1975 PANTHER OUTLOOK

When five of your six All-Americans exit from the 1974 North Central Conference Championship team which placed 5th nationally, there are bound to become a few holes left for patching.

This unenviable task faces veteran Coach Jack Jennett as he tackles a rebuilding job to mend hard-hit areas in order to challenge for a repeat of league supremacy this spring. The raw talent appears there, now the question is can it develop into championship calibre quickly enough?

Most vulnerable areas are the distance events where All-Americans Dennis Schultz and Rich Twedt leave large vacancies in the 880, 1,000, 1, 2, 3 and 6-mile runs. The pair holds eight indoor and outdoor distance marks, including Schultz' 4:03.7 mile from 1974 which won the NCAA Division II title.

Ron Peters, Steve MacTaggart, Bob Connell and Fred Schultz are best bets to fill the spikes of these two superstars, plus help coming from freshmen Dave Coppock, Dale Doyle and Bob Friedman.

Jamie VanNostrand is potential All-American material in the 3,000-meter steeplechase and holds the school record with a 9:29.2 time.

Sprints seem the most solid part of the Panther thinclad squad in 1975, with UNI record holder Dennis Roloff heading the speed contingent. Roloff holds school marks in the 300-yd. dash (31.6) and 600-yd. run (1:12.7) indoors and the 440-yd. dash (46.8) outside.

Roloff combines with Rick Freeburg, Steve Mott, Keith Schmidt and freshmen Tom Clary and Terry Brennan for sprint chores and for relay membership.

Other speed merchants counted on for support include Tim Jones, Jim Tatman, Mark Unger, Mike Froehle and freshmen Gene Nelson and Ted Wells.

Field events are headed by Schmidt, school record holder in the pole vault both indoors (15-3) and sharing the outdoor mark with graduated Steve Ford at 15-0. Freshman sensation John Holler is top shot put performer after becoming the only Panther to win an individual indoor NCC title this winter, with a toss of 51-7½.

Ken Schwartz is another key weight thrower in the discus, hammer and shot, while Doug Reeves looks strong for javelin hopes. Senior Mark Chardoulis is a fine long and triple jumper, along with Ken Jackson who holds the outdoor long jump mark with a 24-½ leap. Jackson is also a big threat in the hurdles, along with Darwin Wissink and Joel Rogers.

Cage star Randy Podhaski was the Panther's main high jump hope, but decided to concentrate on his basketball talents instead. Responsibilities now lie on the shoulders of Jim Nichols, Steve Little and Duane Maupin.

All-American decathlon star and school record holder Bill Cook broke a leg early during the indoor season and his status is questionable for outdoor duty.

"Our success depends a great deal on how well we overcome some indoor season injuries and the kind of support we get from our freshmen, who have to fill some pretty big roles this season," notes Jennett. "If they perform up to potential and our veterans provide the type of leadership I expect, we'll be right in there for the conference title."

Can UNI win their third straight outdoor NCC crown? Only time can tell!

THE COACHES

HEAD COACH JACK JENNETT decided to grab UNI's track and cross country reigns 13 years ago and ever since the fall of 1962, Panther harrier and cinder teams have experienced nothing but success.

The record speaks for itself--11 North Central Conference track crowns (six outdoor and five indoor) and one cross country title in 1964. Jennett-tutored athletes have put UNI in the national limelight by earning 19 All-American honors in track and six via cross country.

After a standout prep career at Sac City High, Jennett attended Drake for his collegiate career, where he was a member of the Bulldog football and track teams. He received three letters in football and track at Drake and captained the grid squad as an offensive guard his senior year, after playing every ball game but his first in his sophomore year. His track talents won the Central Collegiate Championship in the pole vault his senior year.

Graduating in 1953 with a B.A. Degree in Physical Education, Jennett stayed with the Drake football team as a graduate assistant before heading to Lake City as head football and track coach in 1954. His Lake City track squad won both the Class B indoor and outdoor crowns in 1955.

From Lake City he went to Morningside College as head track coach and assisted for the football team from 1955 to 1960. In 1961 he moved to Buena Vista College where he was head football and track coach until 1962. This same year he returned to Drake, earning his master's in physical education.

The rest is history as he became one of the most successful Division II harrier and thinclad mentors in the midwest.

Jennett returns to his college alma mater this spring as head decathlon referee for the prestigious Drake Relays (Apr. 25-26).

He and wife Myrna have three daughters; Pam and Wynn are both married and Lori, 17 is still at home, residing in Cedar Falls with her parents.

ASSISTANT COACH RICK WITT grew up in the bluegrass country of Kentucky before moving to Waterloo during his high school days.

He earned letters in cross country and track at West High and after graduation in 1965 attended UNI, once again lettering in both sports. He placed 4th, 3rd and 4th respectively in the 880-yd. run in the NCC and is working on his master's degree in physical education.

A 1969 physical education grad., Witt coached five years as head cross country and track boss at Sac City High where his thinclad teams won two conference titles and placed 3rd in State Class AA in 1973.

He and wife Joan have one son, Chad, 2½ and make their home in Cedar Falls.

