Each have a 27in Apple computer with Ableton Live, Sibelius, Finale, etc., a piano keyboard and a microphone. Textures of UNI

Rod Library is hosting a photo exhibit and competition for UNI student organizations during December and January. The exhibit will be on the main floor of the library. An Audience Choice Award will be given based on the votes received in a ballot box at the exhibit. Stop by the library and vote for your favorite student organization and join the fun!

Extended Hours

Rod Library is partnering with NISG to offer some additional days to our regularly scheduled extended hours on additional days during finals this semester. This pilot project for Fall Finals will offer students the opportunity to have a few extra days of late night studying in the comfort of the Rod. This extension will be evaluated for future need.
