Stan Sheriff

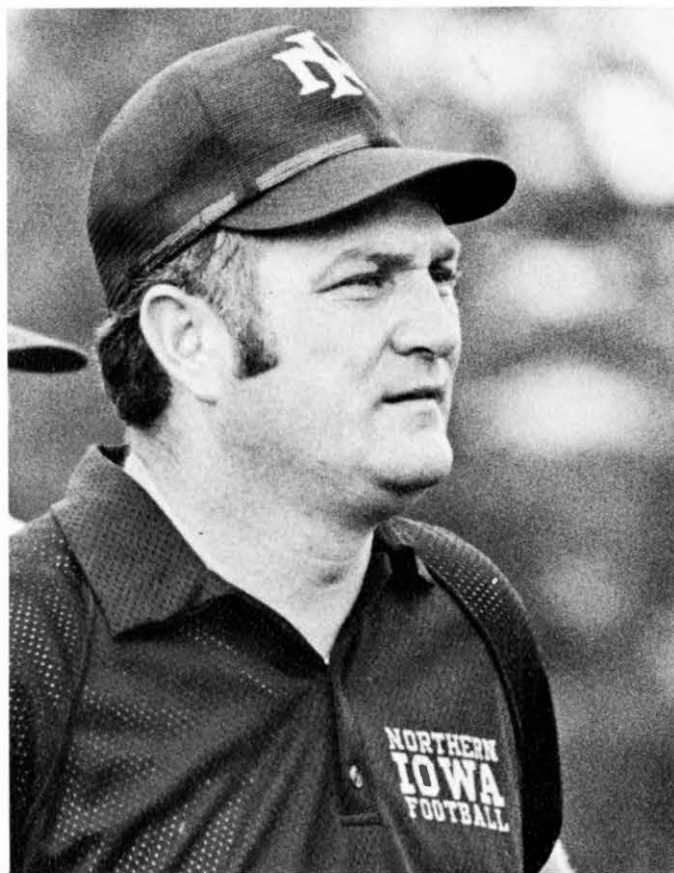

Head Coach

Director of Athletics

Stan Sheriff has the University of Northern Iowa football program on the move as he enters his 14th season as head coach.

The 41-year old San Francisco native has had a highly successful 13-year record of 72-51-2, winning nearly six of every ten games in that period. However, the North Central Conference championships that he claimed so often earlier in his career have not found their way to the Cedar Falls campus in recent years and Sheriff is out to rectify the situation.

Without doubt, he is one of the busiest men in town. In addition to his coaching responsibilities he also is director of athletics and has seen the Panther program win the league's all-sport title the past two years. In his dual role he also is one of the keys to the planning of the upcoming UNI-Dome, the all-purpose coliseum that will serve as the INDOOR home of Panther football shortly.

Sheriff first came to UNI as an assistant coach to Bill Hammer in 1958 and took over the reins in 1960—producing an unbeaten bowl team in his first season. In addition to that NCC title he won three others—the last being the 1964 team which also won the Pecan Bowl.

A 1954 graduate of Cal Poly, Sheriff has coached six first-team All-Americans and 37 all-conference players. His North Central record is a fine 49-23-1 with only North Dakota State holding an advantage over him.

Sheriff was an outstanding football player in his own right. He was a first-team All-American in 1953 as an offensive center and was one of the first college-division athletes invited to compete in the East-West Shrine and Hula Bowl Games. He also played three years as a line-backer in the National Football League.

A United States Army veteran of two years, he also has a masters degree from Cal Poly in 1958. He is currently a member of the National Collegiate Football Rules Committee and is a trustee on the national Pop Warner Football board.

He is married and has three sons.

Assistants

Offensive Linemen

Don Erusha, a 1953 graduate of Coe College, directs the Northern Iowa offensive line. Since coming to UNI from Coe in 1963, he has had responsibilities with both the offensive and defensive units and has consistently developed top-flight linemen—including first team All-American Ray Pederson in 1967.

Don, married with one daughter, previously coached in the high school ranks at West Union, West Branch, Mt. Clemons, Mich., and Cedar Rapids Washington in addition to his Coe coaching tenure.

His longtime experience makes him just the man to handle the difficult assignment of molding the offensive line into a cohesive unit.

