# 1975 Panther Outlook

## Assessment in a Nutshell

Fate, fortune, destiny—whatever the future holds for Northern Iowa football in 1975, crucially depends on success of rebuilding the interior offensive line and cleverness of potential All-American quarterback Bill Salmon (Cedar Falls sr.).

A nucleus of 30 returning lettermen gives Coach Stan Sheriff plenty of talent to choose from; now things like progress and breaks have to fall in place. Of 15 departed letterwinners, three veterans vacated the interior trenches on the offensive line, UNI's most troublesome question mark.

If replacements adhere quickly enough, Salmon continues heroics with the option, the receiving corps reaches its potential and the backfield matures, the yard-eating squad could become one of the most effective in the North Central Conference.

While the defensive unit was having an overhaul phase in 1974, the new campaign shows a more cohesive group with fine potential. Young, yet proven, the security crew has people with starting experience and plenty of playing time at every position.

## The Sheriff's Verdict

"Right now our main concern is replacing one of the finest interior blocking units I ever coached," says Sheriff, beginning his 16th year at UNI's helm. "You don't replace a line like we had overnight, but the personnel is available to develop into a capable working unit after more experience."

"The composition of our team is good, with finer team balance overall than last season," admits Sheriff. "We have a healthy attitude and recognize our assets and we know our weaknesses. Everyone is working hard to improve our problem areas."

"Overall I'd say we're quicker and faster than last season, although we aren't what people would consider big," says Sheriff. "We had an excellent spring and the outlook for UNI looks good for this fall."

## Things of the Past

Last season's 5-4-1 record, fifth place conference tie (3-3-1) with Mankato State and several key performers are like water over the dam for the Panthers.

Speaking of the offensive line, All-NCC guard Charlie Frisk leaves the largest dent after starting four years and earning honorable mention All-American in 1974.

Both starting tackles, Dennis Harms and Dave Skibsted also exited via the graduation route, as did flanker Jim O'Donnell.

Promising tight end Tom Harms bowed out of UNI's football program after his sophomore year and elected to continue his education in bible school.

All-North Central runningback Pat Batten graduated after gaining 1,013 yards and earning honorable mention All-American honors last fall.

Defensively, the Panthers will miss noseguard Jim Campbell; tackle Ed Brown; end Tom Smith; linebacker Steve Blankenberg and strong safety Larry Norman to the cap and gown.

Placekicking needs a new face, with UNI record holder Kriss Smith gone after setting Panther game, season and career extra point standards with 7, 30 and 45 respectively.

**UNI will miss All-NCC runningback Pat Batten (27)**

## Offense Remains Potent

Despite a so-so record last fall, the Panthers excited people, grinding out a school record 4,000 yards total offense. Salmon was the main reason and no doubt is the pulse in UNI's attack again this season.

Salmon, one of four Panther captains, has to be considered one of the top field generals nationally after racking up 2,157 yards in total offense in 1974 as a junior. In addition to this school record, Salmon tallied 347 yards in total offense for another mark in a single game.

The main cog in the Panther machine, Salmon ranked individually while UNI did as a team in national total offense statistics during much of the 1974 campaign.

With the loss of Batten, running chores are shared primarily by lettermen Tom Scalissi (Janesville, Wisc. jr.), Doug Johnson (Waverly jr.), Pat Eisenmenger (Cherokee jr.) and surprising speedster Carl Davis (New York, N.Y. soph.) up from the junior varsity.

Batten's 1974 running mate, Tom Haning (Bondurant jr.) has moved to tight end, replacing Harms and gives the Panthers a new dimension in this slot.

Glancing at the line finds last season's starting center, Randy Scott (Avoca sr.) battling for a starting role with newcomer Ron Fiacco (Tribes Hill, N.Y. jr.) and the pair also seeing action at guard.

Senior captain Mike Timmermans (George) is considered one of the finest guards in the North Central Conference and adds stability to the interior.

Several others are seeking starting duty at the other guard spot, with senior letterman Clee Davis (Cedar Falls) most impressive during spring drills.

The tackles are both open, with experienced letterman Dallas Deike (Waverly jr.), Bob Wentzel (Mosinee, Wisc. soph.) and University of Wisconsin-Milwaukee transfer Al Gabor (Schofield, Wisc. sr.) top candidates for regular duty.

All-North Central wide receiver Dave Schooley (Bloomfield sr.) established a school record for pass receiving with 892 yards on 35 catches last season. He pairs with Charlie Aldrich (Waterloo) at flanker for a strong passing threat.

Senior Rick Nielsen (Algona sr.) and tiny walk-on Joe Manigault (Georgetown, S.C. soph.) are other top prospects for aerial action.

So far, Haning appears to have made the adjustment to tight end and his speed is a definite plus for the Panthers.

If the offensive alignment progresses as it did during spring drills, graduation won't hurt that much and Panther fans will be blessed with more exciting running action, combined with positive bomb threats from Salmon.

**Quarterback Bill Salmon (12) tosses a bomb in Panthers' 41-17 romp over Drake**

## Defense Improved With Youth

Every defensive position has someone who started at least one game last season and only five seniors grace the likely starting lineup.

