Bill McCoy
Head Coach Wesley (Zeke) Hogeland enters his sixth season as head mentor at UNI and is looking to return to the rich successes he enjoyed in his first 17 years of coaching.

His 5-year record at UNI is a respectable 59-61 but its nothing compared to the 105-24 mark he posted in seven years at Mason City Junior College or the 57-34 record he achieved in five years at Bemidji State.

Hogeland, 47, is a native of Marshalltown and played basketball, football and track as a prep. He captained the 1943-44 Bobcat cagers. Upon his graduation he served two years in the United States Air Force.

In 1946 Hogeland entered UNI and earned a starting position on the basketball team midway through his freshman season. He started and lettered for three straight years and played on a pair of North Central Conference championship teams as a sophomore and junior under Coach Hon Nordly.

Hogeland graduated from UNI in 1949 and after one year of coaching at Decorah and four years at Washington, he earned his master’s degree in physical education from the University of Iowa in 1955.

His Mason City JC teams were twice ranked in the nation’s top ten and his last team at Bemidji posted an outstanding 19-5 record.

In his five years at UNI, Panther teams have finished out of the first division just once while winning the league title in 1968-69 and finishing second in 1967-68.

Hogeland is a firm believer in fundamental, pattern basketball and has authored four articles on a national scope discussing his philosophies.

Zeke is married to the former Gretchen Glover of Decorah and is the father of two sons, Wes and Scott, and a daughter, Cindy.

"Next Year" is Here

"Next year" is this year on the Northern Iowa basketball team. Coach Zeke Hogeland's Panthers are set for a North Central title charge and with eight returning lettermen and the starting unit back intact from last year's fourth place finisher, they should enjoy one of their better seasons in recent years.

"We believe we are the team to beat in the North Central this year," Hogeland flatly states, "and while we know the road to the top will be a tough one we think we have the material to do just that. This team has been groomed for this for three years and we're going to give it a real run."

Bill McCoy tops the long list of returnees and nearly everyone is aware of his story. He will become the school's all-time scorer early in the season and should capture nearly all the UNI scoring records before he's finished. He has twice been an All-North Central Conference and All-District 5 selection.

McCoy's spectacular three year career has perhaps overshadowed his fellow senior teammates. Randy Beilke is known for his rebounding skills but has quietly crept into a tie for 15th place on the all-time scoring list. Two others, Darrell Timion and Brian Bestul, also have reached the exclusive 500-point plateau and now rank 31st and 29th, respectively, on the scoring list.

Another senior, Bill Smith, is back and will be earning his fourth varsity numeral—as are McCoy, Bestul and Beilke. Smith is a quick 6-3 and will captain the team.

Another to watch is Joe Ferguson, regarded by Hogeland as one of the finest sophomores ever at UNI and one of the league's best this year. He could be a great one with the experience he'll pick up early in the season.

The remaining two letter winners from a year ago are Tim Hackenmiller and Jim Davis, neither of whom are counted upon as regulars in the early stages of the season but could easily step in and move the team if called upon.

TEAM STRENGTHS: An awesome amount of experience in eight lettermen, four of whom are in the process of winning their fourth varsity letter. The squad should also be able to shoot with anybody with four of the school's all-time scorers in the line-up. Few teams will field a bigger starting lineup.

TEAM WEAKNESS: Hogeland wants to better the 75.5 point defensive average carried by last year's club. Considerable time is being devoted to doing just that. He's also looking for more aggressiveness from certain individuals.

SCHEDULE: Regarded as one of the toughest in recent years by Hogeland. North Central appears experienced and balanced while non-conference foes are looking for big years.

The Real McCoy

Zeke Hogeland puts it best about Bill McCoy. "You don't need to use many superlatives when talking about him, just look at the record book and that will tell the story."

What a story the records do tell about the 6-3½ Iowa Falls native. "Mac" will become the school's all-time scorer as soon as he can pour 17 points through the hoop. If he takes as long to get them as he has his first 1,259, look for Ken Huelman's record to fall in the season opener.

McCoy is in possession or is nearing just about every scoring record in the Panther book. Among those in his name now are points in a season (550), free throws in a game (19), free throws in a season (212), free throws in a career (439) and consecutive free throws (32).

