About UNI

Teacher education remains the chief function of the University of Northern Iowa, but in recent years academic programs have been enlarged to offer degrees in non-teaching fields.

In subsequent years following 1967, when the Iowa General Assembly approved university status for UNI, non-teaching degrees added have included the Bachelor of Arts, Bachelor of Technology and Bachelor of Music.

New construction is evident throughout the campus. A new physical education complex opened last year, as did the first phase of a 278-unit married student housing development. The initial stages of a large, modern education center are scheduled to open this fall.

UNI's prowess in teacher education has left its mark on the physical education department, which turns out per capita the largest number of coaches in the state.

This brochure compiled and edited by the Northern Iowa Sports Information Office, Rod Williamson, director.
The 1973 Northern Iowa track team should be on a par with the third place conference finishers of 1972 according to Coach Jack Jennett.

Gone from a year ago is shot putter-discus thrower Mike McCready, a two-sport All-America, and his absence means that the Panthers will need to find new ways to score the points he generally earned.

Despite his loss, and that of several top underclassmen due to injury and academic ineligibility, Jennett believes some newcomers will take up the slack.

One such rookie is Mankato State transfer Mark Chardoulais, a sophomore long and triple jumper who looked strong in the indoor season. Another top addition should be West Waterloo freshman Scott Noltensmeier, who will run the hurdles.

The headliners for the upcoming season should be distance All-America Rich Twedt, a junior from Des Moines, sophomore sprint ace Dennis Roloff of Cedar Rapids, middle distance co-captain Dennis Schultz of Manchester, versatile junior Kent Wessely of Waterloo and weight man Ken Schwartz, a sophomore from Beaver Dam, Wis.

Potential sore spots in Jennett's roster appear at javelin, where no one has yet emerged as the top man, and the pole vault, where inconsistency hurt during the indoor season.

The premier attraction of the season will occur April 21 with the 50th running of the Dickinson Relays. A long-time attraction in northeast Iowa, this year's meet will take on even bigger significance due to its half-century birthday.

Early indications point to an exceptionally large and talented field. Other plans include a special banquet following the day's events in which, among other things, the top individual performer for each of the five decades concerned will be selected.

The 50th annual Art Dickinson Relays will be one of the highlights in the history of Northern Iowa track as it has always been one of the feature attractions in Northeast Iowa.

This year's half-century anniversary running will occur April 21 with morning preliminaries beginning at 9 o'clock and the afternoon session beginning at 1:00. Because of the significance of 50 years, UNI officials are planning some special events during and after the day's events.

Special guests will be the immediate family of Art Dickinson, the longtime UNI track coach and staff member for whom the relays are named. In the evening, a relays banquet is being planned.

At this banquet an "Athlete of the Decade" for each of the five decades of the Dickinson Relays will be named and honored. There is no doubt that choosing the top athlete from each 10 years of outstanding athletes is a tremendous task.

Another feature of the banquet will be the displays of old trophies, pictures and memorabilia that have been collected in the years since the 1923 origin.

All this, plus more to be announced later, will make this one of the midwest's top track attractions this season.

1973 Panther Tennis

Prospects

Coach Pete Mazula thinks the 1973 Panthers will be better than his last year's team which recorded a nifty 22-2 record and won the conference championship.

Balance is the key to the optimism with at least six players expected to make a strong contribution. Clinton senior Larry Jacobsen should be the No. 1 player with Bob Andres, a junior from Waterloo East, the No. 2 man. From that point it's a toss-up between Derrick Iles, Steve McKinstry, Bob McCartney and Randy Krecji for the third through sixth positions.

Jacobsen had a 16-5 overall record last year, Andres was 21-1 and has a 2-year unbeaten string in doubles play and Iles was 20-0 at the No. 5 spot last year.

The schedule is tougher than before

and includes a 10-day spring trip to Florida and Mississippi.