Noseguard Mel Campbell (Roundo, S.C. jr.) came on strong at the end of 1974, with other key hopefuls Randy Buchwald (Cedar Falls jr.) and Wisconsin-Milwaukee transfer Tom Grahm (Milwaukee, Wisc. soph.) giving immediate competition for regular assignment.

Captain Randy Erion (New Hampton sr.) can hopefully recover from knee surgery late in the '74 season and repossess one of the starting tackle roles this fall.

Walt Krebs (Chicago, Ill. jr.) and Tim Carson (Ainsworth sr.) are vying for the other tackle. Krebs returns after being redshirted last season with a broken ankle.

Anchoring the end posts are sophomore Karl Kortemeyer (Cedar Falls) who started late last season and Marty Stratton (Newton jr.), with several others adding depth.

Linebacking displays a host of people providing great protection behind the line, with front runners John Aldrich (Cedar Falls sr.), William Clark (Miami, Fla. soph.) and Chuck Dickens (Miami, Fla. soph.) biggest challengers for starting berths.

A veteran secondary is headed by captain Jim Thomas (Redfield sr.) and All-NCC free safety Nick Maragos (Racine, Wisc. jr.).

The other corner is nailed down by Ron Dodd (Geneva sr.) with Phil Ross (Gary, Ind. sr.) and Doug Jones (Davenport sr.) fitting in at strong safety or one of the corners.

Punter Jim Fransen (Iowa City sr.) is likely heir to placekicking duties, with Ron Fiacco another possibility.

## Defining the UNI System

UNI operates exclusively out of a modification of the Houston veer, with a two-back set on offense. The Panthers combine a balanced attack between the running game and Salmon's ability to throw the ball off the option.

The defensive alignment goes in a straight 5-2 set most of the time.

## Looking at the Schedule

Eleven games greet UNI in 1975, with seven conference encounters and five home contests. Besides tough North Central play, the Panthers take on major college foe Drake for the final time in this long rivalry and visit Division II power Nevada-Las Vegas. Eastern Illinois and Wisconsin-Whitewater are two other outsiders.

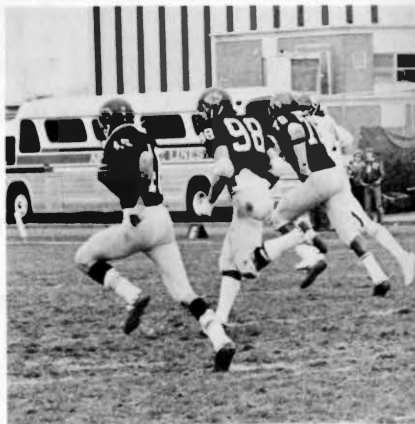

"The conference slate is always tough, plus Drake and Nevada-Las Vegas present two formidable opponents outside the league," says Sheriff. "We don't know much about Eastern Illinois and Wisconsin-Whitewater, but 1975 presents us with one of our most challenging schedules in recent years."

## North Central Conference — Always Tough; Still Tough

Like any year, the North Central Conference should become another free-for-all on the grid battlefield, with the final outcome going to the last game, according to Sheriff.

"We feel the NCC will be tougher than ever in 1975 and the champions won't be determined until the final Saturday, just like last season," says Sheriff. "South Dakota, North Dakota and South Dakota State appear to have strong teams back, with Mankato State, North Dakota State and ourselves right up there."

"Morningside is in a rebuilding phase and Augustana lost some of their top people, but they always come up with a real competitor," Sheriff quickly adds. "It's going to become another interesting season."

## 98 RANDY ERION - Defensive Tackle 6-3, 240, 21 Senior - New Hampton

Thrust into major leadership role as Panther captain after just one season at UNI, Randy has experienced grid background. A two-year standout at Ellsworth Junior College, he worked his way into starting role as defensive tackle for Panthers in 1974. Sustained knee injury during Augustana game last season and required surgery, forcing him out of contact drills this past spring. Status remains questionable, but coaches count on full recovery to retain starting berth this season. Teammates recognized leadership qualities by voting him a captain last spring. Fine All-American and professional prospect, he received all-state honors at New Hampton High, also lettering in basketball and baseball. Major - Physical education. Birthdate - 5/3/54.

## 12 WILLIAM SALMON - Quarterback 6-1, 190, 21 Senior - Cedar Falls

One of all-time great signal-callers in Panther grid history, Sheriff labels Bill the finest quarterback in State of Iowa. After scoring five touchdowns rushing and tossing 11 more via the air route in 1974, he becomes a prime candidate for All-American honors and professional scouts. He established UNI single game and season total offense records last season, with 347 and 2,157 yds. respectively. His three-year total stands at 3,349 yds., less than 300 short of the UNI career mark. The former all-state quarterback from Cedar Falls High is superb at commanding the Panther veer attack. His effectiveness at running, plus fine ability to heave the long bomb is why Bill consistently ranked in the top five spots nationally in 1974 total offense figures. He engineered UNI to a school record 4,000 yds. total offense last season, receiving honorable mention All-American recognition. A fine all-around athlete as a prep, the Panthers' dependence on him is obvious. His brother, Orv starred in basketball at Missouri. Major - Physical education. Birthdate - 1/27/54.

