nebraska by decisioning his opponent.

Scrappy Ed Masteller, wrestling at 123, seems to be enjoying his match against Chuck Green of Cornell. Masteller went on to decision his man, 5-0.

1955 NCAA 157-lb. Champ Bill Weick is in his usual winning form as he does away with Fred Kuester of Michigan State. Weick wrestled undefeated during the regular season.

Another pin by the Panthers is being chalked up here by Dick Formanek as he rolls Phil Skattum of Luther over on his shoulders.

Wrestling coach Bill Koll sees that his grapplers are in top shape for each meet.

BILL WEICK NCAA CHAMPION

Three Panther wrestlers made the trip to Ithaca, New York for the NCAA wrestling tournament held March 25 and 26. Bill Weick, 157 lb. champion in 1952, worked his way to the finals by defeating Norman Balot of CCNY, 8-1; Vincent Kelly of Loyola, 6-0; and Bill De Witt of Pittsburgh on a referee's decision. In the finals Weick downed Big Ten Champ Mike Rodriguez of Michigan, 6-4, to win the crown for the second time in as many appearances in the tournament. Gus Gatto, wrestling at 191, drew a bye in the first round of action and then scored a victory over Richard Macaleer of Princeton 4-2 in the second round. Gatto was defeated in the semi-finals on a ref-

eree's decision by Ken Leuer of Iowa who was then defeated in the championship matches.

The third performer from Iowa Teachers in the tourney was 167 lb. Dick Formanek. In the first round, Formanek decided Tony Tcocanos of Colgate 3-1, but lost in the second round to Del McGhee of Washington State. The team total of 14 points gave them a 11th place berth in the tourney as Oklahoma A & M, scoring 40 points, won the tournament for the second straight year. The fine showing of these three wrestlers is certainly a credit to their ability, coach Bill Koll and a performance that the school should be proud of.

DIAMOND SQUAD SPLITS EVEN

Always keeping one eye on the weather, the Panther diamond squad was able to play only 12 of their 15 scheduled games, breaking even for the season with a six won and six lost record. In the opening double-header, the weatherman proved to be no help and a strong wind hampered both squads as the Iowa State Cyclones took advantage in both, 3-0 and 3-2. Traveling to Sioux City for another twinbill, the Panthers broke into the winning column by defeating the Morningside Maroons twice. Rod Tangeman and Dick Koch turned in two and four hitters, respectively, for the day's performance. Number three came over La Crosse Teachers, on the hitting of Bob Huntington and Duane Garman who both collected two hits with Rod Tangeman again turning in a victory, making the lanky senior's record two wins against one defeat.

Iowa Teachers took the measure of Drake, 5-3, in the first of a two-game series with Tangeman making it three in a row. The Bulldogs jumped back, however, and captured the second in a pitchers' duel, 1-0. However, injuries in this series hindered the squad in their encounter with Coe the next week-end. A shuffled line-up fought hard but went down twice, both times in the fourth inning and by the same scores, both in favor of the Coe Kohawks.

After a loss to South Dakota State, the record stood at four wins and six losses with fears of a below par year. The next day at Brookings, however, the Panthers came back to drub the Jackrabbits, and a final decision over Wartburg brought the season's mark to six won and six lost with a .500 mark for the year.

THINCLADS UNDEFEATED IN DUAL MEETS

The Panthers opened their 1954 outdoor track season with the 31st annual TC Relays in which a record of 83 schools participated. Three standing records were shattered during the day; these included new marks in the javelin throw, the pole-vault and a new time in the 100-yard dash. The dash record was not allowed, however, because of adverse wind conditions. The thinclads returned from the Drake Relays in Des Moines with a tie for fourth in the pole-vault and a first in the Iowa College 880-yard relay. Following these two relays, the Panthers went undefeated in dual meets the rest of the season, downing Wartburg, Luther, Cornell and Grinnell, extending the victory string to nine straight. Next came the Mid-West Championships here at TC with Mankato State

Teachers claiming first and the Panthers holding down second place. Milwaukee State followed TC in third place. In the final meet of the season, the Panther thinclads took part in the North Central Conference meet at Sioux City. The squad went all out but was only able to capture second place; South Dakota State taking first and South Dakota University third. Thus ended the 1954 track season with nothing but praise for Art Dickinson's thinclads. While showing all-around balanced power, the Panthers worked hard all season and well deserved the honors and praise which they received. The over-all record showed nine dual victories and outstanding showings in all contests, including duals, triangulars and relays.

