June 2015

Welcome to the June newsletter! Halfway through 2015 - have you achieved your waste reduction goals yet?

Food Waste Compost Training

58 days until the training and we're exciting to let you know that the agenda is out! The basic agenda is listed on the webpage and an expanded agenda is available to download detailing what sessions are being held in the morning and in the afternoon, as well as where. Hint: A couple sessions will be taking place at the UNI Compost Operations (weather permitting)! [Learn More and Register Today](#)

12 Month Rolling Log Available to Download

Our Iowa Air Emissions Assistance Program staff have developed a new tool to help make recordkeeping easier for you! With the 12-Month Rolling Log Excel document users enter usage each month and the 12-month rolling total is automatically generated to help maintain usage records on a continual basis! [Visit IAEAP Page to Download](#)

EMS in Depth Workshop

The Iowa DNR's Pollution Prevention Services is hosting a workshop on July 16 in Ankeny - *Objectives & Targets and Environmental Management Program*. [Learn More](#)
