International Friendship Program Student Applications Due Jan. 17

The International Friendship program was created to build relationships between UNI students and local families in the community. The goal of this organization is to promote cultural exchange between international students and American host families. Students who apply for this program are seeking to learn more about American culture by becoming a part of a family and finding a home away from home. Families volunteer to host an international student as a way to learn about the student's country and to build a friendship. Application forms can be picked up from the ISSO Office or printed from http://www.uni.edu/internationalservices/sites/default/files/untitled-1_1.pdf. Student applications are due by 5 pm, Friday, January 17 in the ISSO Office, 113 Maucker Union.

National Student Exchange

Have you ever thought of attending another university far, far away...but still within the United States, its territories and Canada. With the National Student Exchange Program (NSE), you can do just that! NSE enables students to attend one of 170+ colleges and universities for one or two semesters while paying UNI tuition. This is a chance of a lifetime you won't want to miss. Attend an upcoming information session on Thursday, January 16 at 3 pm in the Elm Room, Maucker Union.

January's Student Health 101 is now available

Iowa N.E.W. (National Education for Women) Leadership Institute

The Iowa N.E.W. (National Education for Women) Leadership Institute at the University of Iowa is a national program that originated in 1991 from Rutgers in New Jersey and the Center for American Women and Politics.

The U of Iowa offers this unique, competitive program to women students across the state in Iowa and accepts roughly 35 students each year. This is a 5-day residential institute geared at further developing women's public leadership skills, engagement in civic life, and build networks with women involved in public leadership on local, state and national levels. Though the program is intense and costly to put on, it is offered to all participants at no cost to them.