FIVE STRAIGHT FOR INDOOR TRACKSTERS

Opening what proved to be a very outstanding season, the indoor trackmen stormed over the Grinnell Pioneers on the TC track, 73-27, in the first meet of the new season. With this win under their belts, the Panthers continued the season undefeated, taking the measure of all opponents in their encounters. Victories were claimed over Wartburg and Coe; Omaha and South Dakota; and Dubuque and Upper Iowa. A dual meet with Upper Iowa saw the Peacocks taking only one third place position with the Panthers walking off with a 94-1 decision. The final indoor contest, a telegraphic meet with North Dakota University, also was taken by Teachers, running the victory string to five. With these five straight victories to their credit, the TC thinclads were ready to go outside and to open their outdoor campaign the next week-end.

NET SQUAD TOPS CONFERENCE

Tennis Coach Bill Koll, working with a nucleus of six returning lettermen, led his netmen through a successful season and the capturing of the North Central Conference crown for the second straight year. The six returning lettermen included number one man Roger Ganske, Waterloo; Don Brendel, Mason City; Roger Hessenius, Cedar Rapids; Jim Logan, Cedar Falls; John Van Epps, Clinton; and Tom Yager, Burlington. After dropping the first contest with Iowa State, the Panthers came back strong to knock over Loras and Wartburg by lop-sided scores before falling before Luther. Defeat number three came at Grinnell

before the Panthers once more downed Wartburg and revenged the earlier loss to Luther.

The duo of Frank Carthey and Tom Yager proved to be too much for South Dakota State's Radike and Olson in the North Central Conference meet, by taking a 6-1, 6-2 decision. In the same meet, Roger Ganske defended his singles championship against Lundering of Augustana by scores of 6-4 and 6-3. These victories once more assured the Iowa Teachers representatives the conference crown. The championship crown plus a 4-3 record in dual matches combined to make a fairly successful season for the netmen.

GOLFERS AWARDED CROWN

For the seventh consecutive year, the golf team was able to come out on top and captured the North Central Conference crown. Taking over the coaching spot for the first time this season, Coach Jim Clark had the services of four returning lettermen in Ralph Capitani, Des Moines; Bill Darland, Waterloo; Bud Blair and Dick Lynch, both of Cedar Falls, in addition to Rollie Wiley, a transfer from Boone JC. The Panthers opened the season with a win of $9\frac{1}{2}$ - $5\frac{1}{2}$ over Wartburg. The remainder of the season saw the team playing outstanding golf and going undefeated in all six of their dual contests and finishing second in their only triangu-

lar meet. The wins included two victories over Wartburg, and one each over Grinnell, Luther, Loras and Drake. The second place came in a triangular meet between the Panthers, Luther and La Crosse Teachers. La Crosse came out on top with TC and Luther following closely behind. Next came the conference tournament at Sioux City. Representing Iowa Teachers in the tourney were Capitani, Darland, Blair and Wiley, with the latter turning in a 27-hole score of 119 to capture medalist honors and to lead the team to the conference championship for the seventh consecutive season.