ASSISTANT COACH KENT WESSELY is another familiar face to Panther running enthusiasts. A former state champion hurdler for West Waterloo High, Kent is a valuable addition to the Panther staff.

He became All-American last season with a 6-8 leap in the high jump and holds the UNI outdoor record with a 6-8½ effort. He holds Panther indoor marks in the 60-yd. intermediate hurdles (7.1) and shares the 50-yd. lows mark (5.9). Completing work toward his bachelor's degree in physical education, Kent is single.

A three-sport star in cross country, basketball and track, Bob is undecided on future plans or a major at UNI. Born .

HOLLER, JOHN -- (6-3½, 225) Freshman - Waterloo. Exceptionally strong-looking freshman shot put, discus and hammer tosser. Lettered last season, is shooting for one of the oldest UNI cinder records held by Lloyd Nagy since 1937. Nagy's javelin toss stands at 209-4 3/4 and Doug has chance if performs up to potential. He earned letters in football, basketball and track at Spencer High School. He attended Iowa Central Community College in Webster City and earned two letters in basketball prior to transferring to UNI. He plans on coaching and is majoring in physical education and health. He was born .

ROGERS, JOEL -- (6-2, 160) Freshman - Waterloo. Is No. 3 hurdler behind Jackson and Darwin Wissink, but shows fine promise for the future. A cross country and track letterman in high school, Joel was a three-time district champ and four-time city trackster in the hurdles and long jump. Undecided about a major or his future plans, Joel was born .

ROLOFF, DENNIS -- (6-1, 175) Senior - Cedar Rapids. Runs on almost all UNI relay teams, he earned All-American honors in 1973 for efforts in the quarter and on the mile relay team. He competed in six different events at the prestigious Drake Relays last year and has won numerous events at the UNI Dickinson Relays the past three seasons. His prep career at Jefferson High is just about as attractive after he earned letters in football, basketball and track. All-American in 1971, Dennis was the Iowa State champ indoors and outside in the 440, plus serving as team captain. His goal is to make All-American again and eventually coach track with his industrial arts major. Dennis was born .

ROSE, JEFFREY -- (6-3, 215) Junior - Spencer. One of most improved competitors on squad this season, Jeff figures to help Panther efforts in the shot put. 52nd UNI DICKINSON RELAYS

For over a half century, the Northern Iowa campus has been the sight of the UNI Dickinson Relays.

Although the name has changed over the years, the same colorful track classic has brought Northeast Iowa one of it's most exciting spring sporting traditions since 1922.

This year's event on Saturday, April 19 marks the final combined event featuring some of the midwest's most talented collegiate track performers and Iowa's top high school competitors. With the UNI Athletic Department moving into the classy new UNI-Dome this fall, the Dickinson Relays will become a prestigious high school event one of the final two weekends each March. Several outstanding collegiate meets are already in the planning stage to replace this portion of the Relays.

The original affair was known as the Northeast Iowa Interscholastic Track and Field Meet, started by then Iowa State Teachers College Athletic Director L.L. Mendenhall and track Coach Paul Bender. In 1927, the meet's name was changed to Iowa State Teachers College Relays.

Once the school became known as State College of Iowa in 1961, the Relays took on the fresh school name for it's new title in 1962.

Long-time UNI track Coach Arthur D. Dickinson served the university for 38 years between 1925-1963 and accumulated a phenomenal 128-14 dual record, winning league titles 17 times and sporting 23 undefeated seasons. For this believable accomplishment, the Relays were renamed the Arthur D. Dickinson Relays in 1963 when the famous Panther track mentor retired.

Art Dickinson passed away in 1966, but his memory lives on forever with this colorful event reverting to high school competition in the Dome, just like the event originated in 1922.

UNIVERSITY OF NORTHERN IOWA

The University of Northern Iowa is relatively new in name, but the school itself is nearly 100 years old. Created by the Iowa General Assembly, the University opened in 1876 as Iowa State Normal. In 1908, the name was changed to Iowa State Teachers College and under this name the school attained a national reputation as a leader in the field of teacher education. In 1961, the name was again changed to State College of Iowa and six years later attained its present name.

Teacher education remains the chief function of the University, a wide-ranging program of non-teaching courses, including professional training in business and science-related areas, are now offered.

The school has grown from its original 40-acre site to more than 40 buildings and 600 acres. New structures include the Union, science building, music building, Towers residence and dining complex, the physical education instructional center, the modern education center and an addition to the library.

UNI's prowess in teacher education has left its mark on the physical education department, which turns out per capita the largest number of coaches in the state.

THE UNI-DOME

A brand new home awaits the UNI Athletic Department this fall, moving into the midwest's first domed stadium -- THE UNI-DOME!

The covered arena will allow indoor football, basketball, wrestling, track, gymnastics and tennis. Groundwork began in July, 1974 and completion is set for late this fall. A translucent, teflon-coated fiberglass roof is supported by air pressure from within the Dome. Initial seating will be just over 8,000 and expansion to accomodate 19,000 spectators in the completed facility.

The structure will have a completely removable artificial gridiron surface which can be rolled up in 45 minutes revealing a base surface able to provide a floor for other events such as concerts, conventions, etc. besides athletic contests.
