Career Readiness Day

Make your first impression count! Stop by the Learning Commons in Rod Library on Wednesday, September 16 from 10:30 am – 1:30 pm to have your FREE professional headshot taken, review your resume with Career Services and order personal business cards through UNI Business. Whether you're looking for a job or internship, or participating in social networking opportunities like LinkedIn, a polished look can set you apart from the competition. Professional attire is recommended, no appointment needed.

Copy/Print/Scan

Perhaps you have seen one of these devices on every floor of the library. You may think it is simply a printer and/or a copier. But wait, there's more. This is like the Swiss Army knife of equipment. You can copy, print and even scan items. You can mail them to yourself, or save on a usb drive. The unit on the 2nd floor is even a **color** printer/copier.

Sadly this device does not have a screwdriver or saw, but I'm sure in times of desperation the drawer handle could be used as a bottle opener. So, if the line at the KiK scanner is too long, give this a try.

Hispanic Heritage Month Kick-Off

On September 15th, from 4-7pm the Rod Library will be hosting a Hispanic Heritage Month Kickoff to celebrate all things Hispanic and Latino. We will feature performances by Salsa Cedar Falls, IDT Dance Company, and the campus Capoeira group. There will be free food as well, along with crafts and a piñata! At the end of the evening we'll be screening the first episode of Latino Americans: 500 Years of History, to kick off our year long series of programs celebrating Latinos and Latino culture.

Copyright Fair Use

Just a friendly reminder about the fair use while using the equipment in the Rod Library. Fair use indicates that you can make:

- One copy of one article per issue of a periodical.
- One copy of one chapter per book if the book is divided into chapters, or one copy of 10% of the book if it is not divided into chapters.
- One copy of 10% of a piece of music.
- One copy of one poem per book, up to 250 lines.
- One copy of no more than two pages from a children's book.

Copying/ Scanning of books in their entirety for personal use or resale is illegal.

Thanks for your cooperation.
