FPAC!

The Fine & Performing Arts Collection (FPAC) has much to offer. You don't need to be an art, music, or theatre student to take advantage of the extensive collection of CDs, LPs and DVDs. The Rod Library Art Collection, on display throughout the Library, is also part of the FPAC. It is a unique collection focusing on themes and artists connected to UNI, Iowa, and the Upper Midwest.

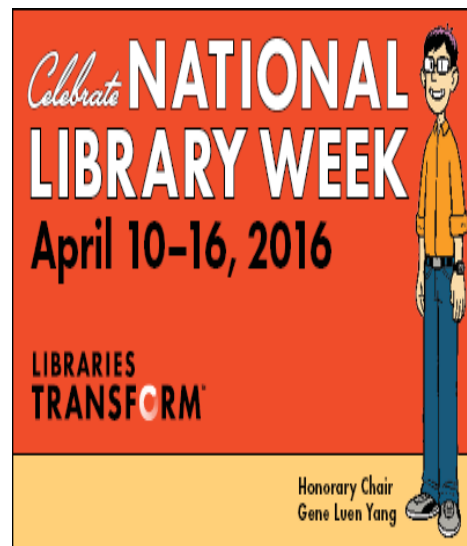

The Fine & Performing Arts Collection also provides opportunities for artists and performers to showcase their work. Visual artists can display their work on the Learning Commons Exhibition Wall and in the Modest Modern display case. Music and theatre performers can schedule concerts and shows under Dichotomy. In fact, there are three concerts happening this month: April 7th and 21st at 4pm and noon on April 27th. Stay tuned to the library homepage and our social media for more information.
