PANTHER BASKETBALL '78-'79

When Jim Berry sends his basketball team out on the court for the first time this season, there will be the feeling that this Panther team will be one of the best to ever assemble in recent years.

That is a pretty strong statement to make but it can be backed up by some darn good statistics.

Berry has eight returning lettermen back for the 1978-79 basketball campaign and he isn't afraid to list all eight as potential starters. "We had eight people who started for us consistently at one time or another last season," said Berry who heads into his sixth year as the man to head Panther basketball fortunes. "Right now, all eight could start for us."

Does that pose a problem? Not really. "We'll go with the best five players we've got and if they don't produce we'll go to the bench," said Berry. "This is the first time since I've been here we have excellent depth on the bench and I won't be afraid to go to it when I have to."

Last year's Panthers posted a 15-12 mark which was the first winning season in eight years at the school. It also marked the first winning season for Berry.

That Panthers will have size and experience but will have to shore up an area which it has lacked in recent years — speed.

One thing is for sure. Berry will have one of the best forwards back in All-American

candidate Ron Lemons. Lemons, who has been a starter ever since his freshman year, led the Panthers in both scoring and rebounding. The former all-stater at Des Moines Lincoln burned the nets for 16.1 points per game last season while pulling down 7.9 rebounds and has people curious as to how he can improve over that performance. With the talent of this 6-7 senior smoothy it shouldn't be too terribly hard. Already being tabbed as one of the best to ever bounce a ball in Panther Country, Lemons came to the front as the leader and will be looked upon for the same this season. He was named to the North Central Conference All-Tournament team at the annual Holiday Basketball Tournament last December and ranked in All-NCC honors at the end of the season. He also led the team in slam-dunks with nine.

The other forward spot is a pleasant problem for Berry. Three potential starters return in juniors Mike Clark and Steve Peters and sophomore Tony Haupert. Clark, at 6-5 started most of the season and would up averaging 6.2 points per

game while pulling down an average of 4.0 rebounds. Quick and able to score from either outside or inside, Clark needs to develop consistency to become a top-notch collegiate player.

Peters, at 6-7, was a starter at the beginning of the season until Clark beat him out. He missed approximately six weeks in the middle of the season because of a bone chip in his toe which had to be surgically removed. Still, in his sophomore campaign, Peters came back to aid the Panthers down the stretch but still needs to develop patience and the ability to play under control. He finished the season averaging 5.5 points and 2.5 rebounds.

Hauptert, a 6-7 forward-center, had a brilliant freshman year in the nine games he played for the Panthers. He possesses Kangaroo-type leaping ability aided by one of the softest shooting touches on the team. Hauptert, who averaged nine points and five rebounds per contest, will make the race for the starting forward spot at interesting one.

Another freshman to make a big splash his first year was 6-9 Bill 'Too Tall' Jones. Jones will be the No. 1 center for the Panthers but will need to become more aggressive as the Panthers' big man. He took over the starting job when Mark Enright chipped a bone in his leg but lost the job when Enright came back again the latter part of the season. Jones was still able to rank second in UNI scoring with a 9.1 average but only managed a

meager 5.6 caroms per game.

The guard position is in excellent shape with the return of veteran seniors Mark Long and Mike Kemp and the most explosive player for the Panthers last season — sophomore Rod Underwood.

Long, like Lemons, has been a starter since his freshman year and deserves the title of Mr. Hustle for the Panthers. He averaged 8.0 points for the Panthers last year but more importantly handed out a new UNI record of assists with 114. Along with Lemons, Long will be looked up to as a leader in the Panther backcourt this season.

Kemp, at 6-2, average 6.8 points last season but lost his starting job to Underwood. Kemp is a steady, proven college guard and sports the confidence a ball club needs.

Underwood is the firecracker in the Panther offense. He's an explosive player that helped ignite the Panthers to a winning season. Underwood is quick, an excellent leaper and an excellent shooter. As a freshman last season, he ranked third in scoring with a 7.9 average while garnering 3.1 rebounds. Underwood is the quickest player on the squad with the ability to make things happen.

