## ABOUT THE ARTISTS

**If + When** are a contemporary music duo devoted to creating new sonic and artistic possibilities through the percussive arts. By working with composers from various countries, personalities, and walks of life, If + When work to expand the classical music repertoire with the inclusion of world music, spoken word and theatrics into each of their lively and colorful performances. Through engagements at academic institutions and public performing/art spaces, they strive to bring their work to both future artists and patrons alike.