WOMEN HAVE WELL-ROUNDED INTRAMURAL PROGRAM

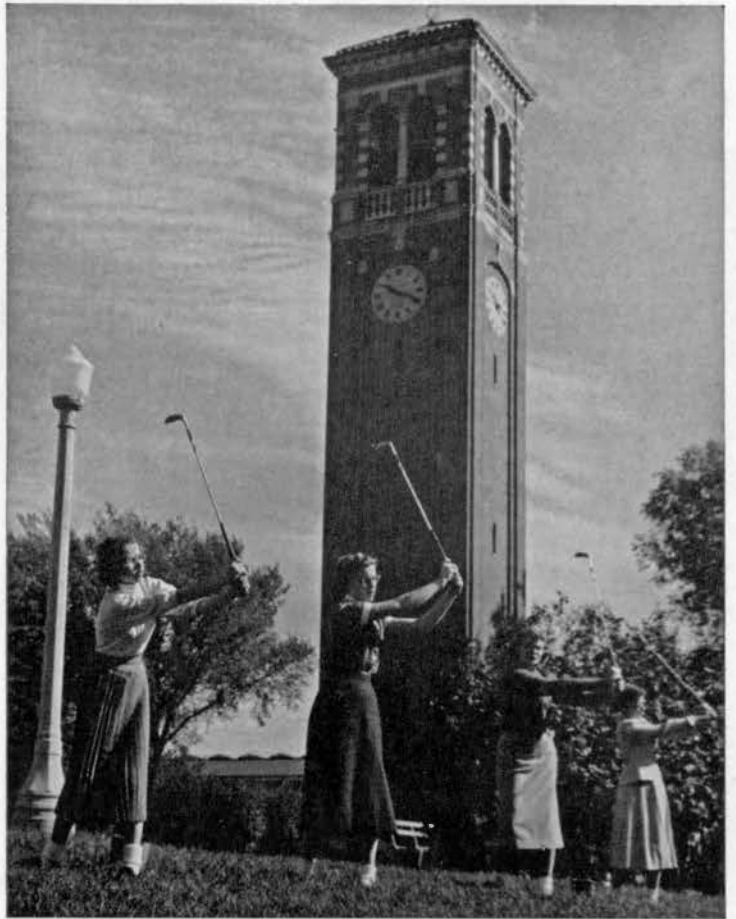

Volleyball leagues were set up and championships were played. Interest grew in all women's intramurals during the past year.

A very well rounded and efficient program of women's intramurals was carried on throughout the year under the supervision of various student activity leaders, each being responsible for one particular sport. Last fall the women students engaged in field hockey and soccer. The highlights of the winter season were contests in badminton, basketball and volleyball. Leagues were formed for these two sports and a champion was decided in each league. With the coming of spring, such sports as golf, tennis, stunts and tumbling, and team softball were played. Cycling during the spring and skiing during the winter months were also included. Physical Education majors and minors served as team coaches during the intramural seasons.

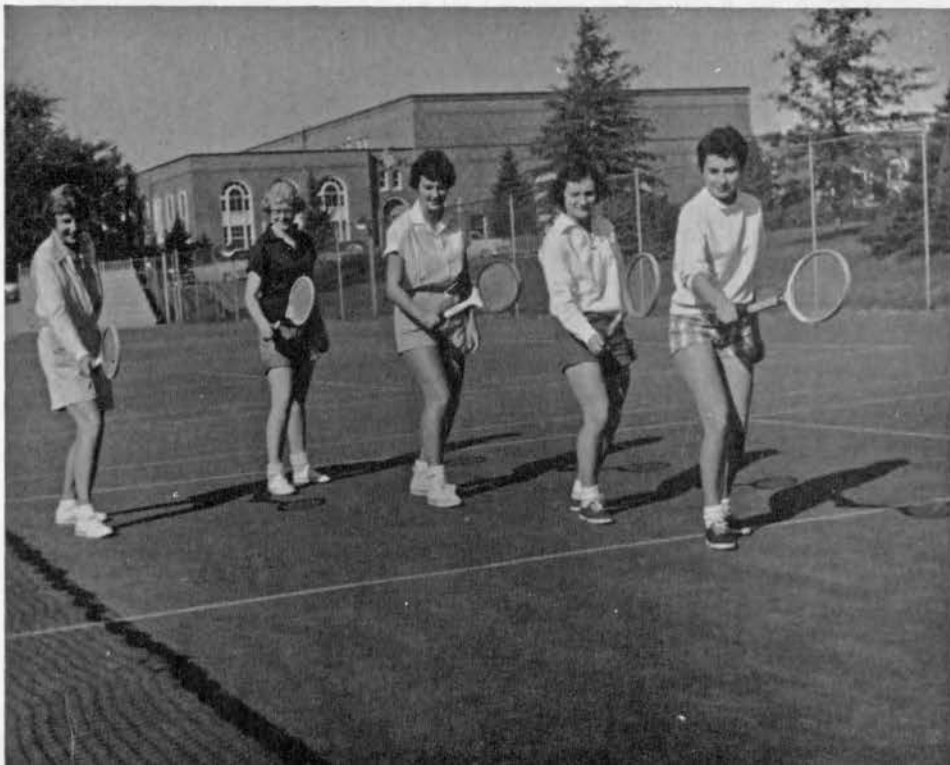

Field hockey provides strenuous activity for those energetic enough to take part in the program.