Non-letterman Jay Imhoff, 5-8 guard, will also see considerable duty in the backcourt with his quick hands and excellent shooting ability.

The Panthers were able to do something last season they've had difficulty doing in the past—winning on the road. UNI was able to win seven of it's 15 road-games while going 8-4 on the UNI-Dome home-court.

Northern Iowa will begin competition in the Mid-Continent Conference with games against some of the toughest competition in Division II. Eastern Illinois placed third in the Division II playoffs and would have to be tabbed the early-season conference favorite. "The Mid-Continent Conference is much stronger week-by-week than the North Central Conference," said Berry. "It is a tougher league because they all possess high-caliber teams."

Throw in one of the toughest schools in the Big Eight — Kansas State and the Billikens of St. Louis and the 1978-79 UNI Basketball schedule will make Berry's young players older and wiser in a big hurry.

JIM BERRY

**Head
Basketball
Coach**

Coach Berry is starting his sixth year at the helm of the University of Northern Iowa Panther basketball program. The 14-year coaching veteran has compiled a 43-89 mark at UNI in his five years of directing the Panther roundball program. Plus, the crafty head mentor guided UNI to their first winning season since 1969 when the Panthers rolled to a 15-12 mark and a second-place finish in the North Central Conference last season.

Prior to his arrival in Panther Country, Berry coached Loras to a 56-41 record over three seasons which included three NAIA playoff teams.

Born January 18, 1937 in Waverly, Ia., Berry attended West High School where he earned All-State and All-American cage honors. He participated in the High School East-West All-Star Game his senior year and was also active in football and baseball.

Berry became a two-time All-American cager in 1958 and 1959 at Creighton University in Omaha and graduated in 1960. He began his coaching career as Creighton's assistant basketball mentor after graduation. Berry also served as head baseball coach until 1962.

After two years in the Army with Berry coached military teams posting a fine 14-11 record, he moved into the high school ranks. In five years at Waterloo Columbus, Berry directed several state-ranked teams and established a 64-36 record.

Berry, who remains active in the Army as a major in the U.S. Army reserve, and his wife Mary Jean have three sons and daughter — David, 18, was an All-State runningback at Columbus for two straight years; Michael, 12 and Jeffery 11 and Kelly, 16, is the couples' daughter.

The Assistants

Dan Breitbach

Dan Breitbach became UNI's first full-time cage assistant in history last year after serving in a graduate assistant's role the past two seasons.

The 28-year-old Breitbach starred for Berry at Loras three seasons and served as team captain his junior and senior years. He's also a member of Loras' 1,000-point club and graduated in 1972.

A Dubuque native, Breitbach attended Wahlert High and graduated in 1968 prior to attending Loras. He taught at Hempstead High in Dubuque, where he served as assistant basketball and head tennis coach before joining Berry's staff at UNI in 1973.

Besides his basketball interests, Brietbach is one of the state's best amateur tennis players and teaches the sport during summers. Born June 14, 1950, Breitbach earned his Master's degree in physical education from UNI last spring.

He resides in Cedar Falls and is a bachelor.

Bernie Miller

Assisting the Panthers this season while doing post-graduate work at Northern Iowa is Bernie Miller. Miller, from Rochester, Minn., was a two-year starter for Mankato St. and helped the Indians capture the North Central Conference title his junior year. Miller was assistant coach at Audubon High School before coming to UNI. He will be the junior varsity coach and handle some recruiting duties. "His knowledge of the game and his enthusiasm will be a tremendous asset to the program at Northern Iowa," said Head Basketball Coach Jim Berry. "We're very fortunate to have Bernie on our staff."

Athletic Director — Stan B. Sheriff

Becoming the winningest coach in history at the University of Northern Iowa was just a matter of time for Head Coach Stan Sheriff.

It had been that way since he took over in 1960.

Sheriff took over with a bang producing an undefeated team in his maiden year to put the Panthers into a bowl game for the first time ever.

Sheriff came to UNI in 1958 as first assistant to Bill Hammer and succeeded him two seasons later.

Since then he has piled up an impressive 105-71-3 overall record for a .594 winning edge and his teams have won or shared four North Central Conference titles.