## 41 JAMES THOMAS - Defensive Cornerback 5-10, 186, 22 Senior - Redfield

Rounding out a fine career in Panther secondary. A two-year starter, Jim transferred to UNI after his freshman year at Huron College (S.D.). Exceptionally quick, he's one of the fastest members on the squad. His knowledge, physical blessings and knack for "unloading" on the opposition makes Jim another All-American and pro prospect. Last season he established a Panther record for the longest interception return, which went for an 82-yd. touchdown in UNI's 49-14 romp over Morningside. He shared the team leadership, along with Nick Maragos and Doug Jones for pass steals, each snatching a pair. Jim doubles as a punt return specialist because of his fine speed. His all-around athletic talents won the UNI "Superstars" competition last spring. Honorable mention all-state at Dexfield High, he also earned letters in basketball and baseball. He busied himself over the summer by working for a railroad section crew. Major - Physical education. Birthdate - 9/6/52.

## **77 MICHAEL TIMMERMANS - Offensive Guard 6-2, 235, 21 Senior - George**

A top premier lineman in the conference, Mike is the main cog in the Panther interior line. With three veterans vacated from the blocking trenches, UNI coaches look to Mike for major leadership responsibilities to make things go. The type of hard worker coaches love to have, Mike's dedication and enthusiasm help make up for his smaller size for a collegiate guard. His tremendous quickness, football sense and mobility make him a real blue-chip lineman. Pro scouts have already noticed this guy and All-American honors could be in the offing with another expected standout season. A two-year starter, Mike is a fine one-on-one blocker, agile pass defender and fast for his size to lead the sweep. Mike received all-conference and all-state grid honors at George High and also earned letters in wrestling and baseball. Construction work over the summer kept him in shape. Major - History. Birthdate - 8/19/54.

## **83 CHARLES ALDRICH - Flanker 6-2, 185, 21 Senior - Waterloo**

Must fill big spot at flanker, vacated by graduated Jim O'Donnell. A fine backup man last season, Charlie has great potential to complement Dave Schooley, who is at wide receiver for an effective air game. After two years at North Iowa Area Community College and a semester at Drake, Charlie chose UNI. At N.I.A.C.C., he was an all-conference griddy for two seasons and played on the baseball squad. Attended Waterloo's East High and lettered in football, basketball and baseball, earning all-state honors on the diamond. Major - Physical education. Birthdate - 6/20/53.

## **64 JOHN ALDRICH - Linebacker 6-2, 215, 21 Senior - Cedar Falls**

Top candidate for starting duty at linebacker, this local native is one of the strongest members on the team, able to bench press 400 pounds plus. John is a quick, mobile athlete and combines these attributes with his tremendous strength. The two-year letterman saw considerable action in 1974 and is expected to become a top-notch backer on the Panther defensive unit. He starred in several sports at University High on UNI campus. His father, John Sr., recently retired from the head grid post at NUHS to devote full-time to athletic director duties. He was a three-sport letterman at Rhode Island. Major - Physical education. Birthdate - 2/3/54.

## **93 DALE BLAHA - Defensive End 6-2, 205, 20 Junior - Cedar Rapids**

This hard-working griddy saw plenty of action in 1974 and is a prime prospect for starting assignment at defensive end. He continued fine progress during spring drills and figures highly in revitalized defensive punch for Panthers. Dale earned all-city, all-conference and all-state honors at Jefferson High and was a member of the 1972 state championship team which tallied a fine 11-0 record. Major - Industrial arts. Birthdate - 10/10/55.

He captained the grid squad and earned all-conference his senior year, serving as class vice-president. Brother, Larry played basketball and track at Southeast Missouri State from 1970-72. Major - Business marketing. Birthdate - 1/3/55.

**91 MELVIN CAMPBELL - Nose Guard 6-6, 215, 20 Junior - Roundo, S.C.**

Developing into a fine defensive lineman, Mel saw starting duty in 1974 and is likely successor this season. A hard-working, tough athlete, his lanky frame allows for great mobility and speed. With two years left on the Panther gridiron, this position looks solid with his talent and several others fighting for starting duty. Showed great improvement last season and continued progress during spring drills. Made all-conference and All-Southwest Iowa grid teams while attending Atlantic High on exchange program. Also played basketball and baseball. Major - Business management. Birthdate - 11/21/54.

**32 DOUGLAS CARLO - Defensive Back 5-9, 175, 21 Junior - Cedar Falls**

One of many talented defensive secondary specialists, Doug lettered last season as a junior. Played key backup role to graduated strong safety Larry Norman and is a front runner for starting duty this season. Switched from offensive backfield, his speed and desire make-up for his smaller size. Captained the Northern University High football team in 1971, earning all-league honors as a linebacker and runningback in 1970 and 1971. Also an excellent swimmer, Doug represented NUHS three straight years at the state meet. Major - Biology. Birthdate - 11/15/53.

