Fraud Alert - International Student Scam

This scam is targeting international students. A student received a threatening phone call. The call came in as an emergency call and the student responded immediately. He was advised to phone [202-470-6070](tel:202-470-6070). The student was informed there was an arrest warrant in his name because he owed money to the U.S. government. The student was provided instructions on how to pay the money to avoid further prosecution. The student immediately reported this to Public Safety who confirmed this was a hoax or scam. We would like to remind students that you should never give out your social security number or your personal banking information, including debit and credit card numbers over the phone or to people you do not know.