The 1960 team was a gem. UNI went 9-0-0 in regular season before losing to Hillsdale College in the Mineral Bowl and Exselsior Springs, Mo., 17-6.

Sheriff won the North Central Conference title again in 1961 with a 7-2 record and repeated in 1962 with a 7-1-1 mark, sharing the crown with South Dakota St. both years. He took a sophomore dominated team to a 5-3-1 mark in 1963 and a second place finish in the NCC.

Then came 1964 and the most heralded year of all. His Panthers posted an 8-2-0 season, got the bid to the first Pecan Bowl game and beat Lamar Tech 19-17 in the heat at Abilene, Tex.

The heart of that championship team left in 1965 and UNI lost five straight before rallying to post a 4-5 mark, a figure they repeated in 1966.

In 1967, Sheriff parlayed a small but cohesive defensive unit into a 7-3-0 mark, losing by one point 10-9 to champion North Dakota St., the number two ranked division team in the nation. The heart-breaking losses of four, one, and three points came during a tough schedule.

His subsequent teams went 5-5-0 in both 1968 and 1969, 2-8 in 1970, 4-5 in 1971, 4-6 in 1972, 5-5 in 1973, and 5-4-1 in 1974. Those were the lean years.

In 1975, his Panther team, behind All-American quarterback Bill Salmon, rolled to a 8-3 regular season and got the bid to the NCAA first-round playoffs. The Panthers met Western Kentucky in what now has been labeled the 'Mud Bowl', and dropped a 14-12 squeaker.

The nucleus of that team left, but Sheriff put together a sophomore-dominated team in 1976 that posted a fine 8-3 record in the Panthers' new home — the UNI-Dome.

Last season, with the No. 1 quarterback knocked out for four games with a shoulder separation, coupled with an entirely new defensive front line, the Panthers bounced back from a slow 2-4 start to win its last four games and placed second in the NCC.

Just as Sheriff's teams have played a dominant role in the NCC, so have individual players. He's produced 60 All-Conference players, with eight winning most valuable back or linesman awards. Seven times in 18 years he's had the league's leading ground gainer.

In 18 seasons he has produced eight first-team Little All-America players with the most recent being offensive tackle Mike Timmermans in 1975. In 1960 both guard George Asleson and quarterback Jerry Morgan were honored. In 1961 guard Wendell Williams made the top team, followed in 1962 by fullback Dan Boals. Then came Randy Schultz to win first team honors in both 1964 and 1965, the first Iowa college player ever to repeat as a first team selection. In 1968, defensive tackle Ray Pedersen joined the elite list.

Since he assumed the additional role of Athletic Director in 1970, Sheriff has directed a very potent 11-sport intercollegiate program, copping six North Central Conference all-sports trophies.

Sheriff's knowledge of football and athletics does not stop at the university level. He served a nine-year term on the NCAA Football Rules Committee. He has also served terms on the American Football Association Committees involving conventions and public relations. He is currently a member of the prestigious NCAA Television Committee, which just recently negotiated a multi-million dollar contract with ABC Television.

Stan Sheriff, a native of San Francisco, was a collegiate star at California State Polytechnic College at San Luis Obispo. An all-conference center for three seasons, he was the league's most valuable player as a senior and was named to the first team Little All-America. Following his senior year in 1953 he played in the East-West Shrine game and the Hula Bowl, one of the first small college players to earn both honors.

Sheriff graduated from Cal Poly in the spring of 1954 and went on to play professional football for three seasons in the NFL as a linebacker.

His first coaching experience came during a tour of duty in the U.S. Army (two yrs.) when he guided the 4th Infantry Division team to the European service title with a 10-1-1 record.

During the off-season as a professional, Sheriff continued his education and received his Master's degree from Cal Poly in 1958, just prior to his arrival at UNI.

Stan and his wife Jane have three sons, Paul, Michael and Richard.

University of Northern Iowa

The University of Northern Iowa, one of the nation's leading institutions of higher learning, is the outgrowth of the Iowa State Normal School established by the General Assembly in 1876. On September 6 of that year 27 students under four instructors began classes in a renovated home for Civil War orphans. This building, later named Central Hall, was destroyed by fire in July, 1965.