**70 TIMOTHY CARSON - Defensive Tackle 6-2, 225, 21 Senior - Ainsworth**

One of most promising young prospects at linebacker in recent years, William gained valuable experience while lettering his freshman year. Starting at the tail end of season, he demonstrated an aggressive style of play. What coaches refer to as a "hitter", William should become a prime asset to the Panther defensive corps the next three seasons. At Miami High, William starred on the gridiron in his linebacking role, defensive end and roverback. An all-city pick, he received honorable mention All-Dade County. William kept busy this summer by working on construction and counseling with young people. His father, William Sr. was a basketball player at Bethune Cookman. Major - Physical education. **20 CARL DAVIS - Offensive Runningback 5-8, 175, 20 Sophomore - New York, N.Y.**  
 Carl was one of the most pleasant surprises to come out of spring practice and looks like a big plus to the Panther backfield. Size is deceiving. The little speedster did a fine job on the junior varsity squad last fall and seems to be developing into a top-rate back. Owns tremendous attitude, hard worker, fine speed and quickness. If he overcomes the size problem by using other traits, his name could cause some excitement for the next few years. Carl was captain and most valuable player his junior and senior years as a prep at New York's Haaren High, making all-conference in 1973. Major - Psychology. Birthdate - 2/28/55.

**67 CLEE DAVIS - Offensive Guard 6-1, 239, 23 Senior - Cedar Falls**  
 Another player who made coaches smile last spring, was this Cedar Falls native who seems to be top replacement for all-conference guard, Charlie Frisk. Clee has provided solid reserve play for the Panthers the past couple of seasons and now looks like he'll get his chance. Always hustling, gets off ball quickly and is a fine blocking guard. Not one of the biggest people around, he makes up this with his intensesness and enthusiasm. He earned all-city, all-conference and all-state honors at Cedar Falls High. His father, Wilbur was a griddier at Kansas State in the early 1940's. Major - Business education. Birthdate - 11/2/51.

 Stated for starting duty this fall, Dallas is a two-year letterman and saw a lot of action last season. Big, tough, aggressive, he's got all the makings for first class North Central tackle. Injured knee on Panther national championship wrestling squad, but had good spring and shouldn't slow him down much. He was a three-sport star in football, wrestling and track at Waverly-Shell Rock High and placed third in state competition as a heavyweight grappler and discus thrower in track. A member of the Fellowship of Christian Athletes. Major - Industrial arts. Birthdate - 4/29/55.

**34 CHARLES DICKENS - Linebacker 6-0, 200, 19 Sophomore - Miami, Fla.**  
 Whenever the Panthers kicked off last season, Charlie was most likely the first Purple and Gold jersey downfield. Several times during the season he was on the bottom of pileups on kickoffs. A real hustler, he plays a whole lot bigger than his frame tells you. An aggressive, "reckless" player, coaches are high on the way this youngster plays. Lettered as a freshman. Won all-city, all-county and all-state honors at Hialeah High, where he also wrestled. Major - Undecided. Birthdate - 10/25/55.

# Head Coach and Athletic Director Stan Sheriff

Stan B. Sheriff—head football coach, athletic director, a personality associated with UNI athletics for nearly 18 years.

Beginning his 16th season as football's top boss, the energetic Sheriff assumed his additional responsibilities as director of athletics in 1970, succeeding Dr. James Witham.

Besides manning Panther football fortunes, the personable 43-year-old Sheriff maintains a highly-successful, 10-sport intercollegiate athletic program. Under his direction UNI has won the North Central Conference all-sports title four consecutive years, stressing a well-balanced philosophy of athletics.

Born April 24, 1932 in Honolulu, Hawaii, his family later moved to San Francisco, where he earned all-state football honors at George Washington High School.

He went on to earn all-conference honors as a center and linebacker three straight years at Cal Poly-San Luis Obispo and received All-American recognition as a center in 1953. He became one of the first college division players ever to participate in the Annual East-West Shrine All-Star Game and the Hula Bowl.

The Los Angeles Rams drafted him as a linebacker in 1954 and he also played with Pittsburgh, San Francisco and Cleveland, before retiring in 1958.

From 1955-56 Sheriff served in the U.S. Army and planted his first seeds as a coach. As a recreation director, he coached the 4th Infantry Division to the European football title in 1955.

In 1958 he received his M.A. in Physical Education from Cal Poly and came to UNI as assistant line coach for Head Coach Bill Hammer at then Iowa State Teachers College. Sheriff served in this capacity for two years and became head coach in 1960.

His first Panther team recorded an impressive 9-0 regular season, finally losing 17-6 to Hillsdale College in the Mineral Water Bowl. This marked the first time in school history the Panthers had been invited to participate in a bowl contest.

After 15 seasons, his football record stands at 82 wins, 60 losses and 3 ties. Last season the Panthers were 5-4-1, finishing in a two-way tie for fifth place.

Sheriff-coached teams won the North Central title outright in 1960 and shared the crown in 1961, 1962 and 1964. In 1964, UNI captured the Pecan Bowl, 19-17 over Lamar Tech in Abilene, Tex.

Seven All-Americans have played for Sheriff and 47 times his players have been named to All-North Central Conference teams.

Sheriff holds positions on the NCAA Football Rules Committee, the American Football Coaches Public Relations Committee and is a regional member of both the NCAA Football and Baseball Post-Season Selection Committees.

If these activities don't keep him busy enough, Sheriff has become a tremendous force and enthusiast behind the UNI-Dome, a multi-purpose domed facility scheduled to become a reality, instead of a dream around the first of the year.