The records within his grasp are points in a game (40), career points, field goals in a career (Huelman has 476 and McCoy has 410) and field goals in a season (192). As you can see, there aren't many categories left.

"Bill's only real weakness is his defense," Hogeland says, "and nobody will admit it any faster than Bill McCoy. He has been working on this phase of his game very hard in early season practice and as he improves the over-all team defense will become more versatile."

Bill, a physical education major, is married and has a daughter.

Player Profiles

Darrell Timion
6-8, 180, Senior
Waverly

Season | G | Fg-Fga | Ft-Fta | Reb | Tp | Ave.
--- | --- | --- | --- | --- | --- | ---
1969-70 | 11 | 3-6 | 0-0 | 9 | 6 | 0.5
1970-71 | 26 | 117-268 | 53-93 | 223 | 287 | 11.0
1971-72 | 23 | 74-171 | 63-89 | 171 | 211 | 9.2

Darrell is probably the best rebounder on the squad, he had just seven less than Beilke a year ago but didn't see as much playing time either.

He's another of the team who's been scoring but hasn't been widely noticed. His 504 career points put him into a select group at that category and is good enough to rank him 31st in career scoring. He'll move up quickly as the season progresses.

Hogeland calls his jump shot a good one but is hoping that the former Waverly star will bring more confidence and better body balance into the 1972-73 season.

Randy Beilke
6-7, 195, Senior
Marshalltown

Season | G | Fg-Fga | Ft-Fta | Reb | Tp | Ave.
--- | --- | --- | --- | --- | --- | ---
1969-70 | 25 | 88-228 | 57-81 | 215 | 233 | 9.3
1970-71 | 24 | 94-207 | 66-101 | 189 | 254 | 10.6
1971-72 | 23 | 103-198 | 51-66 | 178 | 257 | 11.2

Beilke has been overshadowed by the great scoring of McCoy, as have all the other seniors looking to earn their third or fourth letter this year. Randy, a 6-7 forward from Marshalltown, is commonly acknowledged as the team's top rebounder from last year but few are aware that he also scores the points.

Beilke enters the season tied with Skip Anderson for 15th place on the all-time school scoring chart with 744 points and another year like his first three would put him near the coveted 1000-point plateau.

Hogeland says Beilke's outside touch is a good one and likes his aggressiveness on the boards but would like to see an improvement in over-all timing.

Bill Smith
6-3, Senior
Eagle Grove

Season | G | Fg-Fga | Ft-Fta | Reb | Tp | Ave.
--- | --- | --- | --- | --- | --- | ---
1969-70 | 19 | 11-28 | 23-32 | 12 | 45 | 2.3
1970-71 | 26 | 51-126 | 60-84 | 66 | 162 | 6.2
1971-72 | 20 | 59-119 | 50-87 | 69 | 168 | 8.4

Bill is the quickest man on the squad and Hogeland calls him the best one on one man he's got from a speed standpoint. Smith, a former ace at Eagle Grove High School, will captain the 1972-73 Panthers.

Bill "has the great desire necessary to play and is always ready to go" according to Hogeland. His herky-jerky mannerisms on the court make him difficult to defend. He reported to fall practice with an improved outside shot and has gained confidence from a year ago. Hogeland says he must still work on his short "pop" jumper.
Brian Bestul
6-8, 210, Senior
Northwood

Bestul is the UNI center and Hogeland says he moves with the ball better than any center in the league. This mobility makes him a big threat underneath and he takes advantage of it.

Brian came on strong in the latter stages of last season and was a major factor in the team's late surge. Hogeland says he plays better when aroused and must work on being more aggressive.

Joe Ferguson
6-1, 170, Sophomore
Ottumwa

"Little Joe" as he's called is the most complete player on the team according to Hogeland. He gets that distinction from Hogeland on the basis of his superior defensive abilities, although McCoy is rated as a better offensive threat.

Ferguson was a first team all-state guard as a prep at Ottumwa High School and all he needs to reach similar stardom in the North Central is the experience he'll gain by playing.

