1963 Little Panther

State College of Iowa High School
LITTLE PANTHER

1963
STATE COLLEGE
HIGH SCHOOL

CEDAR FALLS
IOWA
1963
To the Students of SC High:

It is a privilege to have this opportunity to write a few lines in your Annual. As I reflect upon the school year, it seems to have been profitable to us all. I would like to commend you for your industry and sincerity as students, your vigor and enthusiasm in school activities, your interest in your own future and that of the world, and your loyalty to classmates, faculty, and school. In closing, may I recall for you the words of an old Irish prayer:

Take time for work--
   It is the price of success.
Take time to think--
   It is the source of power.
Take time to play--
   It is the secret of youth.
Take time to read--
   It is the foundation of wisdom.
Take time to be friendly--
   It is the road to happiness.
Take time to dream--
   It is hitching your wagon to a star.
Take time to love and be loved--
   It is the privilege of the gods.
Take time to look around--
   It is too short a day to be selfish.
Take time to laugh--
   It is the music of the soul.

Best wishes to each of you.

Ross A. Nielsen
Head, Department of Teaching

To the Students of SC High:

The 1962-63 school year was a successful year for some but for others it was not. To determine how successful the school year was each person must judge for himself. Those who judged the year as successful will probably reflect back over the year and think of the many contributions made toward making State College High a better school. Some of these contributions were on the athletic field; some were on the auditorium stage; but most of the contributions were in the classroom. Your study gave you an opportunity to contribute to the classroom and it was a better class because you were a member. As you go on into life your success will be measured in terms of your contributions. If you look back and can honestly say that this is a better school because you were here--your school year was a success. Your successes in life will be measured in the same way. Will it be a better world because you lived in it?

Best wishes to you all,

Paul Brimm
Principal

The Cooks

The Janitorial Staff
The Malcolm Price Laboratory School plays an important role in the college program of teacher education. It is here that students studying to become teachers may gain practical, first-hand experiences in the classroom through observation, participation and student teaching. We all have a responsibility to be helpful and cooperative in every way to enable these students to become good teachers for the boys and girls in the public schools of Iowa.

Recreation during Seventh Grade Camp.
For the second consecutive year the Senior Class of S. C. H. S. has invested their hard earned money in a visit to our nation's capitol, Washington, D. C. May 10th, was the date of our departure from Cedar Falls, and four exciting days of sight-seeing, shopping sprees, museums, concerts, and nights out, followed. By May 16, after visiting many places of interest including Mt. Vernon, the Capitol Building, Library of Congress, Federal Bureau of Investigation, White House, Smithsonian Institute, Gettysburg, and various monuments in Washington D. C., the Seniors found holes in both their shoes and their wallets. Happy but tired, the Senior class was anxious to return to home sweet home in Cedar Falls. Never will the wonderfully interesting, educational and exciting experience of the visit to Washington D. C. be forgotten by the Senior Class of 1963.
ACTIVITIES

FRIDAY
15
MAR. 1963

Fieldhouse Party and Dance
7:00 p.m.
The members of the Student Council agreed that the 1962-63 year, in general, has been a highly successful one, both in improvements around the school building and in carrying out school functions. The Student Council sponsored many activities.

An AFS Style Show was carried out, the proceeds going to the school chapter. Both students and teachers modeled ensembles furnished by local businessmen. Through the combined efforts of the Student Council and the Physical Education Department, over $300 was taken in at a benefit basketball game and dance to help finance medical aid for Keith Stilwell, an injured Cedar Falls wrestler. To honor the man for whom this school is named, the Student Council organized an assembly during which it presented the school with a picture of Malcolm Price. Dr. Price was contacted by audio-phone and spoke to the student body. State College High's influence stretched around the globe as books, pencils, games, charts, maps and other materials were sent to Bob Bergstrom, a former SCHS student, now with the Peace Corps in Sarawak. Along with this project, AFS week was sponsored by the Council, during which various activities to raise money for our exchange student were carried out. School improvement activities and projects included the purchasing and dedication of a new flag, a plan to place drama masks in the auditorium, an attempt to interest students in the painting of a mural for the lunch room, and shelves which were installed in the girls' restroom. One of the most successful of these projects was the installation of pigeon holes just outside the cafeteria where students could deposit their books and notebooks during the lunch period.

The Student Council officers for the year were: John Fink, President; Dave Hanawalt, Vice-President; and Carma Lauterbach, Secretary.
PEP CLUB

State College Pep Club under the direction of Mr. Butzier.

SCIENCE CLUB

The science club provides the members an opportunity to participate in science activities not provided by the science courses. This club is affiliated with Future Scientists of America, Iowa Junior Academy of Science, and Science Clubs of America.

The science club sponsored the Children's Christmas Program, a science trip to Rochester Minnesota, and special meetings at which special topics in science were discussed.

PEP BAND

State College High School Pep Band under the direction of Wayne Aurand.

PANTHER CUB STAFF

The Panther Cub was published once every two weeks for the first semester. It included articles on personalities and athletes of the week, sports, society, and features.