A busy man interested in making UNI a greater university, Stan Sheriff is constantly on the move promoting Panther athletics.

Stan and his wife, Jane, have three sons: Paul, Michael and Richard.

## O. R. Latham Stadium — A Proud History

Serving as the home for Panther football since 1936, O. R. Latham Stadium will complete its final games this season, moving aside for the classy new UNI-Dome.

After the original structure was built in 1936, the stadium received formal dedication in 1940, with additions of extra press box space and enlargement of the east stands coming in 1963 and 1965.

Located on Hudson Rd., the UNI-Dome structure towers over the edifice named after UNI's third president. But for nearly 40 years, O. R. Latham Stadium has brought grid excitement and hosted many thrilling events.

With seating capacity of 7,300, the largest crowd to ever witness a Panther home contest took place last season when the Panthers trounced Drake, 41-17 at Homecoming. O. R. Latham has been good to UNI football, hosting 111 wins, 41 losses and 6 ties.

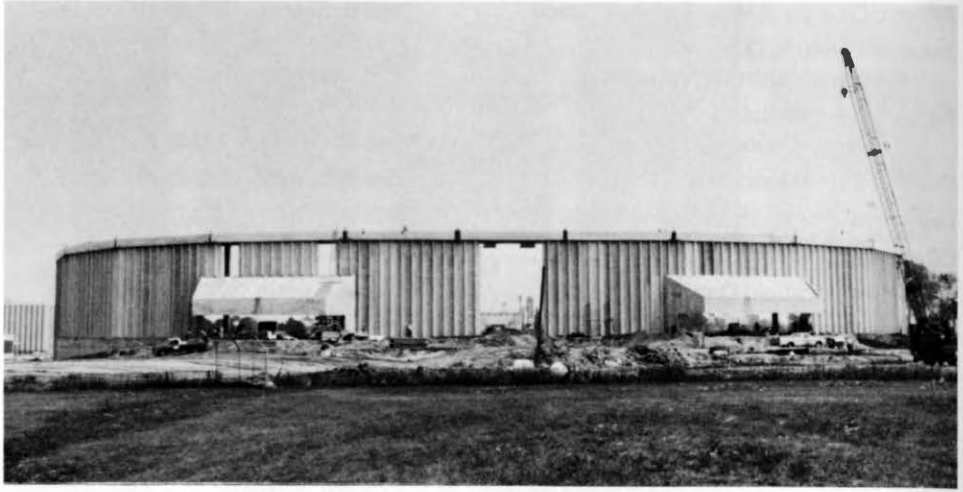

A dozen league championships have been claimed by UNI during its stay at O. R. Latham.

Besides football, a 440-yd. track has adequately served the Panther cinder teams the four decades it has stood. A 208-yd. indoor oval is located under the west stands, which also houses weight rooms, training rooms, locker facilities, an equipment room and even served as a men's dormitory several years ago.

The Panther winning tradition was built here and the new UNI-Dome owes much of its future concerning athletics to this proud structure.

# UNI-Dome Nearing Completion

Once just a dream, the UNI-Dome coliseum is quickly molding into a reality for the University of Northern Iowa, Cedar Falls-Waterloo community and State of Iowa.

The \$7 million structure is scheduled for completion at the end of 1975 and will begin a unique and exciting era, not only for UNI athletics, but for University, community, state and national activities as well.

Once the original idea was formulated by the UNI Foundation in 1972, excitement and support for the Dome spread quickly. Progress developed rapidly once ground-breaking took place in August, 1974, with 85% of projected funds needed, raised as of this fall.

Among the many amazing features of the facility is the fact it is being financed entirely by student fees; private donations from alumni, citizens and friends of the University.

The UNI-Dome is the first of a three-phase UNI Foundation centennial project, also to include construction of a new auditorium-union complex and special academic resources development in stages two and three. The Foundation established a ten-year time period for completion of the total project.

Although athletics will become a major part of the UNI-Dome's activities, emphasis on university events such as stage productions, concerts, commencements and other special events are to receive top priority. In addition, community-, state- and national-related functions will be encouraged to utilize one of the Midwest's first completely domed stadiums.

Scores of reservations, requests and inquiries are already being received, with some commitments extending as far into 1977. A bible conference, antique auto show, sporting goods show, various conventions and Iowa high school sports playoffs are just a few activities scheduled for the near future.

Glancing at the structure from an athletic standpoint, participants and spectators alike will experience a totally new sports adventure under one roof; to include Panther football, basketball, wrestling, gymnastics, track and tennis. Intramural athletics for men's and women's programs will also be taking advantage of the ultra-modern facility.

People utilizing the Dome will find themselves in a climate-controlled atmosphere of air conditioning and heating geared to the time of year.

The roof is made of a durable, teflon-coated, fiberglass fabric, supported entirely by a cable system and air pressure from within the facility. This feature not only allows for easier construction, but creates enough natural light and solar heat to make a sizeable savings on utility costs each year.

Initial permanent seating is earmarked for around 8,200 spectators, with another couple of thousand temporary seats available. Once the Dome is completed, an estimated capacity of 16,500 permanent seating is planned.