Tim Hackenmiller
5-10, 175, Senior
St. Ansgar

Hackenmiller is a valuable man on the team although he will probably see most of his playing time in a reserve role. He is extremely aggressive on defense and his fiery play can ignite a rally.

"Hack" is better known for his baseball skills—he has twice been an all-conference performer at shortstop and last year batted a torrid .425 in league competition.

## Dual Season

- **1971-72**
Panthers by Weight

Ken Snyder, the former Waterloo Columbus state champion, has improved considerably according to Patten and is being counted on to be the stopper in this weight. Ken was just 1-2 at 158 pounds last year but appears to have found a home at 150.

Behind Snyder are Saydel freshman Ron Gieseke.

Another person being counted on for a good season is Mike Ott, the Cedar Falls sophomore who missed the entire season a year ago with a knee injury. Ott went 12-5-1 as a freshman and Patten says his potential is great. Behind Ott is Steve Shirk, a junior from Sigourney, who also missed last year with a bad knee. Two others eligible at the semester are Gary Meyers and Tom Knipp.

Look for Tim Balvanz to be the man here although versatile Scott Bartels may see plenty of action. Patten calls Balvanz's potential "good" after going 7-7 as a sophomore. Bartels spent part of last year at 158 and part at 177 but should stick here this season. Both are juniors.

This is one of two weights that Patten is worried about. He has two freshmen in mind early in the season and both could do the job. One is Dan Keller of Stillwater, Minn., and the other is Nick Miller of LaPorte City. There is also a good possibility that one of the upperclassmen may wrestle.

The other problem weight, Patten is hard pressed to even mention.

Johnston, Iowa, football and Iowa Campbell's Randa Gorge should be a solid replacement for last year's national powerhouse. Although they missed a few points on the scoreboard, they were still able to win the conference. The Panthers' success has been attributed to their strong defense and effective passing game.

Vern Allison is back for his senior season and Patten has high hopes for him. The Fort Dodge native was 11-2-2 in the 1971-72 campaign after transferring from North Iowa Community College where he was a third place finisher in the JC nationals. Allison was the North Central Conference champion at his weight a year ago and should be the regular here ahead of Larry Dawson, a sophomore from Des Moines, and promising freshman Dave Cunningham, the 180-pound champion at East Waterloo a year ago.

Dave Nicol will be the 126-pounder and Patten believes he could win a college division title if he can make the progress expected of him. Nicol was 17-3 two years ago but missed the entire 1971-72 season. He has a conference title to his credit and won two state crowns while prepping at Cedar Falls High School. His biggest dual victory was a pin over university division champion Greg Johnson of Michigan State. Dave must beat out another teammate who missed the '71 season, Craig Christensen of Sioux City, also a former state prep champ, and Dave Mulnix, an East Waterloo and North Iowa Community College transfer.

This must be regarded as the Panther stronghold—it's the deepest and most talented weight on the squad. Senior All-American Jon Moeller heads the list. Moeller was fifth in the NCAA Tournament last year after compiling an 8-3 dual mark and Patten believes he is a good bet to improve on that this season. Behind him are Dave Pike, a conference champion as a sophomore and 5-1-1 last year, and two other tough prospects are Westy Division champion Steve Johnson of Moline High School, Dave Miller, a sophomore from Waterloo, and junior college national champion Jim Miller, a sophomore from Waterloo, and junior college national champion Tom Garcia will be forced to work hard to get any of the action. Patten says any of these men might move up to 142 during the season.

Mark Fox, another of the All-Americans on the team, has a grip on the 142-pounder and Patten believes he could win.

Jon Moeller went 8-3 in dual competition a year ago and capped the season with a North Central Conference championship at 134 pounds. He went on to finish fifth in the college division finals. Moeller is one of few seniors on the Panther team and as a result finds himself one of the team leaders.

Mark Fox placed fourth in last year's 142-pound class and he says his goal is to win the NCAA title for two years. That's not bad for a guy who once quit the sport for a month as a freshman at UNI.

Mark Fox is another of West Waterloo High School's state champions and was coached by Bob Siddens. As a junior at West he placed fourth in the North Central Prep conference. Randy Omvig was a state champion in Grove High School and was twice a state meet champion. Fox went 15-5 during the dual season although he admits that he didn't get going until late January.

