Youth Plays Big Role

In 1974-75

If winning seasons and North Central Conference championships are won by experience, superstars and flashy basketball, count UNI out this season. In fact, the Panthers lack all those ingredients and depend on youthful enthusiasm and hard work to key any success in the '74-'75 campaign.

Coach Jim Berry begins his second season in charge of another inexperienced, green cage squad at UNI. With two seniors returning, the Panthers become more reliant on underclassmen for the bulk of their support.

A bright spot is UNI lost no one to graduation and is renovating a group of people into a possible contender. Seven lettermen are back, making the Panthers not completely void of experience. Two starters from last season help stabilize the otherwise rookie roster.

"We're young again this season, but some of our freshmen last year should help out after getting quite a bit of playing time," says Berry. "But the thing which is essential for our ballclub is to find a team leader. This hurt us last year."

Likely candidates appear to be senior guard, Joe Ferguson (6-2, 175) and Bill Runchey (6-6, 210), a junior forward. Ferguson led Panther scorers with 323 points and a 12.4 average. Runchey finished 1973 as UNI's top rebounder, snatching 169 caroms and second in scoring with 257 points for a 9.9 average.

Support has to come from guards Greg Goodman (6-1, 170), Bill Barnhouse (6-2, 175), and University of Iowa transfer Mark Welsh (6-4, 180) who alternates between forward and the back court. Nic Classick (6-6, 220) should see action at forward along with senior Jim Davis (6-5, 180) and Randy Podhaski (6-6, 200) at forward and center. Jim Riggert (6-8, 205) is slated for action at the pivot, with Doug Johnson (6-9, 210) and Mike Roberts (6-7, 200) also providing depth under the boards.

Goodman, Barnhouse, Podhashki, Riggert and Johnson are sophomores with game time last season, while Welsh and Classick are both juniors.

Freshmen are Gene Wiley (6-1, 160), Steve Miles (5-10, 160) and Reggie Butler (6-2, 175) at guard and Phil Rilett (6-6, 205) at forward.

Berry is hopeful some of his younger players will mature this season after a year's experience under their belt. "A big win would help our squad tremendously and give us some confidence to make up for lack of experience," he says.

The Panther coach feels North Dakota, North Dakota State and Augustana will be the strongest contenders for the conference crown, with everyone else in a dogfight to remain close.

UNI utilizes a passing, single post offensive strategy, coupled with a man-to-man pressure defense which can afford the Panthers to play a running game when the opportunity arises.

If newcomers and younger players can jell quickly enough, UNI could pull some surprises this season. A lot will depend on how the Panthers can pull themselves together as a team because other things like experience won't be the secret this season.

One thing for sure. UNI has a spirited ballclub and with a few breaks could become a nuisance on opponents' schedules.
Beginning his 2nd season directing the Panthers is Jim Berry who took over a difficult task with the UNI basketball program last season. A young and inexperienced squad posted a disappointing 4-22 season, but Berry is the type of person who can turn things around.

He's certainly got the credentials for it and his pleasant personality and positive attitude are points this season's team looks to for leadership.

A native of Waterloo, Iowa, Jim was a two-time All-American cager at Creighton in the late 1950's. After graduating in 1960, he began his coaching career as Creighton's assistant basketball and head baseball coach until 1962.

After spending two years in the armed forces, with Berry military teams posting a fine 41-11 record, he moved into the high school ranks. In five years at Waterloo Columbus, Berry directed several state-ranked cage squads and established a 64-36 record.

Moving on to Loras College, Berry coached the Duhawks to a 56-41 record over three seasons which included three NAIA playoff teams before coming to Northern Iowa.

With one season at UNI behind him, the 37-year old Berry is optimistic for a turn about by the Panthers.

Berry and wife Mary Gene have three boys and one girl. David, 15; Michael, 10; Jeffrey, 9 and Kelly 13.

The Assistants

Breitbach - Starting his second campaign under Berry as his No. 1 assistant is Dan Breitbach, who played under him at Loras College for three seasons. Serving as the Duhawks' team captain his junior and senior years, Dan became a member of the Loras 1,000 point club, graduating in 1972.

A Dubuque native, Dan graduated from Wahlert High in 1968 before going to Loras. He taught at Hempstead High and served as assistant basketball and head tennis coach before becoming Berry's assistant last season.

Dan is 24 years old and is working toward his Master's Degree in physical education.

Kelly - Joining Berry's staff this season after graduating from Loras last spring is Jim Kelly. Kelly became Loras' 3rd all-time leading scorer with 1717 points and was honorable mention All-America. He was a 10th-round draft choice of the Cleveland Cavaliers of the NBA.

Besides playing under Berry at Loras, Jim also starred on his high school squad at Waterloo's Columbus High where he was an All-State selection his senior year.

The 22-year-old Waterloo native is also working on his Master's in physical education.

Corken - Dan Corken comes to UNI after serving as Loras College's assistant basketball coach last season. Like Breitbach and Kelly, Dan is a former pupil of Berry's at Loras. He played three seasons for the Duhawks and was a co-captain his senior year.

Another physical education major working toward his Master's Degree, Dan hails from Dubuque. He's 24 years old and graduated from Loras in 1973.