The floor surface itself is a bowl and people will enter the facility at a level midway between the floor and top of the seating. The "grass" Monsanto astro-turf football field can be rolled up in 45 minutes, revealing an all-purpose track and fieldhouse surface.

Smooth areas for basketball and other court dimensions are a part of the permanent floor, with a textured eight-lane, 220-yd. track expected to make UNI-Dome meets recognized nationally.

Smaller court orientation finds portable bleachers brought into a condensed viewing area for events like basketball, wrestling and gymnastics.

Four main entrances will allow easy access inside the Dome, entering a 32-ft. wide concourse. Concessions, displays, first aid stations and rest rooms will be conveniently located along either side of the structure.

Colored seats and tickets will provide easily-obtainable seating through seven access gates on the east and west sides. A total absence of columns and posts make every seat in the house a fine vantage point.

The three staging areas, two at the sides and one on the end will allow audiences from 5,000 to 20,000 for concerts, stage productions, etc. Exits at the north and south ends on the floor level give added convenience. A big service entrance, large enough for a semi-truck will be located at the north end.

A tunnel will connect the Dome with the Physical Education Center at the north end for locker facilities. Future plans call for locker and training rooms in the Dome.

Other future extensions to the total complex includes handball courts, swimming pools, administrative offices, wrestling rooms and other attractive features. The possibility of VIP boxes along the upper portions of the structure is one example in planning stages.

A spacious press box will sit atop the east stands, with facilities for 10 radio originations, television capabilities and seating for 100 to 125 people. A photographic dark room, photo bay, concession area and scouting booths are a few of the other features included.

The huge scoreboards will be able to flash messages and information to spectators throughout various contests.

Perhaps one of the biggest assets of the Dome is its versatility. A convocation could easily be handled in the morning, an athletic event held that afternoon and a concert staged in the evening of a single day.

There are many things which make the UNI-Dome an attractive and unique facility. Its recruiting potential is unlimited as it becomes one of the most up-to-date stadium complexes in the nation.

But the outstanding factor to keep in mind is the individual support created by the many interested people who want to make UNI a progressive university.

The opportunities and future of the structure is multi-dimensional and exciting. Big name entertainers, nationally-recognized sports events, circuses, the light goes on and on for future possibilities in the UNI-Dome.

UNI is proud of its new endeavor and the community will no doubt benefit by its presence. The State of Iowa should consider the UNI-Dome one of its greatest landmarks.

The UNI-Dome — "Something for Everyone."

# University of Northern Iowa

The University of Northern Iowa is relatively new in name but the school itself is nearly 100 years old. Created by the Iowa General Assembly, the University opened in 1876 as Iowa State Normal. In 1908, the name was changed to Iowa State Teachers College and under this name attained a national reputation as a leader in the field of teacher education. In 1961, the name was again changed to State College of Iowa and six years later, received its present name.

Teacher education remains the chief function of the University, although a wide-ranging program of non-teaching courses, including professional training in business and science-related areas are now offered.

From a single building on a 40-acre campus, the University has grown to include over 42 major buildings on a 721-acre site. Over 500 faculty members and approximately 8,800 students occupy the Cedar Falls campus.

New building has become a common sight around UNI in recent years, with structures like the Union, Science Building, Physical Education Center, Industrial Technology Center, and UNI-Dome, a multi-purpose coliseum scheduled for completion late in 1975, occupying the landscape.

UNI's prowess in teacher education has left its mark on the Physical Education Department, which turns out per capita the largest number of coaches in the state and is also a top school in this field nationally.

Maintenance of a well-rounded intercollegiate athletic program is of prime interest to the UNI staff. The success of this endeavor is indicated by the fact Panther teams have won the North Central Conference all-sports trophy the last four years.

The University retains membership in the National Collegiate Athletic Association's Division II, in addition to being one of eight schools in the rugged NCC — America's premier college division league. A full round of 11 intercollegiate sports are sponsored by the conference and all have individual championships.

# Former Panthers Stay With Athletics

A proud tradition of athletics at UNI is the development of outstanding young people into productive citizens in our society. The following is as complete a list available of those young men who played or tutored under Stan Sheriff and staff, now members of coaching and athletic professions. They are a tribute to the Panther staff and we salute each one of them.

Head Coach

**Alex Russell**  
Defensive Tackle

### Brief Outlook

A new coach and a new offense, but the same tenacious defense should characterize Eastern Illinois football in 1975.

Coach John Konstantinos begins his first season as a head man in the collegiate ranks, after assisting at North Carolina State.

With the new man came the veer offense, expected to become a big plus for the Panthers and improve on 1974's 3-6-1 record. Last fall was not completely disappointing, with big wins over then undefeated and nationally-ranked Delta State and Illinois State to help things seem brighter.

Eastern returns 33 lettermen, six on offense and nine to a veteran defensive unit.

The weakest department appears to be the offensive line and three top candidates are battling for quarterback duties. They include Kevin Hussey, Tommy Meeks and Rick Tsupros.

Heading up the defensive team is honorable mention All-American defensive tackle, Alex Russell. The two vacancies left were at defensive end and a linebacker.

Offensively, watch for Jimmy Young at a split end and Mark Stettner, last season's leading rusher as a freshman with 484 yds.