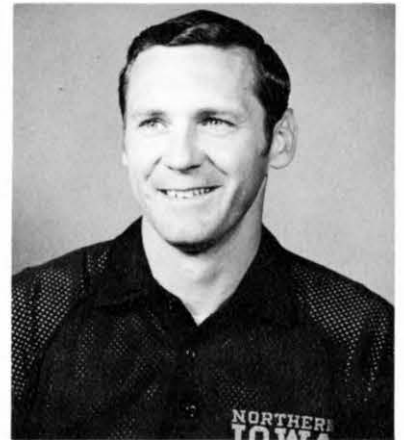

Don Erusha

Defensive Line—Linebackers

Dennis Remmert begins his tenth year on Sheriff's staff, this year in charge of the defensive line and the linebackers.

"Rem" was an All-American in his playing days at Northern Iowa as a tackle. He graduated in 1959 and played briefly with Buffalo in the professional ranks. He served as a student assistant under Sheriff in 1961 and 1962, then coached at Iowa Central Community College for a year before returning for the Pecan Bowl year of 1964.

He and wife Sandy have two young sons.

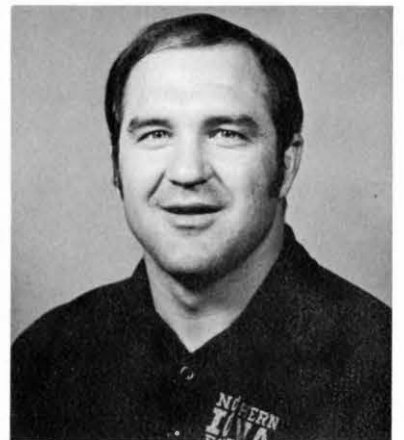

Dennis Remmert

Defensive Backs

Dan Boals was twice named the conference's outstanding back and was a first team All-American in 1962 as a fullback under Sheriff. He still holds several UNI rushing and scoring records.

Dan moves from offensive to defensive backfield coach this fall in an effort to emphasize the defense. There he will have a tough assignment in trying to blend experienced returnees with talented but untested newcomers.

Boals coached at Charles City and Waterloo West High Schools prior to returning to UNI in 1971. His record at West High was an impressive 21-5-1 and had his teams ranked among the state's best.

Dan Boals

Graduate Assistants

Dennis Kettner

Denny begins his second year as a graduate assistant and his talents are evident in that he has been given responsibility of the offensive backs. A 1969 graduate of UNI, he was a star fullback and tight end in his playing days. He is married.

Mike Barnes

Mike is entering his first year as a graduate assistant on the UNI football staff. He comes to Cedar Falls from Cornell College in Mount Vernon.

Backs Key to 1973 Prospects

By Rod Williamson
Sports Information Director

The story may be becoming a cliché but it remains an accurate description of the Northern Iowa outlook for 1973—a strong team will be matched against a demanding schedule. This marks the 75th football season at UNI and the .571 winning percentage testifies to the Panther tradition.

The 1973 Panthers have the potential and Coach Stan Sheriff is hoping to ignite the fuse that will set them off against a list of opponents that includes from 1972 a nationally ranked non-conference foe (Western Illinois), a Missouri Valley co-champion and Pioneer Bowl participant (Drake) and three North Central teams that recorded 9-1 marks and were also nationally rated (North Dakota, South Dakota and North Dakota State).

Sheriff is taking the low key approach in discussing his 14th Panther squad. "I believe we'll have a good football team," he says. "We had a successful spring practice in that we went a long way in finding replacements for our graduated seniors and we believe we had a very good recruiting year."

The heart of the 1973 Panthers will be found in the offensive backfield where Sheriff is blessed with the return of every back of a year ago—which means depth and talent.

Junior Jim O'Donnell showed in the spring that his sophomore experience as the No. 1 quarterback paid off and he enters the fall in that role again. Smooth sophomore Bill Salmon propelled himself into the No. 2 position ahead of several other strong candidates.

The running backs include Scott Swartzendruber, last year's top rusher with 547 yards; Pat Batten, a junior, like Swartzendruber, who was leading the rushers until sidelined by injury; Dave Hodam, the speedy senior who is dangerous in the option offense; Andrew Rainey, the senior who came out of the weeds last year to surprise

nearly everyone with his fine talents; Larry Martin, a junior who rushed for 119 yards in the spring game and a host of newcomers.

The offensive line was a pleasant surprise in the spring with apparent replacements found for three graduates. Senior center Steve Lounsberry and junior guard Charles Frisk are the returning starters with Dennis Harms, Gary Meyers, John Aldrich, Dave Skibsted and Mike Timmermans the top contenders for the three vacant positions.