From a single building on a 40-acre campus, the University has grown to include over 40 major buildings, a 721-acre campus, over 500 faculty members and over 9,300 on-campus students. Of the 10,181 enrolled for university credit in the fall of 1975, 9,358 were on-campus and 823 were through extension and correspondence. The University also maintains a laboratory school for some 700 students in pre-school through 12th grade.

In 1909 the institution was renamed the Iowa State Teachers College and the government of the College, along with that of the University of Iowa and Iowa State University, was vested in the State Board of Regents, a nine-member body appointed by the Governor. Under the new name, the College attained a reputation as one of the nation's outstanding institutions for preparation of teachers.

On July 5, 1961, the Iowa General Assembly on recommendation of the Regents changed the name of the school to State College of Iowa and redefined its function to include the offering of liberal arts degrees.

On July 1, 1967, the General Assembly on recommendation of the Regents approved University status. The name was changed to University of Northern Iowa and its function was again redefined.

Although teacher education remains its largest program, the University offers degrees to students majoring in a wide variety of subjects. Thus UNI has two Bachelor of Arts degrees, one with certification to teach and one without certification. Also, a Bachelor of Technology degree can be earned with or without certification to teach, and since 1969, the Bachelor of Music degree has

been offered. A Bachelor of Fine Arts degree was approved by the Regents in 1976. An Individual Studies major enables a student to pursue, with faculty approval, a wide assortment of study areas.

On the graduate level, courses leading to the degree of Master of Arts in Education were offered for the first time in the summer of 1952 and a sixth-year program leading to the Specialist in Education degree began in 1960. A sixth-year Specialist degree with a program in science education was inaugurated in 1970.

In 1964, the Master of Arts degree was approved by the Regents. The first Master of Arts degrees were granted in 1966. The Master of Business Administration degree was approved by the Regents in 1975, and the Master of Music degree in 1976.

The Industrial Technology Center on the South campus opened in August, 1975, while the UNI-Dome, a multi-purpose coliseum on the west campus, opened in February, 1976. Ground was broken in October, 1975, for the Speech/Art complex located southwest of Russell Hall, with completion anticipated in the summer of 1977.

This Is UNI

The Mid-Continent —

The newest intercollegiate athletic conference in the nation, the Mid-Continent Conference, is ready for baptism.

It has been almost one year to the day that representatives of six prominent Mid-Western universities announced the formation of the MCC. The universities included Northern Iowa, Youngstown State, Western Illinois, Eastern Illinois, Northern Michigan and Akron.

The Mid-Continent Conference, which will be an NCAA Division II conference, was two and a half years in the making. It began with a meeting in Houston, Texas in January 1975. Beginning this fall, it will become a reality.

Competition on a league basis will be among football, basketball, and four other sports from cross country, swimming, wrestling, track, tennis and golf.

"This conference will become a strong voice influencing positive NCAA planning which will involve TV scheduling, rules and organization," said Athletic Director and Head Football Coach Stan Sheriff. "As this conference evolves, we believe others will wish to join and we have provided growth in our thinking."

The Mid-Continent schools have been prominent in competition in past years. Northern Michigan was an NCAA Division II semi-finalist in the playoffs last year. They won the national championship in 1975. Youngstown reached the quarterfinals in 1972 and went into the regional basketball playoffs last season. Eastern Illinois was runnerup in the Division II Basketball Championships last season and third in the Division II Wrestling Championships last March in the UNI-Dome. Western Illinois placed third in the Division II Track and Field Championships last month and was 11th in the Division II Wrestling Championships.

Northern Iowa was an NCAA Division II semi-finalist in football in 1975 and captured the Division II Wrestling in 1975 and this past season. The Panther track team capped a brilliant season by placing ninth in the NCAA Division II Track and Field Championship last month.

Not only have the Mid-Continent schools been prosperous in NCAA athletics but all are located in metropolitan cities well versed in publicity and media coverage.

Northern Iowa, as well as the other five new member schools, have made a concrete commitment to maintain a strong athletic program.