## Brief Outlook

With 45 returning lettermen and 17 starters back, most coaches would say they will better the previous season's team with added experience of so many veterans.

However, third-year Coach Ron Meyer finds this a difficult matter, with UNO finishing the 1974 campaign with an 11-0 regular season and eventually losing in the Division II playoffs to finish 12-1 overall.

The Rebels must replace All-American runningback Mike Thomas and receiver-return specialist Steve Haggarty, both drafted by pro teams.

Meyer, District 8 Coach-of-the-Year in 1974 still has a bundle of talent returning. Quarterback Glen Carano who tossed for 1,367 yards and 14 touchdowns a year ago and wide receiver Mike Haverty who caught 24 passes for 422 yds. headline the Rebel attack.

The defense is lead by Second Team All-American tackle, Joe Ingersoll. He led the UNLV protective unit with 53 tackles and 52 assists. Starting linebackers Mike Otto and Tony Sandone are another pair to watch on defense.

Head Coach

**Bob Zust**  
Offensive Tackle

## Brief Outlook

Coach John Coatta begins his sixth season at Mankato State and hopes to become more than a spoiler in 1975.

The Indians defeated South Dakota 57-40 in a free-for-all in the final game of the season, forcing the North Central title into a three-way tie last season.

Defensively, Mankato State is solid. All but last season's starting noseguard is back. Offensively, a replacement must be found for All-NCC quarterback Doug Thompson and a stimulus is also needed for the offensive line.

Top personnel to look for an offense include Greg Hermesen at runningback; Mike Luer at tight end and fullback; Jim Perpich at one of the guards and Bob Zust at a tackle.

Top quarterback prospect is Rochester Junior College (Minn.) transfer Mike Fitzgerald.

The defense is headed by Dave Wagner at defensive tackle, Bill Leuhrs at safety and several others, including Iowa State transfer Ron Vorwald at a linebacker slot.

The Indians could only manage a 5th place tie in the conference in 1974, but look out this season.

## Brief Outlook

The Bison of 1974 failed to put the needed points on the board and the 7-4-0 record resulted a year ago.

Points in 1975 should come easier with an improved offensive line, mixture of power, explosiveness, and speed in the backfield and the potential of some fine quarterbacking.

Randy Thiele, a transfer from Minnesota is a leading threat at quarterback, with senior Brian Ulrich giving him competition. Last fall's leading rusher, Bruce Reimer is gone to the pros, but second best gainer, Dave Roby is back for a positive note.

Tackle Greg Marmesh, end Jule Berryman and cornerback Kevin Krebsbach are a few mentionables from the defensive unit of the Bison. State led NCC stats. in defensive rushing and finished the season eighth in the nation.

Conference-wise, the Bison look tough again after their share or outright title in 10 of the past 11 seasons. They finished 1974 with a 5-2 conference mark and three-way tie for the championship with South Dakota and North Dakota.

## Brief Outlook

Of 31 returning lettermen, nine starters are back offensively and six on defense to make North Dakota tough again in 1975.

Superstar Ron Gustafson is gone to the pro ranks, but otherwise the Sioux attack team appears potent to say the least. Brian Grover returns at quarterback, with fireplug fullback Bill Duetsch and runningback Dal Kasowski adding to UND opponents' problems this season.

The offensive line for the Sioux could become stronger than last season with veteran tackle Chet Stevenson the only vacancy created by graduation.

Defensively, Tom Klabo and Mick Lucia return at the ends; Marty LeClair and Dennis Carlson at linebackers; and cornerbacks Paul Dempsey and Mike Compton round out the starters back for '75.

If the holes can be mended from losses to the cap and gown, the Sioux have a fine chance of improving last season's 6-4-0 record. At the outset of 1975, UND looks like a top bet for contention in this season's North Central race, after tying with North Dakota State and South Dakota last fall.

## Brief Outlook

Jack Wallace begins his 11th season in charge of Drake football and welcomes back a nucleus of 25 lettermen from a 3-7-1 team in 1974.

Among 13 starters back, are a balanced mixture of six offensively and seven on defense. Right now the lines are the strongest assets to both units.

Behind a veteran offensive front wall, Drake sports starting quarterback from 1974, Jeff Martin, along with No. 2 runningback Jim Herndon who gained 679 yds.

Despite losing All-Missouri Valley backs Jim O'Connor and Jerry Heston, optimism is running high around the Drake camp that this is the year for the "Great Revival".

On defense, Mark Spivey and Jay Snyder are back at the end posts; Bob Burges at nose guard and Gary Melchior at a tackle. Linebacking remains a big question this season, with several youngsters carrying large responsibilities.

Todd Gaffney, Academic All-American kicker and free safety headlines the Bulldog secondary, with help from cornerback Scott Stiles and Joe Campbell, moved from a linebacker slot to strong safety.

This marks the final contest between Drake and UNI in the long rivalry.

## Brief Outlook

After 19 straight losses, Morningside hopes the presence of 18 returning starters can bring them back to respectability.

Coach John Dornan received a rude awakening last season in his first year at the Chief helm, when his squad took the brunt nine times in a row.

The offense boasts 10 returnees, including quarterbacks Chuck Buesing and Tom Janssen. Joe Longo is a fine wide receiver and Randy Diehl gained 459 yds. in 1974 to give hope in the running department. He should get help from 1973 Junior College All-American runningback, Dave Dupree.