Among his victims was Cal Poly's Larry Morgan, who placed third in the Olympic try-outs. Mark decisioned him 6-5.

Randy Omvig comes back to the mat after being red-shirted a year. As a freshman in 1970 he won the 190-pound title in the league. His shot heave was 55' 11" and his discus toss soared 164'. Omvig has been on an extensive weight program and is now up to a sturdy 185-pound.

The shoes of the great Mike McGready, the 1972 national champion, are the shoes of the great Randy McGready, the 1972 national champion, and McGready won the league's 190-pound title.

This season he'll be trying to fill that role. His brother, Jay, now a junior at UNI and a member of the Pickle team, is a member of the Division IAA and has capped the season with a North Central Conference championship at 142 pounds. He went on to finish third in the conference with a North Central Conference championship at 142 pounds. Athletic Director

Stan Sheriff is in his third year as director of athletics at the University of Northern Iowa. Sheriff, a 1953 graduate of Cal Poly, is also the head football coach and recently completed his 13th season in that capacity. His teams have always been winners and have won over 60% of their games since he assumed the controls.

No other name is more closely associated with Northern Iowa athletics than Stan Sheriff. He has been the organizer and driving force behind the UNI Athletic Club and has watched its membership soar. He is regarded as one of the finest coaches and administrators in the North Central Conference.

Sheriff and his wife, Jane, have three sons, 14-year-old Paul, 12-year-old Michael and 9-year-old Patrick. Sheriff and his wife, Jane, have three sons, 14-year-old Paul, 12-year-old Michael and 9-year-old Patrick.

To be prepared for the North Central teams that the University of Northern Iowa has long been known for its wrestling successes and the 1972-73 season should not endanger that reputation. Coach Chuck Patten says this squad is potentially better than last season's conference champions and national runners-up, although it will carry a slightly different tint. While the heavier weights were the Panther forte in '71-72, the lighter weights should lead the way this year.

To add to this optimism, Patten has unveiled the best home meet schedule in the school's history. Few wrestling coaches have ever enjoyed the success that Chuck Patten has achieved in his eight years as head coach at the University of Northern Iowa. Patten, 33, is a native of Waterloo, Iowa, and went to the University of Nebraska at Kearney, where he wrestled under Bill Kolff. He went on to win a national championship in 1958-59 (10-0-2) and lost just twice in junior college. He wrestled in the 1960-61 season, also winning a national championship in 1969-70 (28-5-2).

Chuck Patten is married, and the father of two girls. He was named NCAA College Division Wrestling Coach of the Year by his fellow coaches. Patten has coached 37 Panthers to conference championships and six of his men have taken national championships since his appointment in 1964.

Perhaps the greatest tribute Patten has received came in 1969 when he was named the NCAA College Division Wrestling Coach of the Year by his fellow coaches. ### About Northern Iowa

Teacher education remains the chief function of the University of Northern Iowa, but in recent years academic programs have been enlarged to offer degrees in non-teaching fields. In subsequent years following 1967, when the Iowa General Assembly approved university status for UNI, non-teaching degrees added have included the Bachelor of Arts, Bachelor of Technology and Bachelor of Music.

New construction is evident throughout the campus. A new physical education complex opened last year, as did the first phase of a 278-unit married student housing development. The initial stages of a large, modern education center are scheduled to open this fall.

UNI's prowess in teacher education has left its mark on the physical education department, which turns out per capita the largest number of coaches in the state. Evidence of this is apparent by observing the long list of graduates of the UNI wrestling program who are now in coaching.

### Covering the Panthers

North Dakota State, South Dakota State, South Dakota U., and Augustana and Minnesota State, Mankato, are among the schools that have expanded their athletic programs. Other schools are Minnesota State-Highland, Winona State, and St. Cloud State, among others.

A full round of 11 intercollegiate sports are sponsored by the conference and the association. The University retains membership in the National Collegiate Athletic Association and is one of six schools in the North Central Conference.

### Press Information

The Sports Information Director at Northern Iowa is Rod Williamson, who has been with the Panthers for the last three years. He has made it a point to keep the media informed about the athletic program.