Golf in the spring gave the women students the chance to prove their skill on the fairways.

The women's tennis courts were usually filled to capacity during the spring months as the women spent much time using the facilities.

PARTICIPATION IN MEN'S INTRAMURALS GROWS

Two ten-team leagues played their games in the men's gym. Play-offs were held between the two top teams in each league.

Both interest and participation in men's intramurals grew considerably during the past year. The men students were able to take part in both team sports such as softball, touch football and basketball and individual contests as chess, checkers, pool and billiards. Last fall, many fiercely fought battles of touch football were played on the women's hockey and Seerley fields that often lasted until after sundown. The "Jacks" came through in fine style to capture the championship in the final game of the football season with a win over the "Stadium Stars." The basketball season ran very smoothly with games being played in the men's gym. Two ten-team leagues were formed and a play-off between the two top teams in each league determined the champion of the two leagues. This play-off was won by the Phi Sigs. All men's intramurals this year were handled by Vern Rosene.

The ball carrier is being rushed in a game played on Seerley field. A growing interest was shown in men's intramurals this season.

The "Stadium Stars" kick off to begin the championship game with the "Jacks."

Almost every night last spring saw softball teams in action on the football practice fields. Each team entered carried on a full schedule of games.

TAU CHI ETA BACKS THE PANTHERS

Tau Chi Eta is made up of students interested in promoting the school spirit and to urge the Panthers on to victory. Membership is open to anyone who is willing to lend support to the athletic teams. They usually attended these games en-masse to organize the cheering sections, sponsored pep rallies, sold homecoming buttons, and did all they could to arouse the spirit of the student body. The club held cheerleader try-outs in the fall to pick the cheerleaders for the year and the freshmen alternates. Sponsored by Dr. H. Earl Rath, the loyalist sports fan on campus, Tau Chi Eta's officers for the year were LaVon Burrichter, president; Barbara Lucas, vice-president; and Betty Vestal, secretary.

CHEERLEADERS — Betty Vance, Connie Clark, Carolyn Henderson, Brenda Beneke, Betty Vestal.

"I" CLUB SELECTS QUEENS

Membership in the "I" Club is open to all men who earn a major or minor letter. The club is self-supported by the help of its members who maintain a concession stand at most athletic contests. The members take part in helping run off large scale contests such as the Invitational Wrestling match and the Teachers College Relays. Another duty of the "I" Club is the selecting from the student body of a queen and three attendants each fall, winter, and spring to reign over the sports activities during that quarter. James Clark was this year's sponsor. Officers were LaRoy Horn, president; Jerry Reynolds, vice-president; Dick Lanaghan, secretary; and Dave Church, treasurer.

HONORARY JOURNALISTIC FRATERNITY

Alpha Phi Gamma pledges eagerly wait for the pledging ceremony to begin.

ALPHA PHI GAMMA, national honorary co-educational journalistic fraternity, is open to all students who have worked on publications for three quarters, two quarters in a major staff position, and have a scholarship above college average. The major events of the year were the annual Publications Picnic and the Gridiron Dinner honoring the personnel of the Teachers College publications. At the dinner special awards were given to staff members who had done outstanding work in journalism, and the traditional Oil Can was presented to the student who contributed the most to journalism. The main objective of the association is to stimulate high professional attitudes in all future teachers. Members try to fulfill such an objective through various activities at their monthly meetings. They are brought in closer contact with the state unit by attending conventions and regional meetings held at different Iowa colleges. The sponsors of the local group this year were Gordon Rhum and Howard Knutson. The officers were Beverly Belson, president; Elizabeth Corpuz, vice-president; Margaret Conrad, secretary; and Ruth Gibbs, treasurer.

"LIBRARIANS FOR A DAY" MAIN EVENT

The Library Students Association discuss the latest book reviews.

