MINNEAPOLIS TRIP

April 14-15, 2012

We are happy to announce that the Hotel Minneapolis has extended our registration deadline until Friday, April 6, so there is still time to sign up for this great trip! The more students who can participate, the better! Get your group of friends together one more time for an end-of-the-semester blast. Your U.S. roommates and friends are welcome to join us on this trip, as well as your conversation partners or even host families.

We have added an itinerary so that participants will have a better idea about what is planned. Please refer to it below.

Students need not worry about losing study time: There will be plenty of time to study while driving to and from Minneapolis, about 3 1/2 hours each way. In addition, you can study in the comfort of your modern hotel room on Saturday evening and Sunday morning. You can even study while taking a break from shopping at the Mall of America!

The cost of the trip is \$80 per person and includes transportation and accommodation. Participants are responsible for food expenses, sightseeing, recreational and other expenses. Please sign up at the International Services front desk.

We plan to ride in a private motorcoach (bus) that has been chartered for our use. The bus will have comfortable upholstered seats, plenty of storage space, and an onboard lavatory. We will make a breakfast stop on our way to Minneapolis on Saturday morning at a location that will offer several options for you to purchase food and beverages. You are also permitted to bring your own food and drink onto the bus. We will stop during the return trip to permit people to purchase dinner. ****PLEASE NOTE that if we have less than 30 participants, we will need to travel in vans instead of a bus to save fuel.****

We will be staying at the Hotel Minneapolis located in downtown Minneapolis at 214 Fourth Street South. (www.thehotelminneapolis.com) We will stay in modern hotel rooms that contain two queen size beds, so no more than four people will stay in each room. If you are interested in sharing a room with only one other person (2 people per room), the trip fee will be \$115 per person, and a single room may be possible for a trip fee of \$167.

****PLEASE NOTE that the Hotel Minneapolis is NOT a hostel like we use in Chicago. It is a full-service, high quality traditional hotel where no more than 4 people will share a room with a large private bath,**

high-definition flat-screen TV, temperature control, and more. Please look at their web site, linked above.
