Offensive Materials Statement: Materials located in UNI ScholarWorks come from a broad range of sources and time periods. Some of these materials may contain offensive stereotypes, ideas, visuals, or language.

Around the World in 180 Minutes

Come join us November 18 from 4-7pm in celebrating International Education Week and learn about new cultures! This event allows visitors to "experience the world" in three hours or less by visiting booths from various countries. Over 25 countries will be represented: Brazil, Japan, Germany, and Saudi Arabia to name a few. There will be free food samples, prizes, activities, photo booth, giveaways, and entertainment! TC and TK will make a guest appearance! This event is free and open to all UNI faculty, staff, students and the Cedar Valley Community.

Veterans Day Photo Wall

In November, Rod Library will host a photo display of friends and family of the UNI community who are Veterans or have served in the Military. There will be a program on Veterans Day, November 11, at 3:30 pm on the 2nd floor of Rod Library, in front of the UNI Military & Veteran Honor Photo Exhibit. Please join UNI Veterans Association for a brief moment of honor and respect for those Military and Veteran friends and family of UNI. This is going to be a time for reflection and camaraderie and support for those Military & Veteran individuals who are such an important part to our UNI family.

Reaching for Higher Ground

"And Justice For All" is the 2015-2016 theme for UNI's Reaching for Higher Ground (RFHG) series. "Can we create a just society...where our differences don't define or divide us?" "Are we one homogeneous nation, or an alliance of individuals?" These are some of the questions that RFHG asks and hopefully the answers will help us better understand our differences and commonalities, and take us all a step closer to "liberty and justice for all." Check out the newest display on the main floor of the Rod Library next to the Book Bistro Cafe, where you will see some of the many resources we have to offer on this important topic.

Family Weekend Maker Activity

Rod Library and UNI STEM will host a maker activity from 10 am - 11 am on Saturday, November 7 for Family Weekend. Come visit the Rod Library, show your family your favorite study spot, and then come make a lighted pom pom that you can take to the football game later that day. Everyone is welcome!