THE LIBRARY STUDENTS ASSOCIATION works in coordination with the college library. The main activity on this year's program was the "Librarians for a Day" which is an annual event held for all high school students in the surrounding area. In sponsoring such an event, members have the opportunity to familiarize high school students with the basic features of the library. Some of the other activities included on their yearly schedule are a Homecoming Tea and the Cedar Falls Book Fair. These are only examples of the many activities designed to promote a greater interest in library science. Anyone having a major or minor in this area or who has become interested in the field through employment in the library is eligible for membership. Richard Johnson acted as sponsor for the organization. This year's officers of the Library Students Association were Clyde Greve, president; Anna Marie Lundbeck, vice-president; Edra Bogle, secretary; and Marilyn Shepard, treasurer.

All synchronized stunts and specialized techniques are perfected and performed with precision and grace. Barbara Yager served as sponsor of the Marlins Club. This year's officers were Marjorie Simonsen, president; Corrine Larson, vice-president; Lois Mussett, secretary; and Patricia Granau, treasurer.

They had the opportunity to work with committees on forensic conferences, discuss debate topics, and have practice debate sessions. This is more or less a preparatory meeting for the Brindley Tournament. The tournament is set up on a competitive basis. After the students have given extemporaneous speeches or oratories, the winners are chosen and are given a scholarship to I.S.T.C. The Speech Activities Club, sponsored by Dr. Lillian Wagner and Dr. M. B. Smith, is open for membership to anyone interested in this field. METHODISTS WORSHIP IN THREE GROUPS

THE WESLEY FOUNDATION is a "Home Away from Home" for students of Methodist preference. "Wesley" tries to supplement the needs of the student by providing outlets and opportunities for participation in activities of a social, academic, and religious nature in a Christian environment. The program is conducted entirely by students under the direction of Reverend J. Preston Cole and Mrs. Nellie Harvey. A student council is the governing body of the group.

The program varies in accordance with the desires

of the students from questions and discussions of academic nature to deeply religious problems. The program is geared to those who seriously consider the problems of life.

The Wesley Foundation works in close cooperation with the First Methodist Church in Cedar Falls. The 1954-55 officers of the Wesley Foundation included Jean McGrew, president; Kenneth L. Rowe, vice-president; Bradley Bowman, secretary; and Kae Kessler, treasurer.

INTER-SORORITY AND FRATERNITY COUNCILS

THE INTER-SORORITY and INTER-FRATERNITY COUNCILS are the coordinating bodies for the nine sororities and four fraternities on the Iowa State Teachers College campus. These councils are made up of the elected presidents and officers of the sororities and the elected representatives of the fraternities. The purpose of these two social groups is to further the formation of close friendships, not only for the time the members

are on the campus, but for the time when college days are over. Their standards embody friendliness, cooperation, reliability, leadership, character, and scholarship. Each spring the councils co-sponsor the Inter-Fraternity-Sorority dance and Greek Week. Jane Clark and Doug Tvedt presided in the councils this year.