Good hustler and mobile for size, Mike is a biology major undecided on his career plans.

RUNCHEY, WILLIAM - (6-6, 210) Junior forward, West Bend, Iowa. A real mainstay for the Panthers last season, Bill returns a lot of needed experience and talent. He was second in scoring last season with 257 points and a 9.9 average and led the squad in rebounds with 169 for a 6.5 average. Hopefully can provide needed leadership this season. Only a junior, he’s seen varsity action regularly the past two seasons. Earning 12 letters in basketball, football, baseball and track at West Bend High, Bill was All-Conference three times in basketball and twice in football. One of seven children, Bill majors in recreation.

WELSH, MARK - (6-4, 180) Junior forward-guard, Iowa City, Iowa. A welcomed transfer from Iowa, Mark challenges for a starting forward spot and can also play guard. Berry is excited about this youngster and he could become a big factor in helping turn things around for the Panthers. Twice All-Conference in basketball at Iowa City High, Mark scored over 100 points in three consecutive games as prep. A real hustler, fine shooter and rebounder, Mark combines excellent scholastic achievement with athletics. He majors in business education.

WILEY, EUGENE - (6-1, 160) Freshman guard, New York, N.Y. All the way from New York City, Gene gives additional support at the guard spots. Berry speaks highly of this newcomer. He is a quick, speedy youngster with great potential. Earning seven letters in lacrosse, basketball, and cross country. Gene was twice captain, MVP, three-time All-State and All-American as prep cager for Hinckley High. One of ten children, he brings outstanding credentials. A fine student majoring in biology, Gene plans a career in medical technology.
Athletic Director Stan Sheriff

Keeping busy is no difficult task for UNI’s Athletic Director Stan Sheriff. In his 5th year directing the Panther Athletic program, Stan assumed this responsibility in addition to already being Head football coach from Dr. James Witham in 1970.

Recently completing his 15th season in charge of the Panther football squad, Stan has compiled an impressive 82-60-3 overall record after this season’s 5-4-1 finish. During his tenure, Stan has won four North Central Conference Championships, taken the Panthers to post-season bowl contests twice, coached 11 All-Americans and placed many players on North Central Conference teams.

Born April 24, 1932 in Honolulu, Hawaii, the 42-year-old considers San Francisco his hometown where his mother still resides. He was an All-American center in 1953 at Cal Poly and became one of the first college division players ever to participate in the Annual East-West Shrine All-Star game and the Hula Bowl.

Receiving his Bachelors Degree in 1954 and Masters in 1958 from Cal Poly, Stan played professional football for the 49er’s, Rams, Steelers and Browns of the NFL and is a veteran of the U.S. Army.

The personable, youthful Sheriff holds positions on the NCAA Football Rules Committee, the American Football Coaches Public Relations Committee and is a regional member of both the NCAA Football and Baseball Post-Season Selection Committees.

Sheriff has guided UNI to three straight North Central Conference All-Sports titles the past three years in a balanced 10-sport athletic program. If these duties along with his football responsibilities don’t keep him busy, Stan has become a great force and enthusiast in forming the brand new UNI-Dome facility into a reality.

A busy man interested in making UNI a greater university, Stan Sheriff is constantly on the move promoting Panther athletics.

Stan and his wife Jane have three sons, Paul, Michael and Richard. The Sheriffs reside in Cedar Falls.

University of Northern Iowa

The University of Northern Iowa is relatively new in name but the school itself is nearly 100 years old. Created by the Iowa General Assembly, the university opened in 1876 as Iowa State Normal. In 1908, the name was changed to Iowa State Teachers College and under this name the school attained a national reputation as a leader in the field of teacher education. In 1961, the name was again changed to State College of Iowa and six years later attained its present name.

Teacher education remains the chief function of the university, a wide-ranging program of non-teaching courses, including professional training in business and science-related areas, are now offered.

The school has grown from its original 40-acre site to more than 40 buildings and 600 acres. New structures include the Union, science building, music building, Towers residence and dining complex, the physical education instructional center, the modern education center and an addition to the library.

UNI's prowess in teacher education has left its mark on the physical education department, which turns out per capita the largest number of coaches in the state.

Maintenance of a well-rounded intercollegiate athletic program is of prime interest to the UNI staff. The success of this endeavor is indicated by the fact that Panther teams have won the conference's all-sports trophy the last three years.

The University retains membership in the National Collegiate Athletic Association and is one of eight schools in the rugged North Central Conference — America's premiere college division league. A full round of 11 intercollegiate sports are sponsored by the conference and all have championship events.

The UNI-Dome

A brand new home awaits the Panther cagers in 1975 with the UNI athletic department moving into the Midwest's first domed stadium — THE UNI-DOME!

The covered arena will allow indoor football, basketball, wrestling, track, gymnastics and tennis. Groundwork began in July of 1974 and completion is set for fall of 1975. A translucent, teflon-coated fiberglass roof is supported by air pressure from within the Dome. Initial seating will be just over 8,000 and expansion to accommodate around 19,000 spectators in the completed facility.

The structure will have a completely removable artificial gridiron surface which can be rolled up in 45 minutes revealing a base surface able to provide a floor for other events such as concerts, conventions, etc. besides athletic contests.
