A new student lounge was obtained for the student body by the Student Council this year. The lounge is located in the driver training area and dances are held there each noon during the winter season. This is only one of the many things the Student Council has done to make our school a better place.

The poem written below is dedicated to the past, present and future graduating classes of Teachers College High School

THE BEST YEARS OF OUR LIVES

We felt so grown-up,
Yet we were timid and shy
When we left the grade school
And went into High.
So willing to work
Yet wanting to play
While there was plenty of time
And "Our Hearts Were Young and Gay."

The months passed so fast
And our first year was gone.
We were happy together
Sharing the load,
For now we had come
To the turn in the road.

Happy and carefree
We'd laugh and sing,
Showing our friends
Our precious class ring,
Time passed by and then we knew
Our high school years
Too soon were through.

Since all good things
Must come to an end
The days and years were
"Gone with the Wind".
We'll walk down the aisle
With tears in our eyes,
Knowing we've spent
The "Best Years of Our Lives."