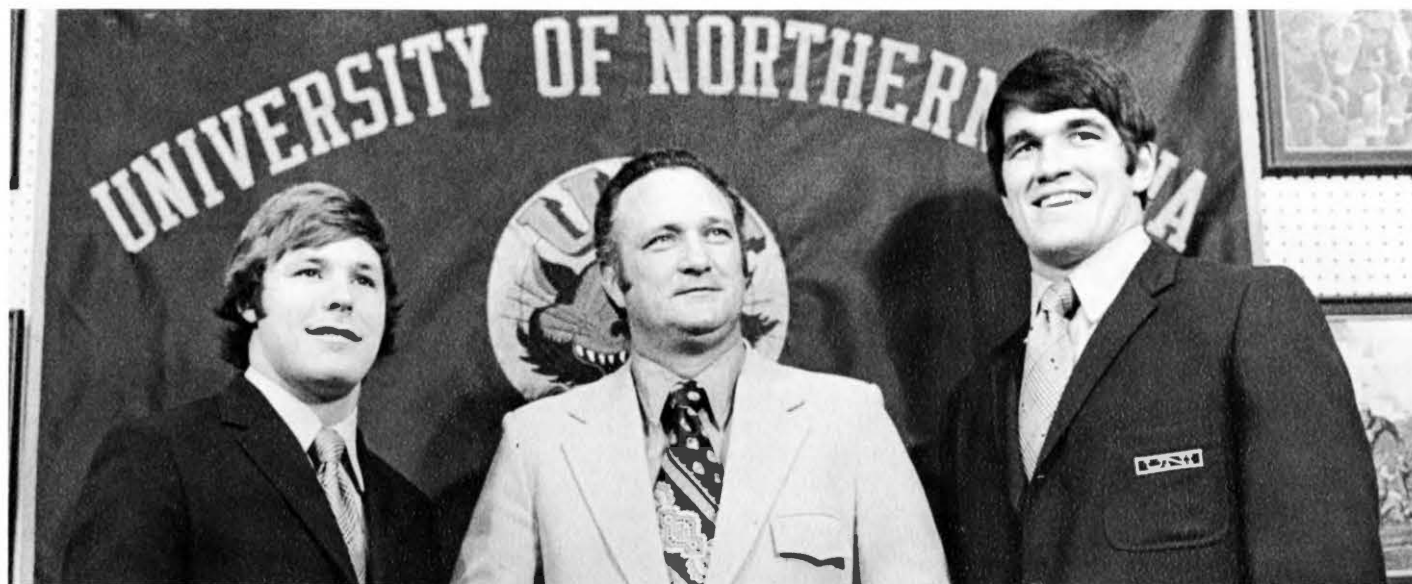

The defense has two stick-out leaders—free safety Mike Woodley and nose guard Scott Sickles—both seniors. Woodley is a two-time all-conference pick while Sickles, after his outstanding spring, could be the best all-around player on the 75-man team.

Rounding out the defensive line are tackles Dick Blau and Ed Brown—both considered "sound"—and defensive ends Tom Moorhouse, Jay Moeller and Jim Campbell. Linebackers are headed by sophomore Paul James, one of the NCC's best freshmen last year, and senior Frank Metzger. Junior college transfer Clarence Daniels should help at tackle.

Woodley's secondary mates are strong safety Nelson Converse and cornerbacks Jim Thomas and Ron Dodd. Like the offensive line, this unit was also a nice surprise in the spring.

The place kicking duties, which were shared by several last year, have been assigned to Iowa State transfer Kriss Smith, who should more than fill the bill. Jim Fransen will succeed the great Mike Butler as UNI's punter but he, too, should be a more than adequate replacement.

"We are striving to return to the top of the North Central," Sheriff says, "and we believe we are improving with each year. We have fine young talent on the squad and the future of Northern Iowa football has really never looked brighter with the colossal UNI-Dome just a year or two away. We are moving forward because, after all the program that stands still goes backward."

Head Coach Stan Sheriff is flanked by captains Mike Woodley (left) and Steve Lounsberry.

The Newcomers

The incoming freshmen and transfer students recruited by Sheriff and his staff could be one of the best new groups of late on the UNI campus. If few names ring a bell, there is a good reason—heavy emphasis was placed on offensive and defensive linemen where it is difficult to achieve wide acclaim.

Among those who could be a major help this fall are Waldorf Junior College transfer Clarence "C.D." Daniels, a 240-pound defensive tackle who could be a starter. He was twice all-conference in the jc ranks.

Other prime recruits include Dale Blaha and Wayne Fry of Cedar Rapids Jefferson's state champions, burly Jim Spahn of Lincoln, Neb., Cedar Falls' all-state center Mark Uhlman, Waverly tackle, wrestler and shot putter Dallas Dieke and 6-6 tight end Chris Ligocki of Racine, Wis.

