P R E F A C E

This profile is based on enrollment at the end of the third week of fall semester classes, 1998, and is intended as a quick reference for information about the student body at UNI. It has been compiled for wide distribution across campus to assist staff members who need current data in order to perform their job responsibilities, and to provide a consistent set of readily available data to address the myriad of requests for information from sources internal and external to the university.

The data reported here were compiled by a dedicated cadre of UNI staff members who labor relentlessly to provide the information we all need to make sound educational decisions for UNI. They represent the following departments:

Academic Advising/Examination Services

Reginald Green, Director

Admissions

Clark Elmer, Director of Enrollment Management and Admissions

Mark Renner, Admissions Systems Coordinator

Handicapped Student Services

Jane Slykuis, Coordinator

Office of the Registrar

Philip Patton, Registrar

Patti Rust, Assistant Registrar

Diane Wallace, Editor of Student Statistics and University Catalog

Department of Residence

Robert Hartman, Director

Topics are selected for inclusion in the profile based on the relevance of data to institutional decision-making and the volume of data requests received at the various offices that contribute to the profile. Questions concerning information contained in this report should be directed to the Office of Information Management and Analysis, or to the specific department as noted in the report.

Special thanks is again offered to Cindy Carlson, Administrative Assistant, Emily Jungling, student assistant, and Jason Noyes, research assistant, for their constant attention to detail and patient persistence in coordinating the cooperative effort necessary to bring this profile to life.
