USCIS (United States Citizenship & Immigration Services) Scam

In this scam someone claiming to be from USCIS calls a student and tells them they had improperly entered the US and needed to update their record. The caller tells the student they had sent several notices to his home country. After some investigation, this is what was discovered: <http://complaintwire.org/complaint/om71mmNI9AY/call-from-202-697-9674-stated-department-of-homeland> USCIS will never ask you for money over the phone. It is rare that they will phone you directly. Almost all requests for information will come in the mail with a date for you to respond by.