Among the backs are several potential stars. They include 5-8, 195-pound Tom Scallissi, called the best to come out of the Janesville, Wis., area in many years; Barry Alston, also a baseball star, of Waukegon, Ill., Dave Stewart of Racine, Wis. and Pat Eisenmenger of Cherokee.

Twenty-eight newcomers will be on hand August 19 when fall practice begins and, of course, any or all could see action during the season. The large number, however, indicates again the youthful nature of the 1973 Panthers and just could be another warning to future opponents that Northern Iowa football is on the move.

About UNI

Teacher education remains the chief function of the University of Northern Iowa, but in recent years academic programs have been enlarged to offer degrees in non-teaching fields.

In subsequent years following 1967, when the Iowa General Assembly approved university status for UNI, non-teaching degrees added have included the Bachelor of Arts, Bachelor of Technology and Bachelor of Music.

New construction is evident throughout the campus. A new physical education complex opened in 1971, as did the first phase of a 278-unit married student housing development. A large, modern education center opened its doors in 1972 and shortly afterwards work began on an addition to the library.

Perhaps the most exciting construction in the near future will be the multi-purpose UNI-Dome, a 12,000 seat coliseum that in addition to other functions will be the indoor home of Panther football. The fund drive for the UNI-Dome has passed the three quarters mark and ground breaking is hoped for by 1974.

UNI's prowess in teacher education has left its mark on the physical education department, which turns out per capita the largest number of coaches in the state. Evidence of this is apparent on page 17 of this guide, which lists graduates of the UNI football program who are now in coaching.

Maintenance of a well-rounded intercollegiate athletic program is of primary interest to the UNI staff. The success of this endeavor is indicated by the fact that Panther teams have won the conference's all-sports trophy in two of the last three years.

The University retains membership in the National Collegiate Athletic Association, and is one of eight schools in the North Central Conference. A full round of 11 intercollegiate sports are sponsored by the conference, and have championship events. Other schools are Mankato State, Morningside, Augustana, South Dakota U., South Dakota State, North Dakota U. and North Dakota State.

Athletic Administration

Dr. William Thrall is the head of the department of intercollegiate athletics and physical education, succeeding Jim Witham in 1970. The 44-year old Thrall was a 1951 graduate of the University of Wisconsin-LaCrosse and was selected for inclusion in Who's Who in American Colleges and Universities.

He received a masters degree from Colorado in 1954 and his doctorate from Iowa in 1960. From 1954-1959 he was head swimming coach and physical education instructor at Kansas State University. He also served for two years in the United States Army. Thrall is a widower with three children.

Dr. Raymond Schlicher became Northern Iowa faculty representative in 1962. A native of Centerville, Ia., he taught in several Iowa high schools before moving to the University of Iowa as senior personnel counselor. He came to Northern Iowa in 1949 as an assistant professor in education and from 1951-1958 he was the Director of the Placement Bureau. In 1958 he be-

came Director of Extension and Placement and in 1962 he assumed his present post as Associate Director of Field Services and Director of Extension.

Dr. Schlicher holds a bachelor of arts degree from Iowa Wesleyan College and masters and doctorate degrees from the University of Iowa. He is married with three children.

Rod Williamson enters his second year as sports information director. A native of Parkersburg, Ia., Williamson was a 1972 graduate of Iowa State University, where he served as an assistant in the sports information office for two years. His 1972 ISU wrestling brochure received national recognition.

Williamson, 23, was sports editor of the Iowa State **Daily** for one year and also served as a correspondent for the Des Moines **Register** and Waterloo **Courier**. He is married with no children.

Jim Rudd begins his second year as Northern Iowa's first full-time athletic business manager. A 1969 graduate of UNI, he was an all-North Central Conference and All-American selection as a defensive lineman during his playing career.

Rudd, 25, served for two years as a graduate assistant on the Sheriff staff. Under his present post he directs both the athletic business and athletic ticket offices. A native of Sac City, he is married with no children.

Elmer Kortemeyer, head trainer at UNI for eight years, is a 1957 graduate of the University of Wyoming. A registered physical therapist, he received his certification from the University of Colorado in 1952 and his masters degree from Wyoming a decade later.

Kortemeyer coached football and basketball in the Wyoming high school ranks for four years. He is a native of Waterloo, married and has four children.

Where Are They Now?

One of the true prides of the Northern Iowa athletic department is the large number of coaches it produces for the high school and college ranks. The following 118 men are former football players under Coach Stan Sheriff who have since received their degrees and are now coaching.
