Welcome Reception for New and Returning International Students

It's time to celebrate! Join other new and returning international students to celebrate the start of a great semester on Sunday, August 25 at 6 pm. President Ruud will also be in attendance. There will be appetizers, drinks, and plenty of time to meet people. Students are encouraged to wear their traditional clothing.

International Friendship Program Student Applications Due Today

The International Friendship program was created to build relationships between UNI students and local families in the community. The goal of this organization is to promote cultural exchange between international students and American host families. Students who apply for this program are seeking to learn more about American culture by becoming a part of family and finding a home away from home. Families volunteer to host an international student as a way to learn about the student's country and to build a friendship. Student applications are due by 5 pm today to the Office of International Programs at Gilchrist Room 28. Reminder: participation in this program is voluntary.

International Bank Payments Using peerTransfer

The University of Northern Iowa has partnered with peerTransfer for a more cost-effective method for international students to wire funds from their home country bank to the university. Students will be offered excellent exchange rates allowing them to pay in their home country's currency (in most cases) and save a significant amount of money compared to traditional bank wire costs. The posting of your payment to the University will be faster, students will have the ability to track their payment and peerTransfer will notify students when the University has received their payment. Go to <https://peerTransfer.com/signup/uni> to register and then follow the instructions to make a payment. UNI U-bills are due today, August 23 but late fees will not be assessed until August 30.

ISSO Office Has Moved

The ISSO Office has moved to our temporary location in the Biology Research Complex, Room 50. Our phone numbers will remain the same. The Biology Research Complex can be located by crossing University Avenue at the intersection of College Street and University Avenue, the BRC is the first building on the right. Please use the outside entrance on the north side of the building. There is also convenient B parking close to the building.
