other key players who will have a large role in the success of
the Panthers are freshman Andy Buntenbach, who was
a high school conference champ from Garner; Brian Bunten-
bach, brother to Andy, a district and state 2A medalist last
spring, and Gary Cool, a runner-up in the 3A state toma-

Rounding out the UNI roster are freshmen Rick Erickson,
Bob Hawig and Jeff Textor; sophomores Mike Cardin, Doug
Griggs, Bret Madison and Tom McCann; junior Mike Paper,
and senior John Lounsberry.

Coach Green is looking for Rommann and James to spark
the team and is hoping for strong leadership from his other
veterans who possess a strong competitive spirit. The Pan-
thers have a fine tradition of golf to learn from. The Panthers
have been selected to compete in the nationals four out of
the past six years, in 1973, 1975, 77 and 78. UNI placed 8th
in 76, 14th in 77 and 12th in 78.

Panther Outlooks

Coach Ken Green has a contingent of four letterwinners re-
turning to the 1979 spring squad, including junior Larry
Gladson, senior Roger James, who placed 45th in the 1978
Division II nationals, junior Dennis Rommann, an All-
Conference pick in 1TV/6 and 1TV/7 and 46th place finisher
in 1978, and junior Steve Shubert. Coach Green’s main con-
cern is his untested people and whether the team will be
able to play the majority of its schedule with the unpredict-
able weather. He feels he has his best crop of freshmen ever
and the Panther season depends upon how fast the newcomers come along.

The Panthers will miss the likes of Chris Vandell, a com-
petitor who were medalist or high finisher in all the meets.
Rich Lyons, who was named honorable mention All-
American; Rick Rommansen and Scott Johnson and Gary
Melson, who was one of the top Panther players.

The Coaches

Ken Green: Finishing his seventh season as the Panther’s
coach, Ken Green can look back on his accomplishments
and look forward to what lies ahead with this potentially ex-
plorative squad. While Green has been coach, UNI has cap-
tured the North Central Conference title three times, finished
second twice, and third and fourth once. Green was named
the NCAA District 5 Coach of the Year in 1973. A 1960
graduate of Iowa State, he earned his master’s degrees from
UNI in 1965. Prior to joining the UNI staff in 1965, he was
head basketball coach at Stormont High School.

Jeanette Marsh joined the UNI faculty and coaching staff in
the fall of 1975. Prior to coming to Cedar Falls, Marsh was a
coach at Washington State University in Pullman, WA, where she coached track and field and
downhill and cross country skiing. Marsh has competed in a wide variety of sports, including golf, volleyball, basketball,
snow skiing, softball and racquetball. She received her
bachelor’s degree in 1963 from Mankato State University
and her master’s in 1972 from the University of New Mexico.
Under Marsh’s reign, the Panthers were crowned the 1976
Iowa Association of Intercollegiate Athletics for Women state
champions.

In the four years Jeanette Marsh has coached the UNI golf
team, the competition and the squad have gotten bigger
and better. Several years ago the schedule consisted of dual
meets with teams mainly from within the state. Today, the
Panthers compete in large tournaments, usually with 10 or
more teams, and they travel the Midwest to find the most
competitive golfers.

"There is a lot of good competition in the region," Marsh
says. "We compete against the best teams in the Midwest.
Many golfers no longer go south to school, so the competi-
tion is growing stronger here. We see some of the best
courses in the nation."

The Panther program has expanded to where UNI com-
petes in about six meets in the fall and four in the spring. The
spring season was lengthened from three to five weeks a
year ago to allow for more conditioning and practice time.
"Winter conditioning drills consist of a weight and endurance
program. The athletes also have access to a net in which to
hit into in the Dome."

The spring prospects are very promising. The entire fall
roster is set returning, with the exception of Rocky Burns, the Pan-
ther’s no. 4 player. Junior Candy Black and sophomore Mary
Ann Greeman most probably will headline the veterans. Joan
Maren and Lisa Miller also are returning from the first
squad and senior Carole Schlapkohl most likely will move up
from the second team to the first. Most golfers dropped their
handicaps by at least two strokes last fall.

Marsh carries two full teams, and both teams compete in
most of the large tournaments. But Marsh says there is plenty
of room for young, promising golfers. this year’s squad is very
"coachable and willing to work as a team," she says. She en-
joys the continuity amongst team members and is looking
forward to another season.

The Coaches

Ken Green, named the head coach in 1973, is looking to build upon his accomplishments ahead with this highly competitive team. The Panthers were crowned the 1976 school championship, with junior Dennis Marsh, who was one of the top Panther golfers in 1965. Prior to joining the UNI staff in 1968, Ken Green was head coach at Stormont High School in 1972. He was named the UNI golf coach in 1973, and his team has been placed in the top six in the nation in 1971, 1972, 1973, and 1976.

Other key players who have been welcomed to competition in the national tourneys are seniors Andy Buntendick, Richard Romm, and Scott Johnson. These three players have been selected to compete in the spring tourney.

In his four years as coach, Marsh has coached the UNI golf team to four out of five conference rounds. This year's squad is very competitive, and will be returning to the UNI program for more conditioning and practice time.
