## Stormwater Pollution Prevention Plans - What You Need to Know

Managing all the environmental regulatory compliance activities for your business can be a full-time job in itself. Luckily, you don't need to be a regulatory expert, we're here to help! This month's feature is something that must continually be an accurate representation of your operations and be reviewed at least annually - a stormwater pollution prevention plan (SWPPP).

- What is a SWPPP?
- What businesses are required to have SWPPPs?
- What do SWPPPs entail?
- How often do SWPPPs need to be updated?
- Do I have to submit my SWPPP to the Iowa DNR?
- Do I have to hire a consultant to develop my SWPPP? [Read More](#)

## IWRC Launches Brewery Certification Program

Earlier this month, the IWRC attended the Iowa Brewer's Guild i-BEST event to officially launch the Iowa Green Brewery Certification. Through the program, Iowa craft breweries receive free technical assistance, hands-on guidance, and certification to benchmark their environmental and sustainability efforts. [Learn More](#)

## ICYMI - New Small Business Liaison for IDNR Air Quality

Christine Paulson is the new Small Business Liaison for air quality at the Iowa Department of Natural Resources, effective November 1, 2016. Responsibilities of the Small Business Liaison include providing technical referral assistance to small businesses, facilitating resolution of complaints from small businesses regarding DNR's implementation of the Clean Air Act, and providing assistance to the Air Quality Bureau in developing and coordinating outreach assistance to small businesses for implementation of air quality regulatory requirements and programs. Christine may be contacted at 515-725-9510 or [Christine.Paulson@dnr.iowa.gov](mailto:Christine.Paulson@dnr.iowa.gov).
