# Women's 1981 Outlook

The University of Northern Iowa enters the 1981 spring season after finishing the 1980 fall season with a record of 11-6. The spring schedule consists of one invitational and seven dual meets, with two at home.

UNI Head Coach Betty Swanson enters her 12th year of coaching with a balanced team. The squad has eight women, three of them seniors.

"We're going to have to work on consistency and accuracy of shots in order to be successful," remarked Coach Swanson.

Starting in the number one position for the Panthers is Rose Quirk, the captain of the team. Swanson describes Quirk as a good all-around player, with good strokes and strategy. Swanson also noted that she needs to work on speed in her hitting.

In the number two spot will be Vicki Reincke, a freshman from Cedar Rapids, IA. Swanson said Reincke has a solid court game with good strength and a very difficult serve to handle.

Cathy Crowl, a junior from Council Bluffs, is playing the number three position. Crowl's strong points are consistency and a strong stroke. She also plays a fine backcourt.

Playing the number four spot is one of the seniors on the team, Kathy Konigsmark. Coach Swanson notes that Konigsmark has a very unorthodox stroke but has good body speed and is consistent.

At the fifth position is Lin Kobliska, another senior from Waterloo. Lin is quick but has a very unorthodox stroke.

Nina Nelson, a sophomore from Clear Lake, is at the number six spot. Behind Nina are two freshmen, Kelly Robinette from Des Moines and Cindy Dietzel of Bettendorf. They will be competing for starting positions.

Dual meets will provide the best competition for the Panthers, with strong teams like Iowa State and Drake on the schedule.

"We are working on power, strategy, technique and fast hitting this season," noted Coach Swanson. "To obtain these goals we'll have to have less errors in stroking."

# Men's 1981 Outlook

The key to this year's team is depth. Coach Pete Mazula, who enters his 17th season at UNI, lost two veterans from last year's third place Mid-Continent Conference team — number six singles player Carl Hothchkiss and number two singles player and last year's Captain, Lanny Lang. Coach Mazula feels he has adequate people to fill the shoes left empty by those two veterans. Lang won several championships all through his years at UNI and last year compiled a record of 17 wins and 11 losses in singles, while Hotchkiss totaled a record of 24 wins and 13 losses.

The outlook for Pete Mazula and the Panthers is good. With seven returning players and three outstanding newcomers, Coach Mazula's hopes for a conference title may come true.

The number one man for UNI will be the 1980 M-CC singles champion at the number one position, the 1980 M-CC doubles champion and the 1980 M-CC Most Valuable Player, junior Mike White. White finished 1980 with an overall record of 30-7.

At the number two position will be senior John Stierman. Stierman compiled a record of 25 wins and 14 losses during his 1980 season. p12 Competing for the number three or four spot will be this season's Captain, Stu Cochrane. The senior from Sioux City shared the honors with Mike White in winning the 1980 M-CC doubles championship at the number one position. He is a fine baseline player and is equally strong in singles and doubles. Cochrane still needs work on his net play but is improving in every practice.

Mike Schillig, a Cedar Rapids freshman, will be battling with Cochrane for the number three and four position. Schillig went to districts his sophomore through his senior years in high school. During his high school years, he finished fourth in state as a sophomore, third as a junior and fifth as a senior, all in singles play.

The number five, six and seven position have three strong contenders. Scott Hollander, the only south paw on the team, is one of those contenders. The Sioux City sophomore had a record of 15-6 during his 1980 season. He is a very fine doubles player but needs to develop his net play. Another contender for the five through seven spots is Carter LeBeau. The Davenport junior was the 1980 M-CC singles champion at the number five position. He had a record of 20-13 last season. The third top contender is senior Scott Froyen. He sat out last year due to an injury, but as a sophomore Scott played number one doubles.

Matt Greteman and Bill Failor will be pushing for starting positions. Greteman, a sophomore from Carroll, IA, had a record of 4-2 last season. Mazula says that Greteman will be concentrating on doubles play but will still be working on singles. Sophomore Bill Failor from Ankeny, IA, had a 2-2 record in 1980.

Coach Mazula expects good things from freshman Jim Logan. Logan is from Bettendorf, IA, and was named Most Valuable Player at his school. He won the conference and district titles and competed in state doubles this year.

UNI's season will be a very competitive one. The team will have seven matches before traveling to Texas for its spring trip March 21-27. Youngstown will be the toughest foe in the M-CC. Other strong competition comes from teams such as Iowa State, Western Illinois, Augustana (IL), Northern Illinois and Drake.