All-NCC linebacker, Herb McMath spearheads the defensive unit for the Chiefs. Big JC transfer Arthur Turner (6-6, 270) adds to the weighted line which already includes Guy McCausland (250) and Mike Gragert (240).

Jim Engler leads the Morningside secondary, which picked off six enemy aerials in 1974.

There's only one way up for the Chiefs and potential says they'll start the climb.

## Brief Outlook

The 1975 Augustana squad will be one with much experience. The team lost only three starters from last season which finished with a 4-6 record.

Gone are all-conference defensive back Ernie Tweet, all-time passing leader Dave Zelinsky and three-year starter John Brahs from his defensive end post.

Bob Callaghan, Rick Chounard and Dee Jay Donlin are battling for signal-calling assignment. Frank Penza, Tim Legel and John Rogers all return in the backfield.

Tight end Tom Queck was last season's leading receiver with 38 grabs and finished third in NCC stats. with 24 receptions and 341 yds. The other veterans offensively, include center Jim Clemens, guards Warren Kersten and Dick Clinard and tackle Bill Reitter.

Defensively, the Vikings return nine starters, including tackles Doug Clark and Steve Fuchs. Krage Feste returns to his starting end slot.

The entire defensive backfield returns, lead by Steve Wolf, Mark Mahieru and Craig Hovda.

## Brief Outlook

The 1975 Jackrabbits should be strong in the offensive backfield, with two experienced quarterbacks returning. Senior Bill Mast and junior Greg Hart are to compete for starting assignment.

Runningback Jim Kramer and slotback Dick Weikert are both receiving praise from SDSU coaches. Mike Lunde, a runningback returns after sitting out last season with an injury.

Placekicker Dan DeLaHunt returns after finishing 1974, second in Jack scoring. He connected on 35 of 36 extra points and booted eight field goals last season.

The defensive unit appears strong, but certain holes must be mended to make the Jackrabbits a strong contender in '75.

Ron Christensen, a nose guard last season has been switched to tackle. Bob Gissler is a fine-looking end and linebacker Mark Huelskamp should be a big factor in State success.

Several secondary specialists are fighting for starting duty for Coach John Gregory, beginning his fourth season in charge of the Jackrabbits.

## Brief Outlook

Coach "Beanie" Cooper begins his first season in the collegiate ranks after a highly successful tenure at the high school level.

Quarterback Mark Jenkins has started the past 22 games for the Coyotes and is again the "main man" in 1975. Honorable mention All-NCC last season, Jenkins is an exciting player to watch.

His help comes mainly from backfield personnel; Fred Rose, Eugene Kelly and Larry Harper.

The offensive line returns everyone except two-year starting guard Steve Moore. But the big name missing this season is All-American split end Dwight Duncombe, who has moved onto the pros.

His younger brother, Vince, is expected to move in and continue the pass-catching and backflipping stunts his elder performed the past couple of seasons.

Defensively, all-conference end Dennis Henigan and tackle John Mehlhoff are graduated and present big holes on the Coyote protective squad.

The secondary is intact, with Doug Smith, an All-NCC strong safety back to lead the aerial watch.

USD finished in a three-way tie for the NCC title, with a 5-2 record and were 8-3 overall in 1974.

## Brief Outlook

Only four times since 1913 has UW-Whitewater won back-to-back football crowns and after a share of the title last season, the Warhawks are promising favorites for their championship in 1975.

Thirty lettermen return to Coach Forrest Perkins' 20th campaign and among them are 17 starters from 1974's 8-3 team.

Several standouts return, including All-American offensive guard Bill Barwick. He receives help from tackles Doug Swenson and Dave Mesick, Frank Krause at the other guard and center Jim Cipriani.

A battle exists between quarterbacks Rich Murphy and Ken Martine for starting duty. Dan Brunner and Roger Gename, both all-conference in 1974 fill the tight end and wide receiver spots respectively.

The defensive line is bolstered by All-WSUC and All-District 14 end Steve Garber. Tim Shalbrack and Tom Natz lead the Warhawk secondary.

The weakest link defensively is at linebacker, where several youngsters must fill in.

Coach Perkins has won seven conference titles in his 19 seasons and indications are the Warhawks can repeat in '75.

## Panthers Have Played In Two Bowl Games

### 1960 Mineral Water Bowl

Excelsior Springs, Mo. — Northern Iowa ran into a bulldozer from Hillsdale College (Ohio) which won the contest 17-6.

The Panthers never really got going after finishing the 1960 season with a fine 9-0 record and winning the North Central Conference.

This game marked the first time in history UNI (then Iowa State Teachers College) played in a bowl contest.

### 1964 Pecan Bowl

Abilene, Tex. — In the first NCAA-sanctioned Pecan Bowl, UNI scored an impressive 19-17 win over Lamar Tech behind a sensational performance by two-time All-American fullback Randy Schultz.

Schultz ran for 160 yds. on 38 carries and scored two touchdowns. He was named the outstanding back of the game and teammate Loren Buser received the outstanding lineman.

The Panthers were 9-2 for the season and tied for the North Central title.