ROW ONE: Co-editor, Pat Severin; Sponsor, Dr. VanderBeek; Co-editor, Dave Hanawalt. ROW TWO: Twyla Larson, Janet Poppy, Les Farr, Mary Keeney, Doug Weber, Kirsten Sonstegard, Jane Hanisch. ROW THREE: Susan d'Olive, Joe Anthony, Jim Dee, Jim Collard, Gary Leinen, Norval Hills, Marjo Fish, Cherryl Stamp.
A favorite both at school and in the surrounding communities, the Boy's Quartet made a big hit at the Winter and Christmas Concert, where they sang several numbers. Their vitality and showmanship continue to improve, making them a genuine credit to our school.

The Girl's Quartet, composed of Junior girls, has sung at Vinton and in the state contest. Everyone has sincerely enjoyed the presentations of these girls.
This year Drama Club has had a variety of programs. Among them were: Mr. Stanley Wood, college drama director; Mr. Joseph Zender, college set designer; and Mrs. Charlotte Lawton, college costume designer.

Drama Club's main activity was the presentation of Oliver Goldsmith's SHE STOOPS TO CONQUER in the fall and Thornton Wilder's OUR TOWN in the spring. The last activity of the year was the annual picnic held at Island Park.

SHE STOOPS TO CONQUER

SHE STOOPS TO CONQUER was first presented in London in 1773. In our production the students recreated something of the theatre, scenery, and costumes of the Georgian Period when the play was first produced. The students' mastery of the difficult archaic English speech made this a truly excellent presentation.

Mrs. Hardcastle . . . . Pat Smith
Mr. Hardcastle . . . Douglas Weber
Miss Hardcastle . . Kirsten Sonstegard
Tony Lumpkin . . . . John Fink
Miss Neville . . . Carma Lauterbach
Mr. Marlow . . . Jim Collard
Mr. Hastings . . . Forrest Russell
Student Director . . . Annette Lee
Director . . . Kenneth Butzier
OUR TOWN

OUR TOWN is the story of the people of Grover's Corners, New Hampshire, during the period from 1900 to 1913. The appeal of the play is the timelessness and truth of the elements of life dealt with in the play, these elements being Daily Life, Love and Marriage, and Death.

The play performed on a bare stage with a minimum number of properties. The play was performed by 39 State College High students who found it an enjoyable and worthwhile experience.

CAST

Stage Manager          Doug Weber
Dr. Gibbs              John Fink
Mrs. Gibbs             Cherryl Stamp

Director               Kenneth Butzier
ALL STATE QUARTETS

These twelve students comprised the three quartets that passed the try-outs and went to the All-State Music Festival as part of the All-State Chorus. The Festival was held in Des Moines over the Thanksgiving weekend.

ORCHESTRA

In its first year the high school orchestra made a fine impression on the students and faculty of SCHS at a concert in early February. The group then traveled to Iowa City where they presented a concert at the University High School. They were well received by the faculty and students there.

State College High School Orchestra under the direction of Mr. Welch.
MALE GLEE CLUB

The Glee Club got off to a rousing start with their memorable rendition of "There is Nothing Like a Dame", which they sang in the Winter Concert. Their approach to music is a vital one and their tone and volume are a pleasure to hear.

L'ALLEGRO

L'Allegro made it's first appearance of the year at the Winter Concert. Following tradition, L'Allegro again initiated it's new members. On Initiation Day, the pledges wore unusual and clownish clothes and a sign proclaiming their master for the day. They then entertained their honorable masters at the annual picnic held in Island Park.
THE MADRIGAL SINGERS

The Madrigal Singers, newly formed SCHS select group, had it's first school performance in the Winter and Christmas Concert. The group, which sings pure madrigal music, was received well by the students, faculty, and friends of the school. They made numerous appearances and represented the school well.

CHORUS

State College High School Chorus under the direction of Mr. Leslie Hale.
JUNIOR-SENIOR PROM

The Junior-Senior Banquet and Prom was held May 17, 1963 in the Commons Ballroom. The speaker was Rev. Swanson. The music was provided by the Jamvets, and "Camelot" was the theme. During the intermission, John Lounsberry presented our Prom Queen, Barbara Schoentrup.
The student body felt the excitement of Homecoming many weeks before the actual event. The committees were busily at work planning and organizing the many different Homecoming activities.

The first event of Homecoming was a rousing pep rally on Thursday night, followed by the traditional bonfire, snake dance, and sock hop.

Although the game on Friday night was lost to Jesup, students showed much enthusiasm during half-time when Dr. Brimm announced our 1962 Homecoming Queen, Carma Lauterbach.

The semi-formal Homecoming Dance concluded the activities for Homecoming. Students danced to the music of Eddie Randall and the Downbeats. John Fink, president of Student Council, formally crowned Carma during intermission, bringing to a close S. C. High's 1962 Homecoming Weekend.
AROUND THE SCHOOL

Why don't you three get to work?

How low shall we go? ? ? ? ?

Reward for a great job.

THIS is our Prom Queen??

"WOW"

Monkey see, monkey do.

"Hello. . . . Caroline?"