STUDENT TEACHING, AN UNFORGETTABLE EXPERIENCE

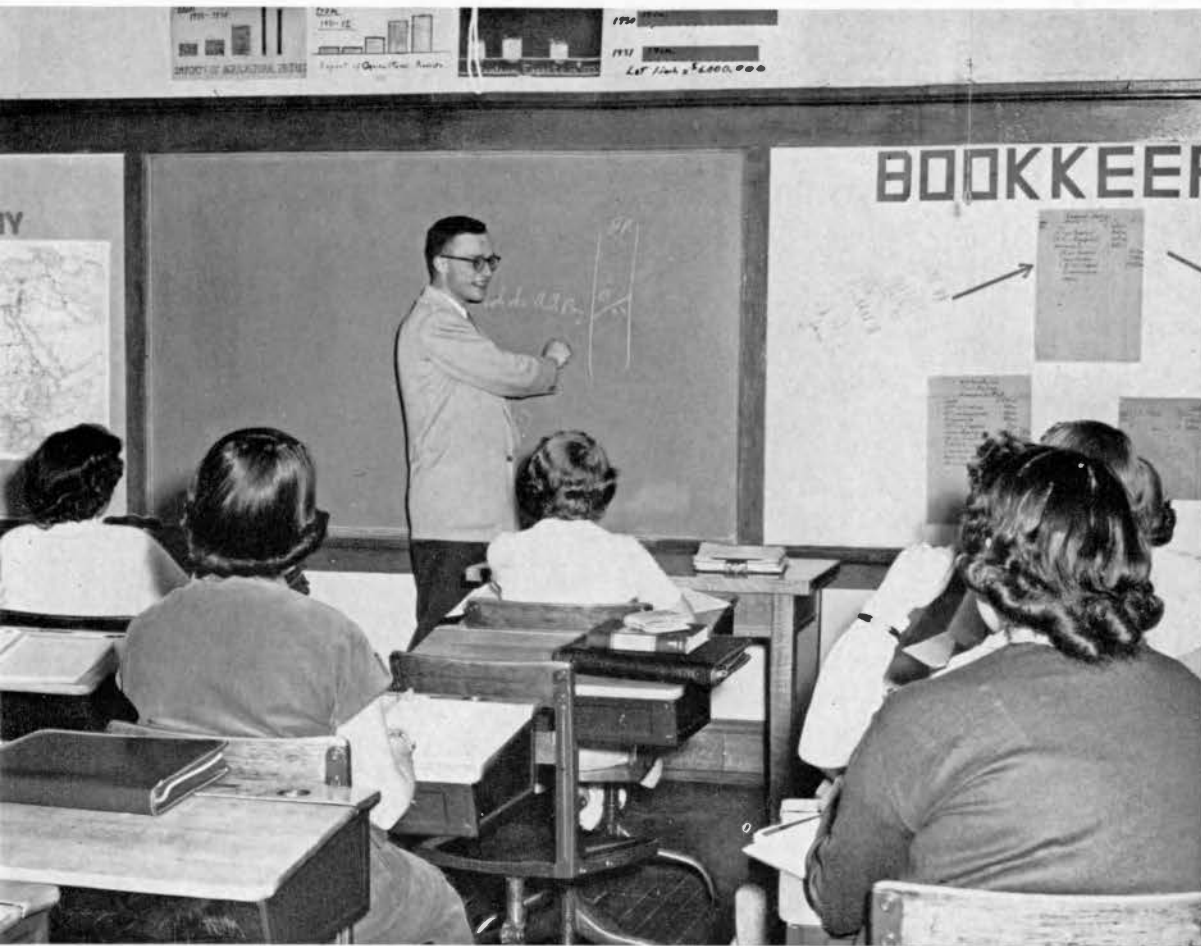

Sara O'Connor explains to an eager student the technique of using a potter's wheel.

Student teaching is probably one experience that will long be remembered by graduates and two year students. Supplying actual teaching experiences with both students and instructional materials, practice teaching is taken by every T.C.'er during his junior and senior year. With the completion of the million dollar elementary wing, student teachers found more normal conditions because of increased space and the out-of-the-way location of the school. The secondary wing is presently under construction and when completed will remove all the laboratory school students to the northern part of the campus. An important part of the program is the many conferences with the critic-supervisors. Through these discussions student teachers are able to develop better teaching habits.

Addressing a group of graduates, Dr. Schlicher discusses filling out placement papers.

Al Henning, a Business Education major, teaches an eleventh and twelfth grade bookkeeping class.

Charles Tabarella discusses student teaching with his critic, Miss Mary Margaret Schmitt.

A quick check of the local library is sure to reveal that new volumes are constantly being added to those shelves that hold the success books. For success, as you know, is quite the popular subject. And worthwhile, too.

But even though the thousands of published formulas for success, stretched end to end, would reach from here to Utopia, and although all of them differ to a greater or lesser degree, each inevitably includes one basic ingredient. We'll call it *Element "X."*

Element "X" is that intangible extra which one receives in the way of reward in certain endeavors. It's a reward that is over, above, and in addition to any material recompense, a reward that is peculiar in that it can't be given or infused but must be created and absorbed out of the undertaking itself.

Element "X" is the personal satisfaction one always derives from an occupation in which he contributes not only to his own improvement but also to that of his neighbors.

There exist many fields from which this important ingredient may be drawn, such as the teaching profession and the manufacturing of farm equipment. And throughout the country, people engaged in both pursuits are daily experiencing this great satisfaction, knowing that they are themselves contributing to a healthier, happier people, a better nation, and a better world.

That's Element "X."
